An architectural rendering of a modern brick townhome complex. The buildings feature a steep gabled roof with grey shingles and two skylights. The ground floor is made of red brick, while the upper floor is a lighter color. A brick wall runs along the front of the property, with a metal fence behind it. In the foreground, a person is riding a bicycle, and two people are walking. A blue car is parked in a driveway. The scene is set against a blue sky with light clouds.
