The Great Awakening

My Theme: Think For Yourself

2) Before he ran for the White House no one had accused Donald Trump of being a racist. In fact, he had been honored many times by people and organizations that support minorities, like Jesse Jackson's Rainbow PUSH Coalition.

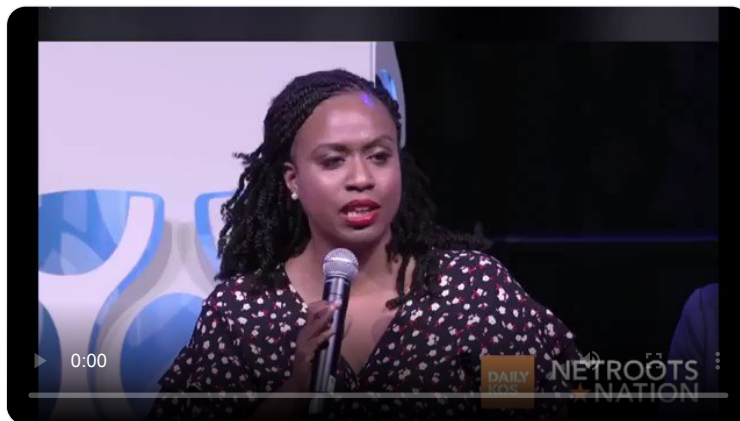

3) Donald Trump addressed attendees of the Rainbow - PUSH Coalition Wall Street Project Conference in 1999.

4) Ilhan Omar has accused the President of being a racist.

5) But it is the radical left that has chosen to divide us by race, by religion, by sexual orientation and every other demographic that suits their agenda.

6) When those who are controlled create a fake narrative, those who are asleep accept it as truth.

Q encourages us to think for ourselves.

7) Morning Joe and Mika like to accuse Donald Trump of being a racist.

8) But even Joe Scarborough admitted he'd never hear Trump say anything racially insensitive.

9) If Joe knows Donald Trump isn't a racist, why does he participate in the attacks?

He does what he is told by those who control him.

10) On July 10th, Q said more news would be coming regarding Planned Parenthood [PP].

[PP] news coming.

11) I don't know if this is what Q was referring to but today, we learned that Dr. Leana Wen was fired as Planned Parenthood's President in a secret meeting.

Dr. Leana Wen Out As Planned Parenthood President

"I just learned that the [Planned Parenthood] Board ended my employment at a secret meeting," Wen tweeted on Tuesday.

12) According to Wen, her departure was a matter of philosophical differences. The organization wanted to focus on abortion care while she wanted to focus on broader healthcare issues.

Wen later [tweeted](#) a letter addressed to her Planned Parenthood colleagues, thanking them for their hard work. She also doubled down on the claim that she and the organization parted ways over philosophical differences, writing that the organization wanted to prioritize abortion care while she wanted to advocate for a “broad range of public health policies.”

Planned Parenthood Federation of America board chairs Aimee Cunningham and Jennie Rosenthal thanked Wen for her service in a Tuesday afternoon statement to HuffPost.

13) In other Planned Parenthood news, The Trump administration's new policy prohibiting funding for abortion referrals will take effect immediately.

Another rule requiring that family planned clinics do not share space with abortion providers will take effect next year.

An attorney for new victims reports one victim claim that Jeffrey Epstein had sexual contact with her while serving his sentence.

Hopefully, Judge Berman will consider that at his bail hearing.

18) Q ended a post on the 14th with the signature "Godfather III"

19) Previously, Q said that his signatures reference upcoming events that are about to drop.

"A 200-strong force of FBI and Italian police targeted the New York Gambino family and the Sicilian Inzerillo Mafia clans during dawn raids this morning in Sicily."
