- 2) If you're following Q on a website or mobile app, you may not have known that he posted today. You didn't receive an alert because the new posts are not on /Qresearch/.
- 3) The new posts are on Q's new board /projectDcomms/

Most mobile apps and websites are not yet set up to pull posts from /projectDcomms/.

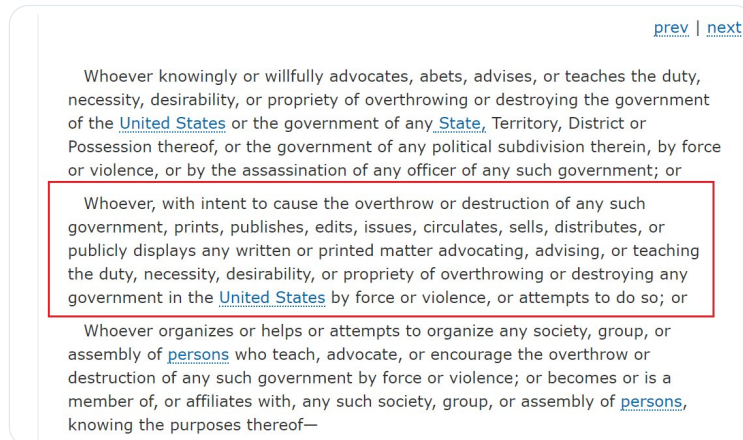

4) The one website that does have today's posts is qposts.online

5) The header on Q's new board is a passage from 18 U.S. Code § 2385. It describes activities that constitute advocating the overthrow of the government. Many people who were involved in Spygate committed crimes under this section of the criminal code.

6) Of particular interest is the second paragraph which describes how the press can be used to advocate for the overthrow of the government.

The media were just as complicit in Spygate as government employees and they will not escape prosecution.

9) When Q needs to update his tripcode he always warns us. In August of 2018, Q updated his tripcode on /patriotsfight/ after notifying us that the change was coming.

NEW TRIP CONFIRMED.
/PF/ SAFE.
Q

10) Q warned us last week that a tripcode update was coming and that the update would involve images that would help us verify his identity.

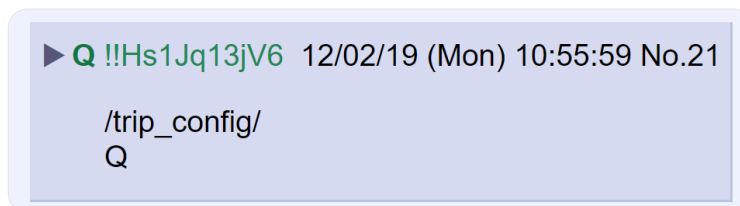

11) Codemonkey suggested Q could update his tripcode on /patriotsfight/. /PF/ was not migrated from 8chan. Q deleted all posts in August. Conemonkey set up a new board called /projectDcomms/ which replaced /PF/ as Q's private (read-only) board.

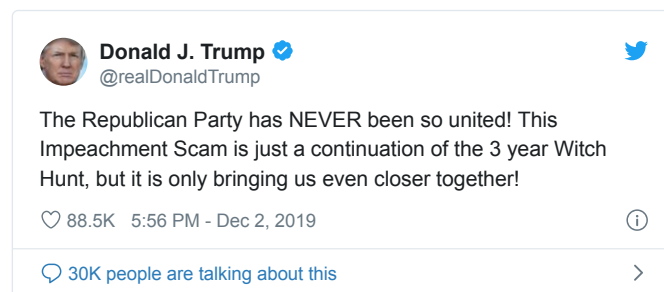

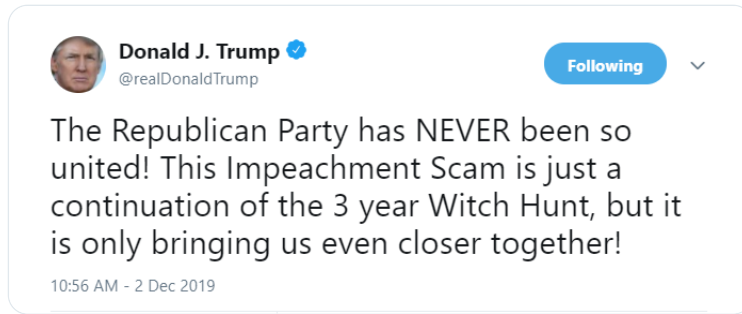

12) This morning, this message was posted on /projectDcomms/ using a new tripcode. (I have to assume it was posted by Q since only he has access to the board.)

Note the timestamp: 10:55:59 (Arizona time).

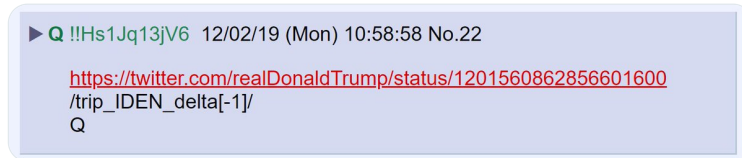

13) A minute later, the President tweeted this.

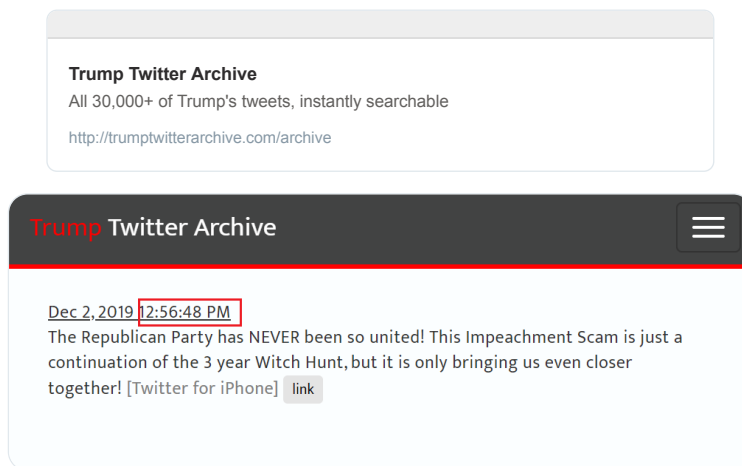

14) Q posted a link to the president's tweet noting a 1-minute delta.

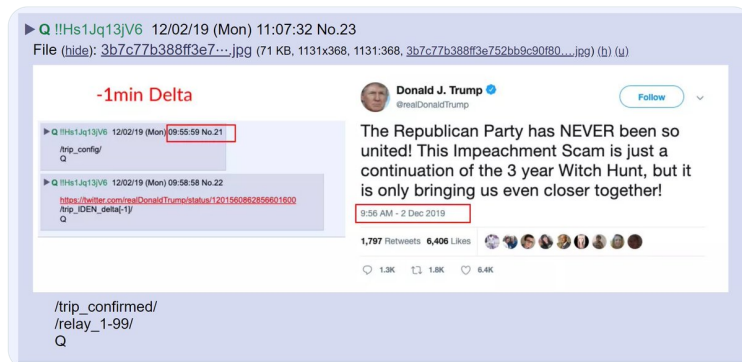

15) The exact time of the President's tweet was 12:56:48 Eastern.
(I live in Arizona, 2 hours behind the east coast, so the adjusted local time was 10:56:48.)

16)) The difference between Q's post and the President's tweet was 53 seconds.

Q posted this graphic which shows both timestamps in the Pacific time zone.

17) Q posted a photo of a familiar set of items. A folder, a pen and a watch which we've seen in previous posts.

The date on the watch is today (the 2nd). The time was 1:29 (eastern)
The timestamp of the post was 1:31:36 (eastern)—2 minutes after the time showing on the watch.

18) Regarding the above post, remember, when you take screencaps, all timestamps are shown in your local time so you have to make the adjustment for the time difference. The timestamp above shows 11:31:36 but I'm 2 hours behind the east coast so it would be 1:31:36 eastern.

19) I can't say where the photo was taken but that's not the actual point of these posts.

The point is to verify Q's identity.

We have new images of previously known items that confirm Q's new tripcode.

20) Twitter likes to censor tweets that contain links to Q websites.

Here's tweet # 4

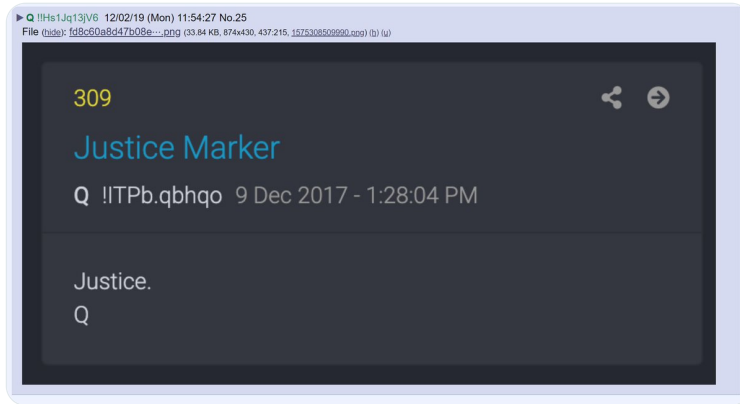

21) Q reposted a drop from December 9, 2017.

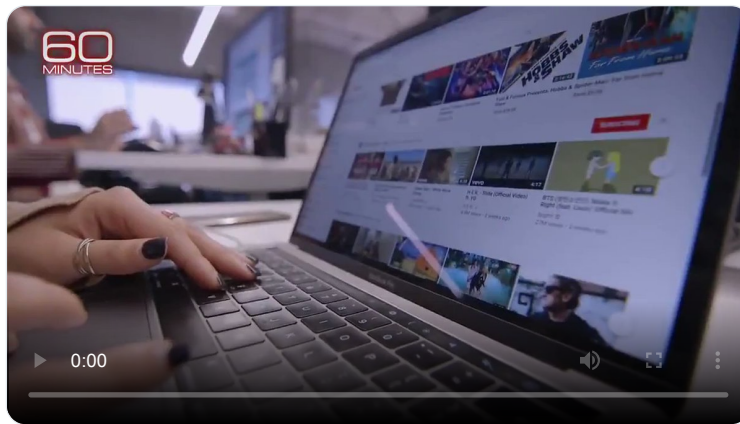

It simply contains the word "Justice."

December 9th is the day the IG report on FISA abuse is due.

Will it be a 2-year delta?

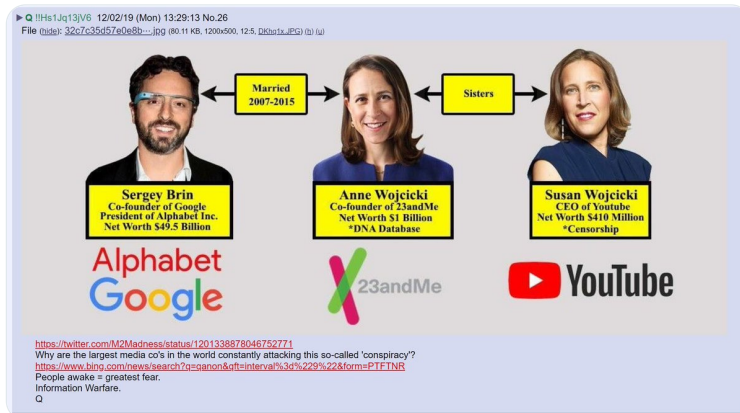

22) @M2Madness posted part of a 60 Minutes show on YouTube censorship. YouTube's CEO Susan Wojcicki took a swing at what she deemed "conspiracies" and in particular—Q related videos.

22) Q posted a link to @M2Madness's tweet and a Bing search for #Qanon

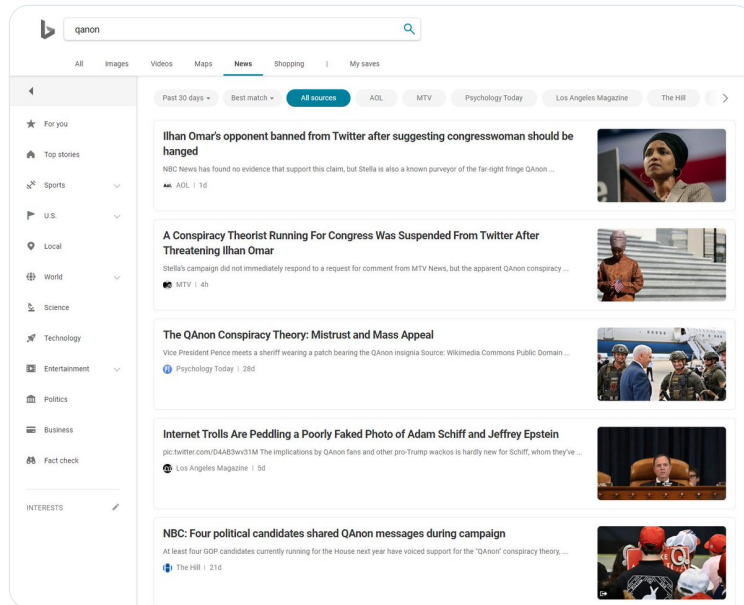

If Q is LARP why is he being attacked by the largest media companies in the world?

Is it a coincidence that Google President Sergey Brin, 23AndMe CEO Ann Wojcicki, and YouTube CEO Susan Wojcicki are related?

24) What do they fear most?

The public awake.

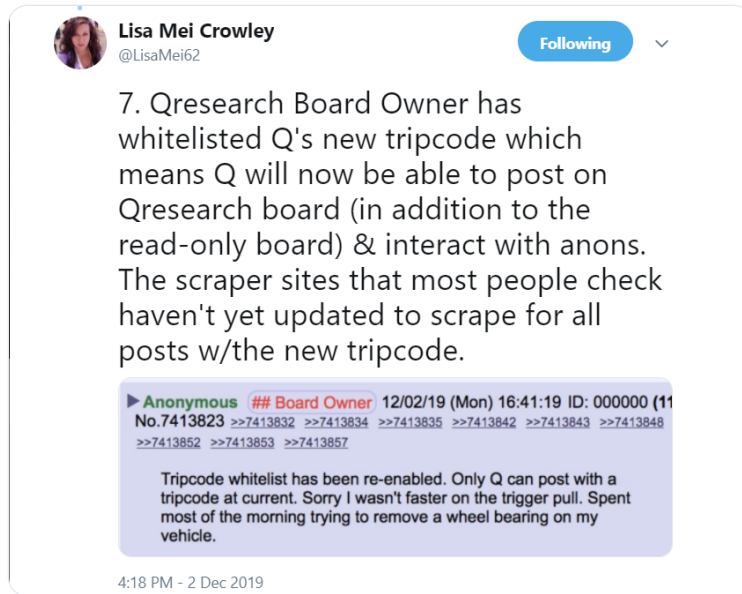

We're about to enter the truth and justice phase of the operation.

It's time for sleepers to awaken.

25) A number of people were posting with fake Q tripcodes this morning on /Qresearch/.

The problem has been solved.

26) Q posted a photo of a familiar location.
It looks to be another photo from London (December 2016) when Lisa Page, Peter Strzok and others met with British intelligence to plan Spygate.

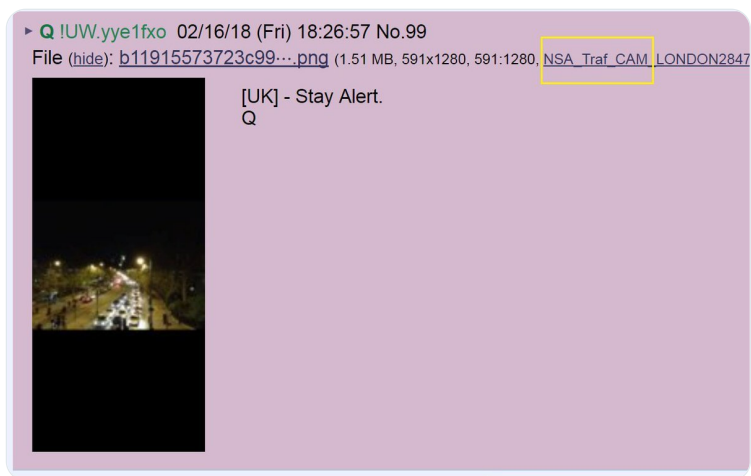

Note the filename: LisaMI6

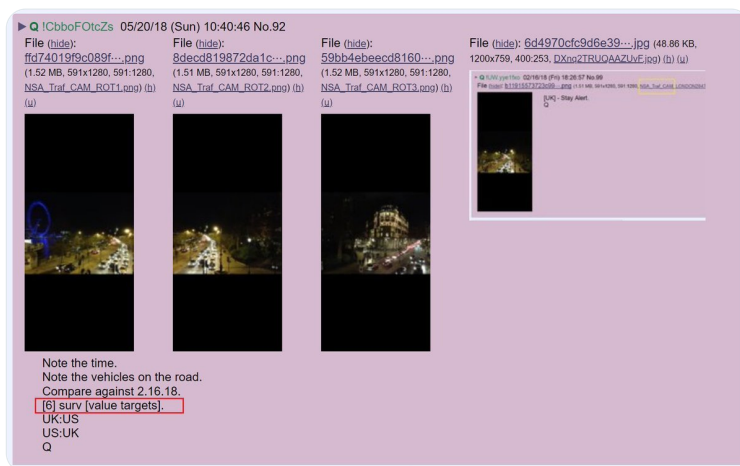

27) One possibility.

28) Last February Q posted a photo that appeared to be taken from a surveillance camera in London.

29) In May Q posted other photos with more information, indicating 6 people were surveillance targets

30) In July, I posted some zoomed images on a thread.
I suspected these people (in the circle) were the targets Q referred to.

31) I noted that one of the subjects looked a lot like Lisa Page.

32) Q reposted my images.

► Q !!Hs1Jq13jV6 12/02/19 (Mon) 16:55:23

40) Therefore, I would not expect the IG report to be released on November 9th.

It could be earlier or it may be released later.

41) If I had to wager, I'd bet on later.

There is still one thing left undone according to Q's flowchart.

I would expect the declassification of documents by AG Barr to precede the release of
the IG report.

The problem with a later release of the IG report is that Horowitz is scheduled to
testify before Senate Judiciary on December 11th. I would not expect him to testify if
his report has not been made public.

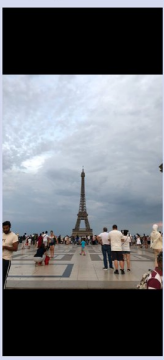

Quite a pickle.

Are politicians selfless servants?

Or are they secretly looking out for their own best interests?

The committed \$100 billion was agreed by countries to be a minimum amount. They also agreed that a new goal will be renegotiated before 2025. It is vital that the new global goal on finance reflects the actual needs and priorities of developing countries in order to meet the Paris Agreement temperature goal of staying below 1.5c warming.

However, throughout the negotiation of a set of guidelines to implement the Paris Agreement, developed countries have resisted rules for them to provide transparency on climate finance under Article 9.5 and 9.7 of the Agreement.

62) The reference in the video to bringing the temple down and "It's gonna be biblical" points us to Judges chapter 16 and the story of Samson who was finally captured by his enemies, the Philistines.

63) "Now the rulers of the Philistines assembled to offer a great sacrifice to Dagon their god and to celebrate, saying, 'Our god has delivered Samson, our enemy, into our hands.'"

64) While they were in high spirits, they shouted, "Bring out Samson to entertain us." So they called Samson out of the prison, and he performed for them.

65) When they stood him among the pillars, Samson said to the servant who held his hand, "Put me where I can feel the pillars that support the temple, so that I may lean against them."

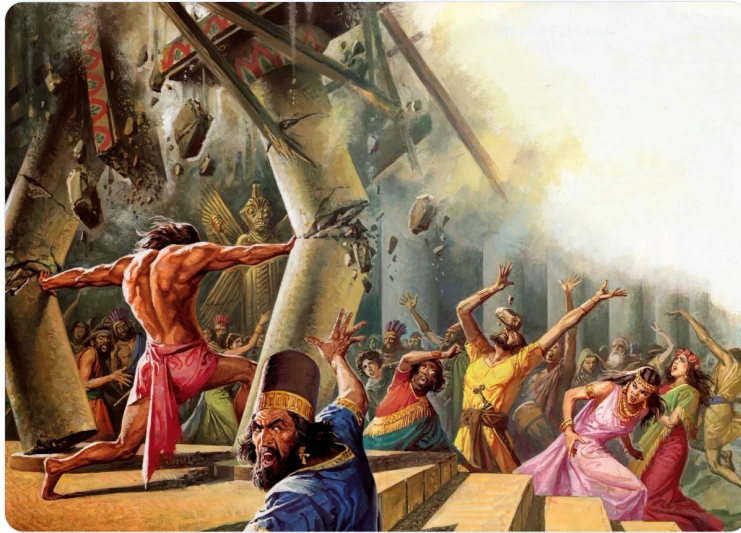

66) Now the temple was crowded with men and women; all the rulers of the Philistines were there, and on the roof were about three thousand men and women watching Samson perform.

67) Then Samson prayed to the Lord, "Sovereign Lord, remember me. Please, God, strengthen me just once more, and let me with one blow get revenge on the Philistines for my two eyes."

68) Then Samson reached toward the two central pillars on which the temple stood. Bracing himself against them, his right hand on the one and his left hand on the other,

69) Samson said, "Let me die with the Philistines!" Then he pushed with all his might, and down came the temple on the rulers and all the people in it. Thus he killed many more when he died than while he lived.
