SCHLÄPPI

8000 | OBSESSION

schläppi

Obsession is the latest female mannequin collection to join the Schläppi family. She is fluid, romantic and graceful and is able to capture your gaze with her unique forms.

Obsession is our latest female collection, rooted in a tradition, that is now well established in the Schläppi brand.

The new collection reflects the qualities of the original 1960s and 70s Schläppi mannequins and draws inspiration from iconic personalities of the time; Diana Ross, Jerry Hall & Grace Jones.

Obsession recalls many of the founding elements of Schläppi's original design principles; fluidity, form and motion and combines these with an expressive, creative emancipation.
