1 Samuel 10:11 (KJV)

And it came to pass, when all that knew him beforetime saw that, behold, he prophesied among the prophets, then the people said one to another, what is this that is come unto the son of Kish? Is Saul also among the prophets?

Great shifts in life happen when you start to operate in the same frequency with God. Imagine a radio wave carrying relevant news, you can only hear the news if you are tuned to the same frequency as the broadcaster. The same happens when it comes to spiritual things. You can only access certain levels of blessings by moving in the same frequency with God or your man of God, who is the voice of God to you.

Saul was a mere man but when he joined a company of prophets, he started to vibrate in the frequency of the prophets and began to prophesy like them. As your leader,

when you follow my instructions, you will vibrate in my frequency. What is mine automatically becomes yours. Paul said, "follow me as I follow Christ" (1 Corinthians 11:1), which means to connect to his frequency. Brothers and sisters, we operate in the realm of prosperity, power and influence and the moment you hearken to this word, you become a partaker of the same blessings.

It's an injustice to be led by a rich father, yet you remain broke. Choose to follow every instruction in the word and you will come back with a testimony. Today as you take capsules of this devotional, you are accessing my frequency and a shift in your life in Jesus' name!

PROPHETIC DECLARATION

I chose to follow every instruction and voice coming from those who are above me. I connect to the realm of power, peace, and prosperity in the name of Jesus.

Philippians 1:7

Psalm 8:4 (Douay-Rheims Bible)

What is man that thou art mindful of him?

It comes naturally to think that angels are mightier creatures than us. Even if we try to show you how glorious you are! David even got to the extent of asking God why you are so special that God is mindful of you. Deeply concerned about YOU and not the angels Michael or Gabriel. You need to understand that even in a country, the greatest security is deployed on valuable treasures. If God is so mindful of us, it means there is something special about us that we haven't gotten yet.

The Bible says we have this treasure in these earthen vessels. Our fleshly bodies are there to house or hide the glorious you who is on the inside. When we open your flesh and access your spirit, you will realize that you are more than those creatures that prophet John mentioned in the book

of Revelation. There is a superior creature in you. Hallelujah! Never allow any circumstance to dominate you. Say a word, and your word shall be established in the name of Jesus.

You have treasure on the inside and as you delve deeper into the word and prayer, you are exposing your inner being. You are more powerful than your challenges and all the situations surrounding your life. Speak words with boldness and your situation shall bow at your command.

PROPHETIC DECLARATION

I am fearfully and wonderfully made. My life is a life of power, wisdom and strength. I shall not bow down to any situation for greater is that is in me than he that is in the world. I am blessed beyond measure in the name of Jesus.

1 Peter 1:12

Genesis 3:11 (KJV)

And he said, Who told thee that thou wast naked?

You are a product of the word and the revelation that you feed on. Your status today is a result of the revelation that you have heard and followed. The Bible urges us to guard our inner being jealously because "out of it flows the issues of life" (Proverbs 4:23). Poisonous information entering your inner being is more detrimental than what anyone can do to your physical body.

Adam and Eve were naked in the garden all their lives but what the devil did was remind them of their nakedness. God was not against the revelation that they were naked, but He was against the source of the revelation. He was against the idea of them being reminded of their nakedness and weakness. Any revelation that

reminds you of hell more than heaven is toxic. It's the goodness of God that turns people to repentance (Romans 2:4). Even when you go out to preach to others, people are not saved by reminding them of their weakness but by revealing the goodness of their Master.

Who told you that you cannot do it, or you cannot achieve anything? There is a great kingdom inside of you. God called you to disciple nations and your voice shall be sought after. Go out and manifest, for the world is eagerly waiting for you!

PROPHETIC DECLARATION

I am the chosen one of the Lord. I am God's favourite child and wherever I go, I dominate. God looks at me through the light of His grace and mercy. I shall walk in continuous victory in the name of Jesus. Amen!

Ephesians 5:30 (NKJV)

For we are members of his body, of his flesh and of his bones.

A generic revelation of the word will leave you at a point where you understand that God can do miracles and all those things which seem to be unachievable in the realms of men. Many children of God are stuck on this understanding of the word. There is a better understanding, brothers and sisters, where you realize that God is not a miracle worker, but you are the miracle worker. Hallelujah!

The Bible says we are members of His body, which means when God moves, it's me moving. We are a composition of His making and actions. We are the doers of the deeds. Remember the apostle says, "I can do all things through Christ who strengthens me" (Philippians 4:13). Who is doing? It's you. When you get a hold of

this revelation, you will not be moved or shaken. You will not only have confidence but "Godfidence".

Begin to command every mountain that seems immovable in your life today and create new ways on your own in the name of Jesus. Chatter new courses in business, finances, education, ministry etc. You are the doer of the deed. Hallelujah!

PROPHETIC DECLARATION

I am a doer of the word, and I am the powerhouse of God. Nothing shall stop me in this life. All things are working together for my good in the name of Jesus!

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

There are different functions in mathematics, and they produce various results when applied to numbers. The division function is unique in the sense that when it's applied, it normally gives you equal parts as the outcome. Every word in the bible is inspired by the Spirit of God. Why did the apostle choose to use division, not multiplication or subtraction?

The word of God needs division because you must apportion your time correctly and equally on the word you are reading. Most Christians apportion their time and dedication to only their immediate needs. When you read the word of God and

pray, apportion everything equally otherwise you will live an imbalanced life. An imbalanced life is whereby someone can be so rich but struggling in health or vice-versa. This means you managed to gather light in one area of life and neglect the other.

Today it's a new day! Read the word and pray concerning all the areas of your life equally. Give equal time to health, ministry, finances, and other things that pertain to your life. Let every area of your life receive an equal amount of light from the word. By doing so, you shall surely see growth in every facet of your life in the name of Jesus.

PROPHETIC DECLARATION

My life is a reflection of the word I feed on. Every area of my life is blessed and there shall be no evil in my business, health, education, and all that pertains to my life. Hallelujah!

Psalm 119:105

3 John 1:2 (KJV)

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.

According to the Bible, prosperity is tantamount to the knowledge gained. The more you gain spiritual knowledge, the more you get catapulted into the realm of physical prosperity. The revelation of the word of God removes all forms of ignorance thereby giving an illumination in your ways.

Dedicate yourself to the word of God and you shall surely come back with a testimony. It's easy for your spirit to navigate other issues of life when it's full of the word. That business, career, education or whatever that you are struggling with, the answer is in the word. The scripture says, "...I wish above all things that you may prosper and be in good health even as soul prospers." Which means for you to be

in prosperity or good health, your soul must be enriched by the word of God.

It's not too late for you to commit yourself to the word of God. Never malnourish by going a day without the word of God. Read about prosperity, health and illuminate light where need be. Be it business, there are scriptures specifically for that so go for them and the manifestation is certain in the name of Jesus.

PROPHETIC DECLARATION

I am a product of the word of God and within me shall flow rivers of living waters. Everything that pertains to me is changing right now in the name of Jesus.

Luke 2:25

1 Corinthians 4:15 (KJV)

For though ye have ten thousand instructors in Christ, yet ye not have many fathers...

I always say something which others deem to be controversial and heretic when I say "experience is for fools..." Most great people talk about their experiences of how they have succeeded in life. They echo all the ups and downs, giving gravity to their testimonies. As for you, you don't need that experience if there are people who have already gone through it all. God gave us a shortcut to this so that we don't have to encounter the hurdles that all our predecessors faced.

When God gave you a mentor or someone to follow, He has given you an advantage not to go through what that person went through. When you read my writings which include errors and positiv-

ity, you don't need to go through it all. Some of them I encountered in my days of ignorance. You now have a picture and a landscape in your mentor to know where to step. It's only disobedience, disloyalty and pride that will cause you to chatter your own roads in life. Sometimes you just need to hear and follow those that went before you to produce tangible results.

Let no pride reign in your spirit. Choose to follow one person, follow his revelation and instructions to the fullest. Jesus is coming back soon and there is no more playground ahead. Make a deliberate decision and choose a message to follow to its fullest. It might be a message from another man of God who is not me, kindly follow that to the fullest or listen to me through the glaze of your own mentor's revelation.

PROPHETIC DECLARATION

I guard my spirit jealously and I chose to feed on the perfect gospel that nourishes my spirit, soul, and body. Hallelujah!

Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.

When we were in grade one, I remember our teacher used to say, "One minus two, it can't". This means, with the mindset we had at that level, it was not possible to subtract two from one. When we get to secondary school and tertiary education, we later realized that it was more than possible to subtract greater figures from lesser ones. At our tender age, we had that information as correct but as we grew, we realize that the answer and truth about that mathematical problem were dynamic, not static.

The knowledge of God is not static, brothers and sisters. When the apostle said to be established in this "present truth", it

means there is also past and future truth. If you live in past truth, you get limited results. Update your spiritual software by feeding on the present truth. Pay attention to what God is saying NOW and cast away your old ideas. You cannot put new wine in old wineskins (Mark 2:22).

As you take your time to pray and read the word of God today, ask the Holy Spirit to give you fresh manna from Heaven. This is the most recent word from God concerning your day. You shall not wait for God to perform but you shall do it yourself. You are a "god". Go out and create the world you desire. Hallelujah!

PROPHETIC DECLARATION

Today is a new day for me. I commit myself to what God is saying through his word and all his trusted servants. My life is under 24-hour spiritual surveillance. I shall not pray or ask amiss in Jesus' name.

Those who rely on the systems of this world will tell you that for a certain result to take place, there are certain processes to follow. There are developed theories and schools of thought denoting the relationship between different processes and results. Computer programs, scientific theories and history contain what men define as the obvious results or outcomes that are birthed by different processes. That was the same scenario for our Lord, Jesus Christ. There was a need for Joseph to meet Mary for Jesus to be born but somehow, God didn't follow the prescribed and preconceived order.

Mary got pregnant without the input of Joseph. There are those who might think that you are going nowhere without their input. After today, they shall see the shock of their life because God is jumping protocols for the sake of your blessing. Your promotion has nothing to do with their criteria or who seats were because God Himself is deciding your matter.

If there is anything which was giving you sleepless nights, God is jumping protocol for your sake. You shall encounter answers in unexpected environments. Normal procedures and protocols are being violated for the sake of your good in the name of Jesus.

Let all those that seek thee rejoice and be glad in thee: and let such as love thy salvation say continually, Let God be magnified.

If you ever used a magnifying glass, you realize that it has the power to make something bigger and better than how you can view it with your natural eyes. The psalmist gave us a clear command to see manifestation in our lives. We should magnify God or in other words, put a magnifying glass on him so that we see Him as bigger than what we think. He is higher than the highest and bigger than the biggest. Hallelujah!

Most people tend to demine God by measuring His greatness by what He is doing or not doing in their lives. God is God whether he did something or not. That is why the Hebrew guys said either God delivered us or not, we shall still worship him. God is greater than the circumstances

around you and the more you magnify Him, the more you see every situation dissolving in your sights. In everything give thanks to Him as the Bible says (1 Thessalonians 5:18) that's where the overcoming power is hidden.

Make a deliberate decision to magnify God in the presence of adversity or anything that is up to disturb your focus. He is greater than the greatest and He is our uncreated creator of the universe. Nothing is impossible with Him. Victory is all yours in the name of Jesus!

PROPHETIC DECLARATION

Pilate therefore said unto him, Art thou a king then? Jesus answered, Thou sayest that I am a king. To this end was I born, and for this cause came I into the world...

Knowing your purpose in this world is the greatest discovery that you need for your success to be certain. Most empires, ministries, businesses, and visions crumble because of failure to focus. In ministry, people fail to pursue their callings and divert into areas where they were never called to be thereby opening doors for all manner of demonic attacks.

In your own lane, there is no traffic or congestion. Pursue that which God called you to do and be the best in your area. Jesus said, "for this cause I was born". From day one, Jesus knew the reason why He was born. He was not just moving like

someone without direction. He is the epitome of what it means to be focused. About three years of focus and dedication to one goal, gave Him the impact that we are all seeing even today.

God called you to do something in His house, your own family or sphere of influence. Do it with no doubt or staggering. If you do not know your calling, as you read or hear this prophetic message, the Holy Spirit is giving you a remembrance. You are alive today because of a purpose to fulfil and do it before Jesus comes back. Use your time effectively and make an impact in your lane.

"...I say unto you, If ye have faith as a grain of a mustard seed, you shall say unto this mountain, Remove hence to yonder place, and it shall remove; nothing shall be impossible unto you..."

Remember Jesus never condone little faith but many times He would rebuke folks for having little faith. So, what was He talking about when He likened better faith to the mustard seed? This was one of the most misunderstood scriptures by many in the Christian circle, they think Jesus was encouraging us to have little faith. No, He wasn't! The bible even says that with no faith it is even impossible to please God.

Jesus went on to describe how a small mustard seed germinates to become a massive tree that houses all the fowls of the air. He was not talking about the size of faith tantamount to the size of the mus-

tard seed. He was talking about its ability to produce something massive though it looks smaller and despised. There is an inner flame inside of you and as you get this prophetic message for today, it's being reignited to a bigger blaze. There is power and potential in you and continue to nature it through the Word and your prayers until the world sees it.

Never despise your humble beginnings. Your ministry, business or anything might be very small in the sight of many but today, God is helping you to make it grow until all the world sees it. As fowls of the air, many shall gather around your glory. God shall be revealed through your life Hallelujah!

Now then we are ambassadors for Christ....

An ambassador is the only person who does not rely on the economy or the country of his assignment. The residence of the ambassador of America in your country is as good as the land of America. The moment you step your foot in there, you are already on American land. Not only that but assaulting an ambassador is considered a declaration of war against his country of origin. The Bible says we are ambassadors for Christ which means even our supply, security, and all are from above. Hallelujah!

Whoever denies you access to any good thing is considered a declaration of war against the heavens. The economy of your country does not affect you because you are supplied from above, not

from your local environment. Where they say there is a casting down, you shall say there is a lifting up. Brothers and sisters, when you get a hold of this revelation, you shall live far beyond the so-called "circumstances". No evil thing shall come near your dwelling because you are heavenly protected and divinely supplied.

You are an ambassador for Christ. Wherever you go from this very moment, you carry the flag and emblem of heaven. Failure is not part of your DNA; you are born to win and to prosper in the name of Jesus.

In him we live, and move, and have our being.

The revelation of God has dimensions or levels which differ and the results that you get are equal to the revelation that you have. God cannot perform anything beyond your revelation of Him. There are people who know what God did in the days of old, and some know what He is doing at the present time, but there is a better level that I'm introducing to you today. Know Christ as your location. The Bible says, "in Him", not with Him, "we live, move, and have our being" (Acts 17:28). This is a dimension of Jesus as a location.

When you know Him as your location, it means you are in His environment, and you move with his atmosphere wherever you go. Wherever your feet step, Christ has taken charge. You saturate environ-

ments with the power of Jesus Christ. Where there is Jesus, poverty or sickness can't stay at all. Light and darkness can't stay in the same environment.

You are that light which your family is waiting for. You carry an atmosphere of possibilities, and nothing can resist you because greater is He that is in you than He that is in the world. As you get into your day, Christ is taking charge. Your business, education, health, and all shall respond to your new location.

Your spirit is a reservoir of all your solutions and resources. The Bible says out of your belly shall flow rivers of living waters. Note that life will flow not from above but from within you. When you received the Holy Spirit, you become a complete package. Some think the Holy Spirit will flow from above somewhere, but our scripture reveals the Spirit will flow from within you.

The Bible says Christ in me (you) the hope of all glory. Everything that you need is inside of you. Even if you are sick, powerless, or stagnant, your solution is right inside of you. You have living waters within you so let them flow into every area of your life that needs life. When you speak words and utter declarations, you are not just

making sounds, but you are releasing a life-giving spirit into your situation.

Let every area of your life receive life by speaking words over it. Every dry ground shall begin to sprout money, good health, and success because out of your belly shall flow rivers of living waters. It's not just some small streams or wells but rivers. Today, speak words and everything about you shall respond to the life-giving Spirit inside of you.

PROPHETIC DECLARATION

Ye are the light of the world. A city that is set on a hill cannot be hid.

The word "illuminati" is widely associated with negativity. Many align it with some cultic mafias and nothing good or Godly. Remember the devil does not create but he copies and sometimes perverts what God already created. The moment he creates something on his own, he will be like God of which nothing like that will ever happen. Illuminati means light or light-bringer. That's the pure meaning of the word and nothing diabolic on it and the devil managed to take it and make it his own.

We are the light of the world as the Bible says which means we are the real "illuminati". The world without us has no light or knowledge. Solutions to this world come from us and not from the devil and his cohorts.

At your workplace, everyone is seeing light because of you. The Bible even went on to say, "let your light so shine.." Illuminate light in your family, marriage, and business today.

You are the light bringer and wherever you go, light shall surely shine. There is no darkness or ignorance in your environment because you are the light. You are purely made up of solutions for life. Change everything that pertains to your life by the light which is within you in the name of Jesus.

I always tell people that you are only a failure or defeated when you find someone to blame for your situation. Some grown-up adults still claim that they are where they are because of their parents, uncle, former teacher, or someone. They put the blame entirely on some hands which they passed through. You might not change your past, but the future belongs to you. God gave you the power to charter the course of life that you desire.

Note on our scripture, Adam blamed the wife, the woman blamed the snake, but

the snake didn't pass the blame to anyone thereby getting all power from Adam and Eve until Jesus Christ came. The moment the devil got blamed and never shared the blame, he acquired power. There is strength and power when you take charge and full responsibility for what's happening in your life.

Make a deliberate decision to manage your life and speak positivity until you have no option but to succeed. You are not a failure but a spiritual giant ready to dominate in the name of Jesus.

Your imaginative ability is your creative ability. You can only create it if you are able to imagine it. Poverty is not the absence of money but the absence of imagination. God told Abraham that as far as you can see or as far as you can imagine, I will give you which means, that God in all His might was not going to do anything beyond Abraham's imagination. Remember God also told Abraham to imagine his children being as many as the grains of sand and stars of the air. seeing his children multiplying although

Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

You came to this earth not as a mistake but as a mature idea of God. God had the idea of creating you and depositing you in the loins of your father as His own investment. God does not make empty or useless investments. When He puts something to function on the face of the earth, it is surely a proper and well-crafted idea. The Bible even confirms that you are fearfully and wonderfully made, which means you were not created in a hurry or just fill up the space. You have a greater purpose than breathing the air.

The Lord said to Jeremiah, "I knew you before I even formed you in your mother's

womb." The word "knew" is the word "yadah" which means experiential knowledge. God experienced Jeremiah before He formed him in his mother's womb. As you are reading this prophetic word, just know that God personally experienced you before you even reach your mother's womb. There is a world where you were created, walk with God, and grew before anyone knew about you. I have encountered lots of families complaining about different negative traits that run through their families. Some tend to blame everything on the so-called "generational curses". According to them, there are forces which fight everyone who tries to succeed in the family. If you ask them how many times they also gather and speak words for themselves and their children, you will realize that

they never tried that at all.

In our scripture, the Bible says Jacob gathered his own children and started to speak words to them. He gave them the empowerment to prosper through a blessing. They were being catapulted into the future by the word of their father. You might be a father, mother, brother, sister or whosoever, how many times did you speak words upon your own family. Words are not just sounded but they are a currency which carries either negativity or positivity.

For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known.

Influence in the realm of the spirit or the flesh is a result of acquired spiritual knowledge that one possesses. Understand that judges or any other law enforcement agents function according to the power invested upon them by the government. They exercise authority based on the power given to them by a superior board. You might see someone with a very small physical structure, but they will exercise authority based on the knowledge of who sent them.

Brothers and sisters, the Bible is not the biography of God or a book to show you the acts of God. It is a mirror for you to look upon until you know God as He

knows you. Knowing God is not enough, but we should know Him as we are known by Him. He sees a giant, a line crosser and a wonder in you. Even in the darkest part of your life, God knows you as a light-bringer and a force to reckon with.

Get into the scriptures today and discover your perfect identity by looking into the mirror of His Word. There might be circumstances around you, challenging your identity but as you continue to mirror into the Word of God, you shall surely discover that you are more than what the world sees. You are more than a wonder and you shall surely see Wonders without Number. Hallelujah!

PROPHETIC DECLARATION

I am a wonder and I refuse to live a life of mediocrity. I'm God's favourite and I shall live to declare and demonstrate the Goodness of the Lord.

Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:

When it comes to sports, some are known and very popular in the location or village where they are born. They get very content being esteemed by a handful crowd of family and friends and never think that there is a bigger world out there. On the other hand, some grow from being local champions to becoming international icons who take the attention of the whole world. International icons influence trends and cultures in countries, not one tiny village.

God called you to be more than a local champion. The bible says you shall disciple nations which means nations must be like cell groups to you. Hallelujah! Have a

bigger and better picture of what God has called you to achieve. You are called for nations, not some small community. When you pursue your calling, business and all, remember you are too global to be local. You carry nations within you and the world is waiting for you to manifest.

Step out of your comfort zone and go out to conquer nations. See everything that you are doing as a global, not local assignment. You are a force to reckon with. Have a God-sized dream and you shall see it manifesting.

PROPHETIC DECLARATION

I have a global assignment to fulfil, and God called me in such a time as this to change the world. I commit myself fully to my global calling and provision shall be supplied for in Jesus' name!

And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye?

The physical realm is controlled by activities in the spiritual realm. When you become famous and known in the spirit, your name will be recognized both by demons and angels. You will be able to control physical activities from the spirit. You can influence spiritual things when you develop your light through the word and knowledge of Jesus Christ. The Bible says the word of the Lord is a lamp unto your feet which means the spiritual realm is actually a dark region navigated and controlled by those who have light.

Note the demons said, "...Paul we know, Jesus we know but who are you ..." The sons of Sceva were so unpopular and so irrelevant in the spirit to an extent that

even demons couldn't recognize them. They were not known both in the Godly realm and the devil's realm. They were just some nobodies walking on the face of the earth. Remember their father was a church leader but still it didn't give them value in the spirit. It's not about your connections but about "you".

From this day onwards, give time to the word of God, commit to prayer and commune with the Holy Spirit. The word of God in you has the power to make you a spiritual giant and a force to reckon with. Go for the word and you will see tangible results. Take charge of your spirit, soul and body today and experience the power of the divine in every area of your life.

PROPHETIC DECLARATION

The Bible says when the children of Israel left Egypt, God would become a pillar of fire at night and a cloud on the noonday. God gave them a tailor-made climate and environment to protect them from the harsh desert conditions. The desert is very harsh, it's extremely cold at night and extremely hot during the day. With such knowledge, God chose to give them a tailor-made climate and environment. What the Israelites were experiencing was different from what other races were experiencing.

As you are feeding on this word, the Lord has created a unique climate for you. When others say there is a going down, you shall be saying there is a lifting up (Job 22:29). Remember you are an ambassador of heaven, you are fed and supplied from above. Nothing to fear on this earth because we are in the world, but we are not of this world. Our environment is from above. For where your treasure is, there will your heart be also.

When the Bible says the heart is deceitful, many think that it's just a question of the heart being vulnerable to temptations and deceits. It's really beyond those brothers and sisters. The heart is naturally willing and driven to evil. When it's not controlled, it will never desire to do good on its own. It will surely follow the lust of the flesh and all manner of evil. The word says, "to guard your heart jealously for out of the heart flows the issues of life". Put a garrison and ammunition to protect your heart otherwise, it will breed rebellion, disobedience, and negativity for you.

The Bible gave us a simple way to harness our hearts. Where a man's treasure is, the heart will follow. The heart only follows where your treasure is. If you invest

more of your financial resources and time on carnal things, your heart will follow too. When you give or partner with the work of God, automatically your heart will follow. You might wonder why you fall and rise up all the time; check where you are investing much of your financial resources.

God gave us the grace to make money this year and surely money is coming but remember to serve the Lord through your finances. Channel your increase to the mission of God thereby diverting your heart towards the Master.

Before you see a movie coming out on Netflix or any other movie platform, there are several procedures to take your favourite piece to come out. It's not only about actors gathered to play some roles but there are scripts written by producers and actors will do nothing more than to follow those scripts. If the script denotes you as a good or evil person, you just follow that to the dot for you to be the best movie actor in that role.

When Jesus came, He declared that in the volumes of the books it was written of Him. He was not just walking up and down, but He was following the script written concerning His ministry. Many a time the Bible would confirm that He did

something to fulfil that which was spoken by the prophets. He was following a script about himself. The Bible has the script of your life and the more you dig deeper into the word of God, you will understand the script and be the best actor in your own life.

Go for the word and you shall know Him as you are known. You will understand your own script through the word of God. Don't follow someone else's script but your own script. It might look as if nothing is happening in your life but don't worry your script has a glorious ending. Things are shifting as you grasp this word of God. Hallelujah!

...and one of the elders said to me, "Stop weeping; behold, the Lion that is from the tribe of Judah, the Root of David, has overcome so as to open the book and its seven seals."

Your attitude determines your altitude. Why did God himself liken to the lion of all the animals of the jungle? The lion is not the most powerful, the elephant is. The elephant is way bigger and more intelligent than the lion. It's not faster than the cheater or good at climbing trees like a monkey or a baboon but still, it's considered to be the king of the jungle. What separates the lion and other animals is this thing called ATTITUDE. When other animals see a lion, they see another animal but when a lion sees other animals, it sees its lunch or dinner. It's all about attitude!

You are a seed of the lion of Judah. Lions give birth to lions, not monkeys. You were born to dominate and to reign. No situation should ever have authority or grip over your life. Roar the word of God and things will come to an alignment. As you declare the word of God over your life, it shall surely be established, and you shall be "kinging" in everything that you shall pursue.

Have a positive attitude today and your altitude will automatically change. You might be in a very harsh country or family but just have an attitude that you are a line crosser, a barrier breaker and a wonder. Hallelujah!

He sent His word and healed them, and delivered them from their destruction.

The word of God carries authority and inherent power to change any kind of situation. When the word is released, it will never return void, it will definitely effect a change in your life. The greatest weapon God has is His word and every time the word is released, it will effect a change. God does nothing more than talking and causing a shift through His words. From Genesis to Revelation, God only speaks and all the wonders that he did were out of his word.

The Bible says in our scripture above, that God sent His word and healed them and delivered them from their destruction. What delivered them was not God but God's word. God's word carries the authority of God who sends it. When you

read the word of God and get a hold of the revelation, you have found your own escape plan from poverty, sickness and destruction.

You are a "god" and what you can do to create the desired future is to "speak". Command every mountain to be flattened and every negative situation to change for your own good. Declare positive words in your ministry, marriage, business, education etc.

But the children of Israel walked upon dry land in the midst of the sea; and the waters were a wall unto them on their right hand, and on their left.

When the children of Israel moved from Egypt to the promised land crossing the red sea, our verse today said they marched on dry ground. Why is there an emphasis on the "dry ground"? God Himself didn't want the children of Israel to carry the mud of Egypt into the promised land. He made it a point that every portion of mud from the land of slavery remained there. He didn't want anything of the past to be carried into the new era of milk and honey.

If you pay more attention to your "background" you will always find your "back on the ground". Your past has nothing much to offer but the future. Invest more

in your future than your past. Starve your past and feed your future with positivity. You might have failed one time in the past, but God is not concerned about that, He is more concerned about your glorious ending. Leave all the mud of unforgiveness, hatred and anger in the past and move on. Don't let any baggage of the past weigh you down. You have a better and brighter future to pursue.

No negative thoughts are allowed to live rent-free in you. If there are people who hate you or situations which hate you, just let the past go with the past. It's a brand-new day and greater things are yet to come in the name of Jesus.

This is an exciting time to be alive! God is performing Wonders without Number, and the grace that is available is too much! You have been given a shortcut to your miracle, your money, and the manifestation of the promises of God. Apostle Paul said you are partakers of "my" grace. Notice, he did not say you are partakers of God's grace, but his own. That means you can take the grace you see functioning in someone else's life as your own.

There are men and women of God who are overflowing with grace. And when you submit and partner with such a person, their grace becomes your own. You

In one of my visitations with the Lord, I was shown some of the great generals of the faith, Smith Wigglesworth, Maria Woodworth Etta, Kathryn Kuhlman, Kenneth Hagin, and others. The Lord asked me, "Which one do you want to be like?" My answer was, "All of them combined!" Then the Lord gave a surprising response. He said, "Imagine yourself armed with a little prayer." It was surprising because, at that time, I was already praying seven hours a day. Prayer is the bedrock of Christianity. When prayer is your lifestyle, you maximise the benefits of your relationship with your heavenly Father and position

your spirit to function like God.

Jesus was surprised when His disciples did not watch and pray with Him for an hour. That tells us that one hour is the bare minimum! You need to spend quality time in prayer. Start where you are. We have been declaring, "The money is coming!" for some time now. The money is certainly coming, but have you taken the time to think about what you will do with it when it arrives? God desires that you be rich, not just on paper, but cash-rich! That is a divine fact established in the word of God. You must believe that for riches to come to you. It is not a confession when you declare that the money is coming. It is an affirmation of what is true.

The money is coming, and it is money with a mission. Mansions and Mercedes-Benzes are okay for you to have. At the same time, understand that abundance of wealth is primarily for the expansion of the

Kingdom. The presence of money leaves no excuses or obstacles for carrying out God's purposes. So, as you declare that the money is coming, imagine it arriving. See it entering your accounts and placed into your hands via cash, contracts, checks, and tenders. Picture yourself using that money for God's purposes. In doing so, you are activating your faith by engaging the eyes of your spirit and expressing the desire of God to use the abundance He provides for His glory.

However, many Christians are reluctant to reach out to the lost because they have been led to believe that soul winning is difficult. They believe certain religions or locations are "hard ground," or they hear the word 'winning' and think hard work is involved. I assure you that soul-winning is easy!

Ruth was willing to work in the fields of Boaz, but all she did was gather the grain that had been left for her to gather. That is what soul winning is like. God is the Lord – Master, Owner – of the harvest. He has already prepared and cultivated the

This is the covenant that I will make with them after those days, saith the Lord, I will put my laws into their hearts, and in their minds will I write them;

One of the biggest hindrances in the church is focusing on obeying God. Let me explain. There is a major distinction between Christianity and the religions of the world. Religion seeks to please God through acts of obedience, whereas Christianity is the result of God being pleased through Christ's obedience. That is the grace of God, and it is grace that is lacking in religion. Grace is understanding that Jesus' sacrifice on the cross has made you right with God, not an act of obedience on your part. Jesus did it all for you, so you do not have to do it.

Other religions try to change people's actions. That is why religion has so many rules and regulations. However, Christianity is about Christ changing the heart. That is why under the New Covenant, we do not obey. We have something far superior to obedience; we live the Word. Now you are the very temple of God, and He has written His laws in your heart. The Bible says that 'for in Him we live, move, and have our being' (Acts 17:28, KJV). You move with Him, and He moves in you. You do not need to appease God because He has already been appeased! So set your focus on the divine life within you rather than mere outward works, for you are already right with God. Glory to God!

In the civilisation of the immortals, age is not measured by how long you have been on Earth. It is measured by how long you have dedicated your life to Christ. Someone could be sixty years old but only dedicated to Christ for one year. Whereas you could be much younger but dedicated to Christ for five years. According to God, you are older than them.

Age in Zion is not measured in years, but in how much light has gotten into you. It is measured based on the amount of time you have spent being intimate with Christ. Praying, studying the word, and being fixated on Him makes the difference, not just in maturity but also in the age in the realm of the Spirit. The word 'church' is translated from the Greek word 'ekklēsia'. Many preachers and teachers have taught that ekklēsia means the called-out ones, but that does not capture the full import of who you are.

'Ekklēsia' is a compound of the words 'ek' and 'kaléō'. It refers to politicians who have been chosen to set the policies of a certain community. You are called out to be a political change agent. 'Political' simply refers to anything related to government or public affairs. Now more than

And if you have already, He wants you to experience even more. One of the ways you can raise your expectation is by understanding what the Bible means when it speaks of wonders.

If we examine the simple etymology or meaning of the word 'wonders,' it is the Hebrew word 'pala', which means to be marvellous, surpassing extraordinary, difficult to do, or difficult to understand. The things that God wants to do in your life this year are beyond explanation – they are

wonders! That means if there is something you want the Lord to do for you this year that you can put into words or explain how it could happen, that is not a wonder. For as the Father has life in Himself, so He has granted the Son to have life in Himself

The presence of God is a life-giving force. Moses spent so much time in the presence of God that his body became virtually indestructible. On one occasion, Moses came down from the mountain after spending forty days and nights in the presence of God, and the Bible says in Exodus 34 that his face shone. He was so transformed by the presence of God that at 120 years of age, he was as strong as a young man. He was fit enough to climb Mt. Nebo, about 1,200 meters or 4,000 feet above the Dead Sea. His vision was so clear that he could see all the regions of the promised land.

Moses did not have the privilege of having the presence of God dwelling on the inside. Yet the presence of God permeated every cell in his body. He was so full of life that God

had to tell him to die; otherwise, he would have kept on living. You have something far superior to what Moses had. You have the presence of God inside you – the One who gives life to every living thing! His presence in you means the same self-generating life that God has in Himself is also in you. And out of His goodness and love for you, the Word of God guarantees that He will give you anything that is for your good and in line with His Word. Because of that, you can have complete confidence that God hears you when you pray, and that He has answered your prayer.

The promises of God are His gifts to you. They are an expression of His love and desire to bless you. And when He gives to you, He does so based on His capacity. Apostle Paul declared that God would supply every need of one who gives to support His righteous

cause. And when He supplies your need, He does it according to His own riches, abundance, and goodness. That is way beyond anything you could ask!

Let the assurance of God's goodness and faithfulness to His word fuel your prayer life. When you see something in His word that you can benefit from, or when you hear a prophetic declaration that speaks to your issue, grab it! Arm yourself with that word and use it as the content of your prayer. Then, when you're finished praying, shout 'Amen!' with a smile on your face, and give God thanks, knowing that your request is a done deal!

PROPHETIC DECLARATION

I am armed with the promises of God. I am rising higher than ever before, and my success is guaranteed!

If anyone speaks, let them speak as the oracles of God.

You were created to function on the frequency of God so that when you speak, it is as though God Himself is speaking. God energised your words and your tongue to speak realities so that whenever you speak, you are speaking as a prophet (the oracle of God). The Bible tells us that we do not need to look anywhere else for God to speak, not even to Jesus Himself. The word of God is in your mouth. Therefore, you do not need to wait for another prophet to speak. You are the prophet in your own house, at your place of business, in your family, and wherever you are!

As long as the Word of God is in your mouth, you can never be disadvantaged! You do not need to wait to hear a prophetic word from another source. You

are the source! The word of God is in your heart. You need only to release it with the understanding that God's word cannot fail or fall to the ground. Know that as you are speaking, God takes your words as that of an oracle, and you speak self-fulfilling words. So, in this year of Wonders without Number, let your voice be heard. And as you declare His Word out of your own mouth, what you say will surely come to pass.

PROPHETIC DECLARATION

I speak life to every dead situation! Those who looked down on me will look up to me. I shift my body into good health. I declare overflow to my finances. Everything in my life is flourishing and prospering because the word of God is working mightily in me and prevailing! Hallelujah!

Let each one [give] as he has made up his own mind and purposed in his heart, not reluctantly or sorrowfully or under compulsion, for God loves (He takes pleasure in, prizes above other things, and is unwilling to abandon or to do without) a cheerful (joyous, "prompt to do it") giver [whose heart is in his giving].

God has favourites. He loves all of us, but there are some people He is unwilling to do without, and you can be one of them. The Bible tells us in Amos 3:7 that God will do nothing on the Earth without first revealing it to one of His prophets. And here, in our verse for today, we see that God is not willing to do without a prompt to do it giver. That means giving and prophecy are equal in that God is unwilling to do without either of them.

In the book of Acts chapter 9, we are told of a woman named Dorcas who died and was brought back to life. She became indispensable to the ministry because of her giving to the extent that death was overruled. Giving is a way that you can distinguish yourself as a god and defy death, sickness, barrenness, and drought. Above all other things, God will never do without a giver. As a prompt to do it giver, you can boldly declare that whenever God is doing something, He is unwilling to do it without me!

PROPHETIC DECLARATION

Money is coming to me now! And in this year of Wonders without Number, I am a radical, top-shelf giver! My giving silences the voice of death, poverty, and lack. I am secured and insured, for my seed is speaking for me. Hallelujah!

Follow my example, as I follow the example of Christ.

There is a secret to why God speaks to me as He does and as often as He does. It is not because I am a prophet, though I am. But it is because He knows that when He gives me a word, I will speak it. I do not analyse what God is saying. If you spend your time analysing, all you will come back with is an analysis. However, you can decide to make my advantage yours. Make up your mind that once you see it in God's word, there will be no argument. If God spoke it, it is settled, and that's it!

When God speaks, the biggest thing you can do is listen. Regardless of the circumstances surrounding your situation, when God speaks, He renders the impossible possible. And when you do as He says, you become invincible! God's solution

may not be your solution. And the way you think He will fix your problem may not be what you have in mind. So don't try to reason or analyse what He says. Don't think too much; just follow what He says. Even when you haven't seen the miracle that you need yet, as long as His word is still available, know that your situation is changing!

Now the boy Samuel ministered to the Lord before Eli. And the word of the Lord was rare in those days; there was no widespread revelation.

American actor, Denzel Washington, is known for not moving into Hollywood social circles. Besides church, you are not likely to find him moving around in public. He was once asked about this in an interview, and he responded this wise, "If you meet me on Wednesday, you will not pay to see me on the big screen on Saturday." He understood, as you must understand, that there is a direct correlation between limiting your access and increasing your value.

Common things are found anywhere, but anything that is rare automatically increases in value. Money is searching for people with value. That means for riches

When Jesus had lifted up himself, and saw none but the woman, he said unto her, Woman, where are those thine accusers? hath no man condemned thee? She said, No man, Lord. And Jesus said unto her, Neither do I condemn thee: go, and sin no more.

In this account, the scribes and Pharisees arrested a woman who was caught in the very act of adultery. They dragged her out into the streets, naked and ashamed. But they made one big mistake – they brought her to Jesus. They expected condemnation and death to be her end. What they did not realise was that whenever Jesus is introduced to a situation, Grace is introduced.

When Jesus told the woman to go and sin no more, it was not an instruction. He was imparting grace to her. When Jesus

comes into your life, Grace comes into your life. Grace is not a license to sin; it is an empowerment to not sin. Jesus has wiped your slate clean, and He has given you the power to live above the accusations of the enemy. When others accuse you, or even when your own heart accuses you, Grace will speak for you. Consistently read the word. As you do, grace is increasing in your life. If there is an area of your life where you find yourself struggling, get scriptures that attack that point of weakness, and walk in the freedom of grace!

A camera is a lightproof box that is built to capture light. It works the same way as your eye. The camera's diaphragm is like the iris of your eye and determines the amount of light that gets in. For you to see, light must enter your eye. That light is then used to create the image you want. Your spirit feeds on light, and the word is the technology of God to put light into you. In the realm of the Spirit, everything is based on the amount of light in you.

Our scripture for today says that the entrance of God's word gives light. That means, whatever aspect of the word you focus on, light to create that image enters you. For example, if you are sick in your body, read scriptures about healing or divine health. As you do that, the light of healing gets into you and creates the im-

age of health you're looking for. If it is money you need, keep reading about money, and as the light of money enters you, you will see money in real life. Whatever it is you need, fill your spirit with the light of the Word on that subject, and you will create the life you desire!

The moment you receive Christ, you are registered as a citizen of Mt. Zion. Biologically, you may have been born in India or America or Botswana or wherever, but the moment you are born from above, God registers your name in the census of His hometown. As a citizen of Zion, you have benefits and privileges beyond anything this world can offer. And you do not need to wait until rapture to start enjoying these benefits; you can start right this minute.

The Bible says that one of the benefits of citizenship in Zion is that you can taste the powers of the world to come. That means

you can experience, feel, partake of, and enjoy the abilities and capabilities of Zion whilst you are still on Earth. Nobody dies in Mt. Zion. No one gets sick there. In Zion, you can be transported from one location to another at the speed of thought. In Zion, you have access to riches to the extent that walking on pure gold is commonplace. These are just a few examples of the powers to come. Begin to exercise your right as a citizen of Zion and take advantage of the powers to come.

Now faith is the substance of things hoped for, the evidence of things not seen.

Have you ever noticed how you can feel like you should be driving a Lamborghini even though your bank balance does not agree with you? Or you drive by a mansion, and it seems as if the very soil is calling you. When you find yourself desiring things that appear to be out of your reach, don't rebuke it. That feeling is telling you what your level is supposed to be. It is evidence of what God has for you.

Faith is the lifestyle of the rich and famous in Christ. The Bible says that faith is the evidence of things hoped for, and the substance of things not yet seen in the physical. The evidence simply means that whilst you do not have that thing you are hoping for yet, your faith substantiates the

reality that it is yours. I give the example of looking for a Tyrannosaurus rex. As I am looking, I find a bone of a T-rex. That bone is the evidence that the real thing exists. Then suddenly, I hear a thunderous boom behind me, the ground shakes, and I see a real T-rex standing there. I no longer need the evidence. So, I throw away the bone because the real thing has arrived!

Those feelings, desires, and hopes you have, are 'evidence' of what is yours. Do not throw away your faith until you get the real thing. The riches you desire, that health you want, and that family and business you are hoping for are yours in Jesus' Name!

That means all your blessings are now!

God ordained you to be prosperous long before you even knew prosperity existed. Do you understand that God can only be glorified by your prosperity in this world? Here and now is where the distinction needs to be made between you as a child of God, and those who do not know Him. He desires that you be a partaker of His riches and the inheritance He has

And [Saul] stripped off his clothes also, and prophesied before Samuel in like manner, and lay down naked all that day and all that night. Wherefore they say, Is Saul also among the prophets?

We live in a day and age where the church is preoccupied with generational curses rather than generational blessings. Many are focused on the negative aspects of association rather than the possibilities of the right association. Whilst the Bible says in 1 Corinthians 15:33 that bad company corrupts good character, have you taken the time to consider what good company can do for you?

There is power in associating with the right person. In our scripture for today, we have the account of Saul. At this specific moment in Saul's life, he was driven by the demonic, consumed by pride, and obsessed by his bloodthirsty desire for revenge.

Yet, when he got in the presence of Samuel, the prophet of God, it seemed as if God ignored the blackness of Saul's heart, and Saul also prophesied. Those who knew what he was like were so shocked that they said, "Is Saul also among the prophets?"

When you associate yourself with the right person – submitting to them and partnering with them – the grace that is on their life becomes your grace. Their grace becomes your advantage. That grace does not come on you because you are good or because you do everything right. It is simply by association.

And they overcame him by the blood of the Lamb, and by the word of their testimony.

Your testimony is a report. It is the evidence, that you have experienced the goodness of God, even if that evidence is in part. For example, in Mark chapter 8, a blind man was brought to Jesus to be healed. When Jesus ministered to him, his healing came in two parts. At first, he did not see men clearly, but he still testified that he saw 'men as trees, walking'.

Your testimony causes you to overcome. Notice the scripture says that they overcame by [or because of] their testimony. That word 'testimony' literally refers to the office committed to the prophets of testifying concerning future events. That is the way of faith. We do not verify the spiritual by what we see in the natural. We accept

by faith that what has taken place in the spiritual is perfected and will manifest in the natural.

When a baby is being born, we do not wait to start celebrating after the baby is fully birthed. Instead, we celebrate at every stage of the delivery. In the same way, when healing is ministered to you, you do not need to wait until you get the doctor's confirmation before you testify. As soon as you detect a change – no matter how small – you can testify knowing that healing is already taking place. So, keep testifying about your miracle. Keep glorifying God. And no matter how the devil tries to fight your miracle, keep talking about it. By the time you testify, the balance of your healing will come!

Another parable he put forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field: But while men slept, his enemy came and sowed tares among the wheat, and went his way.

There is sleep that increases productivity and sleep that leads to waste, lack, and loss. The word of God declares that there is a kind of sleep that causes poverty to overtake you like a thief and lack as a robber. What is true in the natural is even more true in the spiritual. When spiritual sleep overtakes you, the enemy takes advantage.

The enemy moves when you are spiritually asleep on the job. That kind of sleep is evidence of a lack of spirituality. When you remain too long in the same state, you are spiritually asleep. When you prefer the

world rather than the things of God, you are spiritually asleep. When you hit the snooze button on your alarm clock instead of getting up to pray, you are spiritually asleep.

It is time for you to wake up! Arise! The Bible says in Mark 13:36 that you should not allow the Lord to come back and find you sleeping. That means it is up to you. Decide to make the word of God the standard for your life. When you embark on a good endeavour, don't be quick to give up and "go back to bed." Refuse to allow the enemy to run rampant in the field of your life. When you get the word in you, there will be enough light to guarantee that you will not be found asleep on the job.

John was on the Isle of Patmos when he saw a wondrous revelation of Jesus, the Word of God. Proceeding out of the mouth of Jesus was a sharp or swift sword. The word 'mouth' in that verse is translated from the Greek word 'stoma', which means 'the edge of the sword'. The book of Hebrews 4:12 (AMPC) tells us that 'the Word that God speaks is alive and full of power [making it active, operative, energising, and effective]; it is sharper than any two-edged sword.' So, we have the mouth that is described as the edge of a sword, and the Word of God, which is described as sharper than a two-edged sword.

The Bible tells us in 1 John 4:17 that we are just like Jesus: 'as He is, so are we in this world.' That means your mouth is also a knife. Combined with the word of God, you have everything you need to cut down any negative situation in your life. When you talk, you are cutting things down to size. The word in your mouth is active, effective, and full of power. It is sharper and more precise than a surgeon's knife. Prophecy does not give you a miracle. Prophecy raises your level of faith. It is a faith booster. The word that comes to you that is received by you is the thing that gives you the miracle. And the power comes from the faith that is rising in you. It is not enough for you to simply hear and believe a prophetic word. You must play an active role in the manifestation of your miracle.

Christianity is all about words. Our scripture for today lets us know that God speaks. From Genesis to Revelation, God does nothing but talk. However, He does not talk just for you to passively receive what He says. You also must speak. The

scripture tells us, 'he hath said ... so that we may boldly say...'. When He speaks concerning you, He expects you to come into agreement and speak what He says. This is what we call the confession of our faith. So, declare the word boldly over your life, your body, your family, and anything that concerns you. Cheer up! The Word works!

His mother saith unto the servants, Whatsoever he saith unto you, do it.

The Bible tells us in Romans 10:17 that faith comes by hearing, and that faculty of hearing comes by the word of God. But faith is not a one-size-fits-all. Faith has dimensions. There is faith that is evidence of a thing. There is also faith to get something and faith to keep what you have. There is faith as a bloodline, for the bible says, 'the just shall live by faith.' (Romans 1:17, KJV). There is faith that can be delivered, for the word of God says that we should earnestly contend for the faith that was once delivered to the saints. Then there is something called unconscious faith.

When faith becomes unconscious, it is as natural as breathing. You do not have to think about it, work it up, or practice it. This was the kind of faith Jesus had, and the

why the woman with the issue of blood could touch the hem of His garment and power came out without His permission. When your faith becomes unconscious, your love for God, following God, and even the power that comes out of you becomes unconscious. Unconscious faith does not wait for your permission to speak. It speaks on its own. If you want your faith to be unconscious, whatever God says, do it, and things will begin to happen. Begin to push your faith to another dimension. Desire it. Go after it, and you will see wonders!

You will keep in perfect peace those whose minds are steadfast, because they trust in you.

We live in a world where peace is very difficult to find, let alone 'perfect peace'. Every time we turn on the radio, television, or switch to any social media platform, the current events that pop up are so distressing and nothing in them that will give an ordinary person motivation or encouragement to accept that life is beautiful as created by God. Our scripture for today gives a certain demarcation between those whose minds are steadfast because they trust in God, therefore, God safely retains them in his peace which is perfect.

There are others whose minds and thought process is entirely void of God. Remember that we are in this world but not of this world, this entails that whatever we do as Christians should reflect the one

who we represent. The Bible tells us: 'Let this mind be in you, which was in Christ Jesus:' (Philippians 2:5, KJV), the mind of Christ does not entertain stress or depression. The mind of Christ is neither troubled by current events nor get frustrated when faced with circumstances that you think are impossible.

The scripture for today is very clear that when your mind is focussed on God, unmovable regardless of situations, God himself will keep you. In other words, the safety and security that you are looking for can only be found in God. Your trust in God is derived from his word which is full of promises concerning you. Read His word daily!

Ye are our epistle, written in our hearts, which is known and read by all men:

The verse for today signifies something that is written, a letter, a booklet, a flyer, a brochure; all these have something in common, that is they all carry information. We can all read something that is written in them; but how can we read something that is written in the heart of man? To get an insight into reading what is in a man's heart, the Bible tells us that '...for out of the abundance of the heart, his mouth speaks.' (Luke 6:45, World English Bible) When you appear somewhere and you are silent, no one can tell whether you are wise or foolish. It takes a few words to flow from your lips and people will discern wisdom or folly.

What you have stored up in your heart when it comes to the word and knowledge of God, will spill out the moment you begin to speak. When you are marinated in the word, full of the word, and submerged in the word, wherever you go, that which you are made up will be seen by many. Your lifestyle is not restricted to church service, but it goes beyond to the marketplace, your workplace, your university campus, your social media posts and platforms, and family gatherings. I always tell them that my value is determined by what I say I am worth and not limited to figures extrapolated by men. Reading the verse, you will notice that God is able, that he is capable to perform that which he speaks. Further, it can be said that His ability is extravagant and clearly stated here, it exceeds our thinking faculty. The problem with most Christians is they have not realised the extravagance that is associated with God's demonstration of power.

When you place a limit on God's power in your life, that is the extent of God's power that you will encounter and receive. When

you remove the limits and know that he is Jehovah El Shaddai, the many-breasted God, then you will realise that his possibilities to intervene in your life are limitless. His power is there to work in you and through you, so begin to harness this infinite level of God's power that is at work in you today and you will do mighty exploits for Him. Stop limiting yourself, when God speaks to you, he is capable to perform that which he has spoken in the name of Jesus.

PROPHETIC DECLARATION

I am God's Powerhouse, I cannot be limited, my exploits are limitless according to his power that is at work in me all the time. Hallelujah!

1 Thessalonians 5:12-13 (KJV)

And we beseech you, brethren, to know them which labour among you, and are over you in the Lord, and admonish you; and to esteem them very highly in love for their work's sake.

Most of what we see today in the church falls far short of these scriptures. Apostle Paul admonishes the congregants to esteem very highly those that are placed over them as prophets, apostles, pastors, evangelists, and teachers. The respect transcends the offices mentioned, even those who hold key positions in the Church need to be highly esteemed for their work's sake.

Why will Apostle Paul deem it very important to mention highly concerning respecting leaders placed over you? It must be noted that the anointing of God is irrevocable as such when you meet an anointed man of God or woman of God,

your level of submission, honour, and respect will trigger the anointing they carry working for you. A lot of Christians with nicolaitan's spirit camouflaged and at times kneel before the man or woman of God whilst their heart is standing arrogantly very tall, and they expect the anointing to work for them. This is not possible! The anointing that you truly honour, and respect will certainly work for you. The moment you decide to unconditionally honour those placed over you in leadership, the sooner you will see your life taking an upward trajectory in the mighty name of Jesus.

PROPHETIC DECLARATION

I intentionally choose now to honour and respect those that are placed over me. My life will daily reflect the Christ in me and will shine forth wherever I go, in the name of Jesus. Amen!

1 Corinthians 16:18

John 6:29 (NKJV)

Jesus answered and said to them, 'This is the work of God, that you believe in Him whom He sent'

When you ask most Christians, what's the order of priority on God's list of things so dear to God's heart? Most will probably answer 'soul winning'. The truth of the matter is different. In as much as God is concerned with Soul Winning, the top on God's list is: to be believed. The essence of God's relation with man always begins with God calculating whether you believe him. Whether you will take God at his word or not. To God, there is no middle ground or sitting on the fences. God had to double-check Abraham on this when he told him to go and sacrifice his only son Isaac; to the point that when Abraham was about to do just that, then God had to stop him. The Bible puts it: 'Then Abram

believed in (affirmed, trusted in, relied on, remained steadfast to) the LORD; and he counted (credited) it to him as righteousness (doing right in regard to God and man)' (Genesis 15:6, Amplified version).

You see how God looks at believing in him, He puts it on the balance sheet of heaven and credits it to your account as righteousness. This is the kind of God we worship, whose obsession is 'believing in Him'. When you have established to God that you believe in Him, you know for sure that your bank balance changes automatically.

I believe in God! I now trust in God with my whole being: spirit, soul, and body. My life will never be the same anymore. Amen!

Proverbs 3:5

Zechariah 4: 6 (NKJV)

So he answered and said to me: 'This is the word of the LORD to Zerubbabel: Not by might nor by power, but by My Spirit, says the LORD of hosts.'

This scripture is often quoted among believers, but very few barely understand the true meaning. The word 'might' here is the Hebrew word 'chayil' which means 'force' whether of men/army or other resources like wealth and riches. Also, the word 'power' from the Hebrew word 'koach', meaning: to be firm or strong. The Prophet Zechariah was speaking what God says to Zerubbabel who had returned from being in the royal service to a king in a foreign land and was now in control of a project to rebuild the broken walls of Jerusalem.

The zeal and desire of Zerubbabel to undertake this project as inspired by God didn't exempt him from the enemies' attacks. The battle faced in erecting the walls of Jerusalem was constant, a daily barrage of attacks. Builders held weapons of warfare in one hand and used the other hand to carry on the project. This teaches us as Christians we are not exempt from the attacks of the enemy. In fact, sometimes it gets worse once you pledged your allegiance to Christ. The only outlet is to have more fellowship with the Holy Spirit and by so doing, the Holy Spirit will engage the problems, and your victory is bound to spring up in no time as the Holy Spirit takes charge. You are victorious in Christ!

I am abiding in God as he abides in me. I cannot fail in life as the Holy Spirit is my Senior Partner. My life shall attract Good News every minute of the day and my victory is assured in Christ. Amen.

Even as it is meet for me to think this of you all, because I have you in my heart, inasmuch as both in my bonds, and in the defence and confirmation of the gospel, ye all are partakers of my grace.

Wow, what a powerful scripture! The ending of this scripture emphasises a very deep bond in partaking the grace. You become a partaker of the grace upon someone when you are one with their revelation of the word and vision. Your participation in that which is associated with him/her, your concern with his daily life, his ministry, his mission be it local or international, his vision especially when it comes to spreading the Gospel, the defence and confirmation of the gospel if I may partly quote from the scripture as Paul writes. Most people in Church settings deliberately refuse to participate in

anything their ministry is involved with whether financial or otherwise, yet they expect to have a bountiful harvest! How in the world do you expect to harvest wherein you have not sown?

As a believer, you will shun idleness and want to get involved and fully participate in ministry. To be a partaker of the grace demands being active in almost every area of ministry's work and the Visionary's mission's field. When you begin to do this, then you have the spiritual legal right to lay claims to the benefits that come with the grace package upon the life of the man or woman of God. It is their revelation you live by.

PROPHETIC DECLARATION

I am a partaker of my man of Gods' grace! The level of commitment I exercise in unwrapping the grace package will determine my exposure as a partaker. Hallelujah!

Nay, in all these things we are more than conquerors through him that loved us.

You need to carefully understand the pre-text and context of this scripture before clearly getting to the text of the scripture. The text began with 'nay', which is 'alla' in Greek which connotes 'other things, 'nevertheless' 'notwithstanding'. The author of the book of Romans Apostle Paul is the proper authority to lecture on conquest and conquering from the believer's perspective. Paul was shipwrecked, bitten by a venomous snake, incarcerated, countless times, and beaten by Roman soldiers, the cruellest of that dispensation, yet in all this Paul speaks boldly that we are more than conquerors through Christ who loved us.

Someone may ask if Christ loves us, why should I go through all this hardship? Why is my business hasn't picked up as

planned? Why is my family disintegrating? There will be so many whys! Let's get to the crux of the matter as Paul says: '...we are more than Conquerors through him that loved us' (Romans 8:37, KJV). To be a conqueror you must go through at least a battle, more than conquerors signifies that you have won so many battles. The whys are answered in this scripture that attributes your victories to Christ who loves you. When Christ is in you and you are in Christ, that's the guarantee that your victory is assured. Henceforth, stop doing warfare in your own might and power. The Bible puts it this way '....Christ in you, the hope of glory' (Colossians 1:27, KJV).

PROPHETIC DECLARATION

I'm in Christ and Christ in me; therefore, my victory is guaranteed. I shall always live about my challenges. I am not moved by what others think about me, for I know, Christ in me is the hope of glory. Amen!

And be not drunk with wine, wherein is excess, but be filled with the Spirit;

Most non-Christians or who know some churchgoers might harbour this habit as well: to get intoxicated with wine or some sort of mixture to get them to a point of excitement and elation. They seriously take this drunkenness with wine to bring about ecstasy or euphoria and forget their worries or troubles for a moment. The scripture for today warns against such a form of ecstasy. Some versions of the Bible say it leads to debauchery because it will ruin your life while other translations called it 'stupidity'. We can now see clearly that it's not a cool thing to be drunk with wine.

On the other hand, in the same scripture, there is a positive form of drunkenness which is engineered by the Holy Spirit. This form of drunkenness in the Spirit will not provoke reckless actions. When you are drunk in the Spirit, He will guide you to think right with superior wisdom not of this

world. In a state of drunkenness in the Spirit, there is illumination, where your thinking faculties begin to get revelation from a divine source guided by the Spirit whereby God will begin to reveal His mysteries to you. The Prophets of old clearly understood this, time after time they mentioned in the Bible, that things they wrote were given to them when they were in the Spirit, or simply put - when they were drunk in the Spirit.

PROPHETIC DECLARATION

I choose to be filled with the Holy Spirit and I will exceed the ordinary wisdom of man. My lifestyle and character will manifest God's presence because I am Spirit-filled. Hallelujah!

And behold, I come quickly, and my reward is with me, to give every man according to his work shall be.

I was taken to Heaven in one of my many visitations in the Spirit; and the Lord, Jesus told me, 'Tell my people, I am coming soon.' I responded by saying, 'Lord, I am telling them.' I know this will be something common to most people because they think they know everything. One of the things that occur to me after the vision is why should the Lord give me this specific word?

I have been sounding the alarm bell from time immemorial that we are the last dispensation and now living at the very end, of the end of the chapter. Like a football match, it's now a grace period that they commonly called 'injury time' or 'extra time'. It's no more time to play around when you are a Christian. It's time to take the things of God seriously. I always tell people, that ministry is full-time and all

other things are part-time.

As a footballer, when you come to the realization that the match is now running into 'extra time', you will be conscious of the fact that the whistle could be blown by the referee at any time which will bring the game to an end. When you now decide to take the things of God seriously, God will then equally take things about you seriously. Let this be your mindset that there is NO TIME LEFT! Rapture is imminent!

Faithful is he that calleth you, who also will do it.

God is doing the calling here. He said several times in His word that His faithfulness never fails. The Bible in Psalm 89:33 also said He will not allow His faithfulness to fail. Our human shortcomings cloud our judgement where we create our world what we envisage God to be.

We imagine God as being so upset and angry and bitter with us because we might have missed the mark. On the contrary, when God called you, there was already a divine plan and purpose he had designed for you. In ministry, when God gives you a vision, he supplies the provisions to execute the vision. When in ministry and constantly grappling with provisions, then there is a need for a revision of your vision.

God in his divine planning had already captured your whole life, but sometimes our human attributes and nature make us divert and try to skip God's agenda. Most people think God is taking more time and slow to act, and in this process face life's challenges that provoke them to decry God's name. If your heart and thinking are cushioned in God's word and the Holy Spirit begin to teach you, you will see your life taking an upward trajectory as you walk in God's divine plans. Make it a part of your knowing that before God calls you, he had already mapped out your life. When God calls, He will provide!

Paul the Apostle wrote one-third of the Bible and for him to make the bold statement that the Church in Corinth should follow him as he follows Christ; will sound different to other people, especially when bringing this subject to people in the church who think they know more and better.

When I say my spiritual father, Pastor Dr. Chris Oyakhilome is my star, most people out there will have their own interpretation. For sure I imitate Pastor Chris as he opens scriptures to me with higher revelation. When Pastor Chris prayed for me with a simple prayer – 'That the revelation of the word should increase in you, from that moment onwards, words from the scriptures came out to me alive and de-

manded to be spoken. My spiritual father Pastor Chris is zealous about Jesus and the word of God, to say the least, his church can count congregations around the globe in billions, known to almost every household on the planet, how will you not imitate such a phenomenon!

I wonder who are you imitating as an example as they follow Christ? Someone who can hold you accountable and speak in your life as a father speaks to a son? The Bible is replete with father-son relationships like Paul to Timothy, Elijah to Elisha, and these men increase because of those over them in the Lord.

Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

I am amazed at how Christians treat people in Leadership, whether in the Church or civic. Let's begin with the house of God where it has become apparent that genuine honour is now very difficult to find in the church. Church leaders who are supposed to be held in high esteem are treated casually and with no due honour even amongst their own congregants.

How do you expect to be blessed by God when you disregard the authority that he has placed over you? The scripture for today is very bold in saying that all powers (authorities) are ordained by God. It means God allows that authority to be over you for a reason. Until or unless you

learn to honour your leaders regardless of their age, your next level of promotion continues to be pending and you don't know why.

If you understand that God places high value on honour and respect, you will see a change in your personal life when you walk in that lane. The way in which you honour those placed in authority over you will determine your next level. The Bible is filled with the outpouring of blessings upon those who honour their spiritual authorities. When you want to be honoured and promoted, you must practise honour.

When you appear on the scene, you will be the influencer and what you say will carry weight and power. This is who you are in Christ. A certain leader of a nation heard of my coming into the country to conduct a crusade which was planned far ahead of time, and everyone was joyous to receive me except the head of the country who was unhappy. I arrived in that country only to be stopped at the airport and denied entry, the reason given, was the

I knew certain powers were influencing the decision of the president of that country that refused me entry, so before leaving; I decreed and declared that the president will never have a second term, and it was so! 2 Timothy 3:1 (KJV)

This know also, that in the last days perilous times shall come.

By implication, to examine this text, we will take a careful look at the pretext so that we understand the context of the text. 'This know also....' suggests that some things have been said already and this is an addition to the previous statement. We live in the last dispensation where we witness on daily basis violence escalated at a height never seen before in past civilizations. Every news outlet, social media platform and mainstream media is replete with headlines about violence. The tragedy sometimes is that we are eyewitnesses to these things as they are beamed live from whatever location in the world. Children are exposed to undiluted acts of violence which show the moral decadence of a society at its lowest ebb.

Surprisingly though, most of these despicable things are sanctioned by people we entrust with public offices. The syllabus in schools is desperately being revised to accommodate moral decay as if it's something normal. These are indeed perilous and dangerous times and surely signal the 'last days'. The world out there is desperately trying to muffle and silence every moral voice that speaks of God's standard. These perilous times are here already, you need not be told as you see these things happening before your very eyes in broad daylight. Life as we know it will suddenly come to an end at any moment, this is not to scare you but rather to prepare you. This is your allotted time to be bold and preach the Good News of Christ to every creature!

PROPHETIC DECLARATION

I know the power to overcome sin and temptation is residence in me. I cannot conform to the world's standard. My life will portray the Christ in me wherever I go. I cannot be muted; my voice will make a difference in a chaotic world! Amen!

But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary, and they shall walk and not faint.

It's fascinating that this scripture is comparing the knowledge of God you have as a form of strength that makes the eagles to mount up. The eagle has several characteristics which include, it will never surrender to its enemy, it will always fight to the end regardless of the size of the enemy. Why is the scripture comparing the believer to that of an eagle? Simply because of the endurance and tenacity that is the genetic makeup of an eagle, which should be the same as a Spirit-filled believer. These strong traits of an eagle should make the believer understand that there is something special about you. You cannot be easily moved when situations

raise their ugly heads against you. Like an eagle, regardless of the size, shape or form, your tenacity to hold on and endure till victory must be the only goal with no alternatives.

Many Christians give up very soon too easily and make compromises without paying keen attention to the character and nature of Christ. The moment a storm comes their way, they will start complaining and thinking the whole universe has conspired against them. David never considers the size of Goliath, but he stood his ground till victory was won. That should be your posture when faced with a situation to never ever give up.

PROPHETIC DECLARATION

I am born of God, I am an overcomer, I shall never give up nor surrender. My hope is in Christ till I see my desired results in this year of Wonders without Number. Hallelujah!

For the zeal of thine house hath eaten me up; and the reproaches of them that reproached thee are fallen upon me.

Many times most Christians will start off their Christian walk being very excited and full of energy to just be in the presence of the Lord. They will never forgo a single church service, gathering or conference. They are the first to be there when the Church door opens, the heartbeat for God is at its highest, starting their Christian walk like a sprint.

The unfortunate thing as the race gets long and days turn to weeks, weeks to months and months to years, they begin to dwindle. Now they give excuses, their church attendance becomes irregular and casual. The flame of fire in them is now virtually quenched. This is a terrible

state to be in especially in the house of the Lord. The Bible tells us in Matthew 5:14 that 'Ye are the light of the world. A city that is set on a hill cannot be hidden.'

Today, let that passion for Christ in you be reawakened to show forth His glory. You are destined for greatness and that greatness is within you the very moment you received Jesus as your Lord and Saviour. Jesus has never changed His mind concerning you, it's time to rekindle that fire of the Holy Spirit in you again.

Let's make the maths, if you slept eight hours every day as advised by most doctors to get rest, it means by the time you reach the retirement age of 65 years sanctioned by most governments, you may have slept for almost eight years of your life span! You made not notice that sleep is depriving you of so many things. In this scripture, the enemy didn't plant when the sower was awake nor did the enemy appear when the Sower was alert and sowing. The enemy started sowing his deadly seeds when the sower was asleep! You can now see clearly that sleep is the gateway to give the enemy access to your field, to your business, to your finances, to your marriage, to your children, to your spouse, to your career!

The problem we have in the church is most Christians are sleeping, some even take it to church! In the middle of live church service, they will go sideways dosing to sleep, not being conscious of their surroundings! Making sure that every atmosphere in your house is in order is your responsibility as the priest of your home! The Bible puts it this way in Proverbs 6:10-11 (NIV) 'A little sleep, a little slumber, a little folding of the hands to rest; and poverty will come on you like a thief and scarcity like an armed man'. It is truly time to sleep no more. Amen.

Greater love has no one than this: to lay down one's life for one's friends.

What Jesus did for mankind by laying down his life distinguishes the so-called world religions from Christianity which in essence is not a religion. This kind of love demonstrates how the father cares for his children.

The Bible tells us that 'while we were yet sinners, Christ died for us' (Romans 5:18, KJV). This kind of love as demonstrated by the father should capture our attention in our Christian walk. This is the expression of love that is expected amongst Christians, your love for a brother and sister should echo the same kind of love demonstrated by Jesus and not subject to certain conditions being met.

When you see your brother or sister going astray or falling short somewhere or in something, your correction should be

done purely out of this 'agape' love. We are Christ's imitators and written epistles and need to function like Christ. True love should envelop our interactions with fellow believers and non-believers alike. There is no more room for hatred, anger, gossip and back biting. Let love flow out of your conversation and by doing so, more souls will be won to Christ. Christ is the epitome of true love, and we need to imitate that.

PROPHETIC DECLARATION

For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

One marvels as one reads this scripture as it contains so many things. What form of technology does God use to divide the soul from spirit? What technique is applied to pierce joints and marrow? The word of God according to the scripture is 'living': it breathes, it sees, it moves, it reasons. This is powerful, especially the way the Word of God is being treated as nothing, for scripture to say all these about God's word means we must rethink our approach towards the word of God. From what we know what the word of God does, means we need to reverence the word of God. The word of God on its own is an arsenal,

an army well equipped to create havoc in the enemy's camp.

No wonder why Jesus in his confrontation with the devil employed the word of God by consistently saying 'It is written' repeatedly in his defence and offence. The physical battles you face have spiritual implications which must be dwelt with using spiritual ammunition. If our Lord Jesus faced the arch enemy with the word of God and won the victory, why do you think you will achieve victory in your business and family life void of the word of God? WOW, God's instruction manual to man is inscribed in this scripture. Everything that is required for a man to function and dominate was infused into him by these words as spoken by the Creator. You can now see why I say most of the time that my value is defined by the words I speak and not by anyone else's opinion about me? It goes for every believer. You have been given dominion over everything, the gene to be fruitful, multiply and replenish is embedded in you. God puts you in charge of His creation with the power to dominate.

You are the techno of the Almighty who is endowed with such power to replenish. Therefore, shortage should not be part of your life because you have the God-given abilities to self-generate and repair the part of your life that is broken. When you examine your life and realise that there is no fruitfulness and multiplication, then you know that you have reached a point of malfunction. When you malfunction, stop looking for solutions elsewhere as you have the in-built technology to diagnose your faults and provide remedies in God's word. The sooner you are awakened to this reality of who you are, the better it is for you to exercise dominion.

For we are His workmanship created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.

The workmanship of God created in Christ Jesus connotes God's masterpiece. God took his precious time to mould you. Those who are familiar with making bricks in an old-fashioned method will get this comparison well.

In the process of making bricks, there is a mould used to establish the form of the bricks to be made. The mould is used each time on a brick in exactly the form or shape with the block bearing the image of the mould. That's who we are in Christ. We are fashioned in God's image with the functionality to function in the likeness of God, to do things that God will exactly do. The scripture for today's ends with '... that we should walk in them'. These good

works are prepared beforehand, how many of us are walking in them?

The demonstration of power from on high is part of this package but very few Christians are walking in that power. You are infused with God's DNA and set apart to be a sign and a wonder to your generation, but nobody knows you. The power resident in you is dormant, until you begin to use that power, it will profit you nothing. Until you start to exercise that power of God that is resident in you, your life will not show forth his glory, God has already given you power, it's left with you to act.

He started buying and selling commodities. He was on the stock market just like any legitimate business and didn't wait to be told what to do. Only Christians will wait and wait, telling people, they are waiting on the Lord when in fact the Lord is waiting on them to make that strategic move.

Who do you think gave you that idea? How did you get connected to the resources? Who is keeping that desire and fire to enter business burning in you? By now, you should know it's the Lord's doing. He has already started the work inside of you. You must apprehend this and begin

You have been fishing in shallow waters for a long and now it is time to move further. You have been too local for too long, now is the time to go global, especially with the advent of these new social media platforms. Today as you are moved by the Spirit, do not relax. And Jesus, moved with compassion put forth his hand, and touched him, and saith unto him, I will, be thou clean.

For God to use you in healing the sick, you need to be moved by the plights, needs, and infirmities of others. The element of compassion is there, but it requires being moved in the first instant. Being moved makes something unexplainable be triggered in your spirit as you see or come close to a person in pain. It's like feeling the pain of the person needing healing.

The moment you are moved, instantly you open yourself to reach out to another level of grace where healing begins to flow through your body to your extremities and then when you touch the sick, they recover. If there is no movement within you that will align with the plight of the person and create an atmosphere where the power

of God will flow, then you have embarked on a futile exercise.

God sees your heart as you approach the deaf, the dumb, the blind, the one with cancer or HIV. Being moved to see the sufferer healed, God by His Spirit will release the power to heal and that's how it works. Do not attempt to speak healing in the life of someone in the name of Jesus when you are not moved at all. It will simply be one of those religious traditions that made the word of God of no effect.

PROPHETIC DECLARATION

The love of God is shared abroad in my heart. My heart is receptive to being moved by the needs of others. I shall be a blessing to those around me and to those I encounter!

Luke 7:13

**Matthew 6:21 (KJV)**

For where your treasure is, there will your heart be also.

When you see this verse in your Bible marked in 'red', it means, our Lord Jesus himself spoke these words. If you put your money into gambling, horse racing, or the outcome of sports like tennis, football, rugby, or basketball, then your heart will surely follow. Spectators of these games have invested some money into them, so they are very passionate and keen to be there. The words of our Lord, Jesus will always be true, the same way when you put your finances into the Church, your heart will follow.

Most Christians sometimes take a deliberate decision not to give an offering let alone pay tithe, the reason they gave is the pastor will eat it! They want to play God when it comes to their finances, forgetting that it's in the Master's eyes to see and reward you. You have a duty to support the work of God and that is achieved through your giving.

Some people are just naturally stingy and are noted for that in their families. They will question every penny and cent from their spouse, how much more church. This tendency of withholding your finances knowing that the church will have a need as the GoodNews must be preached to the four corners of the world is detrimental to yourself. When you release what's in your hands for God's work, he will open opportunities to increase your finances in ways you cannot imagine.

PROPHETIC DECLARATION

When I give to God, I am sowing into my future, what I release unto God is never lost. As I sow into this ministry, I am planting on fertile soil and my bountiful harvest is guaranteed. Hallelujah!

Proverbs 23:4

**Luke 17:1 (NKJV)**

Then He said to the disciples, 'It is impossible that no offences should come, but woe to him through whom they do come!'

This subject of 'offence' or being 'offended' is very delicate and deep-rooted within the body of Christ. It cannot be exhausted in a few lines or paragraphs as it goes beyond many boundaries. Church leaders are offended or get offended; church members get tired of the church because they get offended by a fellow brother or sister in the Lord.

At times it becomes complicated to tell a brother or sister the sincere truth because they get offended easily even for their own good. A true believer must have a teachable spirit to accept correction and take honest rebuke to better their lives. If you decide never to change, 'woe' will

come to you. An offence is like a trap when you fall into it, you will be entrapped. Never be offended over little things or trivial matters, it will only eat up your soul with bitterness. Let that offence bounce back and choose to be joyful in the face of adversities.

In Proverbs 18:19, we read 'A brother offended is harder to win than a strong city. And contentions are like the bars of a castle' Do not be the one to fulfil this scripture! Learn to forgive when offended and don't be the one through whom an offence is generated!

PROPHETIC DECLARATION

I cannot be easily offended as a child of God. My heart is steadfast on the Lord and I will not be moved by offences regardless of their intensity. I will always stand my ground in Christ and proclaim victory over every offence in Jesus' mighty name. Amen!

1 Corinthians 3:6 (NKJV)

I planted, Appollos watered, but God gave the increase.

The scripture for today speaks of three basic aspects of an agricultural process: planting, watering and increasing. The first two are done by men, the last one is only God that makes it happen. When you hear and see branches of the church springing up in every city, country, and continent, you should be excited and celebrate. Probably, the planting has been done before you arrived on the scene, but that does not exclude you from watering. Watering what has been planted does not require special skills. If you are excited about the children's ministry in the local branch, then volunteer your services there. If it's singing, then register your interest with the praise team or choir or hospitality, then join the ushers etc.

Whatever you want to do in the house of the Lord to water His vineyard, there is room for you. There is one area where everyone is welcome, that's in giving to ensure that the Good News is spread throughout the earth and more churches are planted: in that way you are involved in planting. Giving excuses is not an option, you are qualified! God expects you to be active in ministry. You have the gift, talent, and potential to attain that stature in Christ.

PROPHETIC DECLARATION

There is no task that I cannot perform through the Holy Spirit in me. I have the calling and gift to fully participate in the work of the Lord. I can never sit nor be passive anymore, I am now full of energy to promote the Good News! Hallelujah!

Acts 18:4

**Mark 11:23 (KJV)**

For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which He saith shall come to pass; He shall have whatsoever He saith.

Many believers have read this verse of the Bible repeatedly and yet, they are not having the expected results. There seems to be something lacking in the basic understanding of this verse. Today, I want to place emphasis on 'and shall not doubt in his heart, but shall believe', as this is the key to having whatsoever you say. Not doubting what God says in His word will determine the removal of this mountain before you. Have you noticed that Jesus spoke about 'this mountain' which implies that the mountain is not far from you? This mountain could be your financial challenges,

your health issues, your spiritual growth etc. The very thing that you are struggling with right now is the mountain God is talking about. Your greatest asset in obtaining the victory you need lies in totally believing what you say with zero per cent doubt.

Begin to expand your horizons and thought process completely annulled of doubt and unbelief. When you realise this and begin to doubt your doubts, when you decree and declare to situations and circumstances in your life, the intended results will be produced in the name of Jesus.

PROPHETIC DECLARATION

My heart is free of doubt, therefore, whatever I do, whatever I desire, it shall come to pass in my life. I cast every inch of doubt away from my life forever. Hallelujah!

Matthew 21:21

**Luke 9:57 (KJV)**

And it came to pass, that as they went in the way, a certain man said unto him, Lord, I will follow thee whithersoever thou goest.

This scripture is very important to everyone who considers himself a believer or non-believer. Whether you are right now in ministry or not, it's for all followers of Christ and potential followers. The name of the person in the scripture wasn't given, the Bible simply says a certain man, but we know it truly happened. This man volunteered to follow Jesus. Many times, most Christians and churchgoers are waiting to be asked to do tasks which they know they have the expertise in within the church.

We are all called to ministry and as such we are given certain gifts, talents, or potentials that when applied will move the

church of God forward. The reluctance or waiting to be called upon the attitude that is circulating within the church slows the progress of the gospel. For others, it's just a calculated move and intentional, while for others it's timidity. Whichever camp you fall in, the central theme here is avoidance of service. We are called to service, soldiers in the Lord's army, requiring us to be active and on fire for Jesus. I can't imagine anyone on fire that would remain calm, not at all! That person will swiftly run looking for ways to put off the fire. Therefore, let's run with this strange commission God has given us today!

PROPHETIC DECLARATION

I am now on fire for Jesus, no enemy can keep me down. My life will shine brilliantly and attract others to see the Christ in me. I cannot be ashamed of the Gospel for it is the power of God over the enemy.

Matthews 8:22

**Acts 3:1 (KJV)**

Now Peter and John went up together into the temple at the hour of prayer, being the ninth hour.

Jesus' disciples after His ascension put on a dangerous garment called 'PRAYER'. These guys were so fascinated with prayers that it became a lifestyle. They were always in prayer mode to the point that they named a certain hour of the day 'hour of prayer'. It was a regular and normal way of life for them, no wonder they turned the world upside down in their dispensation. Note that prayer is the bedrock of Christianity. If you can find time to eat, then you should equally find time to pray. The Bible specifically instructs us '...men ought always to pray and not to faint' (Luke 18:1, KJV).

Some believers will say, I don't know how to pray. When you don't know what to pray and how to pray, it's time you ask the Holy Spirit. He will teach you His language which is speaking in tongues which are perfectly understood by God, but your natural mind will not comprehend it. As you pray in the language of the Holy Spirit, the Holy Spirit will make intercession for you. Things that you may have taken for granted in your life, in your business, in your family, and in your spiritual walk will be interceded for as the Holy Spirit takes over your prayer session in accordance with the will of God. Don't neglect your prayer life because that is what sustains you as a Christian. Be serious about your prayer life today!

PROPHETIC DECLARATION

I am now shifting gears in my prayer life. I cannot live a prayerless life. I am a child of God and I know the only way to communicate with the Father is through prayer. Amen!
