 Step One: Hype an invented threat of POTUS working w/ the RUSSIANS (disinformation campaign).
 Step Two: Send FBI/DOJ/CONGRESS/SENATE/C_A/NSA/INTEL/FVEY/etc... to address and investigate the IMAGINARY THREAT.
 Step Three: Justify the 'SPECIAL COUNSEL' and MILLIONS OF TAXPAYER DOLLARS SPENT as necessary to protect the public and our election process against an imaginary, made-up, non-existent threat (which really is) designed to protect the illegal activities of many elected officials.
 Step Four: Open 'new' Fake & False investigations as CHAIRMAN of the House Intel Comm to retain disinformation campaign designed to keep liberal/D Americans onboard to regain POWER & PREVENT prosecution - Executive Time!

KYIV. Nov 20 (Interfax-Ukraine) – Ukrainian members of parliament have demanded the presidents of Ukraine and the United States, Volodymyr Zelensky and Donald Trump, investigate suspicions of the legalization of \$7.4 billion by the "family" of ex-President Viktor Yanukovych through the American investment fund Franklin Templeton Investments, which they said has ties to the U.S. Democratic Party.

22) At issue is \$7.4 billion in government loan bonds that was allegedly "laundered" through Franklin Templeton Investments—a firm tied to a number of prominent Democratic donors.

Investments, an investment fund carrying out purchases of external government loan bonds totaling \$7.4 billion," Derkach said.

With reference to the investigation, he emphasized: it was money criminally obtained by the "family" of Yanukovych and invested in the purchase of Ukrainian debt in 2013-2014.

For his part, MP Oleksandr Dubinsky from the Servant of the People faction said that according to investigators, "the Yanukovych 'family' illegally obtained \$7.4 billion and laundered the funds through an investment fund close to some representatives of the U.S. Democratic Party in the form of external government loan bonds."

Meanwhile, Derkach said that several facts indicate Franklin Templeton Investments' relationship with the U.S. Democratic Party.

"The son of Templeton's founder, John Templeton Jr., was one of President Obama's major campaign donors. Another fund-related character is Thomas Donilon. Managing Director of BlackRock Investment Institute, shareholder Franklin Templeton Investments, which has the largest share in the fund. It is noteworthy that he previously was Obama's national security advisor," Derkach said.

The MP said that the presidents of Ukraine and the United States should combine the efforts of the two countries to establish facts of corruption and money laundering with the participation of citizens of both countries.

"President Zelensky must pick up the phone, dial Trump, ask for help and cooperation in the fight against corruption and fly to Washington. The issue of combating international corruption in Ukraine with the participation of citizens, businessmen and U.S. officials should become a key during the meeting of the two presidents," he said.

LETTER OF SUBMITTAL

DEPARTMENT OF STATE,
Washington, October 19, 1999.

The PRESIDENT,
The White House.

THE PRESIDENT: I have the honor to submit to you the Treaty Between the United States of America and Ukraine on Mutual Legal Assistance in Criminal Matters with Annex ("the Treaty"), signed at Kiev on July 22, 1998. I recommend that the Treaty be transmitted to the Senate for its advice and consent to ratification.

Also enclosed, for the information of the Senate, is an exchange of notes under which the Treaty is being provisionally applied to the extent possible under our respective domestic laws, in order to provide a basis for immediate mutual assistance in criminal matters. Provisional application would cease upon entry into force of the Treaty.

The Treaty covers mutual legal assistance in criminal matters. In recent years, similar bilateral treaties have entered into force with a number of other countries. The Treaty with Ukraine contains all essential provisions sought by the United States. It will enhance our ability to investigate and prosecute a range of offenses. The Treaty is designed to be self-executing and will not require new legislation.

Article 1 sets forth a non-exclusive list of the major types of assistance to be provided under the Treaty, including taking the testimony or statements of persons; providing documents, records and other items of evidence; locating or identifying persons or items; serving documents; transferring persons in custody for testimony or other purposes; executing requests for searches and seizures; assisting in proceedings related to immobilization and forfeiture of assets, restitution, and collection of fines; and, rendering any other form of assistance not prohibited by the laws of the Requested State. The scope of the Treaty includes not only criminal offenses, but also proceedings related to criminal matters, which may be civil or administrative in nature.

Article 1(3) states that assistance shall be provided without regard to whether the conduct involved would constitute an offense under the laws of the Requested State.

Article 1(4) states explicitly that the Treaty is not intended to create rights in private parties to obtain, suppress, or exclude any evidence, or to impede the execution of a request.

Article 2 provides for the establishment of Central Authorities and defines Central Authorities for purposes of the Treaty. For the United States, the Central Authority shall be the Attorney General
