Introducing The Great Pyramid Of Sydney

By Angela Cuming
The Sun-Herald

<http://www.smh.com.au/news>

4th September 2005

Drive like an Egyptian ... an artist's impression of the pyramid on the M7, which is expected to be finished in April 2006.

A 25-metre high dirt pyramid will mark the Liverpool interchange of the Westlink M7. Exclusive plans revealed by Roads Minister Joe Tripodi show how the grass-covered pyramid will become a landmark in Sydney's south-west.

The pyramid will be capped in a red peak and will be lit up at night by a blue light.

Compacted soil collected during construction of the M7 - which is being built under a joint venture between Abigroup and Leighton Holdings - will be used for the pyramid.

"The design is a world first, using about 100,000 tonnes of soil from the area," Mr Tripodi said. "It will become a local landmark and a reference point for people travelling in western Sydney. "We know people use the Crossroads as a guide but soon everyone will be using the pyramid instead.

"It will look spectacular all lit up at night." (Note: The blue light with the red apex is very significant in Ancient Egyptian Masonic lore - Love For Life)

The Westlink M7 is a 40-kilometre road that will link three motorways - the M5 at Prestons, the M4 at Eastern Creek and the M2 at Baulkham Hills.

The Eastern Creek interchange is a 23-metre high jumble of roads next to the old Wonderland site. It has been named the Light Horse interchange in honour of the infantry brigade that trained at the site before going off to war. A 55-metre light tower will rise through the middle of the interchange. There will be about 2000 red bollards in among bands of green native plants in the median strips on the approach to the interchange, which is a nod to the regimental colours of the Light Horse Brigade.

Work on the M7 is ahead of schedule; it is expected to open next April. The \$1.5 billion motorway will have two lanes in each direction. The lanes will be divided by a wide tract of land that has been left to accommodate future possible public transport routes. The M7 will replace the Cumberland Highway as the National Highway route through Sydney.

"The Liverpool interchange is the junction of the motorways connecting Sydney with the Southern Highlands, Canberra and Victoria,"

Mr Tripodi said. It will bypass 48 sets of traffic lights and a cycleway will run along the whole route. Seventeen interchanges along the motorway will provide access to Liverpool, Fairfield, Blacktown and Baulkham Hills. It would slash travel time from Liverpool to Pennant Hills to just 30 minutes, Mr Tripodi said.

There will be one catch to the motorway, though - the cost. Drivers will have to cough up 29.25 cents per kilometre they travel, but the cost is capped after 20 kilometres.

[PART TWENTY FOUR - 23RD OCTOBER 2009: ARTHUR CRISTIAN INTERVIEWED BY GIORGIO REPETI "WHAT IS REALITY" - TODAY'S SUBJECT: "STATUTORY BODIES AND THEIR TIES TO THE NWO \(NEW WORLD ORDER\)" - 1 HOUR 15 MINUTES](#)

This interview touches on the rise of the New World language of English in the 1700s, the time when the majority of the population began to learn how to read and write, and how the New World language connects back to the Norman Conquests (11th century), the Magna Carta and the Bill of Rights. The Normans were Vikings who were the descending bloodlines of Canaan, one of the thirteen lost tribes of Israel, in truth one of the thirteen black magic sects/cults of Ancient Egypt.

The serfs and commoners were conned into moving into the cities to man the factories of the industrial age, away from the land where they could be self sufficient and the "middle class" was allowed to rise, conning the serfs into believing the "work hard and your dreams of freedom in civilisation will come true" myth.

As a carrot to the commoners (serfs, slaves, renters, goi/goy), the new growing middle classes of Europe were set up to be "allowed" to seek their freedom in the New Lands when the reality was that they were being used to set up the infrastructure that would allow the implementation of the civilisation of Ancient Egypt (of commerce) to conquer yet another land and its people. Also discussed is the Triumvirate; the three crowns of the British Royal Empire (representing all the Royal Houses/Families of Europe), the Roman Catholic Church (the Jesuits - the Society of [Ignatius de] Loyola) and the New Crown of Sion/Zion (the tallest mountain of Israel) "The Law" to arise in Israel (IS RA EL). These are to be the three powers of "The Crown" (The Triumvirate) that make up the New World Order.

Discover the Illuminati symbolism that is in front of our noses every day. The Illuminati operate their evil agenda by using secret societies like Skull & Bones, The Freemasons, Bohemian Grove, The Trilateral Commission and The Bilderberg Group. The Illuminati have big influence and control over the mainstream media, political parties, governments, religions, banking and big business. These people use secret societies to carry out their satanic agenda for a New World Order - a totalitarian, Orwellian police state that is controlled by unelected criminally-minded bureaucrats. Yes it sounds deep, yes it sounds crazy, but it's happening right now and it'll keep on happening... unless we do something about it NOW while we've still got the chance!

IS = ISIS

RA = RA

EL = Elohim/Saturn/Satan/Horus

Isis, Ra and El are three of the thirteen black magic sects/cults of Ancient Egypt.

Israel represents The Crown (The Head) of the BEAST OF THE APOCALYPSE which is now the "Western World Civilisation Of Commerce" consuming/destroying almost all of Earth.

ISIS, RA, EL represent the Three Crowns (The Triumvirate) while Sacred Geometry/Geometry, Mathematics and Read and Write Alphabet Languages represent **THE HOLY TRINITY** OF God, (The Abomination Of God), God being Satan, Lucifer, Moloch, Baal, Ahriman, Zeus, Jesus and Horus amongst many other names The Establishment have given to their spiritual master (THE LORD), source of all their inspiration and their leader who divinely appointed them (The Triumvirate).

The Federation Square , NEW WORLD ORDER OWL, is partially revealed. (Hidden in plain sight) - (The Federation Square building may be a symbol of an owl or a dragon or a serpent with trains running underneath it) Flinders Street, Melbourne, Victoria, Australia. In my opinion the symbol of the owl or dragon in flight is incorporated into the architecture of the Federation Square building as seen from a top view. This video is my first attempt to describe the head of the symbolic owl or dragon from the ground view using Windows Movie Maker. Please note: I can appreciate that it may be difficult for some people to see the symbolic owl or dragon head in this video. Thank you for watching.

Video: New World Order Spinning Pyramid: Left Eye Of An Owl. 2012 - 9 Seconds - New World Order at Federation Square, Melbourne, Victoria, Australia. Why is it so? In my opinion here is a symbolic illuminated left eye of a powerful owl. The powerful owl's symbolic eye is spinning and winking at you as you enter the symbolic beak of the owl and enter the Atrium at Federation Square, Flinders Street, Melbourne Australia. Here the owl's eye is symbolised by the illuminated pyramid symbol, the same as used by the Illuminati and freemasons to usher in the new world order. Here the pyramid symbolises one of the two eyes of the powerful owl and is cleverly incorporated into the geometric shape of the Federation Square building. Here the powerful owl's eye and the owl itself symbolises the occult hidden knowledge of the powerful elite money masters because symbolically the powerful owl can see in the dark and preys on rodents. The top half of the pyramid that is lit up symbolises the hidden knowledge of the powerful elite who are using the power of darkness to usher in the new world order.

M7 / M5 Pyramid

By Arthur & Fiona Cristian
Love For Life

14th May 2009

Over the past three years or so, driving to and fro dealing with many sessions in the NSW Supreme Court, we have watched this M7 pyramid being built. It represents Ancient Egypt's establishment bloodline families gateway into their

new home in the Southern Highlands. We have written about this many times. Here is an extract from one of our latest postings in the Love For Life website:

Let's Choose Real Freedom - The Only Remedy To The Incarceration of Free Men & Women by Arthur & Fiona Cristian
28th April 2009: <http://loveforlife.com.au/node/6511>

What the Establishment did to Byron Bay to destroy the spirit of freedom blossoming from the 60's/70's is what we must do to the secret enclave they are setting up here in the Southern Highlands. The last thing they want is a tribe of conscious living men and women on their doorstep. They believe that this is their promised land (Australia, "The Lucky Country"). This is their primary New World Order haven from Europe and America (set for self-implosion), nestled between Sydney and Canberra, with Canberra set to become the Establishment head office overseeing their cashless-commercialised New World Order.

When we were first inspired to move here, four years ago, we hardly saw a helicopter and the only low-flying planes we ever saw were the local sightseeing and joy flights. A couple of years ago, the local airstrip at Mittagong was extensively upgraded with at least six new hangars being built and now it is common for us to see helicopters and to hear many light planes and small jets going over late at night. There are also, of course, private airstrips and helipads that we haven't a clue about because they are on the private estates of the very wealthy. Many big global players have been spotted here by locals. They are obviously bypassing customs when they land from overseas to reconnect with small aircraft and helicopters.

CANBERRA'S DESIGN

Extracted from the article:

SCIENTOLOGY COMMUNITY SERVICE PAGE

WELCOME TO

A Concise History of Canberra

Link: <http://www.scientology-canberra.org.au/canberracityhistory.html>

Canberra's design is a mysterious designed based on pyramidal shapes.

Basically there are four pyramids, each built upon the other. There is the upper pyramid that has its base in front of Old Parliament House. Then there is an extended pyramid which is what is termed the Parliamentary Precinct, accommodating the High Court of Australia, and other government identities, Next is the larger and more obvious large pyramid base that runs from London Circuit over to the US memorial column.

At the apex of the pyramid is the double ring, possibly symbolic of inner and outer knowledge. The diagram above by Marion Griffin was the winning entry to the Canberra design competition held by the Federal government. (The above diagram was submitted by Marion on its north-south axis.) Parliament then is situated as an all-seeing-eye.

The arial photograph below shows clearly the inner and outer rings of the eye, as well as the slightly raised pyramidal structure of Parliament House under construction. The pyramidal structure rises out of Capital Hill.

The Canberra eye is a traditional eye of providence design, more famous on the American one-dollar bill. It has been used in art for many hundreds of years. The eye of providence is simply the all-seeing eye of God. Similar earlier eye symbology dates back thousands of years to the Egyptian eye of Horus (also the eye of Ra), used as a talisman to ward off evil and bring good fortune. In Buddhism, the same symbology is the eye of the World. As is traditional with an eye of providence design, the Canberra eye is surrounded by a small pyramid. And as in the US dollar bill, that small pyramid is situated over a larger pyramid.

Pyramids are found in Egypt, Peru and Central America and are said to align universal energies and promote positive growth.

Parliament House on Capital Hill follows the original shape envisioned by Griffin. Today lawn has filled up most of the raised slopes, playing down its now pyramidal shape. Over the top of the building is a huge metal pyramid frame, with a central flagpole. The flagpole points down (as though like an energy conductor) from its apex to a small glass pyramid skylight below.

For those who like mysteries, the historic symbolism of Canberra is worth looking at.

The Secret Plan of Canberra

Masonic Architecture of Australia's Capital

By Peter Proudfoot - 1994

While still in University, this youth took note of the fact that the Australian states were federating into a continental nation and then and there decided to enter the competition for its capital city, for to his logical mind it seemed obvious that since there was not as yet an established profession of landscape architecture, the choice of such an architect could only be made through a competition.

For ten years he watched the architectural publications and then sure enough, there was an announcement before his eyes. Owing to busy practice in 14 states, the months slipped by and nothing was done about it, though doubtless the matter was brewing within, till finally, his wife, performing that valuable function of the Xantippes of the world, flew into a rage and told him that if he didn't start on the design that day she wouldn't do a stroke of drafting on the thing.

The design was begun that day and after nine weeks of driving work, towards midnight of a cold winter night, the box of drawings, too long to go into a taxi, was rushed with the doors open and the men without coats — no time to go up 16 stories to get them — across the city to the last train that could meet the last boat for Australia, the imperturbable Mr Griffin himself the only one not quite frantic by this time because to his mind if Australia was serious about the matter of their Federal Capital they wouldn't let the moment of arrival of the plans be the determining factor in their choice and, to his land planning mind they couldn't but be serious in such a matter.

A year later the cable came that Walter Burley Griffin had won the prize. His words on receiving the message were — 'And then I shan't be able to see a plan better than mine'. (Marion Mahony Griffin, 'Canberra — its designer and its plan', *The Federal Battle Magic of America* pp 434-35)
In 1913, a year after winning the Canberra competition, Walter Burley Griffin declared: I have planned a city not like any other city in the world. I have planned an ideal city.

Griffin's exposition in the initial Canberra plan — an ideal city — is generally regarded as a synthesis of the City Beautiful and Garden City movements which dominated town planning in the late nineteenth and early twentieth centuries. In the City Beautiful model, derived from elements of baroque vista planning, architecture is set in sweeping piazzas and parkland penetrates the city centre. In the Garden City model, based on principles derived from Ebenezer Howard's *Garden Cities of Tomorrow* (1901), houses on individual blocks in suburban areas further away from the centre are dominated by landscaping. In Canberra the parliamentary triangle reveals influences from the 1901 modifications to the plan for Washington DC and the 1893 Chicago Columbian Exposition, which espoused the Beaux Arts baroque style; and less formal 'picturesque' principles applied to its suburban areas connect Canberra with English garden-towns such as Letchworth and Port Sunlight. Walter and Marion Griffin's formal parliamentary triangle reinforced the City Beautiful ideals while the informality of the Lake Park was strongly aligned to the 'picturesque'.

THE FOUR PYRAMIDS OF THE NEW PARLIAMENT HOUSE CANBERRA

By Arthur Cristian

Love For Life

24th October 2009

'The four New World Order pyramids of Canberra's Parliament House, each built upon the other appear to represent (no specific order) 1: The City Of London within greater London (The NWO Royal Family - The Crown), 2: Papal City within Rome (The NWO High Priesthood - The Crown), 3: City Of Columbia within Washington DC (NWO Administrative Center For Commerce - The President), 4: City of Sion/Zion Of Israel (The NWO Rule Of Law - The Crown). These cities are independent entities, nothing to do with the countries they are situated in.

Canberra's upper pyramid has its base in front of Old Parliament House with an extended pyramid termed the Parliamentary Precinct (The NWO Precinct), accommodating the High Court of Australia, and other government identities (Sion/Zion, Israel's Rule Of Law). Next is the larger and more obvious large pyramid base that runs a circuit

from Rome (The High Priesthood) across to London (The Royal Family) and over to the US memorial column (Center Of Commerce City Of Columbia).

At the apex of the Canberra pyramid is the double ring, declaring the location of the NWO Head Office/Government overseeing all operations of Ancient Egypt's Civilisation Of Commerce. It is the center of ALL inner and outer NWO knowledge.

The arial photograph reveals the inner and outer rings of the NWO eye (The All Seeing Eye) of the BEAST OF THE APOCALYPSE (HORUS). Do these rings represent the earth (inner ring) with their universe encircling it (outer ring), just as the eye represents their man-made knowledge superimposing itself on the information of creation as it pours out of their universe-i-ties (tying their universe/version of reality to you and I). Also seen is the slightly raised pyramidal structure of Parliament House under construction. The pyramidal structure rises out of Capital Hill (HORUS). Does this not show clearly that Canberra is the planned New Head Office of the NWO?

The Canberra eye of HORUS is the traditional Ancient Egyptian All Seeing Eye of providence, the all-seeing eye of God (HORUS = SATAN). The All Seeing Eye is the eye of the World (The NWO). The Canberra eye of Horus is just like a Russian doll, pyramids within pyramids as noticed in the US dollar bill where a pyramid is situated over a pyramid.

Video: NWO Has Australia In Their Pocket - 10 Minutes 52 Seconds - SWINE FLU VACCINE WEAPON OF MASS DESTRUCTION - Now being released onto people by forced vaccinations - every Country has been 'Conned' by the NWO, WHO, UN, CFR, CDC Rockefeller, DeRothschild Bankers to accept their INTERNATIONAL HEALTH REGULATIONS and committees have been set up according to their dictates, They have been given the power by our Gov' to come in and take over our health depts' and instruct with FEMA our police force to round up people and detain them. IF

THERE'S ANY MORE FLU SICKNESS, IT WILL COME FROM THE WHO BIO WEAPON VACCINES being forced into people. The Australian Government purchased 21 million doses of swine flu vaccine as partners in this CRIME AGAINST HUMANITY being planned by the WHO CFR, UN. A FALSE report pushed by the CORRUPT MEDIA that some 160 Australians have died from swine flu, however these figures are spurious, the truth is; they had all been stricken with other serious health problems. In 2004, 3080 Australian men and women died from influenza and mass vaccinations were not an issue, but far less this year gave died, SO WHERE'S THE PANDEMIC? Federal Health Department officials are not answering over 30,000 complaints about vaccines "WHY?" - and are not issuing any truthful response to questions about the safety of the swine flu vaccines that have been rushed into production. They ALSO apparently don't want to talk about Baxter Pharmaceuticals' 'accidental' contamination of 72kg of vaccine material in February with live bird flu virus.

ANCIENT EGYPT'S ORDER OUT OF CHAOS

All lies wear thin because no lie can ever be as perfect as a truth. The civilisations of the Establishment are a lie so the Establishment have to keep adapting and adapting and adapting them as recorded across the ages. From Ancient Egypt, to Sumeria, to Phoenicia, to Hebrew/Babylon/Israel, Persia, Mu, and onwards through many, many civilisations of commerce as they came and went, all civilisations of Commerce are Apocalyptic By Design; Chinese, Indian/Sanskrit, Minoa/Greek, Roman, Aztec, Mayan, Incan, etc, etc, and so will die the lie that is the Western World Civilisation of commerce.

The Establishment creates both the chaos and the remedy to preserve the lie of their civilisation of commerce. To maintain their power and control they must preserve the lie at all costs and this is why they provide the order (the remedy) to the chaos of their making. The Establishment has its representatives working both sides of the pendulum, on one side the bad guys, and on the other side the good guys.

All the wars we are (and were) experiencing - Afghanistan, Iraq, Iran, WW1, WW2, etc, - are to prepare us to accept the New World Order that will be presented as the remedy (the order) to our problems (chaos). All wars are based on commerce, even though we are led to believe that they are caused by race, religious, "cultural" differences or the breakdown of "agreements". Remedies to war are always based on commerce too. It is only our belief in ownership of land, houses, things, etc, that has us place commercial value on things to the extent that we will fight over them. If we did not believe in ownership, we would place no commercial value on things and the civilisation of commerce would have no hold on us anymore. The Establishment are determined to not let that happen. To go more deeply into this subject and to explore the remedy we have on offer please read: A Girl Talks To The Birds by Arthur & Fiona Cristian - Love For Life - 11th October 2009: <http://loveforlife.com.au/content/09/10/12/girl-talks-birds-arthur-fiona...>

One Of The Ancient Egyptian Gods (one of the thirteen black magic sects/cults) is called SETH, the God Of Chaos. Like the other gods of Ancient Egypt, Seth is not really a God but one of the constructs (ideas/feelings/information) of Ancient Egyptian civilization, representing the Establishment engineered chaos that is there to have us all look for a

remedy that will also be provided by the Establishment. Canberra represents the order out of the chaos that the New World Order promises to provide.

All gods of ancient times were the ideas and feelings the powers that be wanted their people to focus on so they could put their energy/power of creation into these ideas and feelings to create the physical/material and mental forms of these images. All these gods coming together, felt and thought by their believers, formed the physical, material and mental infrastructure (the information) of all civilisations of commerce. By accepting the constructs and ideas of the civilisations as their own, the believers gave their power away to those who they permitted to tell them how to think, feel and act. Just like today, the civilisations of Ancient Egypt allow some men and women to place themselves on a higher standing than others, to be "more equal" than others.

The Trinity Of God and the Triumvirate of God represent the feelings and thoughts that all together form the image (the information) of the Western World Civilisation of commerce. This image is now dying, the lie is wearing thin, and the establishment are working very hard to introduce another version of this lie based on commerce. Do we continue to believe in SETH or do we all just completely walk away from this fairytale and return to reality???? I have chosen the latter, which one will you choose?

Note: If the high priests of Masonry are true to their Ancient Egyptian practices, she (and or he or both) will be assassinated. The media will say it was an unfortunate accident or they were murdered by a lone nutter or by a religious terrorist cell etc, etc!!!

Masonic Human Sacrifice Alters

The purpose of ALL Ancient Egyptian ritual sacrifices is to form shields between MAN and the memory of who she/he really is and what he/she is really part of. They also generate the energy the dark-side needs to create its apparitions, demons and phantoms (like the tears of Madonna & the blood of Jesus) and to maintain MANS levels of fear and trauma, keeping us locked in the scam that is the fairytale of Ancient Egypt and its civilisations of commerce.

Video: TRIANGLE SHAPED UFO LANDING US SOLDIER TOUCHES UFO !! AUSTRALIA - 6 Minutes 5 Seconds - God creates "out of nothing". 296 We believe that God needs no pre-existent thing or any help in order to create, nor is creation any sort of necessary emanation from the divine substance.¹⁴⁴ God creates freely "out of nothing":¹⁴⁵ If God had drawn the world from pre-existent matter, what would be so extraordinary in that? A human artisan makes from a given material whatever he wants, while God shows his power by starting from nothing to make all he wants.¹⁴⁶ - 297 Scripture bears witness to faith in creation "out of nothing" as a truth full of promise and hope. Thus the mother of seven sons encourages them for martyrdom: I do not know how you came into being in my womb. It was not I who gave you life and breath, nor I who set in order the elements within each of you. Therefore the Creator of the world, who shaped the beginning of man and devised the origin of all things, will in his mercy give life and breath back to you again, since you now forget yourselves for the sake of his laws. . . Look at the heaven and the earth and see everything that is in them, and recognize that God did not make them out of things that existed. Thus also mankind comes into being.¹⁴⁷ - 298 Since God could create everything out of nothing, he can also, through the Holy Spirit, give spiritual life to sinners by creating a pure heart in them,¹⁴⁸ and bodily life to the dead through the Resurrection. God "gives life to the dead and calls into existence the things that do not exist."¹⁴⁹ And since God was able to make light shine in darkness by his Word, he can also give the light of faith to those who do not yet know him.¹⁵⁰ - God creates an ordered and good world - 299 Because God creates through wisdom, his creation is ordered: "You have arranged all things by measure and number and weight."¹⁵¹ The universe, created in and by the eternal Word, the "image of the invisible God", is destined for and addressed to man, himself created in the "image of God" and called to a personal relationship with God.¹⁵² Our human understanding, which shares in the light of the divine intellect, can understand what God tells us by means of his creation, though not without great effort and only in a spirit of humility and respect before the Creator and his work.¹⁵³ Because creation comes forth from God's goodness, it shares in that goodness - "And God saw that it was good. . . very good"¹⁵⁴- for God willed creation as a gift addressed to man, an inheritance destined for and entrusted to him. On many occasions the Church has had to defend the goodness of creation, including that of the physical world.¹⁵⁵ - God transcends creation and is present to it. 300 God is infinitely greater than all his works: "You have set your glory above the heavens."¹⁵⁶ Indeed, God's "greatness is unsearchable".¹⁵⁷ But because he is the free and sovereign Creator, the first cause of all that exists, God is present to his creatures' inmost being: "In him we live and move and have our being."¹⁵⁸ In the words of St.

Augustine, God is "higher than my highest and more inward than my innermost self".159

THE SOUTHERN HIGHLANDS

The Southern Highlands is the heart of the wasp's nest, the root of the cancer which is why we want to create a community here. We are determined to provide a place for the lost (including the Establishment) to come to learn that there is an alternative to the hell of the Western World Civilisation Of Commerce and that we can all live in peace and harmony. Here, we are close to both Sydney and Canberra, within easy reach of around six million people and, if we are able to break them down here, the spread of their downfall will be like wildfire.

This is not a call for arms but a call for love, of hundreds of us standing together serving each other in a Do No Harm way of life.
