My theme: Activate Sleepers Cells

<https://pbs.twimg.com/media/DmlQGtEVAaAzomG.jpg>

2) A "sleeper" is someone who joins a community pretending to share their values, while secretly opposing them.

At a strategic time, the "sleeper" is signaled to "awaken" or become active. They carry out their covert mission of disrupting or destroying the community. [#Qanon](#)

sleeper cell

English [edit]

Noun [edit]

sleeper cell (*plural* **sleeper cells**)

1. A group of people (sleepers) who inconspicuously remain dormant in a community until activated, by a prearranged signal, to perform acts of espionage, sabotage, and/or terrorism.

<https://pbs.twimg.com/media/Dmlb6nlUwAAUAAb9.jpg>

3) The term "sleeper" is often used to describe terrorists, but the same principle applies to other types of "sleepers" including intelligence operatives who infiltrate organizations and movements.

[#Qanon](#)

Understanding Sleeper Cells

Although the media has given extensive coverage to possible jihadist sleeper cells, they are too complicated and expensive for groups like al Qaeda and the Islamic State to operate.

<https://worldview.stratfor.com/article/understanding-sleeper-cells>

<https://worldview.stratfor.com/article/understanding-sleeper-cells>

Defining a 'Sleeper'

In the terminology of espionage, a "sleeper" is an operative who infiltrates the society, or even the government, of a targeted country and is there to remain dormant until activated by a prearranged signal or a certain chain of events.

Sleeper cells were employed during the Cold War. In that context, a sleeper was typically an officer working with a foreign intelligence service. Avoiding detection by counterintelligence and security forces required maximum care when infiltrating a target country. The operative was tasked with carrying out acts of sabotage or gathering intelligence in the case that war broke out. But until activation, a sleeper agent's job was to do nothing operational besides blend into society.

A sleeper differs from what the Soviets (and now the Russians) referred to as an illegal, or what the CIA calls an NOC (officer under non-official cover), because a sleeper is not to undertake operational activity but must remain dormant until activated.

There are great dangers in submerging a sleeper operative for long periods in a target society, so intelligence agencies are very particular about what kinds of people are selected for such assignments. Such operatives must be mentally prepared for the stress they will endure in infiltrating the country and be capable of enduring the monotony of being in place for years without engaging in operational acts or betraying their true identity or purpose. There is also a concern about the sleeper agent going native and developing loyalties to the target country. Only highly disciplined people qualify for such assignments.

Moreover, extensive training in operational tradecraft is needed. Any contact between the operative and deploying government is extremely risky, so a highly sophisticated command-and-control system is needed for communication. This requirement would be multiplied in the case of a sleeper cell, given the need to avoid rousing suspicions or linking members of a cell together.

In short, an operation involving a sleeper must be – by definition – a long-term, strategic project that may take years or even decades to reach fruition. Great vision, sophisticated planning and deep reservoirs of patience are required of the government or group that prepares and deploys such agents, which are assets to be held in reserve until a time of great need.

Control & Divide.

Think Mueller.

Who is testifying before Mueller tomorrow?

Forensic data analysis on phone(s) and/or computers?

This is not about Guccifer 2.0.

What happens if Mueller 'proves' 'Free Speech Systems LLC' aka 'InfoWars' is linked to a Foreign Intel Agency or other Non_Domestic entity?

10) The mainstream media, still pushing the Russian hacking narrative, wants people to think Corsi might have testified about Guccifer 2.0

(#Qanon says the DNC emails were leaked by Seth Rich not hacked by Guccifer.)

When prosecutors indicted 12 Russian intelligence officers in July on conspiracy and hacking charges, they referenced WikiLeaks — though not by name — as the Russians' conduit to release stolen documents via the hacker Guccifer 2.0, who is believed to be a front for Russian military intelligence.

Stone said he has communicated indirectly with Assange in the past through the radio host Randy Credico. Credico will testify before a grand jury on Friday. Stone is also known to have been in direct communication with WikiLeaks and Guccifer 2.0 during the election.

11) [#QAnon](#) asked:

What happens if Mueller 'proves' 'Free Speech Systems LLC' aka 'InfoWars' is linked to a Foreign Intel Agency or other Non_Domestic entity?

Free Speech Systems LLC is the parent company of Infowars.
Are they backed by a foreign intelligence agency?

12) Since Mueller's investigation is focused on election interference, the most likely subject of interest to him would be how a foreign power might have used Infowars to influence the 2016 Presidential election.

[#Qanon](#)

13) [#Qanon](#) asked:

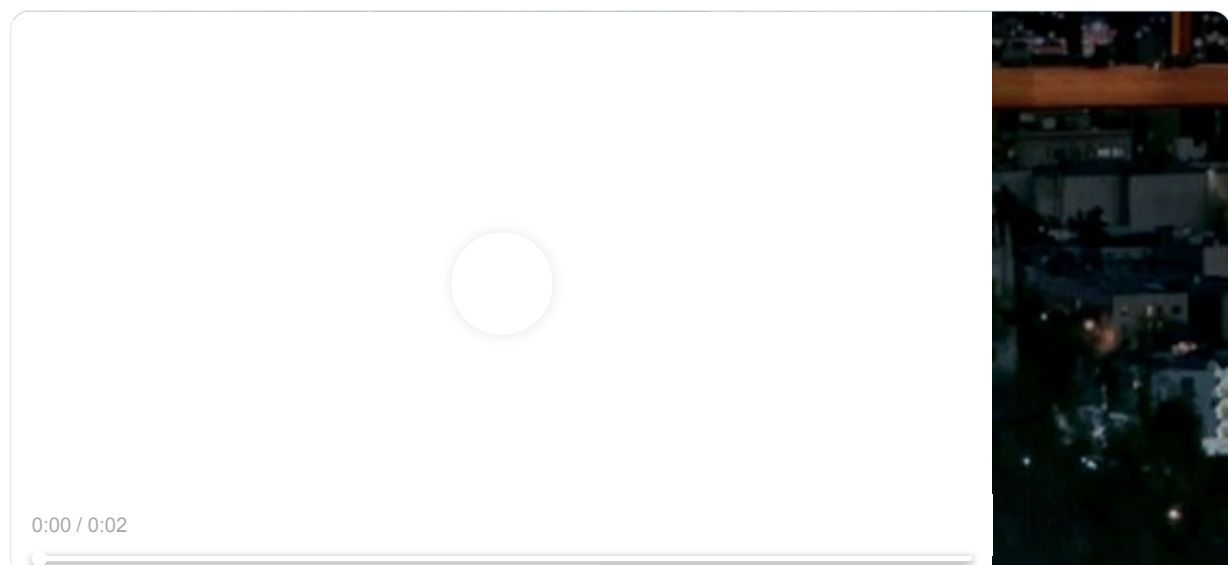

How can the 'LEFT' use that information to DIVIDE and CENSOR the RIGHT?

If it were proven that Alex Jones and Infowars were backed by a foreign intelligence agency, could Trump haters use that information to divide and censor us?

Organized Crime, Again

I met Pysczuk through Jacob Nowicki, his godson living in the U.S. who, in turn, I met through a French kid working on the Hollywood set of *Disclosure*, a 1994 erotic thriller directed by Barry Levinson and starring Michael Douglas and Demi Moore. When Jacob told me that Pysczuk wanted to invest \$1 million in the U.S. to qualify for a green card, I introduced Pysczuk to Michael Bailey of San Diego-based Innovatech as a potential reseller of software in Poland. In September 1994, Bailey and I traveled to Poland and formed Innovatech Polska, a Warsaw-based joint stock company, 60% owned by Pysczuk and 20% each by Bailey and I.

Thus began a sophisticated fraud that, as usual, consumed time and resources as the perps again sought to make it appear that I was the problem rather than those stalking me.^[4] In November 1994, Bailey introduced me to Bob Hertz who described himself as a nephew of the founder of the Hertz rental car company. Hertz, in turn, introduced me to Jerome Corsi in a luxury suite at the MGM Grand Hotel in Las Vegas. Hertz paid the reported \$15,000 per night tab for the top-end “fantasy suite.”

Corsi immediately told me that he already knew my identity because “being in the anti-terrorism business, me and my partners routinely track Rockefeller family members.” Introducing himself as creator of the B’nai B’rith Mutual Fund in Israel, Corsi proposed that we establish a similar fund in Poland relying on Pysczuk’s contacts.^[5] As usual, I gave everyone benefit of the doubt while also anticipating this could be pre-staging for yet another fraud. I could have walked away. Instead I chose to proceed because the link to Poland suggested this would provide an opportunity to profile those at the core of this ancient duplicity. My intuition proved correct. Corsi was also the first person I heard use the phrase “preparing the minds” to describe what I had been profiling, including their use of cinema to manipulate the national consciousness.

I knew that (a) roughly 90 percent of the Israeli Knesset was then composed of Polish Jews, (b) the Fall of the Wall in 1989 traced its roots to Poland when the Solidarity labor union movement emerged from the Gdansk shipyards in 1980, and (c) Polish Pope John Paul II, the first non-Italian pontiff in four centuries, was then leading one of the world’s most corrupt institutions whose origins in antiquity traced back to those I was profiling. I also knew how the fall of the Berlin Wall was used to brand actor Ronald Reagan (a friend of my Uncle Bob) as a pop culture icon who brought an end to the Evil Empire, a national narrative granted worldwide credibility by those I was profiling.

In January 1995, Corsi, Piper Jaffray broker Brad Amundson,^[6] Minnesota banker Randy Schwake^[7] and I traveled to Poland to meet with Pysczuk and others to discuss the founding of a mutual fund based on the B’nai B’rith model. When it was suggested that a life insurance company finance the venture, Lloyd Wander’s name was raised as a collaborator.^[8] His annuity firm had recently been acquired by Cincinnati-based Great American Life Insurance Company. Wander made the introduction that enabled us to present a proposal.^[9]

In February, Corsi, myself and our partners met with key executives at Great American’s offices in Cincinnati. CEO Carl Lindner’s personal bio, posted on the American Financial Group website, describes him as “the largest non-Jewish contributor to Jewish causes in the U.S.”^[10] Our group stayed in The Cincinnati whose owner (Lindner) paid for our rooms. [See photo of us taken in front of the hotel.] It didn’t take long to confirm I was again being drawn into the fields within fields of relationships that sustain transnational organized crime.

'The sleeper cells have awoken': Trump and aides shaken by 'resistance' op-ed

By **Philip Rucker**, **Ashley Parker** and **Josh Dawsey**
September 5

President Trump and his aides reacted with indignation Wednesday to an unsigned opinion column from a senior official blasting the president's "amoral" and launched a frantic hunt for the author, who claims to be part of a secret "resistance" inside the government protecting the nation from its commander in chief.

The extraordinary column, [published anonymously in the New York Times](#), surfaced one day after the first excerpts emerged from Bob Woodward's new book, in which Trump's top advisers painted a devastating portrait of the president and described a "crazytown" atmosphere inside the White House.

Warren calls for 25th Amendment to be invoked against Trump

Sen. Elizabeth Warren (D-Mass.) said Thursday she believes it's time for White House officials to invoke the 25th Amendment and begin the process of removing President Trump from office.

The comments come one day after a blistering op-ed published in The New York Times by an anonymous senior administration official that blasted Trump as amoral and "anti-democratic" and said staffers must constantly rebut the president's "misguided impulses" and "worst inclinations."

The author of the Times op-ed said the idea of removing Trump from office had already been floated by his top aides.

"Given the instability many witnessed, there were early whispers within the Cabinet of invoking the 25th Amendment, which would start a complex process for removing the president. But no one wanted to precipitate a constitutional crisis. So we will do what we can to steer the

Rod Rosenstein was involved in the plan to prevent Trump from being elected and/or remove him from office.

FISA = START

73) Obtaining a FISA warrant was the first step to legitimizing the takedown of Donald Trump.

Exposing the corrupt basis of the warrant exposes the corrupt basis of the Mueller investigation.

It's the first step in taking down the deep state's house of cards.

[#Qanon](#)

<https://pbs.twimg.com/media/Dmn7ejuUUAfKpu.jpg>

74) Patriots in Military Intelligence knew about the deep state's plan to sabotage Trump.

They created a counter plan.

Here's my guess on what that plan looks like.

[#Qanon](#)

75) Military intelligence anticipates & confirms through signals intelligence, the surveillance of Donald Trump by foreign & domestic agencies.

FBI launches a counterintelligence investigation which predictably leads to the appointment of a Special Counsel.

[#Qanon](#)

76) Military Intel advises Trump:

Play along with their game.

Let them think they're running the show.

Let them run their operation and don't interfere.

We'll observe it all and gather the evidence.

When the time is right, we'll hold military tribunals to deal with them.

[#Qanon](#)

77) Rosenstein is appointed Deputy AG and predictably, fires Comey and appoints Mueller as Special Counsel.

Since Sessions is recused and held in check, the deep state believes they have all their people in place to takedown Trump.

[#Qanon](#)

78) Mueller indicts the well-known lobbyist and money launderer Paul Manafort. The cabal thinks

everything is going according to plan.

[#Qanon](#)

79) But along the way, the text messages of Lisa Page and Peter Strzok are mysteriously made public, their corruption is exposed, they're removed from Mueller's team and forced to cooperate with Inspector General Horowitz's investigation.

They're out of commission.

[#Qanon](#)

80) General Flynn pleads guilty to lying to the FBI and the deep state feels a little better.

81) Then acting FBI Director McCabe is fired and referred for criminal prosecution.

Chief Counsel James Baker is nailed and he's gone.

Then FBI Chief of staff Rybicki is taken out.

Over the next few months, the 7th floor is cleaned out.

And no one asks why.

[#Qanon](#)

82) Trump keeps the deep state's hopes up by blasting Jeff Sessions a few times a month for refusing to help him out.

Witch hunt!

[#Qanon](#)

83) Rather than do what his enemies expect, and appoint a second special counsel to investigate the swamp, Sessions secretly tasks a US Attorney in deep red state territory to begin prosecution.

[#Qanon](#)

84) Although Mueller's investigation leaks like a sieve, nothing is ever leaked from Huber's investigation.

That fact causes everyone to think nothing is happening.

And that's exactly how Military Intelligence wants it.

[#Qanon](#)

85) DOJ, FBI, C_IA, and State Department undergo wholesale cleaning.

Leakers are found and removed from the White House. Trump and McConnell appoint new circuit court judges at a record pace.

Few seem to notice.

[#Qanon](#)

86) To corrupt politicians and deep state actors, it becomes more apparent every day that things are not going according to plan. Trump should have been gone by now. There are 2 months left before the midterms and he's still in office.

What happened to [#MuellerTime](#)?

87) Congress is moving fast to declassify and make public documents that expose the deep state's plan to throw an election and impeach a duly elected President without cause.

[#Qanon](#)

88) Sleeper cells planted inside the government are activated and begin their plan of disrupting the Trump administration.

[#Qanon](#)

89) Military Intelligence continues observing and compiling evidence that will be used to prosecute bad actors.

of [#Qanon](#) before Q began posting in October of 2017. Here's the story.

121) In this clip, we're told that Microchip opened the Discord app on his phone and showed us the chat logs as evidence of his claim that he is behind [#Qanon](#). (He insists the images are not photoshopped.)

122) This is the first screen Microchip showed on the video. The image is blurry, but the time displayed is 9:41. [#Qanon](#)

123) This is the Discord chat screen.

Again, the time is 9:41

[#Qanon](#)

<https://pbs.twimg.com/media/Dmvh344UwAAHzEa.jpg>

124) It's highly suspicious that Microchip's images display the same time as stock iPhone images.

If his images are legit, knowing that his claims would be investigated, why take the risk of showing images that could be mistaken for stock images?

[#Qanon](#)

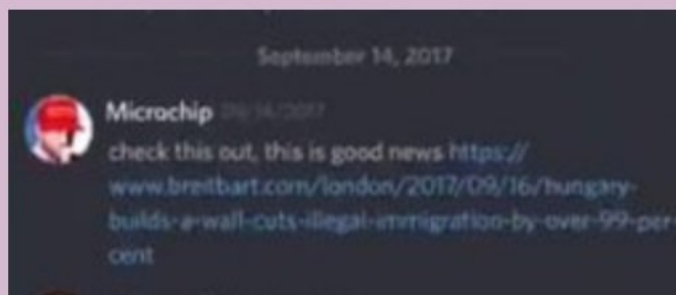

125) In his post, [#Qanon](#) points out another problem. An anaon provided this image of the chat log where Microchip posted a link to an article on Breitbart.

The problem?

The letter lists several examples:

- April 10, 2017: (former FBI Special Agent) Peter Strzok contacts (former FBI Attorney) Lisa Page to discuss a "media leak strategy." Specifically, the text says: "I had literally just gone to find this phone to tell you I want to talk to you about media leak strategy with DOJ before you go."
- April 12, 2017: Peter Strzok congratulates Lisa Page on a job well done while referring to two derogatory articles about Carter Page. In the text, Strzok warns Page two articles are coming out, one which is "worse" than the other about Lisa's "namesake". Strzok added: "Well done, Page."

The letter notes the troubling nature of the text messages. Former Deputy Director Andrew McCabe was fired by Attorney General Jeff Sessions after a scathing report from the DOJ Inspector General Michael Horowitz's investigation charging McCabe with lying to investigators and leaking to the press. Last week, the DOJ announced that McCabe is currently under a grand jury investigation.
