This is how deeply delusional certain smartarses operate. In the comments section of the Love For Life video posted in YouTube here: "**Defining Magnificence Into Mediocrity And Calling It Magnificence Part 1**": <https://youtu.be/FMvHbHypRc8> - an absolute idiot,

"Black Sun Obelisk" posted this comment yesterday:

"Arthur ... I understand your perspective however you are missing a HUGE piece of the puzzle... to know the happenings inside of masonic lodges is to know the hidden knowledge.... with this knowledge you can understand what is truly happening... God is real and good and evil are one! If you do not know this; then there is no protection for you.... God's books are very real ... they are magic...?"

The "hidden knowledge" within the "hidden knowledge" is still definitions defining the fantasies of perceived realities.

The projection and illumination of 3rd party defined alphabets (including hieroglyphics, pictography, phonetics, etymology, scripted image-labels derived from whatever defined "tongues" were crafted out of the occults - mathematics and geometry/sacred geometry being a few of many examples) will have deceived broken-will victims imagine there is something more "out there", as in an "out there" or "in there" truth or God, or "secret hidden knowledge", etc, and this doubt and uncertainty leaves them continually open to being manipulated by other men and women still lost to the occults so that the deceived follow a deceived hue-MAN, who is following a deceived hue-MAN, who is following a deceived hue-MAN, who is following a deceived hue-MAN..... and there they all are traversing through deceived hue-MAN initiations into the secrets of ALL deceived hue-MAN'S recorded ages, the matrix of NOTHING REAL, all-the-while they are trapped in "The System" where this scam is being (CAN ONLY BE) played out.

The inculcation is running rife through every fallen-MAN sucked into this ONE HUGE LIE.

Lost to the magic of fantasy and full of e-motion ("self-obsession") brought on by the anthropomorphism of definitions that are projected and illuminated, the original vessel

of undefined life (the body) is taken over by a fake persona at the helm of a defined, MAGICAL fairytale sailing on the high seas (SEES) of a fantorgasmic journey upon an imaginary, storytelling Wonderland performing as Alice Through The Looking Glass in the Mad Hatter's Tea Party or Dorothy in "The Wizard Of Oz" traversing down the Yellow Brick Road, heading towards the Land Of Oz ("The System") with Lion-MAN, Tin-Man, Straw-MAN and the dog Toto

This..... "to know the happenings inside of masonic lodges is to know the hidden knowledge.... with this knowledge you can understand what is truly happening... God is real and good and evil are one! If you do not know this; then there is no protection for you.... God's books are very real ... they are magic..."..... is a fairytale full of fictitious characters too, all derived from magic, actually black-magic.

It is only a very confused, deceived-fallen-MAN acting as Alice, Looking Glass, Mad Hatters Tea Party, Dorothy, Tin-MAN, Lion-MAN, Straw-MAN, Toto, Yellow Brick Road, Wizard Of Oz, etc, getting involved in this fairytale.

And it is only a very confused, deceived-fallen-MAN acting as "God", "Happenings Inside Of Masonic Lodges", "Hidden Knowledge", "Understand What Is Truly Happening", "God Is Real", "If You Do Not Know This; Then There Is No Protection For You", "God's Books Are Very Real" "They Are Magic" and DUALITY, "Good And Evil Are One".

Bring forward any of them in 1st party.

Let's hear it directly from the wagging tongue of "God", "Hidden Knowledge", "Good And Evil Are One", etc, and not from a confused-MAN acting in 3rd party, whose tongue is wagging and whose fingers are wriggling on keyboards, etc, performing on behalf of fictions who can never come forward with wagging tongues and wriggling fingers in 1st party to talk directly with the living.

This includes every other confused, deceived-fallen-MAN re-presenting "God", "Secret/Hidden Mysteries", etc, across the whole of the Freemasonic recorded ages. Come on brethren, bring forward this "God" you claim exists. Please don't tell us that only you, a confused, deceived-fallen-MAN can come forward past, present or future, to re-present "God", to talk on behalf of "God, etc, with only your tongue wagging and your fingers wriggling.

Where is this "God", this "Supreme Divine Power"???

If any liar attempts to bring forward such a scam we will immediately instruct this claimed "1st party God" to use its "supreme power" and move that whole mountain range from there to over there without doing harm to anyone or anything, and if they

can't do this immediately before our real eyes, we will tell these liars to immediately get out of our real-lives and never come back.

Whatever choices are made through 3rd party storytelling, we are not interested in anyone coming forward with wagging tongues and wriggling fingers e-motionally anthropomorphising definitions (DUALITY, "Good And Evil Are One") and claiming these definitions are true, are part of reality, are a natural extension/expression of who we really are.

Placebo Effects that come with Stockholm Syndromes are still not proof of fact that a defined "God" is real, that "Masonic Lodges" are real, that "Hidden Knowledge" is real and true, etc.

Across all the recorded ages of whatever was recorded and claimed to be real and true, all that can be brought forward is a chained procession of deeply confused men and women lost to imagining make-believe "time-codes", playing games of fantasy with non-sensory images by directing the current of their life-energy into them, AND THAT'S IT - NO ONE ELSE OF TRUTH, REALITY, IS THERE.

You have the free will to dive into these ancient books of bullshit (know-the-ledge) but, regardless how deep you go and for how long you journey, all the living, those not lost to fantasy will ever see before them in 1st party are the deceived of fallen-confused-MAN going deeper and deeper and deeper and deeper into bullshit because there is nothing else there that is real to be sensed amongst the many storytellings of these occultic inspired magical mystery tours.

I like your style Arthur ... I appreciate a deeper thinker! First, I will say this: "I am a slave to the Master through his Christ Jesus" ... I know you do not see the relevance of that statement 10 years ago, I had views of what would resemble an atheist... Then, one day, a light came upon me and everything changed....Yet, I knew from the time of being a small child that this event would happen ...

You want proof in front of your eyes? No Problem!

Here are your options (one takes time and effort and one is instant)

I recommend: (With a heart that seeks to learn the truth) Read the Old Testament of the bible front to back (write what you learn) and once you complete it... listen to a man in a nice suit or robe speak about it.... then you will see how great the deception is and realize the truth!!!

Option 2 I offer a couple books that may help you to see??? (30 page picture book):
<https://www.scribd.com/document/384504189/1871-72-Wine-of-Reality-With-Scriptures>

Or option 3 (Instantly you will know!).... First, I will warn you , others have accepted this challenge ... I watched one video of a challenger... I know he did it.... he argued hard with me before attempting and after the video posted ... I never heard from him again! Beware!!!

In masonic lodges during the 5/68 ritual a level 3 mason with recite the 25 banishings ... This is 1 of the 25 banishings

The banishing is in the bible(Matthew 6)

Recite the Lord's prayer out-loud in REVERSE order TWO TIMES... say the words forward but in reverse order..... By doing this you will denounce the protection of Jesus and evil will appear.... (This is wrote about by Crowley in "Magick in Theory and Practice)

LORD'S PRAYER:////////////////////////////////////

Our Father which art in heaven, Hallowed be thy name.

10 Thy kingdom come, Thy will be done in earth, as it is in heaven.

11 Give us this day our daily bread.

12 And forgive us our debts, as we forgive our debtors.

13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

//////////////////////////////////// 2 x in reverse////////////////////////////////////

Instantly////////

I learned about the happenings inside of masonic lodges mainly from Aleister Crowley's "Magick in Theory and Practice" and "Equinox 1" ... Crowley's intelligence is not human!!! The acts in lodges are sick and twisted!!!! As is the Bible... sick and twisted!!!

I saw your profile picture and it drew me to you.... I cannot protect you but I can show you the way to protect yourself

I assure you friend, I offer the best advice.... Farewell?

This MAN has no need for anything from you or from anyone else, including protection.

Truth does not covet another MAN nor does truth need another MAN for truth to be whole in any MAN including this MAN.

Only a lie and a liar can deceive a MAN to seek beyond the MAN by placing needs upon another MAN to make a MAN whole.

That which is sought from another MAN to make a MAN whole already is the very clear evidence that Jesus and his father (God) are not whole, are huge lies, and everything coming from their creation are not whole either.

The blind are leading the blind, who are leading the blind, who are leading the blind.....

What kind of lying God is it when its creation is already in need of that which already is without??

No MAN can ever provide wholeness for another MAN. Truth does not do this, does not behave in this way.

Anyone who believes they must pray to whoever, already has a deeply broken will and doubt and uncertainty are already running amok through them.

The rituals you offer can ONLY summon a DEAD GOD. and your assurity is a complete load of bullshit. You are already the one in danger before this MAN and the performance of your ritual clearly reveals that you are not whole and offer nothing whole. Be gone you liar.?

Pride, Arrogance and Ignorance... no good will ever come from any of them!

To die an atheist or a Christian is a terrible fate... the pain will be great!... to lose one's soul means no "physical" pain in the after-life... you have nothing to lose.... recite the prayer in reverse order two times... you will be much better off!

I am not wrong friend!?

Attempting to steal another MAN'S character so that you can impersonate the MAN by creating claims, stories and beliefs and having them be attached to the "NAME" of the MAN, making out that the claims and accusations you have made up out of thin air are actually the MAN'S intentions, views, values, etc, and are coming directly from the life and vessel of the MAN you are impersonating, already is slander, is committing fraud and is a blatant lie.

Bring forward the 1st party to back your claims. Let's here these claims of yours directly from the tongue of the living MAN, the 1st party, and not from an impostor impersonating the MAN in 3rd party, you, the liar.

Can you arrange this ASAP?

Who gave you permission to do this?

The incontrovertible fact of what this MAN has already shared here clearly demonstrates that you will never be able to back up your claims and this also clearly shows that there is a malevolent intent coming from you to do harm to another MAN, an innocent MAN you have never lived with, have never had any long term intimate and private dealings with, have never closely worked long term with this MAN, and yet you act here as if you are aggrieved, that you have a "right" to enter through the front door of this MAN'S private life casting vituperations, aspersions, abuse, ridicule and accusations at this MAN.

Why are you breaking the peace?

Why are you showing signs of being psychotically disturbed with this MAN?

Has this MAN harmed you?

Has this MAN stolen from you?

Has this MAN lied to you?

Has this MAN misled you and broke an agreement with you?

Did you provide some type of service to this MAN such as mowing the lawns, shovelling in the garden, painting the walls, etc, which has not been reciprocated since and is the cause of your current disturbance, consternation and aggravation so that you are engulfed in e-motion causing you to seek revenge, justice to make matters whole with this MAN.

Just where is all the energy (fuel) coming from that drives you to commit slander, fraud and peddle lots of lies here?

What business do you have with this MAN?

Are you psychic, as in do you have an all-seeing eye (all see in "g" "i")?

Are you practicing black-magic as in..... are you practicing remote viewing, remote control and remote projections of your intentions/dreams?

Are you in the room with this MAN and this MAN'S family?

Just what do you know that has you make up so many claims about complete strangers and be committed to directing those claims at this MAN and this MAN'S extended family, calling them "friend/friends" all-the-while you are performing these occultic/satanic inspired rituals? (Black Sun Obelisk).

Again, just who and what gave you permission to enter into the private domain of this family MAN'S life and go about breaking the peace with the intent to seek a joust with this MAN and this MAN'S family, using smears, calumny, vituperation, animadversion, obloquy and invective expressions to provoke this MAN and this MAN'S family into a contest with a complete stranger who currently acts like an alien from a distant dreamworld of fantasy???

If you claim there is something else outside of you that has given you the "rights" and the power to behave the way you are currently behaving with this MAN, then please do bring forward this other 1st party, higher power or not, so we can hear all these claims of authority directly from the tongue of this claimed power and not from a lying fuckwit like you.

The constant doubt and uncertainty is being played out ONLY between your ears (so to speak) while you are present to the presence of an undefined MAN of peace before you.

You seek to change the spots on a leopard so that another MAN can fit inside your preconceived box of what and how a MAN should be before you. Only those lost to Satanic practices would attempt to do this.

All lies are curses and all curses are already being processed by the liars and all beneficiaries who receive the proceeds, benefits and exclusivities derived from the liar's dirty deeds here and now, in present sense, forevermore. There is no escape from the processing of this curse, no relief, no respite, no back door to escape through, no shield or ritual existing, past, present and future to protect you from the processing of this curse of your making or to minimise the amplification of its effect upon you and your extended family and other beneficiaries. All resistance, including ignorance, arrogance, indifference and righteousness, etc, ONLY FEEDS THE CURSE AND AMPLIFIES IT TEN FOLD in each and every moment that such intentions are set into motion. This will not stop until you make matters whole with those you sought to do harm to.

Be gone you patronising piece of shit, you overbearing low life deign scum.

I will let you in on a little secret ... You are a slave.... Sold ourselves in to slavery initially due to the Assyrians starving us... now they feed us poison food... The Assyrians are our enemies however we came into their land (Nineveh)The Trespasser9-11 was a wake up call.... Knowledge has expanded a great deal since 9-11-2001... those that seek will find and those that don't will regret! The apocrypha Old Testament tells on how they trick us into contracts and we are to be enslaved for this life-time for hard work and in the after-life for severe torture

The Assyrians (aka Sons of God) are bird people and they go by many names in the bible ...(1 Genesis ... God's people are the reptile/insect and our people are the mammals)

the Jewish faith is a lie but Jewish blood is real ... you are born a Jew or you are not a Jew! The Assyrians are the Jews ... there is a hidden (apocrypha) book of Psalms that is not included in the standard bible along with the apocrypha book of Judith The (Philistines are the Jews and they are the Assyrians) Shape-shifters ... mentioned in Judith in the apocrypha and in the standard bible Song of Solomon

In 1611 the King James "Standard Version" Bible was given out to the children of Israel..... God's books were taken away for a thousand year period... Judas of Maccabees burn their books and killed whoever didn't surrender their books (1 Maccabees) Judas then started a religion that disobeys God's Laws called Judaism The name Judaism alone is a violation of the first commandment as is the name Christianity

In 1611 the books that were not allowed to be seen became the apocrypha (In Latin apocrypha means hidden) These books are now available! Understand will come to ALL that seek!!! All modern bibles are based off the 1611 assembly

I can cite all I tell you with God's books ... you need written or physical evidence??? just ask me!!!! The Bible is my "Special Friend"

Praise and Glory to the Master... the King of Kings.... all bow and tremble in his presence!?

First I will tell you this: I am your warner... not to persuade you but to warn you... your heart will determine your outcome... You are the ambassador to your family ... You better get it right or you will regret!... Black Magic... Jesus died on the arrow of Sagittarius (Cross) what religions neglect to say is what happened next in the bible.... they physically ate his corpse... this is a black magic ritual ... eat the flesh of the sacrificed and save the fat for the master the 3rd book of the bible Leviticus teaches this.... how to commit a human sacrifice... detailed instruction!!!!

What do I warn you of? Answer: God

////////////////////////////////////

Hebrews 12:29 King James Version (KJV)

29 For our God is a consuming fire.

////////////////////////////////////

Anger is a combination of pain and pleasure The Father is a raging, angry, fire

Black Sun Obelisk.... In every city of the world there is an enormous obelisk erected ... the obelisks are erected for people who were killed and a dedication plate always faces the north ... (the sun does not enter the Northern sky... rises in the east, travels through the south and sets in the west)

Obelisks are used in black magic practices... around the large obelisks in the cities there are openly known occult symbols... just like in ancient Peru... today's modern cities have symbols that can only be seen from the sky ... in some bibles the word obelisk is used but in other versions of the same scripture , you can see the word "obelisk" translates to "pillar"... both the bible and the Vedas use a bunch of the same terms...pillars is one of them..... The Vedas explains the Sun pillars

God the Father is the Black Sun ... the tyrant, the destroyer!!! Fortunately, for some, he has a Christ (Jesus)... Jesus is the Father's servant

////////////////////////////////////

Lamentations 3:38 King James Version (KJV)

38 Out of the mouth of the most High proceedeth not evil and good?

////////////////////////////////////

In this part of Lamentations the people are only experiencing the terror of God.... its about the Daughters of Judah... and know this: they are much better off than the children of Israel

The children of Israel are the "Children of the Covenant" the covenant is the agreement of the morning stars

Venus is a morning star ... and Venus in the Latin Language is called Lucifer... the second morning star is Sirius (Sirius is two stars Sirius A and Sirius B) Sirius B is the "white" dwarf star.....

////////////////////////////////////

Job 38:7 King James Version (KJV)

7 When the morning stars sang together, and all the sons of God shouted for joy?

////////////////////////////////////

The Bible is a covenant ... the Old Testament is COMPLETELY EVIL and the New Testament is Mercy

////////////////////////////////////

Psalms 88:14 King James Version (KJV)

14 Lord, why castest thou off my soul? why hidest thou thy face from me?

////////////////////////////////////

God hides his face due to this agreement.... if everyone knew evil existed, they would all obey!

Venus is merely the face of Lucifer because Lucifer is not one but many ,,,, Lucifer is the zodiac and I will show you this in scripture if you wish!

You have a hardened heart .. take the best advice and seek the truth.... Seek God!?

Arthur Cristian

To repeat.....

"From here on (end) we just completely ignore you for that is what the living soul of MAN will do when faced with offerings of fantasy (just turn your back and walk away peacefully).

If you post any further fantorgasmic garbage again in the YouTube Channels we use, we will block you too (though we will leave everything posted up)."

You have consistently ignored the insights we shared with you and you've been unable to find lies in anything we've posted and have such claims backed up with 1st party evidence. Instead, you only offer the vitriol of a narrator promulgating 3rd party defined belief systems and armed with malevolent intent. Whether you are conscious or not of the demonic possession still in control of your vessel, you are actually seeking "spelling" ways of seduction, reversed or not, that prey on the doubt, uncertainty and confusion of any MAN who can still be manipulated into the continuation of sabotaging the natural ability to create unique, original souls. You really are offering only murder and genocide.

To us, this current, worse than Hannibal Lecter attitude, has you show up as a fanatic packaged with a holier-than-thou attitude, clearly revealing a zealot and a bigot. Due to your self-obsession, even after addressing all your inculcated comments by completely deconstructing them into a simple, clear big-picture, in order to reveal the fallacies and the confusions of your present anthropomorphic illuminations of definitions forming fantasies of perceived realities (no soul there - no unique original dreams created), you also continue to show no respect to another MAN who is completely different to you.

To you, your agenda is EVERYTHING and who we (Fiona & Arthur) really are is not on your radar, instead, the blimps on your radar are only ones you are projecting and illuminating there of your own invention. You do this because of the intent to steal another MAN or two or three or more and transport them into your delusional dreams, and by defacto and proxy, act as GOD over lighting your victims with a fake light that leads them all astray from truth and from there, lead them to eternal death.

You are just lost in another MAN'S fairytale, a dream-world where vast murder and genocide have evolved and where the total destruction of MAN/earth/nature is the goal. Your good heart wants to "rescue" your brothers and sisters but you don't realise that you are trying to use your influence to bring them to their eternal destruction and you don't seem prepared to challenge your beliefs when presented with facts that show it is misguided. We should all be prepared to challenge everything we are thinking and feeling always, for how else do we arrive at the truth?

Having the truth of all the murder and genocide and having a good heart that wants to help others see the truth, is still not enough because, when you are trapped in another MAN'S dream, and you are looking at the truth of everything wrong with that dream, along with the inspiration of the good heart to realise that dream, you cannot sense the way out of that dream because you still don't sense (know) who you really are which means that you are still trapped in another MAN'S dream and you have everyone else trapped in it as well.

The blind leading the blind, leading the blind, leading the blind, leading the blind.....

MAN was always meant to be undefined, the unique, original living soul of MAN'S living dream of life.

To be defined is to have no soul and is to be completely lost in a dream not of your creation. We come to show anyone how to get out of this man-made hell (dream-world of no soul) but you don't want to listen. If no one makes the effort to completely get out of it in this life, the legacy of this dream of death and destruction will continue to be passed down through the generations, just as it has been passed down to us through generations where there have always been good hearted men and women dreaming and fighting for freedom but never finding it, despite their good hearts.

The consequences of this will be that there will no longer be any voices of the living truth singing the undefined song of the big picture of MAN'S unique and original dreams of life and everything of reality will be wiped out.

Currently, this is ONLY what you offer.

The confusion you still have is that you continue to believe that this defined dream of another MAN'S invention, "The System" (and EVERYTHING of it) is where reality is, but, in fact, it has nothing to do with the reality of who you really are and what you are really part of, or the reality of anyone else, because there is no soul there.

You are trying to fix the problems of this 3rd party defined dreamscape you still hold as your dream of life, that sense of belonging brought on by the good heart, but it is all still

part of this alien dream-world of destruction and so you cling to the tools that belong in this man-made hell to dig your way out of this matrix only to discover down-the-line that you and everyone else following you, are still trapped in hell because you brought all the tools of hell with you and into whatever other dreams you are inspired to co-create.

The God and Gods you refer to, the Bible and everything else of this fake world that you belong to, including the alphabets, mathematics, geometry and all the definitions spinning in your head, Lucifer, Zodiac, all the races and culture of ancient his-story, are all part of this occultic dream hell that you are part of.

All you will do is prove to yourself that you are right and that you are in hell, and you will justify this perpetually. You have not created an undefined, living dream of life because you have no soul to be that, to express that, to live that. The undefined soul is the living mountains, the valleys, the plains, etc,. It has nothing to do with this fake world that you are mesmerised by and determined to mesmerise others with.

The living souls of our ancestors could hold a dream of creation and watch a bird fly out of their hand and all that you see of living nature around you is the creation of our ancestors but you are too trapped in this living hell that is "The System" to sense any of this.

It's more than likely that you have not really listened to any of the insights we are sharing of the big-picture of reality we hold. It is best to turn your back and completely walk away from this dream not of your creation, dropping all the tools that belong to that dream and leaving them all behind too, and return to Kindom/Paradise/Garden Of Eden/Naked Undefined MAN.

Black Sun Obelisk

Arthur, again, I appreciate the deep thinker ... Most of the things you mention and your perspective of them I do agree with however you cannot see what it equates to and that is because of the curse. (No lack of intelligence but a blinding curse)... It's called the curse of Allah on page 2 of the Quran and 2 Corinthians 3:13 in the bible (the curse Moses placed over mankind) (2 Corinthian 3:14 tells how the curse can be broken)

It's very important to know that God the father is not your friend.... Google: "Assyrian Artwork" and you will see the beginning of man. I assembled a music video gathering images that tell the story clearly:

<https://www.youtube.com/watch?v=JLsF6ohRPlw&t=249s>

Did God create man... Yes.... but the explanation of Job (Bible Book) tells you the details!

If you want first party, I told you how to achieve first party... (2 ways) Read the Bible front to back with a heart seeking the truth (Break the Curse) or read the Lord's prayer in reverse order two times... (less than 2 minutes) you will get first party however there is no turning back once you denounce your protection!!!! There is a world filled with physical evidence of gods yet the oblivious herds walk past and pay no mind! A knowledge was taken from us and it is documented in 1 Maccabees (of the hidden apocrypha bible)

You speak of the system and you are aware of slavery but yet I am hearing you as a third party... I learned about our slavery from the Old Testament apocrypha ... the certificates, the contracts, the taxes, who did it, how they did it, why they did it... its all explained there!!!

All the answers are in God's books however most people are only taught the books by their enemy!!!

Assyrians verses the Children of Israel ... Adolf Hitler

Please watch the videos and then I could explain!?

You are deeply lost in re-presenting definitions that have formed the animation of the fantasy dream world you have been energising with the current of your life energy directed through the water of your every breath that's encoding these anthropomorphic intentions bearing the forms of these man-made scripted dreams you hold "so dearly" as being your reality, of your free will and of the free will of everyone else caught up in this "recorded event", though they are all broken wills. You really don't sense who you really are or who this undefined-MAN is before you.

As it is in your image, and as it is in the image of every other MAN who fell into these defined lies, and with your acceptance and with the collective acceptance of all others participating in this "Shakespearean-Tragedy", you are all at the effect of the his-story of everyone's e-motions collectively raising up from the dead this fantasy dream-world you claim exists and you are adamant that nothing else exists outside of it.

How can it when there is nothing else being held in this non-sensory dream of life of your imagining that you are beholding, the placebo effect that brings on the Stockholm Syndrome of this agenda you promulgate. As every hue-MAN has a good heart, you are blinded by the e-motions where you have placed your good heart. You are no

different to a "kid" with a good heart running around in a Superman costume, having practiced being Superman for aeons. The "kid" is still not "Superman" and this undefined MAN is not part of the man-made fairytale that you continue to be besotted by.

Many have fallen for the lie of the bible and of all the characters enacted in it. However, the "kid" playing Superman for hours on end, still knows that Superman is not who the "kid" really is because Mum is calling out that it is time for bed, reminding the "kid" that the "kid" is NOT Superman.

When the "kid" grows up and acts out the fantasies of the bible, lawyer, homeowner, etc, there is no mum there to remind the "kid" that these fantorgasmic characters are NOT reality. The fine line between fantasy and reality is not being drawn and the trauma of the occultists (fallen-deceived-duped-hueMAN'S) intentions encoded with the blood-letting and blood-libel of the occultists ritual sacrifices of MAN, creatures, etc, causes such deep "electrocution" through the water of MAN'S breath evoking the trauma of the "electrocution" of every misled-MAN who is holding on to the power cable of the alphabets of many unnatural tongues, unable to let go of the occultists definitions that they have accepted, shaking as they earth the current of alphabet induced trauma that runs between deceived-MAN and deceived-MAN, collectively forming the fantasy-dreamscapes of their perceived reality, their union with the devil of MAN'S anthropomorphic power.

You can thank your broken will for this happening and you can also thank the broken wills of every other hue-MANS occurrences delivering these collective, staged, performances of the staged event, "The System" of your e-motional, traumatic electrocution in the grip of this ONE BIG LIE, the "Shakespearean Tragedy". In spite of all the staged events created by stupid-MAN, only MAN is present, traumatically electrocuted through the water of their breath. If only each stupid-MAN would drop the power cable of "The System", MAN is still standing there, but now in Paradise where MAN has always been, but with no mum or dad there to remind stupid-MAN that "The System" and EVERYTHING of "The System" is only a fantasy, stupid-MAN continues blindly destroying the very magnificence of life that gives the magnificent life they have forsaken. They love mediocrity more than the natural, inheritance of magnificence gifted freely to every MAN, the Good Heart. There is no magnificence in the bible and there is no magnificence in almost everything you have broadcasted in this YouTube thread just as there is NO MAGNIFICENCE in "The System" or in ANYTHING of "The System".

The magnificence of MAN'S soul is undefined.

You don't yet seem to sense this fact.

The power of the occultic electrocution still mesmerises you and you will continue to see the belief of your defined reality while you remain deeply traumatised and under the thumb of the occultists.
