My theme: At What Point Do People Wake Up?

<https://pbs.twimg.com/media/DuLr0dHXcAEbRC0.jpg>

2) Many people are wondering at what point the rest of the world will wake up and see the truth we've discovered.

The diffusion of innovation theory explains the process new ideas like Q must go through before they become accepted by the majority.

3) One year ago, Q was only known to a handful of people. Today's people around the globe are standing side by side to spread Q's message of freedom and unity.

From the yellow vests in France to the South Pole, people are waking up.

<https://pbs.twimg.com/media/DuLz4r9XcAEY1ag.jpg>

4) Q and the President have been coordinating with posts and tweets.

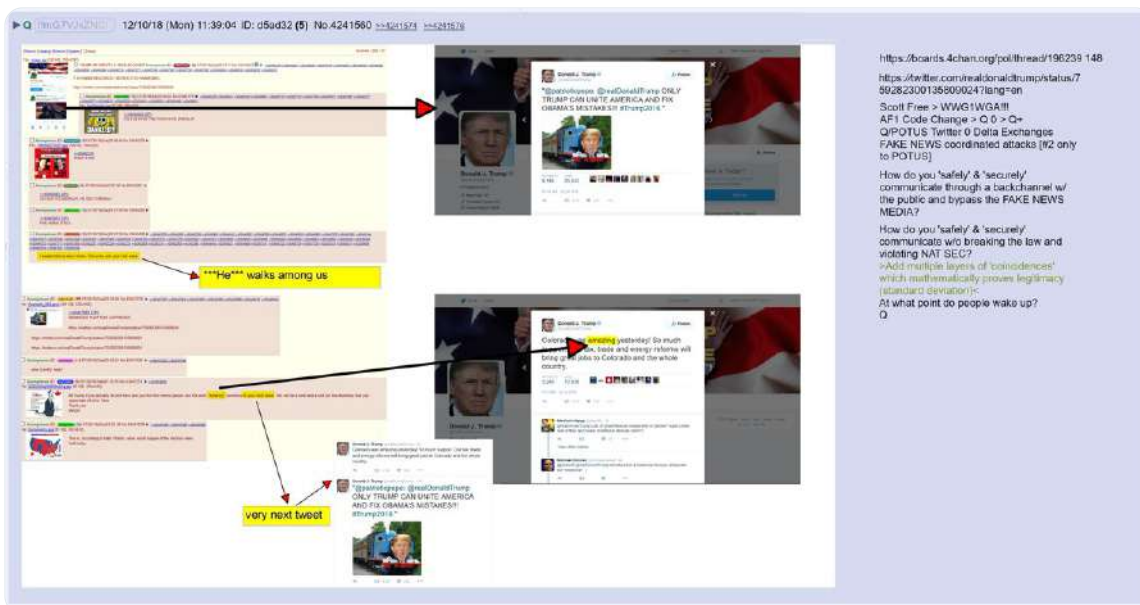

A few days ago, Air Force 1 flew under the call sign Q o (Q+)

A tweet by POTUS about Scott Free leads you to the company that produced the film "White Squall" where the phrase "WWG1WGA" comes from.

5) Q and the President are providing intel drops to help us see what's happening behind the scenes without violating national security laws.

The "coincidences" help verify the source of the information.

6) POTUS has been on 4chan longer than most people realize. This graphic shows a couple of interactions he had with the anons in July of 2016.

<https://pbs.twimg.com/media/DuL4RqKW0AEtlvx.jpg>

7) Here's an explanation of the above graphic.

On July 29th, 2016, Patriotic Pepe Tweeted a meme.

14) Knowing that the hammer is about to drop, John Podesta's friends are trying to get ahead of the Clinton Foundation news by writing articles clearing him of any involvement in the "pizzagate conspiracy."

Public disclosure of any search warrant materials would seriously jeopardize the integrity of the ongoing investigation. Continued sealing is essential in order to guard against possible tampering of witnesses and destruction of evidence, to maintain the ability of the grand jury to investigate this matter, and to prevent the disclosure of sensitive investigative techniques and methods.

In 1909, we lost everything.
 My father caught on.
 1st to the Bilderbergs,
 then he caught on the NASA.
 He demanded to know who the grey's were and why they were here.
 They killed him.
 I strategically staged my own death, allied with the one person in this world
 whom I knew was honorable enough to trust, and we began to build "The
 Plan."
 Penance is coming.
 Regardless of what you think, you are not yet awake.
 You do not know how deep this goes.
 If you knew, you could not sleep.
 Many of you could never go on.
 You need each other.
 You need every ONE of you.
 Learn to play nice with each other or be left behind.

If one stumbles, pick them up.
 If one asks a question, give them the answer.
 That is how we grow.
 There's no more room in the plan for arrogance and self importance.
 If you turn ONE away, you've hurt the plan.
 If you hurt the plan, you'll be left behind.
 We are watching.
 We see it all.
 There are no secrets.
 You would never believe the files kept on everyone of you, for that matter, you'd never believe WHERE they are
 kept.
 Prepare for the next phase.
 Prepare each other.
 You are one.
 And...

Some websites that host Q posts underline initials and acronyms.

Websites will underline acronyms (CIA, FBI, NSA) and initials (LL, JC, HRC)
Websites to not underline abbreviations such as Mr, Mrs, Jr, Sr, or Dr.

I take this as confirmation that POTUS is negotiating to get Snowden extradited.
