FANTASY CAMP FOR KIDS

Camp for Kids

WHERE PLAYING WITH HEART TAKES ON AN ENTIRELY NEW MEANING.

At the Fantasy Camps for Kids Foundation, you don't have to lead the league in scoring to make a major-league impact. That's because our camps pair special-needs children with the big-league heroes they look up to for a day of coaching, games and success.

The result for kids with physical challenges? Feeling like an MVP both on and off the field.

IT'S A WHOLE NEW BALLGAME FOR KIDS WITH SPECIAL NEEDS.

The magic of America's national pastime has a way of transforming everyday people into larger-than-life heroes. That's why Jeremy Flug founded Baseball Fantasy Camp for Kids in 2008. Having attended a Colorado Rockies Fantasy Camp for adults several years before, Flug decided to provide the same opportunity for young baseball fans with special needs. With the cooperation of Major League Baseball and several participating teams, the camps have since provided a positive impact to more than 2,000 kids and their families.

Today's baseball camps offer an array of baseball activities to special-needs youth ranging from 6 to 17 years old. Through personal instruction with the pros, campers gain the confidence they need to step up to the plate, take a crack at the ball, and knock it out of the park.

FROM BATTING PRACTICE TO EXTRA INNINGS.

Baseball Fantasy Camp for Kids offers participants a full day of on- and off-the-field training and activities. Through personal instruction with their favorite MLB players and coaches, they'll learn baseball essentials from the best in the game. Rotating through a series of hitting, fielding, throwing and catching stations will keep the day fun, exciting and constantly changing.

Our camps take place at local, wheelchair-accessible playing fields that are safe for all participants. When campers arrive for their special day, we instantly make each one feel a part of the team by providing them with their own personalized team jersey.

When the training is finished, it's time for a post-game celebration complete with catered lunch, pictures and autographs from their favorite big leaguers.

NO DREAM IS OUT OF OUR LEAGUE.

More than 10 years after opening our first baseball fantasy camp, the Fantasy Camps for Kids Foundation is growing our program to include NFL and NBA teams. So whether kids prefer the diamond, the gridiron or the hardwood court, our fantasy camps will present more of them than ever with a chance to realize their big-league dreams.

HUT! HUT! HIKE!

If baseball is America's pastime, football is America's obsession. Through our new Football Fantasy Camp for Kids, we're helping physically challenged youth put on pads and make their gridiron dreams a reality.

HELPING HOOP DREAMS COME TRUE.

For kids who dream of dribbling alongside the pros, it's time to lace up those high-tops and step onto the court. Our Basketball Fantasy Camp for Kids offers campers the chance to play alongside the heroes of their hometown NBA teams.

GET IN THE GAME.

The Fantasy Camps for Kids Foundation makes getting off the sidelines and onto the playing field as easy as 1-2-3. Interested teams should follow these three steps to get in on the action.

- 1) **Pick the Day**
And the special-challenges-accessible field.
- 2) **Choose the Kids**
Most teams select kids from their existing community partners. Teams that we currently work with already partner with local organizations, like the Miracle League.
- 3) **Show Up**
Bring your players, coaches and game faces to the camp — and get ready to spread joy to your participants.
