My Theme: Who Are the Real Racists?

- 2) Those who have known Donald Trump over his lifetime know he isn't a racist.

This video was from 1999.

- 3) In a rare moment of transparency, Morning Joe shared his personal experiences with Donald Trump and his attitude toward race.

- 4) [@michaelbeatty3](#) was Q'd for this video, where Joe Biden introduced an African American singer as Michael Jackson.

- 5) The full story.

Joe Biden introduced black singer as 'Michael Jackson' at Democratic

During a 1980s fundraising dinner, Joe Biden singled out a black vocalist and introduced him to a crowd of Democrats and lobbyists as "Michael Jackson" and then "Prince," two of the most famous black.

- 6) Let's not forget Hillary Clinton's remarks about "super-predators."

7) Q posted links to the Biden and Hillary videos.

Anyone who views history objectively can see who the real racists are.

8) On January 22nd, Q posted this message.

I took it to mean disloyal people had been (or are currently being) removed from the White House.

9) Some of the intel leaks that have caused problems for POTUS have come from disloyal people in the National Security Council.

Last night, National Security Adviser Robert O'Brien said he's about a week away from cutting the NSC staff in half.

10) A recent theme of Q is the phrase: "The Best is Yet To Come."

11) POTUS ended the State of the Union speech last night with the same words.

12) I was Q'd last night for this video where a Democrat voter expressed outrage over the way Democrat members of Congress reacted to the message of America's success during the State of the Union address.

H/T @Why45huh 🗣️

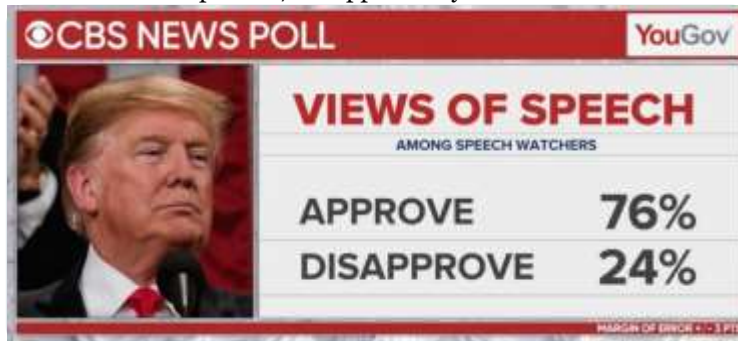

- 13) Fake News media try to control the narrative by censoring POTUS and criticizing his efforts.

The State of the Union message was unfiltered and uncensored.
It made a positive impact on a lot of people.

- 14) CBS and CNN both reported 76% approval by those who watched the [#SOTU](#)

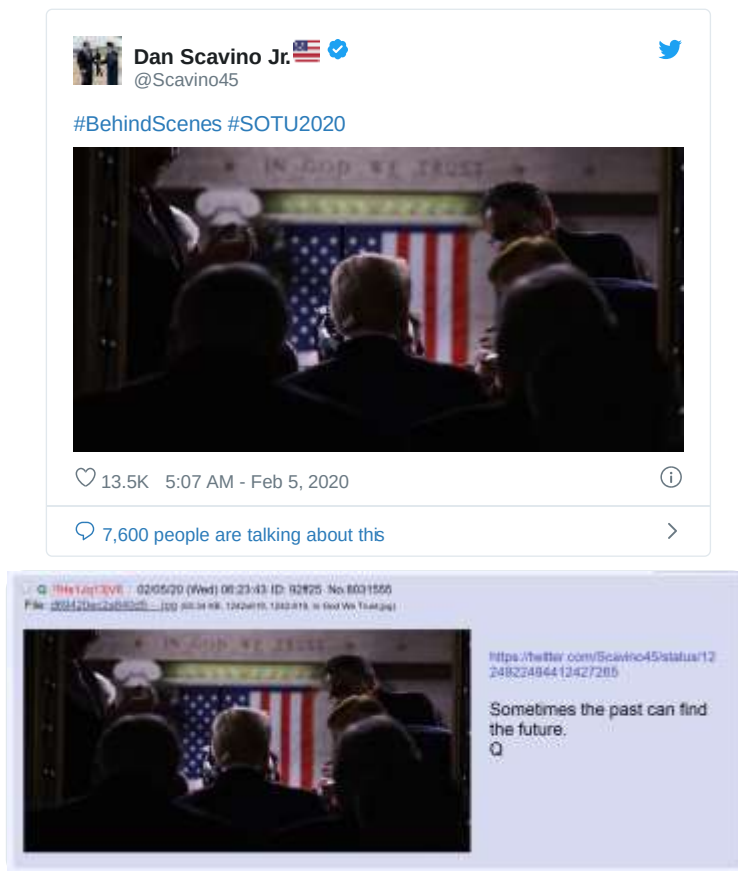

- 15) Dan Scavino helps manage the President's social media accounts.
He posted this image last night as POTUS was preparing for the State of the Union Address.

Note: "In God We Trust" and the American flag.

16) Sometimes the past can find the future.

17) An anon remembered this post from February 1st, where Q posted a flag with the file name: "In God We Trust."

20) Q posted a YouTube link.

21) The removal of corruption is coming.

It's going to be biblical.

29) The Day of reckoning is coming.

Buckle up.

Just prior to the 2018 election, Hillary Clinton encouraged incivility until her party regained control.

Q posted a link to a tweet with the above video and a photo of Antifa burning an American flag.

These people hate our country.

At a time when Republicans are being shot, stabbed, doxxed, beaten, mailed powder, run out of restaurants, and sent death threats, Hillary Clinton urges Democrats to be even more uncivil. What an irresponsible statement. Every Democrat should denounce.

PUBLIC AWAKENING
~ Q

Now that the President has been acquitted, my attention will be on Lindsey Graham's Senate Judiciary, Ron Johnson's Senate Homeland Security and Chuck Grassley's Senate Finance Committees.

Public awakening begins with televised hearings that investigate corruption.

Today, Chuck Grassley and Ron Johnson wrote to the Director of the Secret Service requesting all documents related to government travel and security details provided for Hunter Biden during

the time he was arranging business transactions in China and Ukraine.

United States Senate
WASHINGTON, DC 20510

VIA ELECTRONIC TRANSMISSION

Mr. James M. Murray
Director
United States Secret Service

Dear Mr. Murray:

The Committee on Finance and Homeland Security and Governmental Affairs ("the committees") are reviewing potential conflicts of interest posed by the business activities of Hunter Biden and his associates during the Obama administration, particularly with respect to his business activities in Ukraine and China. In addition to several letters that the committees have sent to other agencies as part of that inquiry,¹ the Committee on Finance also has written to the Department of Treasury regarding potential conflicts of interest in the Obama-era CFIUS-approved transaction which gave control of Henniges, an American maker of anti-vibration technologies with military applications, to a Chinese government-owned aviation company and China-based investment firm with established ties to the Chinese government. That transaction included Rosemont Seneca Partners, a company formed in 2009 by Hunter Biden, Christopher Heinz, and others.²

We write to request information about whether Hunter Biden used government-sponsored travel to help conduct private business, to include his work for Rosemont Seneca and related entities in China and Ukraine. In December of 2013, one month after Rosemont Seneca's joint venture with Bohai Capital to form BHR, Hunter Biden reportedly flew aboard Air Force Two with then-Vice President Biden to China.³ While in China, he helped arrange for Jonathan Li,
