UEBERT & BEBE ANGEL

The founders of Spirit Embassy The GoodNews Church, Prophets Uebert & Bebe Angel are excited to bring you The GoodNews Daily Kids Devotional. Each day makes the Word of God so much fun! We've made sure every lesson is easy to read and understand. Children will be encouraged as they read and speak prophetic declarations into their lives everyday. The devotional also inspires little ones to have their own quiet times through further studies and note sections where their thoughts can be journaled.

The roots of the Christian faith will be driven deeper in their tender hearts as they grow spiritually and understand the GoodNews of God's grace into their early years.

Global KIDS & PRE-TEENS CONFERENCE 2023

WITH PROPHETS
UEBERT & BEBE ANGEL

The GoodNews World Children's Ministry has adopted a vision to raise, train and develop a generation of Spirit-Filled Children who are molded by the revelation and message of grace as taught by Prophet Uebert Angel, and to also demonstrate the character of the Holy Spirit poised to impact their generation with the gospel of Jesus Christ.

Through the GoodNews Daily for Kids and the Global Kids and Pre-Teens conference as highlighted here, we are able to teach our kids to develop a personal loving and serving relationship with Jesus Christ and guide them to discover their divine purpose in God; giving them a sound spiritual and moral foundation for a vibrant and victorious Christian walk.

2 Corinthians 5:17a (ICB)

If anyone belongs to Christ, then he is made new. The old things have gone; everything is made new!

Have you ever noticed that when Clark Kent transforms into Superman, he is still the same person but with supernatural abilities? In other words, Clark Kent is Superman undercover. When you receive the life of Christ and look in the mirror, you look the same on the outside, just like Superman and Clark Kent. What has happened on the inside, however,

is truly amazing!

KAINOS is the Greek word for new creature. It means a creature that never existed before. You may look the same to your family, friends, and loved ones but your spirit man is now a new creature that has never existed before. You are born of God with His nature and abilities, WOW!

PROPHETIC DECLARATION

I am a new creature in Christ Jesus. I have never existed before. I am a new species of being, an unheard-of creature and I am utterly unique. Hallelujah!

Have you heard of someone you know receiving an inheritance before? As a child of God, you are a new superman who has also received an inheritance in Christ.

You are superior to the enemy and have an ability to grow in your superhuman abilities. You have been born from above and are like a newborn baby who

needs to be fed, nurtured, so that you can grow in your new identity. The food that you eat is the Word of God which causes you to grow in grace and the knowledge of Jesus Christ.

Embrace who you are as a child of God – a new superman in Christ!

PROPHETIC DECLARATION

Everything is new in my life. I am superior to the enemy and am growing in my superhuman abilities. I am a new superman in Christ.

Through his glory and goodness, he gave us the very great and rich gifts he promised us. With those gifts you can share in God's nature. And so the world will not ruin you with its evil desires.

Nature reveals so many wonderful clues about the God that we serve. Dogs give birth to baby dogs (puppies). Cats give birth to baby cats (kittens). Humans give birth to babies. God is no different.

When you are born from above, you are born of the Spirit, not of the flesh. God literally gives birth to a God (you), as you receive the life of Christ. Are you here somebody? As a child of God, you now share in God's nature. You are a partaker of His divine nature. Human nature is no longer your portion. Glory!

Meditate on this for a moment until it becomes a part of your knower.

PROPHETIC DECLARATION

I am born of God. I am born of the Spirit. I share in the divine nature of God because I am a God. Glory!

Do not be shaped by this world. Instead, be shaped within by a new way of thinking. Then you will be able to decide what God wants for you. And you will be able to know what is good and pleasing to God and what is perfect.

When a baby is born, he is like a blank canvas. In other words, he is like an empty glass waiting to be filled with knowledge and experiences. This is exactly what it is like for a person who receives the life of Christ.

In today's scripture, the Apostle Paul says that we are not to be shaped by the world's way of thinking. Rather, we are to be shaped by a new way of thinking. This new way of thinking comes from the Word of God.

Start today by reading the Word of God. This is how you will be able to decide what God wants for you.

PROPHETIC DECLARATION

I refuse to be shaped by the world. I choose to be shaped by a new way of thinking through the Word of God. Amen.

Imagine the potter at his pottery wheel, moulding the clay to create it for his purpose. He has a beautiful design in mind. He takes his time through the process until he is completely satisfied with the result!

God has made you His workmanship, created in Christ Jesus for good works. It is God who has planned those good works for you. You are God's make, packaged for success and victory. You are the best product on the market, hallelujah!

McDonalds is a well-known fast-food restaurant that nearly everyone has heard of no matter which country you live in. It is now open for 24 hours in many different locations, giving its customers the choice to get quick food any time of the day or night.

Harrod's in the UK also has restaurants, but it cannot be compared to the food offered at McDonalds. The quality of food that Harrods offers is above and beyond anything that a fast-food restaurant could ever sell. Kids, there are higher levels of power that you need to know and understand. You are not a McDonalds type child of God. God's plan for you is to operate at a higher level.

This is, however, what happens as children of God sometimes. Today's scripture tells us that God

has already given us every spiritual blessing in the heavenly places in Christ Jesus. Why would you ask God for something that He has already given to you? Meditate on the scripture and change your confession today.

A young man was told by his dad that he had some money in an account but that he could only access it by going to the cash machine, typing in a special code and everything would be activated. In other words, the money was just waiting for the young man to go and withdraw.

Kids, as a child of God you have been saved by grace through faith. It is a done deal. The wells of salvation (divine health, divine prosperity, joy, peace, sound mind) have already been given to you. However, it is your responsibility to use your faith to make these spiritual blessings become a reality in your everyday life. What are waiting for?

PROPHETIC DECLARATION

There are wells of salvation that I was given the day that I received the life of Christ. Today, I choose to begin to experience every blessing that I have received.

One day, Sam was watching a puppet show at school. He was fascinated by the strings he could see gently guiding each character. It was the first time he had seen such a thing and after learning about how puppet shows work in class, having this experience made Sam's day.

Kids, God is a Master Craftsman, and the Bible says that He has a divine plan for your life. Like a puppet show, the Holy Spirit gently leads you to act out those plans that God had in mind when He created you. Now it is your responsibility to walk by faith. Live by what you believe (the Word) and not by what you can see today, and every day!

I have been walking with the Lord for many years, but there have been times where I have been discouraged because of the outward circumstances that have presented themselves before me. The enemy wants you to give him attention, but you must resist and reject any negative report that is not from God.

Are you experiencing sickness in your body? Are there financial struggles in your family? Set your eyes on what you cannot see. Everything that you see naturally is subject to change. That is why you must see every situation with the eyes of the Spirit. Focus on what the Word says about the situation and do not be moved until you come back with a testimony!

Remember to welcome strangers into your homes. Some people have done this and have welcomed angels without knowing it.

When you read the Bible and find out that there are angels around us, how do you picture them? Do you think they have a glowing, heavenly light shining on them? Or majestic wings like the ones on Christmas ornaments?

We don't always know what an angel looks like. Sometimes, the Bible just tells us their name. That was the case with the angel Gabriel, who told Mary that she would give birth to our Savior, Jesus Christ. Other times, the Bible tells us that some angels looked like men. Three of them sat and ate a meal

with Abraham (Genesis 18). So, it's very possible that an angel could look like a classmate, a neighbor, or a stranger who lives on the street!

Hospitality is one way to show God's love to others. Even if you don't know a person well, you can still love them like you would your brother or sister, because we are all God's children. So, the next time you see someone in need, ask your parents and God what's the best way to show his love to them. Who knows? You just may be serving up snacks to an angel without even knowing it!

PROPHETIC DECLARATION

Father God, thank you for loving me and blessing me with life, health, food, water, clothes, and shelter. Please help me to show your love to others by sharing these same blessings to anyone who is in need. Amen.

Then Elijah said to his servant, "Go and look toward the sea." The servant went and looked. He said, "I see nothing." Elijah told him to go and look again. This happened seven times.

Imagine that you are waiting for a gift in the post and even though you know that it has been sent, every day that you go to check, there is nothing. That is how Elijah's servant must have felt. In his own words, when giving Elijah feedback, he said, "I see nothing." What do you see today, regarding that situation at your school?

Kids, Elijah had very different sight because he was seeing with the eye of the Spirit. He told his servant to go and look again, seven times. It is critical that you are persistent. This is the only way that you will see your faith give birth to countless testimonies, in Jesus' Name.

PROPHETIC DECLARATION

Today I choose to operate by a different set of rules. Heaven on Earth is my portion, and I will persist until I see it become a reality in my life.

I love this story in 1 Kings 18 because it illustrates practical Christianity which is what we in Spirit Embassy are all about. For the seventh time, Elijah's servant went to look again toward the sea but this time, he saw some-

thing! He said, "I see a small cloud. It is the size of a man's fist." Kids, this may not seem very exciting, but it was simply a sign to show that abundance was coming.

It is very important to acknowledge the "little clouds" that God has done in your life. Thank God for what He has already done. When you do, you can guarantee that the "heavy rain" is on its way. Hallelujah!

PROPHETIC DECLARATION

I acknowledge the little clouds that God is doing in my life. Heaven on Earth is my portion is Jesus' Mighty Name. Amen.

I, your servant, have killed both a lion and a bear! Goliath, the Philistine who is not circumcised, will be like the lion or bear I killed. He will die because he has stood against the armies of the living God.

This week, we are taking a closer look at some Bible heroes to see what we can learn from their walk with God. You have probably heard of David, a young shepherd boy whose family did not take seriously. In today's scripture, David was speaking to King Saul, making his case to be put forward to

fight the giant philistine, Goliath.

What do you do when faced with a fearful challenge at school or with your friends? The Bible says that God has not given you a spirit of fear, but of power and of love and of a sound mind (2 Timothy 1:7). The battle is already won so be bold like David!

PROPHETIC DECLARATION

God has not given me a spirit of fear, but of power and of love and of a sound mind. Glory be to God, Hallelujah.

You are young, but do not let anyone treat you as if you were not important. Be an example to show the believers how they should live. Show them with your words, with the way you live, with your love, with your faith, and with your pure life.

Do you have God-sized dreams deep on the inside of you? Do you often imagine yourself doing wonderful things for the LORD? I am here to tell you that God can use you mightily, regardless of your age.

Young Pastor Timothy had a great responsibility leading the Church at Ephesus. His spiritual father, the Apostle Paul said to him, Listen, do not let anyone treat you as if you are not important. In other words, do not let anyone undermine who you are because God has called you, so be who God has called you to be. Starting right now, be who God has called you to be. Do not wait. Start now!

But Ruth said, "Don't ask me to leave you! Don't beg me not to follow you! Every place you go, I will go. Every place you live, I will live. Your people will be my people. Your God will be my God."

Imagine losing everything and finding yourself in a foreign country. There is nothing there for you and you have the choice to return to your parents' home and country, to start again. This is what happened to Ruth, today's Bible hero.

Instead of going back to her parents' home, she decided to follow her mother-in-law, Naomi. She did not know where she was going or what was going to happen. That is faith! Ruth showed loyalty to Naomi and a little while later, she ended up becoming a part of Jesus' lineage. You have the choice to be loyal to a person or cause when it seems like there is nothing in it for you. Learn from Ruth's story today and consider others before you consider yourself.

Instead of becoming angry and bitter, she showed her master, who had leprosy, kindness. We can learn from her actions. She shared information that ultimately caused Naaman to be totally healed of leprosy, to God's glory. You have God's DNA. Forgive those who have wronged you and love your enemies.

When Daniel heard that the new law had been written, he went to his house. He went to his upstairs room. The windows of that room opened toward Jerusalem. Three times each day Daniel got down on his knees and prayed. He prayed and thanked God, just as he always had done.

What would you do if you knew that praying to God would mean you going to prison? In some countries today, Christians are imprisoned, even killed for their faith.

This is what happened to Daniel. He did not follow the King's royal decree and the consequence was being thrown into the lion's den. Daniel continued to do what he had always done, even though his life was at risk. Later in the account, we see that God delivered Daniel from the mouth of the lions. His enemies instead, died in his place. Kids do not be afraid to do what is right, even when no-one around you is. God is Your Mighty Deliverer!

My servant Moses is dead. Now you and all these people go across the Jordan River. Go into the land I am giving to the people of Israel.

In the Bible, there's a story about a man named Joshua. Joshua had been Moses' assistant for many years. One day, Moses went home to be with the Lord and it was Joshua's time to lead God's people into the promised land of milk and honey.

God spoke to Joshua. He said, "I will always be with you and help you." God commanded Joshua, "... be strong and brave. Don't ever be afraid or discouraged! I am the Lord your God, and I will be there to help you wher-

ever you go." Even though Joshua was about to go on a wild, risky adventure, he could trust God's plan.

Even if it's clear that God's plans are different from ours, we don't have to be afraid or discouraged. After all, God knows everything that has happened to you, and he knows everything that will happen to you. He cares about the little things and the big things, and he's made a perfect plan for your life.

One day, Joseph realised the extent of his brothers' dislike for him when they sold him to slavery. Many things happened during Joseph's years away from his family. He even ended up in prison for something that he did not do. Yet, God was with him the

whole time.

Like the scripture says in today's devotional, someone may mean to hurt you, but God can turn their evil into good. Do not keep bitterness in your heart. Give any pain to Him and allow Him to heal you! Amen.

Did you know that when animals are fighting, the fight ends if one of the animals' retreats? In other words, if one of the animals decides to draw back or back away, then the fight automatically ends. You may think that this shows a sign of weakness, but Jesus showed us that retreating was where His place of power was.

Jesus went away (retreated) from the crowds to a mountain to pray. That means that He had a physical location where he hid Himself before returning to the same crowds He ministered to. Today, spend some time hiding yourself in the place of prayer with the LORD.

Never stop praying. Give thanks whatever happens. That is what God wants for you in Christ Jesus.

Take a moment to try this exercise kids: In five seconds, name five things that you are thankful for. Ready? Three... two... one... go! How did it go? It's okay if you had trouble coming up with five things. Remember, the Bible tells us to be thankful. Why? Because being thankful helps us to see God at work in our lives every day. Gratitude gives joy to both God and us!

Every day is a new day that God made for us and each new day brings many things that we can be thankful for. From the start, it's also good to remember, others might not enjoy the same privileges that we have.

It's easy to be thankful when we are happy, but other times, we miss our opportunities to show gratitude, big or little, it doesn't matter. Everything is a blessing from God. So let's remember to say, "Thank you, God."

PROPHETIC DECLARATION

words, prayer is a conversation.

Your dad wanting to speak to you means that he has something to say or to share with you. It is beneficial for you to allow him to speak. Develop a dialogue with God today in your prayer time with Him.

None of these statements should be your answer, but rather to learn and gain knowledge to use as you grow into an adult.

In class, do you tend to speak more than you listen? When you pray, it is important to have listening sessions. Samuel went from Bethel to Gilgal to Mizpah where he judged

the Israelites in those towns but look at the scripture above. He always went back to Ramah, where his home was. For you to return in the power of the Holy Ghost, you must go to your hiding place where you meet the LORD on a regular basis. Have you ever played a game that requires two teams? The captains for each team are selected and then the captains pick those that they want on their team. The people on each team have been handpicked by the captain who sees them as an advantage in

helping them to win.

Kids, you have been handpicked by God for His glory! Wow! In other words, God has chosen you so that he can show you off to the world, that you are His son or daughter. That is a good place to shout right there. Never forget that God has chosen you, specifically you! You have been handpicked to show forth the glory of God. Wherever you are – shine!

Genesis 1:1 (ICB)
In the beginning God created the sky and the earth.

Does it mean before the beginning there was nothing? God created everything new, and it was good. God made Adam and Eve.

They lived in a beautiful garden with everything in it. God had a rule, not to eat fruit from one of the trees. However bad news came in the Garden. The Naughty snake tricked Adam and Eve to eat the fruit God told them not to eat and because of this God

told them to leave the garden of Eden. Does it mean it was the end of their story? One thing about God: He forgives. He wouldn't watch His people suffer, and GoodNews came again when Jesus was born. There is nothing God will not do for you, no matter how wrong you are. This is the GoodNews that we preach.

Do you know Jesus never did anything wrong but died for all our sins? After wrong choices were made, GoodNews came, and Jesus was born. Jesus came and took the punishment for all

sin, imagine that! so that you don't have to be punished, all you need is to believe in Jesus. He is your King forever, just believe in Him. If you haven't shared the GoodNews of Jesus yet, start today by telling a friend.

Jesus is not here He is risen from death! Do you remember what he said in Galilee?

When someone says to you, "Feel free to call me anytime"; it means you do not need to ask for permission, that this person is available anytime. That is what it is like with Jesus.

The scripture says that after death Jesus did something unexpected, He came back to life. We are the result of His resurrection.

Jesus Christ showed us that He is more powerful than anything on this earth. He is more powerful than any shame or pain in your body. He did what man couldn't do. The same Jesus lives in you, allow Him in your life, feel free to talk to Him anytime. You don't need to ask for permission or make an appointment. Feel free to have conversations with Him. He is available. Spread this GoodNews and tell everyone about Him today.

Do you get excited telling people about Jesus Christ? How much more exciting it would be if your friends could come to church with you. That would be very exciting right? Jesus gave clear instructions, to tell everyone about the gospel which is the GoodNews. Soul winning is easy when you have the Holy Spirit.

After telling them about the GoodNews, invite them to church. Remember that church is the body of Christ, the body has members (limbs). Think about your own body, can you walk with one leg? Every Christian is a member of His body. If one member is missing, then the body can't function effectively. Be wise and become a soul winner, the Bible says those who win souls are wise. You are wise, so start talking to people about Jesus and your life will never be the same again.

Church is not the only place of worship; you can worship God anytime and anywhere. In the Deeper Life Phase worship is a must. Prayer is so important that, if you know what it is, you can measure how much you've grown spiritually. When you pray you are positioning your Spirit to be like God. The bible says we must pray in tongues. If you don't know how to pray in tongues, ask

On his way back home, he saw Grandma Rabbit

After he spent time in the gym, he looked in the mirror to see if he had grown muscles and he didn't. Faith works just like a muscle, just like Toby, you must continuously exercise your faith and then see results. Just because you prayed for something and it didn't happen right away doesn't mean you give up. It just means your faith hasn't grown enough to receive what you wanted. So, keep growing in the Word.

When you look at a mustard seed it is one of the smallest seeds. However, God said in his word if your faith is as big as that, we can tell a tree to move, and it will move.

People think the Bible verse is telling you to have little faith because of how small a mustard seed is. But when you look at a mustard tree after it's grown it's huge. So, God is not talking about having small faith, He is talking about how even though a mustard tree is tiny, it can grow into something huge. Genesis 12:2 (ICB)

I will make you a great nation, and I will bless you. I will make you famous. And you will be a blessing to others.

God has great plans for you beyond your imagination. Today's Word tells you that God chose you because He wants to make you a great nation and to make you famous! When God looks at you, He sees the number of people you will influence, and they make up an entire nation. There are some countries that are famous like the United Kingdom, India, or America. Nations only be-

come famous because they are great in prosperity. It will be the same for you. It doesn't matter whether you come from a famous country or not, you are a great nation and will travel the world and spread this GoodNews!

PROPHETIC DECLARATION

I am a nation. I have been called to travel the world and influence the nations. I am too global to be local. Through me, this GoodNews shall spread in all the continents in the world. Amen.

2 Corinthians 3:3 (ICB)

You show that you are a letter from Christ that he sent through us. This letter is not written with ink, but with the Spirit of the living God. It is not written on stone tablets. It is written on human hearts.

When we sing our GoodNews anthem we always say “we are the Word of God in motion” which is what today’s Word is telling us. Apostle Paul was teaching the Corinthian church that as they continued to listen to the GoodNews, their lives became a mes-

sage for the world to see. What message are you sending the world? Kids, your life is a message for the world from God. When people are looking for a GoodNews Church and can’t find one, they must hear the GoodNews from you. Show the world the love of God today.

PROPHETIC DECLARATION

I always share the GoodNews; my life is GoodNews. I am a place where God speaks. My life is a message of love, peace, and joy in Christ!

Genesis 37:11 (ICB)

Joseph's brothers were jealous of him. But his father thought about what all these things could mean.

In the story of Joseph, God had been showing him His plans concerning his life in visions and they were beyond what he could imagine. Joseph tried to share these visions with his family but instead of standing with him in prayer to get more understanding they became jealous and reacted negatively towards him. Kids, sometimes when God shows you His plans concerning your life and

you try and share with those you love you provoke negative reactions because they don't understand. People just start treating you badly. As you grow more in the Lord and His glory shows on your life people closest to you may not be happy but never be discouraged. Love and pray for them as it is a sign you are rising higher and higher in Jesus Mighty Name.

PROPHETIC DECLARATION

I provoke a reaction everywhere I go but I shall never be discouraged! It is my season and my time, and I am moving higher and higher more than ever! Amen.

Luke 6:27- 28 Genesis 37:1-36

**Genesis 39:2 (ICB)**

The Lord was with Joseph, and he became a successful man. He lived in the house of his master, Potiphar the Egyptian.

As we continue to read the story of Joseph, we see how his brothers hated him so much that they sold him into slavery in Egypt. Joseph was far from home, alone in a foreign land serving in the house of a wealthy Egyptian man called Potiphar. Now notice that despite Joseph being in the worst time of his life, our verse says God was with him and caused him

to succeed. He became so successful in serving in the house that Potiphar favoured him. So, Joseph wasn't mistreated or beaten like other slaves. Kids, no matter how bad a difficult situation may be, always know that God is not just with you but inside you. So, you will always be successful and highly favoured a billion times more than Joseph! Hallelujah.

PROPHETIC DECLARATION

I decree and declare great success is mine. In any situation everything will work out for my favour! I will never be disadvantaged! Glory be to God. Amen!

Genesis 39:1-6 Psalm 46:1

**Genesis 39:6 (ICB)**

So, Potiphar put Joseph in charge of everything he owned. Potiphar was not concerned about anything; except the food he ate.

Potiphar was so pleased with Joseph, he put him in charge of everything he owned except the food he ate! Are you getting this? This is like King Charles of England making his cleaner in charge of all his money, his jewels, his palace, his cars! Where have you ever heard that? I bet the other slaves and servants were just as shocked as you are. This is what

happens when God is with you so what happens when God is inside you? Kids, the moment you were born again you were born a leader. Overseeing things is natural to you. I don't care where you come from, I prophecy you will be in charge in whatever you do.

PROPHETIC DECLARATION

I am born a leader and I shall be the class monitor, I shall be a prefect, I shall be in charge in whatever I am sent to do. Amen.

FURTHER STUDY

Genesis 39:5-23

**Genesis 39:5 (ICB)**

So Joseph was put in charge of the house. He was put in charge of everything Potiphar owned. Then the Lord blessed the people in Potiphar's house because of Joseph. And the Lord blessed everything that belonged to Potiphar, both in the house and in the field.

The reason why God blesses you is so that others may be blessed through you. As long as Joseph was in Potiphar's house everyone and everything prospered. It means because of Joseph, the house ran smoothly, there were

no arguments with the workers or any fights within Potiphar's family. If anyone was ill, they were healed. The workers got pay rises because of Joseph! Now kids with God inside of you, you must realise the great blessing you are because Joseph didn't have Christ in him. It is because of you your family will prosper; it is because of you your class will be the top in the school. Your sports team will win because of you.

PROPHETIC DECLARATION

I am blessed to be a blessing. Every place I step into blessings are released. I am a blessing to my family, my school, and my community indeed! Amen.

And the king asked them, "Can we find a better man than Joseph to take this job? God's spirit is truly in him!"

As we continue with Joseph's story, we see that trouble just couldn't stop finding him and he ended up in prison. At the same time our verse shows how God's favour helped Joseph again. The king of Egypt couldn't understand the dreams he was having and couldn't find anyone in the nation who could explain them. Joseph was his only solution and so he released him from prison. Kids,

leaders of all kinds will look for solutions from you. You are the answer the world is looking for. Joseph didn't have Christ in him as his wisdom, but you do! As you continue to mediate and act on the Word, wisdom is rising in you. You are better than King Solomon!

PROPHETIC DECLARATION

Kings shall come to me and hear wisdom from my mouth. I will be their only solution. My mouth speaks supernatural wisdom today! Amen.

As hunger came in Egypt Joseph was not only the solution for the king but for the entire nation because now, he oversaw Egypt. Food could only be found with him and so Egypt and all the surrounding countries came to him for food. Joseph was not born again but God was with him. God is in you and so you are a natural

problem solver no matter how young you think you are. It will start by your class coming to you for help then the surrounding classes coming to learn from you. Before you know it other schools from other countries will look for you!

Joseph experienced the things we learnt this week to save people's lives. God always has a plan for your life no matter how bad things look, and it benefits your family and nations. If Joseph had not been sold as a slave by his brothers, he would have been killed by them. Furthermore, he wouldn't have been in charge of

Egypt and so when the hunger came his family would have starved to death. If he hadn't been thrown in prison, he wouldn't have met the king to explain his dream to save Egypt. Kids, God will use you now to save your family, your community and nation. Catch it!

You may be surprised to hear today that God does not live in Heaven. I know you missed it right there. Listen, the Bible says Heaven is too small for God to fit in (1 Kings 8: 27 ICB). He lives in light that no man can come near because of how bright it is. There is light that can be blinding like sunlight, and you have to cover

your eyes to see. God's light is 1 billion times brighter and so no one can see Him. The only way you can see or approach Him is by being in the same light. Being born again we are the children of light and so we live where God lives!

Psalm 119:130 (NKJV)
The entrance of Your words gives light; It gives understanding to the simple.

Kids, as the Word of God enters us, we receive light; the same light God lives in. So, as you keep studying and speaking the Word of God, light keeps entering your spirit, so you start seeing in the spirit realm. For example, the more of the Word of God you read concerning angels, the more your spirit receives light to see those angels. Likewise, the more you read on healing the more you start seeing health and so on.

Whatever you want to experience in Christ you will need light for it. Keep studying and speaking the Word in the area you want today to receive light.

PROPHETIC DECLARATION

I speak light in every area of my life. As I speak the Word of God continuously it is entering me and giving me more and more light. I will see angels, I will experience healing in Jesus' Name. Amen.

Your word is like a lamp for my feet and a light for my way.

It's only when you shine light that you then see the spider is following a very detailed path made with its silk web. So, unless you have light, you can't see the spider's path. With this, spiders can be found in palaces, and nobody knows how they got there.

Kids when you live your life by the light of the Word of God, people will think you are walking on air because of how easy things are for you and the incredible things you achieve. Trust the Word of God as the spider trusts its web.

Then God said, "Let there be light"; and there was light. And God saw the light, that it was good; and God divided the light from the darkness.

Kids, just because you go through difficult times doesn't mean God is not there. You see, God was facing darkness in our verse, and He decided to speak light into existence. Notice where the light came from though. It appeared in the darkness, and He separated it from the darkness. In every

dark and troubling situation you may face, know that God has made you the light in that trouble. You are the solution. Do what God did and speak the light of the Word of God to that trouble and see a change. If you are frustrated find what God says about peace and speak it. If you are ill, speak the Word of God concerning health. Amen.

The enemy is burnt beyond ashes before it reaches it. It seems like this little shrimp copied God in our verse because even if God is a far off, His brightness lights up coals

Kids, as you meditate and act on the Word of God, you won't just be a light but a burning light for your world. Any sickness or failure that tries to come to you is burnt beyond ashes before it comes near you! The Word of God in you is fire so burn for Christ as you speak it!

In most countries during the hot months, you may notice that when you switch on the light at night and leave the windows open moths get attracted to the light. They sit on the light bulb and surround it to try and darken it. The same is true for us who are the light of the world. All sorts of challenges start following and surrounding us. Kids don't get discouraged because like a magnet, problems are attracted to their

solution. This is what happened to Joseph when hunger struck Egypt. You are a problem solver the moment you received the light of God's Word. Just as the moths cannot overpower the light bulb, no challenge can overpower you when you believe and act on God's Word.

It is very important the beacon shines brightly so that ships can see it from far away. If the beacon light was weak many ships would sink on those rocks. Today God is saying

we should rise up like a lighthouse and shine brightly because we are the lighthouses of the world. People around you need to see the light shining in you from far away so they can be saved and receive the GoodNews. Be bold and demonstrate the power of God in you.

While Peter was talking, a bright cloud covered them. A voice came from the cloud. The voice said, "This is my Son and I love him. I am very pleased with him. Obey him!"

When people read this verse, they mistakenly think God the Father was telling The Lord Jesus' disciples to obey the Lord Jesus. The disciples at this point were already following the Lord Jesus and were obeying Him. God the Father here was commanding creation around the world to obey the Lord Jesus not the disciples. It meant that everything that had a name now knew they had to obey the Lord Jesus. Whether it be money or sickness, the moment they hear the name the Lord Jesus they stand at attention and obey. Today, pray in the Name of Jesus, command and prophecy things in the Name of Jesus and see creation obey.

in the name of the government. It means the police officer represents the government when he is in uniform. So if you disobey him, it means you have disobeyed the president of the country. Today, God is telling us to use His Name in all situations. If evil spirits disobey you when you command them they have disobeyed God Himself and the government of Heaven and they know it. Start commanding!

In Acts 19: 13 (ICB) the sons of Sceva had tried to use the name to cast out an evil spirit. It didn't work out well for them and

the demons beat them up. Kids, the best way to learn the character of the Lord is to spend more time with Him in the Word. You will become more like Him. The Lord Jesus walked boldly in all He did and always thought positively about others and Himself.

When the Lord prayed, He prayed with confidence because He had built up a strong relationship with His Father. It never crossed His mind that God would not answer His prayers. Since we now know that doing anything in the Lord's name means doing it in the same character, we can see God is telling us to pray the same way the Lord

Jesus did. When you do this, God doesn't see you praying but sees the Lord Jesus praying. This is how to get answers to prayers in Jesus' Name!

Through Him, we all became anointed when we were born again. Being anointed means you are separated from the world, and it is what causes you to do supernatural things. When you read of David, you will notice he had to be anointed with

That's like King Charles, the King of England making every citizen his own child and sharing his son, the prince's wealth and money with them all. Unfortunately no king like that exists on the Earth.

But in God's kingdom no one is sick and no one is oppressed because Christ took away all their suffering so that we may live with Him eternally. Our God is the King of Kings and The Lord of Lords and He desires that we all prosper in our health, our souls and also financially. You see they had researched and read that it was such an advanced city with technology beyond what we know today. So, they continue to search for it knowing it exists even though they have never seen it. Abraham never built a house of

Kids, in Mount Zion the only way to enjoy its glorious benefits is to be a partaker of the God-Kind of nature. It means doing the supernatural things the Lord Jesus did. Our verse says that to participate in the divine nature in Mount Zion we must meditate on the Word of God constantly, speak it and act on. When you enter new countries, you notice that each country has a certain way they speak, a certain language they all speak. So, our verse today tells us how to recognise someone from Mount Zion, it is by the way they speak. A Mount Zion citizen never speaks negatively

PROPHETIC DECLARATION

I am healthy and prosperous. I am blessed beyond measure, and I can only expect the goodness and mercy of God this morning. All things are working out for my benefit. Isaiah 35:5-6

Romans 12:2 (ICB)
Do not be shaped by this world. Instead, be changed within by a new way of thinking...

Kids, have you noticed that when you have been thinking too much about something you end up talking about it constantly and even start having dreams about it? As you think and speak on something often, you train your body to think it is important for you and so will make sure it attracts dreams concerning that thing for you to experience. Likewise, when you want to experience Mount Zion more often, you

need to constantly fill your mind with thoughts of Mount Zion. Meditate on the scriptures talking about it and speak it consistently. Before you know it, you will start experiencing the benefits of this glorious city!

PROPHETIC DECLARATION

Mount Zion is my hometown. I experience joy, peace, health, and prosperity now in Jesus' Name. I am constantly aware that I am in Mount Zion right this minute and I will continue to say it until my body learns where I am! Amen.

2 Peter 1:3

John 15:19 (ICB)

If you belonged to the world, then it would love you as it loves its own. But I have chosen you out of the world. So you don't belong to it. That is why the world hates you.

There is a famous superhero movie called Superman and whilst saving the world from evil doers he got seriously injured. The people tried to rush him to hospital to treat him. The doctors tried everything but none of their instruments worked on him. If they tried to inject him with

medicine the skin was too tough for the needle to enter! You see the people and the doctors had forgotten that Superman was not human and that what he was made of came from his home in outer space. Likewise, you are not from this world kids, you are from Mount Zion. Doctors can try to treat you but only God can heal you because He knows you are made of Mount Zion material.

PROPHETIC DECLARATION

I am not human, and I am not made up of what others are made up of. I am made of Mount Zion material. The source of my health, prosperity, joy, and peace is from Mount Zion. Amen.
