A person(s) value:  
1. vote  
2. monetary value (tax contribution)  
3.  
Why is 'free thought' ridiculed, challenged, and threatened when a person is opposed to the 'mainstream-narrative'  
[2] remains fixed (degree allowable by 'economic recession/expansion')  
[1] remains a variable  
[1] dependent on a 'controlled' system of information dissemination  
What happens when 90% of the media is controlled/owned by (6) corporations?  
What happens when those same corporations are operated and controlled by a political ideology?  
What happens when the news is no longer free from bias?  
What happens when the news is no longer reliable and independent?  
What happens when the news is no longer trustworthy?  
What happens when the news simply becomes an extension/arm of a political party?  
Fact becomes fiction?  
Fiction becomes fact?  
When does news become propaganda?  
Identity creation?  
How does the average person, who is under constant financial stress (by design), find time to research and discern fact v fiction?  
Majority of people more prone to believe someone in power sitting behind a big brand' news' name?  
Do people [human psyche] tend to follow the 'majority/mainstream viewpoint' in fear of being isolated and/or shunned?  
'Mainstream' is used for a reason [dominate trend in opinion].  
[If majority of people believe 'x' then 'x' must be validated / true]  
Why do 'mainstream' media heads, within different orgs, always use the same keywords and/or catch phrases?  
Coordinated? By who? Outside entity providing instructions?  
Do they count on the fact that people [human psyche] are more prone to believe something if heard over-and-over again by different 'trusted' sources?  
Do 'echo chamber' tactics provide validation / credibility to the topic/point being discussed?  
Threat to intellectual freedom?  
Would control over[off] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?  
Read again – digest.  
.....

▶ Q !!Hs1Jq13jV6 06/28/20 (Sun) 12:56:10 Part 2

.....  
Would control over[off] these institutions/organizations allow for the mass control of a populations viewpoint re: a desired topic?  
THINK BLM PUSH EVERY 4-YEARS.  
Logical thinking.  
Why, after the election of 2016, did [D]'s and media corps jumpstart a [coordinated & planned] divisive blitz intended to create falsehoods re: legitimacy of election, character assassination of POTUS through sexism, racism, every other 'ism'?  
How much of the population still believes POTUS colluded w/ RUSSIA due to MSDNC 365-blitz?  
No MSDNC retraction of POTUS\_RUSSIA collusion narrative [propaganda]? \_why?  
Pre/post 2016 election?  
Why were[are] violent [masked] terror orgs such as Antifa immediately created/funded and allowed to operate within [D] controlled cities [safe-zones]?  
Why were these orgs tasked w/ immediate intimidation/shut down of any pro-POTUS rally[s] and/or events?  
Why were marches immediately organized to counter and silence pro-POTUS rally[s] and/or events?  
Why were marches immediately organized which divided people into sex/gender, race, [ism]?  
When you control the levers of news dissemination, you control the narrative.  
Control of the narrative = power  
When you are blind, what do you see?  
They want you divided.  
Divided by religion.  
Divided by race.  
Divided by sex.  
Divided by political affiliation.  
Divided by class.  
When you are divided, and angry, and controlled, you target those 'different' from you, not those responsible [controllers].  
Divided you are weak.  
Divided you pose no threat to their control.  
When 'non-dogmatic' information becomes FREE & TRANSPARENT it becomes a threat to those who attempt to control the narrative and/or stable [livestock kept – sheep].  
When you are awake, you stand on the outside of the stable ('group-think' collective), and have 'free thought'.  
'Free thought' is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or dogma.  
THIS REPRESENTS A CLEAR AND PRESENT DANGER TO THE CONSTITUTIONAL REPUBLIC OF THE UNITED STATES OF AMERICA.

[1]  
June 7, 2020  
Holy Trinity Sunday  
Mr. President,

In recent months we have been witnessing the formation of two opposing sides that I would call Biblical: the children of light and the children of darkness. The children of light constitute the most conspicuous part of humanity, while the children of darkness represent an absolute minority. And yet the former are the object of a sort of discrimination which places them in a situation of moral inferiority with respect to their adversaries, who often hold strategic positions in government, in politics, in the economy and in the media. In an apparently inexplicable manner the good are held hostage by the wicked and by those who help them either out of self-interest or fearfulness. These two sides, which have a Biblical nature, follow the clear separation between the offspring of the Woman and the offspring of the Serpent. On the one hand, there are those who, although they have a thousand defects and weaknesses, are motivated by the desire to do good, to be honest, to raise a family, to engage in work, to give prosperity to their homeland, to help the needy, and, in obedience to the Law of God, to merit the Kingdom of Heaven. On the other hand, there are those who serve themselves, who do not hold any moral principles, who want to demolish the family and the nation, exploit workers to make themselves unduly wealthy, foment internal divisions and wars, and accumulate power and money for their fallacious illusion of temporal well-being will one day – if they do not repent – yield to the terrible fate that awaits them, far from God, in eternal damnation.

We will also discover that the riots in these days were provoked by those who, seeing that the virus is inevitably fading and that the social alarm of the pandemic is waning, necessarily have had to provoke civil disturbances, because they would be followed by repression which, although legitimate, could be condemned as an unjustified aggression against the population.

The same thing is also happening in Europe, in perfect synchrony. It is quite clear like to see someone elected in the upcoming presidential elections who embodies the goals of the deep state and who expresses those goals faithfully and with conviction. It will not be surprising if, in a few months, we learn once again that hidden behind these acts of vandalism and violence there are those who hope to profit from the dissolution of the social order so as to build a world without freedom: *Solve et Coagula*, as the Masonic adage teaches.

Although it may seem disconcerting, the opposing alignments I have described are also found in religious circles. There are faithful Shepherds who care for the flock of Christ, but there are also mercenary infidels who seek to scatter the flock and hand the sheep over to be devoured by ravenous wolves. It is not surprising that these mercenaries are allies of the children of darkness and hate the children of light; just as there is a deep state, there is also a deep church that betrays its duties and forswears its proper commitments before God. Thus the Invisible Enemy, whom good rulers fight against in public affairs, is also fought against by good shepherds in the ecclesiastical sphere. It is a spiritual battle, which I spoke about in my recent Appeal which was published on May 8 in society. Mr. President, these two opposing realities co-exist as eternal enemies, just as God and Satan are eternal enemies. And it appears that the children of darkness – whom we may easily identify with the deep state which you wisely oppose and which is fiercely waging war against you in these days – have decided to show their cards, so to speak, by now revealing their plans. They seem to be so certain of already having everything under control that they have laid aside that circumspection that until now had at least partially concealed their true intentions. The investigations already under way will reveal the true responsibility of those who managed the COVID emergency not only in the area of health care but also in politics, the economy, and the media. We will probably find that in this colossal operation of social engineering there are people who have decided the fate of humanity, arrogating to themselves the right to act against the will of citizens and their representatives in the governments of nations.

27)

► Q !!Hs1Jq13jV6 06/28/20 17:31:32

[2]

For the first time, the United States has in you a President who courageously defends the right to life, who is not ashamed to denounce the persecution of Christians throughout the world, who speaks of Jesus Christ and the right of citizens to freedom of worship. Your participation in the March for Life, and more recently your proclamation of the month of April as National Child Abuse Prevention Month, are actions that confirm which side you wish to fight on. And I dare to believe that both of us are on the same side in this battle, albeit with different weapons.

For this reason, I believe that the attack to which you were subjected after your visit to the National Shrine of Saint John Paul II is part of the orchestrated media narrative which seeks not to fight racism and bring social order, but to aggravate dispositions; not to bring justice, but to legitimize violence and crime; not to serve the truth, but to favor one political faction. And it is disconcerting that there are Bishops – such as those whom I recently denounced – who, by their words, prove that they are aligned on the opposing side. They are subservient to the deep state, to globalism, to aligned thought, to the New World Order which they invoke ever more frequently in the name of a universal brotherhood which has nothing Christian about it, but which evokes the Masonic ideals of those who want to dominate the world by driving God out of the courts, out of schools, out of families, and perhaps even out of churches.

The American people are mature and have now understood how much the mainstream media does not want to spread the truth but seeks to silence and distort it, spreading the lie that is useful for the purposes of their masters. However, it is important that the good – who are the majority – wake up from their sluggishness and do not accept being deceived by a minority of dishonest people with unavowable purposes. It is necessary that the good, the children of light, come together and make their voices heard. What more effective way is there to do this, Mr. President, than by prayer, asking the Lord to protect you, the United States, and all of humanity from this enormous attack of the Enemy? Before the power of prayer, the deceptions of the children of darkness will collapse, their plots will be revealed, their betrayal will be shown, their frightening power will end in nothing, brought to light and exposed for what it is: an infernal deception.

Mr. President, my prayer is constantly turned to the beloved American nation, where I had the privilege and honor of being sent by Pope Benedict XVI as Apostolic Nuncio. In this dramatic and decisive hour for all of humanity, I am praying for you and also for all those who are at your side in the government of the United States. I trust that the American people are united with me and you in prayer to Almighty God.

United against the Invisible Enemy of all humanity, I bless you and the First Lady, the beloved American nation, and all men and women of good will.

Humanity is good, but when we let our guard down we allow darkness to infiltrate and destroy. Like past battles fought, we now face our greatest battle at present, a battle to save our Republic, our way of life, and what we decide (each of us) now will decide our future. Will we be a free nation under God? Or will we cede our freedom, rights and liberty to the enemy? We all have a choice to make. Evil (darkness) has never been so exposed to light. They can no longer hide in the shadows. Our system of government has been infiltrated by corrupt and sinister elements. Democracy was almost lost forever. Think HRC install, [2+] Supreme Court Justices, 200+ judges, rogue elements expanded inside DOJ, FBI, CIA, NSA, WH, STATE, ..... removal 2nd amendment, border etc. .... America for sale, China, Russia, Iran, Syria, ..... ISIS & AL Q expansion, ..... expansion surv of domestic citizens, ..... modify/change voter rules and regulations allow illegal/balot harvesting w/ SC backed liberal-social opinion, ..... sell of military to highest bidder to fight internal long-standing wars. Their thirst for a one world order [destruction of national sovereignty] serves to obtain control over America [and her allies [think EU]] by diluting your vote to oblivion and installing a new one world ruling party. The start of this concept began with organizations such as: world health org, world trade org, united nations, ICC, NATO, etc., [all meant to weaken the United States] also the formation of EU through threat [con] of close proximity attack [attack on one is an attack on all – sales pitch to gen public – fear control]. Re: EU, did each member nation cede sovereignty to Brussels? Re: EU, each member must implement EU rules and regulations in all areas [think immigration, currency, overall control]. Their thirst to remove your ability to defend yourself serves to prevent an uprising to challenge their control. There is a fundamental reason why our enemies dare not attack [invade] our borders [armed citizenry]. If America falls so does the world. If America falls darkness will soon follow. Only when we stand together, only when we are united, can we defeat this highly entrenched dark enemy. Their power and control relies heavily on an uneducated population. A population that trusts without individual thought. A population that obeys without challenge. A population that remains outside of free thought, and instead, remains isolated living in fear inside of the closed-loop echo chamber of the controlled mainstream media. This is not about politics. This is about preserving our way of life and protecting the generations that follow. We are living in biblical times. Children of light vs children of darkness. United against the Invisible Enemy of all humanity. Q
