Only the Missing Omega has been proven by Harvard Health to have the greatest influence on heart health, as well as reducing inflammation, which is a root cause of everything from a sluggish metabolism and low energy.

Physio Omega use the best wild Menhaden fish oil with DPA to make our Omega 3 fish oil, the purest and most abundant source of DPA.

EPA, DHA and the most effective DPA, the specific Omega shown to be responsible for shutting off excess inflammation, giving your heart health a major boost.
