StrictionBP Ingredients

Striction BP includes 100% natural ingredients like Ceylon Cinnamon, Magnesium Malate, and Vitamin B6. It's free from artificial chemicals and other additives which could be harmful to your health. These ingredients are not just effective in helping treat health problems and diseases, but they additionally supply essential nutrients to support the health and well-being of the body.

Ceylon Cinnamon

Ceylon cinnamon is used as a treatment in traditional Chinese and ayurvedic medicines. Ceylon cinnamon is found to increase the utilization and storage of glucose. It also improves the capacity to pull glucose out from the bloodstream and then put it into your cells to ensure the best use of your body.

Magnesium Malate

Magnesium Malate is the highest bioavailable type of Magnesium. It offers many benefits. Furthermore, Magnesium is used in the production of prostaglandin E1, which is a potent vasodilator.

Vitamin B6

Vitamin B6 is used for treating more than 100 ailments that encompass a variety of psychological and physical disorders, including heart disease, mental depression, kidney stones, and even memory loss.
