

1) This is a topical [#Qanon](#) thread on General Mike Flynn. In this thread, I'll share what Q has said about the General and include links to relevant news articles.

Q posts can be found here: [qanon.pub](http://qanon.pub)

<https://pbs.twimg.com/media/DhxVQbvUYAA9tyg.jpg>

- 2) I would like to apologize to those who will be offended by this thread. I know there are many good people who are supporting the effort to help pay the expenses General Flynn and his family have incurred over the last 2 years. I mean no disrespect to these patriots.
- 3) However, [#Qanon](#) has provided a different narrative from the one being reported by friends and family. It is not my intent to cast doubt on them or their motives. My only intent is to convey the perspective on General Flynn that Q has provided.
- 4) General Flynn follows me on Twitter. I've never messaged him but he does have the ability to message me if anything I post needs to be corrected. I've posted about him in previous threads and he has not commented. (If he does contact me to correct anything, I'll let you know.)
- 5) A key post by [#Qanon](#) on General Flynn is this one from October 31st, 2017. Q said that President Trump found favor with a group of military leaders who've used military intelligence to keep him ahead of the moves of his enemies. One of those leaders is General Flynn.

# Michael Flynn

From Wikipedia, the free encyclopedia

"*Mike Flynn*" redirects here. For other uses, see *Michael Flynn (disambiguation)*.

**Michael Thomas Flynn** (born December 1958) is a retired **United States Army Lieutenant General** who served in the U.S. Army for 33 years, from 1981 until 2014. In January 2017 he briefly served as **National Security Advisor to U.S. President Donald Trump**. In December 2017 he pleaded guilty to one count of lying to the **FBI** (a felony) about contacts he had with the Russian government during Trump's presidential transition.

Flynn's military career included a key role in shaping U.S. counterterrorism strategy and dismantling insurgent networks in Afghanistan and Iraq, and he was given numerous **combat arms**, conventional, and **special operations** senior intelligence assignments.<sup>[1][2][3]</sup> He was appointed by President **Barack Obama** as the eighteenth director of the **Defense Intelligence Agency**, serving from July 2012 until his forced retirement from the military in August 2014.<sup>[4][5][6]</sup> *The New York Times* reported on May 18, 2018 that a longtime FBI/CIA informant had met Flynn at an intelligence seminar in Britain six months earlier and became alarmed by Flynn's closeness to a Russian woman there; this concern prompted another individual to alert American authorities that Flynn may have been compromised by Russian intelligence.<sup>[7]</sup>

After leaving the military, he established Flynn Intel Group, which has provided intelligence services for businesses and governments, including ones in Turkey.<sup>[8][9]</sup>

Flynn briefly served as the **National Security Advisor** for President **Donald Trump**, from January 20 to February 13, 2017.<sup>[10]</sup> He resigned after information surfaced that he had misled Vice President **Mike Pence** about the nature and content of his communications with the Russian ambassador to the U.S., **Sergey Kislyak**.<sup>[11][12]</sup> Flynn's tenure of just 24 days was the shortest in the office's history.<sup>[13][14]</sup>
