Canon

CANON VIRGINIA, INC.

A man with grey hair, wearing a blue polo shirt and a black head-mounted display (HMD) with a lens over his eye, is looking through a white and black microscope. He is in a factory or industrial setting, with blurred machinery and equipment in the background. The HMD has the text "SPRINT MAGN-VISION 40-178-8" on it. The microscope is a compound light microscope with a white body and black eyepieces and objective lenses. The man's hands are visible at the bottom, working on a small object on a workbench.
