1) This is my Q thread for July 29, 2020.

2) Last night, Q posted a link to a video featuring Tucker Carlson and asked us to focus on the first 10 minutes.

3) YouTube removed the video, but it's available here.

Tucker proposed that all major events in an election year are primarily about the election.

The covid lockdown and the media's irrational treatment of it illustrate his point.

4) Tucker addressed the widespread censorship of a video featuring Dr. Stella Immanuel and other physicians explaining the truth about covid and how it can be treated.

The full 45-minute presentation can be viewed here.

5) Q reminds us that censorship is a form of information warfare.

7) As evidenced by the reactions of the public to the tyrannical dictates of mayors and governors, some will trade their freedom for what they perceive to be security.

I prefer dangerous freedom over peaceful slavery.
