

RWinvest

A large, modern multi-story building under construction. The building features a mix of grey, blue, and white panels. The word 'HAMILTON' is visible on the top edge of the building. The scene is set against a blue sky with light clouds. A yellow diagonal line cuts across the image from the top left to the bottom right. In the foreground, there is a street with a car and some greenery.

HAMILTON HUB

Construction Update
November 2018

Hamilton Hub

5 Cleveland Street, Birkenhead, Wirral, CH41 6BL

The latest Hamilton Hub construction update details all the works progressed in the latest construction period. On the ground, first and second floors, initial strip out has commenced ready for new structures. Lifts have been removed, floor holes have been filled and a number of contractors have been appointed. Basement initial strip out is expected to complete this month.
