**ONE ISLINGTON PLAZA
CONSTRUCTION UPDATE
NOVEMBER 2017**

One Islington Plaza Devon Street, Liverpool, L3 8HA

What's new?

Devon Street is buzzing with construction activity this month as steel frameworks can now be seen emerging from the site's soil.

Following the successful completion of the drainage and foundation works last month, steelwork erection is now well underway and we are beginning to see the skeleton of the nine-storey development, which promises to be a landmark building in the gateway to Liverpool's Knowledge Quarter.

As things stand, no extension of time has been granted and the development remains set for completion in September 2018.

Building Consents continue to carry out regular inspections. No adverse comments have been made.
