

YORK HIGH SCHOOL

Wildcats

2022-2023 School Handbook

1 Robert Stevens Drive
York, ME 03909
207-363-3621

Mission Statement

Personalization, Academic Rigor, and Success for Every Student

The YHS community does whatever it takes to help students succeed. Each person is valued as a meaningful member in this community. Our school is built upon intellectual honesty, high standards, and a commitment to open inquiry fostering lifelong learning.

Core Values

Integrity ● Perseverance ● Responsibility ● Citizenship ● Moral Courage ● Respect

This handbook was developed to assist students, parents, and staff members in understanding their roles and responsibilities at YHS. Please note, this handbook and policies found within are constantly evolving and being updated to better serve the students of York High School. For updated policies and procedures, please visit the [York School Department Policies](#) webpage.

District Administration

Lou Goscinski ▪ Superintendent of Schools
Dr. Ellen Kaschuluk ▪ Director of Curriculum, Instruction and Assessment
Rosalyn Moriarty ▪ Director of Special Education
Eric Lawson ▪ Director of Technology and Libraries
Zak Harding ▪ Director of Finance and Operations
Chris Rynne ▪ Director of Facilities and Maintenance
Whitney Thornton ▪ Director of School Nutrition

School Leadership Team

Michael Bennett ▪ Co-Principal
Amanda Suttie ▪ Co-Principal
Liza Mockeridge ▪ Assistant Principal
Jeffrey Oliver ▪ Athletics/Activities Director
John Feerick ▪ Special Education Building Coordinator

Department Leadership Team

Amy Rosenberg ▪ English
Kristi Bean ▪ Mathematics
Matt Regan/ Meghan Flanagan ▪ Wellness
Kate Wiebe ▪ Science
Michael Cleary ▪ Social Studies
Dan Sovetsky ▪ Visual and Performing Arts
Sarah Bolaños ▪ World Languages
John Feerick ▪ Special Education
Christine Caprio ▪ Alternative Education
Kathy Damiano ▪ Student Services

Building Support Team

Shaun Darrow ▪ School Resource Officer
Neil Rideout ▪ Facilities Management
Terri Hogan ▪ Administrative Assistant
Barbara Moynahan ▪ Principal Secretary
Sarah LaCroix ▪ School Nurse
Kathy Damiano ▪ Social Worker
Deb Alonso ▪ Social Worker
Erika Luby ▪ Registrar / Student Services Assistant
Mimi Abell ▪ Student Services Assistant
Paul Santerre ▪ YCA Manager

Mission & Expectations

Personalization, Academic Rigor, and Success for Every Student

The YHS community does whatever it takes to help students succeed. Each person is valued as a meaningful member in this community. Our school is built upon intellectual honesty, high standards, and a commitment to open inquiry fostering lifelong learning.

Integrity ● Perseverance ● Responsibility ● Citizenship ● Moral Courage ● Respect

Academic Expectations

York High School students:

- Demonstrate media literacy: listening, oral, written, visual, and technological communication skills.
- Demonstrate effective organizational skills and productive study habits.
- Demonstrate higher order thinking and effective problem-solving skills.

Social and Civic Expectations

York High School students:

- Leave YHS with a plan in place for their future.
- Develop the skills and knowledge to pursue a healthy and independent lifestyle.
- Are respectful, responsible, and ethical citizens.
- Attend school and classes.

Student Expectations

1. Be prepared. Try to keep a realistic schedule balancing academics, extracurricular activities, and your social life.
2. Make sure that you understand your assignments and the grading scale that the teacher is using. Ask your teacher for clarification, not a classmate.
3. With the help of your teacher, set up study groups with your classmates.
4. Seek help from your teacher.
5. Be organized. Have class notes in order and be sure they are easily accessible. This will save you time and anxiety when studying for a test or writing a paper.
6. Keep current with assignments. Don't wait until the last minute and play catch up!
7. If, for whatever reason, you choose to use another's ideas or solutions, cite that person as a source on your paper or project. Know what constitutes cheating, including all the variations of plagiarism.
8. Accept the fact that some learning requires serious, sometimes even tedious effort.

Parent Expectations

Parent support of academic achievement and ethical social/emotional development is fundamental to students' long-term success. The following behaviors will assist parents in promoting true student achievement:

1. Teachers are often available for extra help before, during (PIE, SLC, and study hall), and after school. Encourage your student to take advantage of this time with their teacher.
2. Don't push your student beyond his/her limits with your expectations or aspirations. Many times students make poor decisions because the pressure to excel is greater than their ability to meet the expectations.
3. Assess your student's abilities realistically. Help him/her to choose courses in which he/she will be successful and challenged without undue stress.
4. If you suspect your student is having difficulty in a class, please contact the teacher directly. The sooner the problem is identified, the sooner steps can be taken to address it.
5. If your student is caught cheating and you are called, please remember that this is a learning experience; help your student to accept the consequences for inappropriate actions.
6. Participate in parent/teacher conferences. (Please see the school year calendar for more information regarding dates and times.)

Teacher Expectations

1. Provide an atmosphere that is conducive to learning and promotes honesty and integrity.
2. Differentiate instruction and design curriculum for a diverse group of learners.
3. Stay in the classroom and remain vigilant.
4. Take timely and accurate attendance during class and Pride/PIE.
5. Be present in the hallways and common areas during transition times.
6. Consider the academic purpose of all assignments. Construct assessments that effectively evaluate student learning and progress toward proficiency.
7. Deal effectively with absenteeism. Provide work to students electronically. Encourage students to arrange a time to meet to formulate a makeup plan. Make alternative assessments, different versions of tests, and create time constraints for make-ups.
8. Be sensitive with the timing of major tests/projects in other departments.
9. Encourage students to use their resources: Google Classroom, Student Learning Center, PIE time, etc.
10. Encourage students to become more interested in the process of learning rather than grades.
11. Clarify as individual teachers what cheating is for your class and be clear with consequences. Preach integrity, and model appropriate actions.
12. Update grades biweekly in PowerSchool.

Schedules and Calendars

2022-2023 Bell Schedule

Blue Day	White Day
Block 1 7:50 - 9:05	Block 5 7:50 - 9:05

Academics

York High School teachers structure class activities, instructional practices, and assessments to assist students in pursuing academic excellence. YHS teachers believe that success is dependent on student efforts: attending class, participating, doing the required work and study, and seeking extra help when necessary. YHS teachers are committed to student success.

Academic Expectations

The knowledge and skills described in the Maine Department of Education Regulation 132 support Maine students in achieving the goals established in Maine's Guiding Principles. The Guiding Principles state that each Maine student must leave school as:

- A clear and effective communicator who:
 - Demonstrates organized and purposeful communication in English and at least one other language;
 - Uses evidence and logic appropriately in communication;
 - Adjusts communication based on the audience; and
 - Uses a variety of modes of expression (spoken, written, and visual and performing including the use of technology to create and share the expressions).
- A self-directed and lifelong learner who:
 - Recognizes the need for information and locates and evaluates resources;
 - Applies knowledge to set goals and make informed decisions;
 - Applies knowledge in new contexts;
 - Demonstrates initiative and independence;
 - Demonstrates flexibility including the ability to learn, unlearn, and relearn;
 - Demonstrates reliability and concern for quality; and
 - Uses interpersonal skills to learn and work with individuals from diverse backgrounds.
- A creative and practical problem solver who:
 - Observes and evaluates situations to define problems;
 - Frames questions, make predictions, and designs data/information collection and analysis strategies;
 - Identify patterns, trends, and relationships that apply to solutions;
 - Generates a variety of solutions, builds a case for a best response and critically evaluates the effectiveness of the response;
 - Sees opportunities, finds resources, and seeks results; and
 - Uses information and technology to solve problems; and Perseveres in challenging situations.
- A responsible and involved citizen who:
 - Participates positively in the community and designs creative solutions to meet human needs and wants;

- Accepts responsibility for personal decisions and actions;
- Demonstrates ethical behavior and the moral courage to sustain it;
- Understands and respects diversity;
- Displays global awareness and economic and civic literacy; and
- Demonstrates awareness of personal and community health and wellness.
- An integrative and informed thinker who:
 - Gains and applies knowledge across disciplines, learning contexts, and to real life situations with and without technology;
 - Evaluates and synthesizes information from multiple sources;
 - Applies ideas across disciplines; and
 - Applies systems thinking to understand the interaction and influence of related parts on each other and on outcomes.

The Maine Learning Results: Parameters for Essential Instruction establishes parameters for essential teaching and learning in grades Pre-Kindergarten through Diploma across six content areas and supports the goals outlined in the Guiding Principles. In 2011, the State of Maine adopted the Common Core State Standards in English Language Arts and Mathematics, replacing the Maine Learning Results in those two subject areas. Both the Maine Learning Results and the Common Core State Standards provide a consistent, clear understanding of what students are expected to learn, so teachers and parents know what they need to do to help them. The standards are designed to be robust and relevant to the real world, reflecting the knowledge and skills that our young people need for success in college and careers. With American students fully prepared for the future, our communities will be best positioned to compete successfully in the global economy.

Academic Integrity

The York High School learning community pursues excellence. Your work must be your own. Your work must demonstrate what *you* know and are able to do.

Explanation of academic dishonesty:

- Copying part or all of another student's work on an assignment, quiz, test, homework, or project, and presenting it as one's own work
- Allowing a student to copy part or all of one's own work on an assignment, quiz, test, homework, or project, or knowingly doing any part of the work for another student who presents the work as his/her own
- Using information from any source during a quiz, test, or other assessment that has not been specifically allowed by the teacher for that assessment
- Making up data, information, or sources and presenting them as real
- Presenting work or ideas obtained from any other person or source, including online translators, applications, or generators as one's own.

Explanation of plagiarism:

- Using part or all of the ideas, information, or images from any printed or non-print/electronic source and submitting them as one's own work
- Not citing accurately the sources of information, ideas, or images taken from any print or non-print sources

An academic integrity violation has the potential of preventing students from maintaining an honor society position and/or being admitted into an honor society. Acquiring college recommendations may be put in jeopardy and post-secondary institutions may be notified.

Academic Integrity Violation Protocol

1. Teacher will discuss the violation with the student first to confirm the conditions of the violation.
2. Teacher will discuss the violation with the department chairperson to determine next steps.
3. Teachers may complete the [academic integrity reporting form](#) and inform administration.
4. Teacher will call or email home to inform the student's parent/guardian of the integrity violation and offer to schedule a time to meet with the student and parent.
5. Teacher will inform the student's school counselor.
6. A meeting may take place between teacher, student, and parent with department chair and/or administrative presence, at teacher discretion, and the student's counselor.
7. A plan may be made to remediate the situation.
8. The reporting form will be placed in the student's disciplinary file by school administration, and the violation will be documented in PowerSchool.

Consequences

A student's plan to remediate an integrity violation can include:

- Student is to redo the assignment
- Student is to complete an alternative assignment demonstrating the same standards
- Student's grade may be negatively impacted
- An alternative consequence agreed upon by the teacher and administration.

1st Infraction: Infraction will be placed in student's disciplinary file in the Assistant Principal's office;

2nd/Subsequent Infractions: Infraction will be placed in the student's cumulative folder in Student Services and may be reported to post-secondary institutions.

Add/Drop/Withdraw Process

The add/drop period occurs during the first six school days of each semester. Schedule changes are only made if there is a mistake in the schedule (ex: too many classes, wrong class, or missing class). No changes will be made to change electives, study hall, dismissal, or lunch blocks. Level changes in a course you were recommended for will be on a case by case review and a meeting with the teacher(s) will be required. Students who withdraw from a course after the first 15 school days will receive a final grade of WP or WF based on their current grade in the course. These grades become part of the student's permanent academic transcript.

Advanced Placement Courses

YHS offers many AP courses. Students are encouraged to take AP courses and sit for the exam in May to earn college credit and advanced quality points. More information about AP courses can be found by visiting the College Board's AP website and the YHS Program of Studies.

Dual Enrollment/Concurrent Enrollment

Dual Enrollment

YHS juniors and seniors may participate in dual enrollment programs offered at postsecondary institutions. Upon completion of the course, students will receive both high school and college credit. Students wishing to participate must fill out any required registration paperwork for the college they are attending, complete any required placement test, and receive prior approval from their school counselor. Please see the YHS Program of Studies for further information.

Concurrent Enrollment

Students who participate in concurrent enrollment may earn college credit through YCCC or SMCC in addition to earning YHS credit. Concurrent courses are taught by YHS staff. Please see the YHS Program of Studies for further information.

Grading and Reporting

Class Rank and Grade Point Average

Class Rank is computed at the end of the 6th and 8th semesters.

Class Rank is presented by deciles according to weighted student quality point averages.

Quality Points are determined as follows:

- Advanced (ADV) courses have a quality point factor of "10";
- Honors (HON) courses have a quality point factor of "5";
- College Prep (CP) courses have a quality point factor of "0";

These factors are added to the actual numerical course average to give a weighted cumulative quality point total. The Quality Point Average is determined by the quality point total divided by the number of attempted credits.

Grade Point Average (GPA) is determined by a simple average of all courses taken and is computed at the end of each semester. The PowerSchool program calculates the GPA only for courses that have been completed. Full-year classes are not included in the GPA until the end of the school year.

Graduation Requirements

YHS students need 24 credits to graduate. Please see the complete YHS Program of Studies for further information about graduation requirements specific to graduation year.

Classroom Assessment

Effective assessment (summative or formative) includes shared characteristics. Effective assessments:

- include a variety of methods to learn about student skills and knowledge;
- evaluate student knowledge and skill acquisition;
- align to learning goals that are clear to both students and teachers;
- provide actionable feedback to students; and
- inform teaching strategies.

Formative assessments are non-culminating evaluations. Attributes of formative assessments and their use:

- These assessments occur formally or informally.
- These assessments can vary the scope or depth.
- These assessments occur frequently.
- Teachers, students and parents can use these assessments as checkpoints of progress toward targeted learning.
- Teachers may allow students to reassess by redoing a given formative assessment and/or doing multiple formative assessments.

Summative assessments are culminating evaluations. Attributes of summative assessments and their use:

- Teachers (and students) use them to determine whether students have demonstrated targeted learning.
- Teachers record scores/grades on these assessments and factor them into a student's permanent academic record.
- Students and families monitor student achievement through summative assessments.
- Students are allowed to reassess.

48/2 Remediation: All students are guaranteed the opportunity to remediate a summative assessment. Students will continue to have 48 hours to arrange and 2 weeks to retake the assessment. This policy provides all students with equal opportunity to improve an assessment grade. Some teachers may permit more opportunities for remediation. Students in the Class of 2021 and beyond grading: 80% summative/20% formative. Please check with individual teachers regarding category weighting and grading/reporting.

Homework/Make-Up Work

Homework

The assignment of academic work to be completed outside of the regular school day is an integral part of the educational experience. Students who fail to complete homework hamper their success and the learning opportunities for their class. Homework can and will be given in all courses. The length of time a student will spend on homework will vary. Homework expectations are set by individual classroom teachers.

Make-Up Work

Students are responsible for contacting their teachers about missing work when they are absent from school. Block scheduling allows for students missing a single day to make up their work by the next class meeting. Students missing assignments, tests, or quizzes during absences are afforded the same number of days absent to make up the missed work. If a student has been suspended and misses an exam, quiz, or major assignment, the work should be made up within forty-eight (48) hours of his/her return. If permitted by the teacher, make-up at the end of the quarter should not extend beyond two weeks. An "F" will automatically be recorded for makeup work that extends beyond this two-week period unless "permission to extend" has been granted. A student who may be absent for an extended period due to health reasons should contact their school counselor to develop a plan to complete missing work.

Independent Study

In conjunction with their guidance counselor and mentor teacher, students may participate in an independent study course. Credit is awarded for an independent study by the mentor teacher. Please see the YHS Program of Studies for more information about these opportunities.

Incomplete Grades

Students who are assigned a grade with an "Incomplete" will have two weeks from the close of the grading period to complete all work. At the conclusion of the two-week period, the earned grade will be entered onto the student transcript.

Instructional Support Services

Special Education Services

York School Department recognizes its obligation under state and federal law to program for students with disabilities in the least restrictive educational environment. Toward that end, York school Department shall ensure that, to the maximum extent appropriate, students with disabilities are educated with children who are not disabled, and that special education, separate schooling or other removal of students with disabilities from the regular educational environment occurs only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

All determinations regarding programming in the least restrictive environment shall be made by the Individual Education Plan and shall draw upon a multidisciplinary assessment of the student's needs. York School Department has available the full continuum of alternative placements when making placement determinations.

Section 504 of the Rehabilitation Act of 1973

The 504 Coordinator or designee will notify parents that their child may be in need of 504 services, will request written parental consent for the initial evaluation, and will indicate the date of notification on the 504 Plan. The Principal or designee will determine who will do the evaluation and arrange for its completion after receiving the parent consent. A group will meet within a maximum of 60 days from the date permission is received to write the 504 plan, if one is needed. Group membership will be determined by the Principal. Re-evaluation will take place at least once every four years. If there is disagreement regarding the 504 Plan or procedures, the Superintendent of Schools (the district's grievance officer) will be notified by the complainant and/or the school 504 Coordinator. The Division of Special Education will be notified should outside arbitration be needed.

Mid-Year and Final Assessments

Students will engage in a culminating experience during midterm week and finals week. Please seek information about course midterm/final assessment from individual teachers.

Midterm Week: January 18-21, 2022

Finals Week: June 10-15, 2022 (note: dates may change due to snow days)

Parent/Teacher Conferences

Parents are encouraged to schedule conferences with their student's teachers during conference time. Conference dates are:

- November 7, 2022 @ 2:30-6:00 (in-person) and November 10, 2022 @ 2:30-6:30 (virtual)
- February 6, 2023 @ 2:30-6:00 (in-person) and February 9, 2023 @ 2:30-6:30 (virtual)

If, however, a parent feels it is necessary to contact a teacher about their student's academic progress at any time, they are encouraged to do so. Teacher contact information can be found on the school website.

Progress Reports

Progress reports are issued four times throughout the academic year, but student grades can be accessed at any time on the PowerSchool parent portal. Quarter start and ends dates are as follows:

- Quarter 1: 8/30/2022 - 11/04/22
- Quarter 2: 11/07/2022- 1/13/2023
- Quarter 3: 1/23/2023 - 3/31/2023
- Quarter 4: 4/3/2023 - 6/8/2023

*Eligibility checks will occur in the middle and at the end of each quarter. Please see the school year calendar or eligibility section of the handbook for specific dates.

Pride & PIE (Pride Intervention & Enrichment)

Students are assigned to a Pride when they come to York High School. Pride meets every Monday, Wednesday, and Friday from 10:25-10:55 AM. Pride leaders stay with the same group of students for four years. Besides their school counselors, the Pride leader is often the one adult with whom students have the opportunity to interact and connect with most consistently. PIE (Pride Intervention & Enrichment) is designed to provide interventions, supports, enrichments, and extensions for all students during the regular school day. It occurs Tuesday and Thursday at YHS from 10:25-10:55 AM. Students are scheduled to see teachers during this time.

Response to Intervention (RTI)

RTI is a multi-tiered approach to early identification of student learning and/or behavioral needs. YHS will utilize a three-tiered model to approach student support:

- Tier I: High quality, standards-based, differentiated classroom instruction
- Tier II: Targeted interventions
- Tier III: Intensive interventions and comprehensive evaluation

More specific information about the YHS RTI Plan, including the Academic and Behavioral Intervention Teams, can be found on the school website.

Study Hall

Students with unassigned class periods are assigned to study halls. Students are encouraged to make maximum use of study hall periods for research, study, guidance, and administrative matters. Students may only leave the study hall if they present a pass with formal permission from the receiving teacher. Students can access the Student Learning Center during this time.

Summer School

In order to be eligible for summer school, students must have at least a 60 average in the academic class in question or receive teacher approval. Please contact the Student Services office if you have further, or more specific, questions about summer school.

Transcripts

A transcript is the official record of a student's academic career at York High School. Compiled by the Student Services Office, it may contain: student information, class record (list of classes), final grades, and credit received, school information, explanation of courses, class rank, GPA, and/or test scores. Given advance notice, the Student Services Office supplies transcripts on request.

Use of Outside Space

All use of outside spaces should have a clear and direct alignment to the curriculum. Use of outside space during classroom time should be pre-approved by administration.

Attendance

Attendance is the responsibility of the student and parent(s) on all legal school days. It is an obligated responsibility for parents to call or email the school in the morning of the day a student is absent or tardy. Students will be required to bring a parental note following an absence if parental contact was not made the day of the student's absence. Calls will be made to the home daily to check the reasons for a student's absence. Parents are required to inform the school of a predetermined prolonged absence well in advance. [Planned Absence Forms](#) can be obtained at the front office. For more information, please review [YSD Policy JEA](#) (Compulsory School Attendance). *Please be advised that the start of school time is 7:50 AM with a warning bell of 7:45 AM. The student day ends at 2:05 PM. Seniors with "Late Arrival" must be at school before their scheduled first block class.*

Excusable Absences

Excusable absences, as defined by *Maine State Law*, are:

- Personal illness
- Appointments with health professionals that cannot be made outside of the regular school day
- Observance of recognized religious holidays when the observance is required during the regular school day
- Emergency family situations
- A Planned Absence Form (available in the main office) must be completed 48 hours prior to a planned absence for educational or personal reasons

It is the responsibility of the student to make up work missed due to an absence from school.

Appointments with hairdressers, barbers, employers, etc. must be made outside of school hours. Students who do not have a parental note with an acceptable reason for an absence will be given an unexcused absence. Unexcused absences will lead to disciplinary action. Students receiving unexcused absences will be expected to make up the time/work missed. *Excessive absences may result in failure and lack of credit in academic courses.*

Attendance and Co/Extra-Curricular Activities

Students in good standing may participate in the co- and extra-curricular activities of their school. A student is considered in good standing if they are not the subject of any disciplinary action for violation of any policy or school rule and are currently academically eligible based on MPA and school guidelines. For more information on co- and extracurricular activities, please visit the [YSD policies page](#).

1. In order to participate in an extra or co-curricular activity (e.g. game, practice, activity or event) a student must arrive at school no more than 15 minutes tardy and attend school for the entire day. A student with an approved plan for late arrival (e.g. senior privileges, work study, individualized plan) must arrive at school no more than 15 minutes tardy from their approved arrival time.
2. A student who is facing their first tardy violation of the school year of no more than 30 minutes can regain eligibility to participate by making up time tardy after school on a day to be determined by the school administration.
3. A student who misses any part of the school day for an appointment must return to school directly after the appointment with documentation that verifies the appointment and it's start time.
4. A student who misses any part of the school day for non-appointment reasons must have prior administrator approval and complete a [YHS Planned Absence Form](#).

Unexcused Absences from School or Class

Students are expected to attend classes. Should a student miss the majority of class without an appropriate excuse or reason, the following will occur:

Infraction	First Offense	Second Offense	Third Offense
Unexcused absence from school	After School Academic Support-3 hr. & Parent Contact	1 Day In-School Suspension & Parent Contact	1 Day In-School Suspension Parent meeting; Attendance plan developed
Unexcused absence from class	After school Academic Support-1 hr.	After school Academic Support-2 hr.	Parent Meeting; After school Academic Support-3 hr.

Truancy

Letters will be sent home upon a student's 5th, 7th, and 10th unexcused absence. Upon the 10th, the superintendent will be notified, and truancy will be reported to the state database. For more information about truancy, please review Maine State Law [Title 20-A: §5051-A. Truancy](#) and [YSD Policy JHB](#).

Tardiness

Because of York High School's commitment to improving student achievement, we are concerned when a student misses part of a lesson for any reason. The process of education requires instruction that is based on skill building, class participation, learning experiences, and study.

Frequent tardies affect students’ learning opportunities, and they interrupt the classroom and interfere with the learning environment for all students.

Excused Tardies

Tardies may be excused with a parent call, note, or email. Acceptable reasons for tardiness mirror Maine attendance laws (see above). Parents, if your student sleeps late, has car problems, etc., please allow your child to accept the consequences for that lateness. Do not make excuses for them. We do not assign punitive consequences for each tardy, but a pattern of tardies is a serious problem that must be addressed.

Unexcused Tardies

A student arriving late to school must report to the office for an admit slip before going to class. The continuum below shows disciplinary action for students who arrive late to school 4 or more times in a semester. Each semester, students’ unexcused tardy records reset. This practice is not meant to penalize students who are late because of circumstances beyond their control. The Assistant Principal shall have the authority to exempt from penalty any tardy which fits that description. Please note, if a student misses a majority of their first period class, it will be considered an unexcused absence from class. Consequences for excessive tardies are listed below:

Infraction	4-10	11-15	16+
Unexcused tardy to school (TU) (More than 15 minutes late but less than half the class.)	After School Academic Support-1 hr.	Parent Meeting; After School Academic Support-2 hr.	Parent Meeting; ISS; Attendance Plan Developed
Unexcused tardy to school (TU15) (Less than 15 minutes late.)	After School Academic Support-15 min	After School Academic Support-1 hr	Parent Meeting; ISS; Attendance Plan Developed

Tardiness to class (other than the first period of the day/arriving at school) is to be handled by the classroom teacher. (If a student is late to class, then they should present the teacher with a pass.) Students may receive disciplinary consequences from the teacher if deemed appropriate.

Dismissal

Since attendance is the responsibility of the student and parent(s), dismissals from school should be limited to appointments that cannot be scheduled outside of the regular school day. Parents should contact the school, or the student must present a parental note stating the reason for dismissal to the front office, prior to block one. Upon presentation of the note, a call may be made home to verify the reason for dismissal. While we discourage dismissals over the phone, we understand that certain circumstances require it (for your protection, we must be certain of the

identity of the calling parent). In the event that the student should return during that school day, he/she must check in at the front office upon return. Students who leave the building or school grounds without permission from the office or school nurse may be subject to suspension.

Junior and Senior Privileges

All junior or senior students are eligible to apply for Late Arrival/Early Dismissal at the beginning of each semester. Late Arrival/Early Dismissal will be awarded based upon three criteria: Academics, Behavior, and Attendance. Late Arrival/Early Dismissal can be revoked at any time during the school year when one or more of the three criteria is deemed unacceptable. Applications for Junior/Senior Late Arrival/Early Dismissal can be accessed at the front office or by [clicking this link](#) and will be reviewed by administration once submitted.

Athletics & Activities

Eligibility/Course Requirements

Students must be in good standing to participate in the extra/co-curricular activities of their school. A student is considered in good standing if they are not the subject of any disciplinary action for violation of any policy or school rule and are currently academically eligible based on MPA and school guidelines

In order to be academically eligible for participation in extra/co-curricular activities, students must be currently enrolled as a full-time student or have a plan approved by the school principal. A full-time student is defined as a student enrolled in six classes (or total credits if enrolled in a specialized CTE program).

Academic Warning: Students may be put on academic warning at any eligibility check in which they are failing one or more classes. Students are still allowed to participate in extra/co-curricular activities when placed on academic warning.

Academic Probation: Students who are failing one or more classes for two consecutive eligibility checks may be put on academic probation. When on academic probation, students are not academically eligible to participate in extra/co-curricular activities. Eligibility can be re-established immediately once passing grades are achieved but must be maintained through the next eligibility check in order to maintain eligibility. Final academic eligibility determinations will be made by school administration. The school principal has the right to authorize an eligibility determination beyond the scope of the YHS Student Handbook and the YSD Code of Conduct JICI Policy.

Students with disabilities will not be denied equal access to interscholastic activities. Students with disabilities are expected to demonstrate satisfactory progress and compliance with an executed individual education plan.

2022-2023 Eligibility Checks

Reports for eligibility will be pulled on the following dates:

- Mid-Quarter Checkpoint: 10/12/2022
- Quarter 1 Checkpoint: 11/4/2022
- Mid-Quarter Checkpoint: 12/15/2022
- Quarter 2/Semester 1 Checkpoint: 1/20/2023
- Mid-Quarter Checkpoint: 3/8/2023
- Quarter 3 Checkpoint: 3/31/2023
- Mid-Quarter Checkpoint: 5/19/2023 (final checkpoint)

Participation Forms for Athletic Teams

[Online participation forms](#) must be turned in before the student is allowed to participate in practices, games or activities. This form indicates student/parent agreement with the Code of Conduct, proof of insurance and physician's approval for participation. Any student who wishes to participate in extracurricular sports must present written evidence of a licensed health care provider's approval to practice and/or play. Physical examinations are valid for 13 months from the date of examination.

Participation in Co-Curricular Clubs and Activities

Every student has different interests and talents. YHS encourages its students to make good use of the services available. Participate in clubs, organizations, and sports. We can only be as successful as you want to make us. Above all, take pride in being a member of York High School. Please review the following Code of Conduct if considering joining a club or athletic team.

Code of Conduct

Please review the Co-Curricular Code of Conduct via the YHS Athletics Website:

<https://yorkathletics.rankonesport.com/Images/Logos/JICI22.pdf>

Attendance on Event Days

Students who are participating in an event scheduled that day or evening must be in attendance at school consistent with the language presented in the above section of the handbook titled "Attendance and Co/Extra-Curricular Activities." *Special permission may be granted by the Principal, Assistant Principal, or Athletic Director so long as it is done in advance.*

Rules for Spectator Behavior

Recognizing that participation in school activities is a privilege in which the student represents his/her team, school, and community, the student needs to understand that inappropriate behavior in school, out of school, in practice, or in competition may result in disciplinary action as determined by the coach, advisor, athletic director, and/or administrator. This action could include an array of consequences up to and including suspension from school or the team. These same

standards apply to spectators at York High School events both at home and at other venues. Those in attendance are expected to:

- Use appropriate, positive language at all times.
- Support participants and not degrade opponents.
- Treat all officials, coaches, and spectators with respect and courtesy.
- Keep facilities clean by removing trash, and refrain from throwing any items into their air or onto the ground.
- Contribute to an environment that allows participants to perform at their best, and other spectators to enjoy the event at all times.

Travel Policy

All participants will travel to games on school-approved transportation unless the Athletic Director/School Administrator has granted prior approval. Students are expected to return on the bus unless the coach/advisor has granted prior approval. In instances where students have a valid reason to return from an event with a non-family adult, appropriate forms (available [here](#)) must be completed in advance and approved by the Athletic Director.

School Dances

All school rules apply to all participants at dances organized by York High School. Students must be in attendance at school consistent with the language presented in the “Attendance and Co/Extra-Curricular Activities” section of the handbook in order to attend the event. Students who are under suspension on the day of, or in the case of the Prom or other weekend events, the day before, may not attend the event. Appropriate dress is required. The dances are open to York High School students and their guests. Guests must be of the ages of 14-20 as of the date of the dance. No middle school students may attend. Guests from other high schools must complete a Guest Approval Form and be approved three days in advance by administration. Guests who do not attend other high schools (i.e. homeschool students) must complete a Guest Approval Form and meet with administration and the YHS student ahead of time for approval. Students leaving a dance early will not be readmitted and their parents may be contacted.

School Conduct & Discipline

It is essential for schools to maintain a safe and orderly environment that supports student learning and achievement. All students are expected to conduct themselves with respect for themselves and others and in accordance with School Committee policies, school rules, and applicable state and federal laws.

Detention

Detentions may be served to students by teachers or administration for a variety of reasons. After school detentions are often served in conjunction with academic support (see below).

After School Academic Support

The location of academic support may vary depending upon teacher supervision. Academic support is scheduled for Monday, Tuesday and Thursday from 2:10 pm - 3:00 pm. Students are to bring schoolwork or appropriate reading material with them to academic support. There will be no sleeping, idle activity, or use of personal audio equipment, cell phones, electronic game equipment, etc. during academic support. Failure to attend academic support could result in a warning, extended/doubled support time, or in-school suspension.

Suspension

Students who are suspended from school, either in-school or out-of-school, may not attend or participate in school sponsored activities or athletic events during the time of suspension.

Suspension is considered to be completed at the start of the day of the student's return to school. This exclusion includes all activities (practices, games, performances, dances, club or activity meetings, school-sponsored events, etc.) which take place in the afternoon, evening, and during the day of the suspension days and shall include Saturdays, Sunday, holidays and vacation periods that fall between the beginning and conclusion of the suspension time.

A student suspended from school from 1-10 days in accordance with the YHS Discipline Continuum will adhere to the following conditions:

- Students on out-of-school suspension will not be allowed on school grounds without prior administrative approval. Violators will be considered trespassers. Students seeing a teacher after school (2:15 pm) on a suspension day must check in with the office upon arrival.
- Suspended students are responsible for communicating with their teachers and obtaining schoolwork to be completed. The school secretaries are not responsible for collecting that work.

An excessive number of out-of-school suspensions, or a single suspension for an extreme infraction of school rules, or chronic, multiple violations of the YHS Discipline Continuum may result in a recommendation for an expulsion hearing.

In-school suspension may be used as a consequence for disciplinary infractions or violations of YSD policy if the facility and staffing allow. In-school suspension runs from 7:50-2:05. Students in in-school suspension must be on time, must not communicate with other students, must work the entire day and must follow all guidelines set forth by the administration. Failure to comply with

any rule will result in an out-of-school suspension for the remainder of the day, and rescheduling of the in-school suspension for the entire day.

Administration will contact the student's parent/guardian if the student is suspended due to a disciplinary violation. The suspension will be documented in PowerSchool and may be reported to the State.

YHS Discipline Continuum

This discipline continuum cannot cover all disciplinary situations which may arise, and therefore, is not intended to be exhaustive. Moreover, modifications to the discipline continuum will be made depending upon facts of an individual case. Any disciplinary infraction may lead to additional consequences for participation in co-curricular programs, athletics, and the use of electronic devices. **All disciplinary actions are at the discretion of building administration.**

Category 1 Infractions:

Consequences listed are suggested minimum penalties for administrative use.

Infraction	First Offense	Second Offense	Third/Subsequent Offense
Disruptive behavior in class	Teacher detention	After school Academic Support- 1 hr.	After school Academic Support- 2 hr.
Disruptive behavior on school property and sent to the office	After school Academic Support- 1 hr.	After school Academic Support- 2 hr.	After school Academic Support- 3 hr.
Casual student-to-student inappropriate language (ex: joking about sexual harassment, assault, domestic violence; swearing at another student)	Warning	After school Academic Support- 1 hr.	After school Academic Support- 2 hr.
Unauthorized use of electronic device	Warning	Device removed by teacher- given back at the end of class.	Removal by administration; item held in the office until the end of the school day.
Food - throwing/littering	Warning	After school Academic Support (1hr) and or community service.	After school Academic Support (2hr) and/or community service.
Dishonesty/misrepresentation	After school Academic Support- 1 hr.	After school Academic Support- 2 hr.	1 Day In-school suspension
Failure to serve teacher detention	After school Academic Support- 1 hr. & reschedule teacher detention		
Failure to serve Academic Support	Warning	Increased Time on Academic Support	1 Day In-school suspension
Leaving school grounds without	Consequences will be given based on the situation and the time on		

permission	learning lost.
Dress Code Violation JICA	The student will be asked to change clothing. Further consequences may occur if the student does not comply.

Category 2 Infractions

Consequences listed are suggested minimum penalties for administrative use.

Infraction	First Offense	Second Offense	Third/Subsequent Offense
If any student is unsure about whether they need to report sexual assault, harassment, or misconduct – YHS administrators encourage students to speak to a trusted adult in the building. Students can use this form to report alleged harassment.			
Unauthorized/nonconsensual taking of video or picture of other students. Includes videos or pictures on social media accounts, phones, computer or other devices	After school Academic Support- 1 hr. & parent contact	1-3 day suspension, administrator discretion	5 day suspension
Uninvited physical contact or physical intimidation (ex: inappropriate touching, groping, someone touching another student without consent)	Warning, administrator discretion	1-3 days suspension, conflict resolution or restorative process, meeting with school personnel	5 day suspension, meeting with school personnel
Harassment/Intimidation/Threats/Hazing	Discipline consequences will depend upon the severity and nature of the harassment, intimidation, and /or threat in question. Incidents of harassment will be referred to the assistant principals and/or principal and may be reported to appropriate authorities outside the school system as warranted. ACAA ; ACAD		
Abusive/vulgar/obscene /inappropriate language including, but not limited to racial slurs, harassing language or gestures (ex: jokes about a specific person's sexuality; sexual assault jokes about a specific person)	1-10 Day Suspension; Parent Meeting or administrator discretion, mediation	1-10 Day Suspension; Parent Meeting or administrator discretion, mediation	10 Day Suspension & Possible Expulsion Hearing
Vandalism/damage to or tampering with school or personal property	Based on severity of incident, and following parental notification, the following consequences may be administered: community service, restitution, police intervention, suspension, and/or expulsion.		
Forgery/tampering with school	After school	1-Day Suspension	3-Day Suspension

documents/false calls	Academic Support-3hr. & parent contact.	& parent conference	& parent conference
Academic dishonesty	See Policy in Student Handbook.		
Smoking/Possession of tobacco products/furnishing tobacco products including lighters, matches, & smoking related items. This includes any electronic or simulated tobacco product/devices. JICH	Referral to counselor; parent meeting; prevention programming	1-Day Suspension; Referral with counselor	3-Day Suspension; Referral with counselor
Buying, consumption, possession, receipt, or being under the influence of a prohibited substance. JICH	1-10 day Suspension; Parent Meeting; referral to counselor Police complaint/summons (under 18); Possible Expulsion Hearing	Immediate Suspension Referral to School Committee for Expulsion Hearing	
Furnishing or selling prohibited substances	1-10 day Suspension; Parent Meeting; Police complaint/summons (under 18); Referral to counselor; Possible Expulsion Hearing	Immediate Out of School Suspension Referral to School Committee for Expulsion Hearing	
Theft	1-10 Day Suspension; Restitution & Police involvement	1-10 Day Suspension; Restitution & Police involvement	10-Day Suspension; Possible expulsion hearing. Restitution & Police involvement
Fighting	3-Day Suspension Police Contact Required student counseling	5-Day Suspension Police Contact Required student counseling	10-Day Suspension Recommendation for Expulsion hearing

*Note: Depending on the offense, suspensions are either In School Suspensions (ISS) or Out of School Suspensions (OSS). All suspensions prohibit the attendance of any after school activities by the suspended student(s). **Suspension is considered to be completed at the start of the day of the student's return to school.***

Bullying

It is the intent of the York School Committee to provide all students with an equitable opportunity

to learn. To that end, the Committee is committed to providing a safe, orderly, and respectful school environment that is conducive to teaching and learning. Bullying is detrimental to student learning and achievement. It interferes with the mission of our schools to educate our students and disrupts the operations of the schools. Bullying affects not only students who are targets but also those who participate and witness such behavior. Under Maine law, bullying and cyberbullying have the same meaning ([Public Law, Chapter 659](#)).

A. “*Bullying*” includes, but is not limited to, a written, oral or electronic expression or a physical act or gesture or any combination thereof directed at a student or students that:

1. Has, or a reasonable person would expect it to have, the effect of:
 - a. Physically harming a student or damaging a student's property; or
 - b. Placing a student in reasonable fear of physical harm or damage to the student's property;
2. Interferes with the rights of a student by:
 - a. Creating an intimidating or hostile educational environment for the student;
 - b. Interfering with the student's academic performance or ability to participate in or benefit from the services, activities or privileges provided by a school;
3. Is based on a student’s actual or perceived race, color, national origin, ancestry, religion, physical or mental disability, gender, sexual orientation, or any other distinguishing characteristic, or is based on a student’s association with a person with one or more of these actual or perceived characteristics, and that has the effect described in subparagraph (1) or (2) above. (These behaviors might also meet the criteria for harassment as defined in board policy ACAA: Harassment and Sexual Harassment of Students.)

Reports of Bullying

Bullying or suspected bullying is reportable in person or in writing (including anonymously) to school personnel using the school unit’s Reporting Form (JICK-E1). A [Google Form](#) (JICK-E) is available on the school and district websites, and hard copies are available in Student Services. The form is also attached as an appendix to this document.

School staff, coaches and advisors for extracurricular and cocurricular activities are required to report alleged incidents of bullying to the school principal or other school personnel designated by the superintendent. Any other adult working or volunteering in a school will be encouraged to promptly report observed or suspected alleged incidents of bullying to the building principal or school personnel designated by the superintendent.

Students who are believed to have been bullied or are aware of incidents of bullying are strongly encouraged to report this behavior to a staff member or school administrator. Parents and other adults who believe that an incident of bullying has occurred are encouraged to report this behavior to a staff member or school administrator.

Acts of reprisal or retaliation against any person who reports an incident of bullying are prohibited. Any student who is determined to have knowingly falsely accused another of bullying shall be subject to disciplinary consequences.

Reports of alleged bullying may be made anonymously, except by school staff, coaches and advisors, but in no instance will disciplinary action be taken against any person or organization affiliated with the schools solely on the basis of an anonymous report.

The school principal or superintendent's designee will forward a copy of the completed Reporting Form (JICK-E1) to the superintendent.

Safety Measures

The school principal or superintendent's designee will communicate to the parent(s) or guardian(s) of the student(s) who was believed to have been bullied the measures being taken to ensure the safety of the student who was believed to have been bullied and to prevent further acts of bullying.

Responding/Investigation

The school principal or superintendent's designee will (a) promptly investigate and respond to allegations of bullying behavior; (b) keep written documentation of all allegations of bullying behavior and outcomes of the investigations, and report alleged and substantiated incidents to the superintendent; (c) communicate to the parent(s) or guardian(s) of a student(s) who was believed to have been bullied and the measures being taken to ensure the safety of the student(s) who was believed to have been bullied and to prevent further acts of bullying; and (d) communicate with local or state law enforcement agency if it is believed that the pursuit of criminal charges or a civil action under the Maine Civil Rights Act may be appropriate. The complete YSD policy on bullying and cyberbullying can be viewed [here](#).

Remediation

The principal or designee will (a) identify the specific nature(s) of the incident, (b) apply disciplinary actions, which may include but are not limited to, imposing a series of graduated consequences that include alternative discipline, and (c) remediate any substantiated incident of bullying to counter the negative impact of the bullying and reduce the risk of future bullying incidents, which may include referring the victim, perpetrator or others to counseling or other appropriate services. In determining the appropriate response to students who engage in bullying behavior, school administrators should consider the type of behaviors, the frequency and/or pattern of behaviors, and other relevant circumstances. Alternative discipline includes, but is not limited to:

1. Mediation, but only when there is mutual conflict between peers, rather than one-way negative behavior, and both parties voluntarily choose this option;
2. Counseling
3. Anger management training
4. Mental health counseling or intervention;

5. Participation in resolution activities, such as social-emotional cognitive skills building, resolution circles, and restorative conferencing.

Due Process

York High School will protect the rights of the individual by providing students with appropriate due process protection. Prior to any student's disciplinary consequences, unless a student's continued presence might endanger persons or property or threaten to disrupt the academic process, the student will be provided with oral or written notice of the violation, an explanation of the reasons for the disciplinary consequence, and an opportunity to present the student's version of the incident.

Student Appeal Procedures

Any student who has been placed on suspension has the right to appeal to the building Principal. The Principal's decision on this appeal is final. Any eligible student or parent/guardian of a student who has been suspended from school has the right to appeal that suspension to the principal. All appeals of suspension must be made in writing within 24 hours of notification of suspension, whereupon the appropriate administrator will notify those administrators potentially impacted by the appeal.

School-Wide Policies

Dress Code

York High School's student dress code is meant to reinforce the value and importance of safety, good citizenship, and students' preparedness to learn. School clothing should be consistent with the students' ages and grade levels, subjects being taught, activities being presented in class, seasonal weather conditions, and respect for property. Clothing should not disrupt learning. The unifying themes of all school dress codes are decorum, respect, modesty, and positive behavior.

- Articles of clothing which promote the use of tobacco, alcohol, drugs, or other illegal substances.
- Articles of clothing with displays that include insulting or derogatory words/images (e.g., racial/ethnic slurs).
- Clothing that is destructive of school property (e.g., cleats, pants with metal inserts that scratch furniture).
- School administrators or teachers may require special clothing for health and safety reasons for students participating in physical education, certain extracurricular activities, work with or around machines or other activities. However, no particular brand may be required.

Please note, these general guidelines are not gender-specific; they apply to all students. If a violation occurs, students may be asked to change into clothing provided by the school or from home.

Electronics Policy/Email Usage/Cell Phones

York School Department provides computers, networks, and Internet access to support the educational mission of the schools and to enhance the curriculum and learning opportunities for students and school staff. The School Committee believes that the resources available through the Internet are of significant value in the learning process and preparing students for future success. At the same time, the unregulated availability of information and communication on the Internet requires that schools establish reasonable controls for lawful, efficient and appropriate use of this technology.

Student use of school computers, networks and Internet services is a privilege not a right. Students are required to comply with this policy and the accompanying rules. Students who violate the policy and/or rules may have their computer privileges revoked and may also be subject to further disciplinary and/or legal action. For more information, including the Acceptable Use Policy, please visit the district website.

York High School has officially implemented its Bring Your Own Device (**BYOD**) program. This means students can use their own device (laptop or Chromebook) from home within York High School as long as they adhere to the Bring Your Own Device and Acceptable Use Policies listed below and sign off on both of these through PowerSchool Registration.

[Student Computer and Internet Use \(Acceptable Use Policy\)](#)

[YSD BYOD](#)

JFCE: [Possession or Use of Portable Communication Devices](#); [Regulations to Policy JFCE](#)

The use of personal electronic devices (ie: cell phones) is at the discretion of the classroom teacher. Students unwilling to comply with classroom expectations will be sent to an administrator. In classrooms, including study halls, a staff member may allow the use of personal electronic devices for specific educational purposes or under emergency situations. Failure to comply with this policy will result in the following consequences:

- 1st Offense: Warning from classroom teacher/administration
- 2nd Offense: Device removed by teacher and given back at the end of class
- 3rd/Subsequent Offense(s): Device removed by administration and held in the office until the end of the school day; Parent Meeting

Library Usage

Students have the opportunity to access the library for academic purposes. While using this space, students are expected to be respectful and considerate of school property, equipment, and resources. Disciplinary issues that arise in these locations will be handled in the same manner as those that occur in a regular classroom or school common space.

Lost and Found

There is a lost and found in the commons to the left of the vending machines. It is expected that all lost items be reported to the office or administration to assure a safe school environment.

Nurse

The school nurse is available to students daily. If a student is not feeling well, he/she should inform the classroom teacher and ask to be excused to go to the nurse's office. Students will be released from school for medical reasons only with permission from the parent, guardian or from the person designated on the student's emergency card.

Posters and Announcements

All posters must be approved by administration. General announcements are made at the beginning of the day or during Pride/PIE.

School Property

Throughout the year each student has the responsibility of caring for school property loaned to them by the school (ex: textbooks, calculators, athletic supplies). Students are expected to show consideration and care for all school property, including equipment and books. Students will be required to make restitution for school property damaged or lost during the year.

Students are required to return school property in the same condition it was received. If the property is lost, or returned damaged, students will pay for replacement. School issued property must be returned to the particular faculty member who issued it to assure that the return of the property is properly recorded. An obligation will be assessed to students who have not resolved such issues.

Student Visitors

Due to the disruption to the learning environment, student visitors are strongly discouraged. If a student is considering attending York High School, their parent/guardian should contact the Student Services Office and make appropriate arrangements. All visitors must be approved by administration at least 24 hours in advance. Students must also obtain a visitors pass from the main office and sign in when entering the school for the visitation. Student visitors will remain with their host student until the completion of the school day.

Transportation

Parking

Students' use of personal vehicles on school property is a privilege. Students are expected to follow all expectations when operating a vehicle on school grounds.

- All State of Maine motor vehicle laws will apply, including excessive speed, noise, and reckless driving.
- Only students with valid driver's licenses will be eligible to park at York High School.
- Students must park in designated student parking only. Student parking is located in the back of the building by the gymnasium/auditorium.
- Students are expected to park in a marked parking space.
- Students may not park in the faculty parking lot. Students may not park on the grass or in handicapped spots without the appropriate documentation.
- Once vehicles arrive on school grounds, students are to go directly to the student parking lot and depart from them immediately.
- Students are requested to lock their car doors for the safety of their belongings.
- In order to access vehicles during the school day, students must ask permission from the office, sign out, and could be escorted by an administrator or the School Resource Officer (SRO).
- The school is not responsible for any damage or theft of vehicles or their contents. The school reserves the right to tow at the owner's expense.

Improper or unsafe use of vehicles on school property may result in disciplinary action or loss of privileges. There may be loss of privilege to bring a car to school for any student who makes an infraction of parking or vehicle operation rules.

Bus Conduct

The following guidelines for student conduct on school buses are expected by the York School Committee Policy. The rules are based on state law and basic safety procedures. All students

riding York School buses are expected to follow these rules. Failure to do so may result in suspension from bus riding privileges. Bus behavior reports will be utilized by the bus drivers and York Schools. The purpose of this report is to inform the school of a disciplinary incident involving the student on the school bus, which may have jeopardized the safety and well being of students. For disciplinary reasons, a student may lose his/her bus riding privileges for part or the rest of the school year, as determined by the principal/designee. There shall be NO smoking, lighting matches, eating or drinking on the bus (water permitted). YSD Policy: [Student Conduct on School Busses](#)

Request to Change Bus Drop-Off Location

Students who wish to be dropped off at another location than that which they are designated to must bring a note from a parent or guardian to the front office and request a "Change to Bus Drop-Off" ticket. This ticket must be given to the bus driver prior to being allowed to ride a bus other than their own or being dropped off at a location to which they are not designated.

Career and Technical Center Program Transportation

Students who are enrolled in courses outside of YHS will be provided transportation. Generally, there are AM and PM bus schedules to accommodate daily sessions. The same rules and regulations apply regarding bus conduct as those listed above.

Snow Days/No School Announcements

The Superintendent, in consultation with the Director of Public Works, will make the decision to cancel school due to difficult weather conditions. The decision to cancel will be made as early in the morning as feasible, but changing storm conditions may force a cancellation decision as late as 5:45 a.m. "No School" announcements will be made through School Messenger via text, email and/or call as well as be carried on local radio stations and communication centers.

Emergency Preparedness, School Safety, and Security

Ensuring Student Safety

Students are expected to move quickly and calmly during all fire and emergency drills. Students will find appropriate fire exit directions on a sign in each classroom. Students should follow teacher instructions. The less noise during these drills, the more effective it will be for our safety.

In the event of a lockdown or shelter in place, students should follow the directions of the teacher. Students should remain quiet and out of the direct line of windows. Students in the hallway or commons should seek shelter in the nearest open classroom regardless of whether it's where he/ she is assigned. Please see the Emergency Procedures Manual for more specific information.

Emergency Building Evacuation

Students are expected to move quickly and calmly during all fire and emergency drills. Students will find appropriate fire exit directions on a sign in each classroom. Students should follow teacher instructions. The less noise during these drills, the more effective it will be for our safety. Please see the Emergency Procedures Manual for more specific information.

Lockdown Procedures

In the event of a lockdown or shelter in place, students should follow the directions of the teacher. Students should remain quiet and out of the direct line of windows. Students in the hallway or commons should seek shelter in the nearest open classroom regardless of whether it's where he/ she is assigned. Please see the Emergency Procedures Manual for more specific information.

This handbook was developed to assist students, parents, and staff members in understanding their roles and responsibilities at YHS. Please note, this handbook and policies found within are constantly evolving and being updated to better serve the students of York High School. For updated policies and procedures, please visit our school website at: yhs.yorkschoools.org

Appendix A: Bullying/Harassment Incident Report Form (JICK-E1)

Nature of alleged incident:

Date the alleged incident is being reported:

Date and time of the alleged incident:

Person(s) reporting the alleged incident (can write anonymous):

Relationship to student:

Name of alleged victim(s):

Name of alleged perpetrator(s):

Witness(es) of the incident:

Location of the incident:

Description of the incident:

I agree that this form is accurate and true to the best of my knowledge and belief.

Signature of person reporting

Date

Incident report was received by administration on:

Signature of administrator

Date

Upon investigation of the incident, was this determined to be a substantiated incident of bullying/cyberbullying or harassment/sexual harassment?

Yes

No

Appendix B: Planned Absence Form

This form must be signed by your parents first and then by each of your teachers before being submitted to the front office for administrative signature.

Student Name _____ Grade _____

Administrative Signature _____

Counselor Signature _____

To: Faculty

The above named student has notified us of a planned absence for the following date/dates:

Please indicate briefly below what the student may be missing as a result of the planned absence.

BLOCK	SUBJECT	COMMENTS	TEACHER SIGNATURE
1 (B)			
2 (B)			
3abc (B)			
4 (B)			
5 (W)			
6 (W)			
7abc (W)			
8 (W)			

Dear Parent/Guardian: You and your student are indicating by completing this form that an absence will occur as described above. This form notifies us of the absence, gives us a chance to advise you as to possible impact on academic performance and provides an opportunity to give information relative to missing assignments. It is important to note that the student is responsible for making up all missed work. Despite everyone's best efforts and intentions, it is simply not possible to recreate the class discussions, labs and lectures that students miss when they are out of class for an extended time. For most students, an extended absence has a negative academic impact. In the case of vacations taken outside of normal school vacation times, parents and students must assume full responsibility.

Your signature below reflects an understanding of the above.
