How The Word Sausage Re-Presents The New World Order

The English language was created out of many old alphabet languages and called the New World Language. All languages were created by the Freemasonic families, the bloodlines of the aristocrats, high priests, etc, so their languages are all about their world and about glorifying their world. They glorify how they are, as the chosen ones, the elite. Everything they do and what they stand for is in plain sight in their symbols and languages but they do not teach us to de-code their messages so we remain ignorant and therefore under their control.

We have taken just one word, *sausage*, and broken it down so that you can see how it works. It may seem far-fetched but this is really how their languages work; the phonetics and etymology give them lots of hidden meanings that illustrate their Grand Plan and enable them to communicate amongst each other in front of the dumbed down sheeple who have no idea what they are really saying.

We suggest you read **His-Story/Her-Story** for background to this: <http://loveforlife.com.au/node/8529>

Anyone can have a lot of fun pulling words apart. The key is to look at it from an every day, practical sense. It really is in plain sight.

We have provided some links that we have used to help us break the word *sausage* down but we have deleted a lot of the info as we don't want to spend too much time on this and to minimise clutter and confusion. However, you can follow the links to find out more if you choose to have more fun unravelling insights.

What we have found in breaking down this word; Greek mythology, sexual abuse, phallic symbols and the connections between the bloodlines of the Freemasonic families, the Presidents of the USA, the royal families and how it all interconnects, just as we see when we deconstruct the lithographs of George Washington. Just from the word sausage! How interesting that we end up with the same symbology, the same stories, the same messages and the same origins and outcomes!

What is a sausage? Dead animal, raised for the purpose of being killed and eaten, sacrificed in ritual abuse so that it is full of trauma. The scraps of dead corpse for the poor, the living dead who have become desensitised to death and destruction, and celebrate the death and destruction with a BBQ that they share with other living dead, filling their bodies with burnt dead filling that has no life force energy to nurture their bodies. And all this death and destruction that they put into their bodies raises the Freemasons to their exalted status while the rest of us continue destroying who we really are and what we are really part of.

aut

Latin

Etymology

From a Proto-Indo-European *h₂eutos, with cognates such as Gothic (auþs).

Conjunction

aut

or Marcus ludos videbit aut dormiet.

Marcus will watch the games or sleep.

Aut Caesar, aut nihil. Either Caesar or nothing (figuratively: all or nothing)

Aut disce aut discede. Either learn or go away.

Usage notes

This word is used in pairs (aut ... aut) to mean "either....or".

Unlike vel, this word implies an exclusive "or"; i.e., one option or the other, but not both.

(see similiar distinction in Polish: "albo" and "lub")

Latvian

Etymology

From Proto-Baltic *aw-, from Proto-Indo-European *ew-, *ow-
"to tie, to bind" > "to put on, to dress". The original meaning was
probably "to tie, to wrap (around the foot)", whence "to put on
(footwear)".

Very serious perverts they really are watching and participating in anal debauchery - to dress up and tie down their ritualised victim/s = sodomised = Any of various forms of sexual acts regarded as perverted, especially anal intercourse, oral-anal contact, or sexual intercourse with an animal. To us the Latin "learn" is all about blackmailing their Freemasonic initiates to keep them locked in to their "orders", forever and keep secret everything entrusted with them, etc...

Also, to us this "Marcus will watch the games or sleep."

means

sleep means death - you cannot stay alive as you know too much unless you keep in line

watch means participate in the truth, be fully illumined to the secrets of Freemasonry.

The Freemasonic Greek Gods Of Their System

To us, all Greek mythology is just stories illustrating aspects of "The System", created by illuminated Freemasons who created the Freemasonic languages of those times. The meanings and symbolism of these fake-languages were transferred into the New World Language of English to create the New One World Order system. All Freemasonic languages are being brought into "one", which is why English has roots in so many Freemasonic system languages.

When you look at everything in everyday practical sense, the Greek God mythology is all just about men and women, MAN on land, MAN on Earth. Everything else is made up. Some of the men and women have decided that not all men are equal and that they have the right to rule other men and women. This is all that is going on.

URANUS

<http://www.thefreedictionary.com/Uranus>

2. (in Greek myth) a personification of the sky, engendered by Gaea, with whom Uranus mates to produce the Cyclopes and Titans.

Gaia = Earth. Uranus mates with Earth = the Freemasons use Earth to make material forms of their intellectualisation/illumination as in buildings, roads, money, etc, the things that make up "The System" they use to rule us. To us it is very clear that the Greek, Roman and Nordic gods are all about "The System", no different to the

Legend of Hiram Abiff of Freemasonic lore and the way George Washington points his trowel, his "devil's tail", at the Delphic Oracles and the pillars of Freemasonry in the lithographs above.

It is directly connecting "The System" with the Greek, Roman and Nordic mythologies, etc. While they keep everything in plain sight by teaching us all their myths and legends, they use his-story and race and culture to hide the ancient roots of their bloodline connections to the Grand Plan of their founding father, the "Grand Architect", their God. They need to break it all up and make his-story seem like a series of only loosely related events so that the relentless march of their Grand Plan is not detected by most of us.

Uranus is the personification of the sky, which is the colour blue that the Freemasons use to represent their system thoughts of illumination that are all the constructs and concepts that form "The System" that everyone has to be educated (brainwashed) into to raise them up as the Divine "G"ods ruling over duped-MAN everywhere.

LOLLLLLLLLLLLLL ur-anus

Word Origin from Greek gaia earth

CYCLOPS

What does the cyclops represent? The abominations caused by sexual abuse and desecration of MAN and MAN'S Earth/nature under "The System". All Cyclops has is one eye which is the All-Seeing Eye, which is in the image of Freemasonic illumination. They are completely mesmerised, fully controlled drones who have no unique vision because their brains are full of illumination. The cyclops of today are all the duped, the drones, the robots who will enter the New World Order happily ever after, oblivious to their enslavement. It would not surprise us if genetic manipulation back then caused real cyclops, just as genetic manipulation today is creating aliens, clones and all sorts of mutations that are generally kept secret to be brought forth when it suits the agenda, such as an alien invasion.

OCEANUS

<http://en.wikipedia.org/wiki/Oceanus>

This article is about the personification of the world-ocean in Greek myth. For other uses, see Oceanus (disambiguation).

Oceanus

Oceanus at Trevi.JPG

Children Thetis, Metis, Amphitrite, Dione, Pleione, Nede, Nephele, Amphiro, and the other Oceanids, Inachus, Amnisos and the other Potamoi

Roman equivalent Ocean

Oceanus (/oʊˈsiːənəs/; Greek: Ὠκεανός Ōkeanós,[2] pronounced [ɔːkeanós]) was a divine figure in classical antiquity, believed by the ancient Greeks and Romans to be the divine personification of the sea, an enormous river encircling the world.

Disambiguation is the process of defining a word so that it is no longer ambiguous. The whole of system thought is ambiguous until it is defined to us through our education in "The System". By understanding the constructs of "The System" we can clearly set them into motion and thus create the dream that those constructs belong to. Oceanus is the ocean of illumination, the sea that we see through our cyclops eye. Is this the "third eye" that New Agers love to worship?

We weren't there to see how Earth really was before the firmament collapsed but Freemasons often use truths in their storytelling. In everyday practical sense, the river is their sea, the commercialisation of their world that we see, driven

by all the slaves who live for the Golden Age of that system dream. This is just system thought creating a commercial for everyone to animate and advertise, embracing Earth.

Remember that the world is "The System", not Earth. They have already tried to create a one world system, one world Earth before, and they are going for it again.

Oceanus was manufactured out of MAN creating the constructs of "The System", just as we are doing today. All the governments, armies, law, etc, being used to bring us all together as one under the New World Order. Just as the system of commerce is the commercial, so Oceanus was the commercial advertising the river of commerce (slave labour as well as money) back then. Remember that the Freemasons use a lot of natural symbols such as doves, eagles, trees, rivers, that they have their own twisted symbology associated with. Nothing has changed and the same scam continues.

A divine figure is an esteemed illuminated Freemason, aka George Washington.

A divine personification of the sea is Freemasons creating an Earth-wide System of Illumination using many slaves to make this happen and being revered for it by their orders/sects/fraternities/brotherhoods/sisterhoods/etc. Nothing has changed, they are still doing this today.

CRONUS

<http://en.wikipedia.org/wiki/Cronus>

Cronus /'krounəs/ or both Cronos and Kronos /'krounəs/[1] (Greek: Κρόνος [krónos]) was in Greek mythology the leader and the youngest of the first generation of Titans, the divine descendants of Uranus, the sky and Gaia, the earth. He overthrew his father and ruled during the mythological Golden Age, until he was overthrown by his own son Zeus and imprisoned in Tartarus.

Cronus was usually depicted with a Harpe, Scythe or a Sickle, which was the instrument he used to castrate and depose Uranus, his father. In Athens, on the twelfth day of the Attic month of Hekatombaion, a festival called Kronia was held in honour of Cronus to celebrate the harvest, suggesting that, as a result of his association with the virtuous Golden Age, Cronus continued to preside as a patron of harvest. Cronus was also identified in classical antiquity with the Roman deity Saturn.

Cronus took over from his father, castrating him and deposing him. How did Cronus usurp intellectual thought when Cronus is intellectual thought, illumination? Was this a shift, the handshakes of Abiff as "The System" goes through different stages? There is a celebration of Cronus as patron of harvest - what are they harvesting here? Well, in preparation for their Golden Age, the Freemasons are harvesting lots of souls, stealing their life force energy to maintain their system.

In the end, it is all to do with MAN with Cronus re-presenting a stage achieved in the Grand Plan and new level of brainwashing, of altering our thinking so that we were more pliable, more easily manipulated into supporting and maintaining "The System". Their plans take many generations to bear fruit. Men and women from Europe were inspired to go to the New Lands of America searching for freedom. They were allowed to do so, building the infrastructure of "The System" in America, thinking they were doing it as free men and women.

As they settled and formed middle classes, their children and children's children forgot what it felt like to be slaves, so they did not resist when governments of this so-called free country began to tighten the nooses around their necks once more, to the point where we now welcome tighter controls in the name of "safety". All this has taken generations to achieve but when you have endless resources both in wealth and men and women working for the cause, a few hundred years is nothing.

What we are showing here is the shift, as Cronus overthrows Uranus and then is overthrown by Zeus. These are the transitions of the grand Plan, the gradual processes of thought control. As well we have the "ages", the renaissance, the printing press, the industrial revolution, the technology age, etc. All of them massaging, massaging, massaging our brains. The different gods re-present the different stages of the Grand Plan.

Is Prince William the next Titan, usurping his father, Prince Charles for the throne? Or is he Je-Zeus, which is what we think he is.

The divine descendants are the Freemasonic bloodlines because they consider themselves to be the chosen ones, the divine. They are Freemasonic descendants of their ancestors (Founding Fathers/Mothers), just as we have today. Everything about them in their world is "divine" including the illumination of all the constructs/concepts (tools) used to create and maintain their dead-corpse world. The world is "The System" - the world is NOT Earth/Nature.

The Titans were the descendants, the children of Freemasonic bloodlines.

The English serfs, commoners & slaves turned over a percentage of their labour, the harvest of crops, animals, maintenance and building works for their masters, etc, as payment to their Land Lords/Barons/Masters, for being able to live on a plot of land. Were the harvest celebrations for the serfs who had worked so hard to produce the abundance the Landlords received? More likely a celebration of the chosen ones receiving the seasonal harvests from their slaves. Much to celebrate. These Freemasonic rituals still continue today under a series of other guises.

Cronus is also known as Saturn, which is another name for Satan.

TITANS

http://en.wikipedia.org/wiki/Titan_%28mythology%29

In Classical Greek mythology, the Titans (Greek: Τῑτάν Τῑτάν; plural: Τῑτᾶνες Τῑτᾶνες) and Titanesses (Greek: Τῑτάνης Τῑτάνης; plural: Τῑτᾶνίδες Τῑτᾶνίδες) were members of the second order of divine beings, descending from the primordial deities and preceding the Olympian deities. Based on Mount Othrys, the Titans most famously included the first twelve children of the primordial Gaia (Mother Earth) and Uranus (Father Heaven). They were giant deities of incredible strength, who ruled during the legendary Golden Age, and also comprised the first pantheon of Greek deities.

Among the first generation of twelve Titans, the females were Mnemosyne, Tethys, Theia, Phoebe, Rhea, and Themis and the males were Oceanus, Hyperion, Coeus, Cronus, Crius, and Iapetus.

The second generation of Titans consisted of Hyperion's children Helios, Selene, and Eos; Coeus' children Lelantos, Leto, and Asteria; Iapetus' sons Atlas, Prometheus, Epimetheus, and Menoetius; Oceanus' daughter Metis; and Crius' sons Astraeus, Pallas, and Perses.

As they had overthrown the primordial deities, the Titans were overthrown by younger gods, including many of their own children—the Olympians—in the Titanomachy (or "War of the Titans"). The Greeks may have borrowed this mytheme from the Ancient Near East.[1]

These are, of course, just the next generation of Freemasons coming through. Also, they were giants, illustrating how we, MAN, were much taller and stronger than we are now, before the firmament collapsed and oxygen levels were vastly reduced.

The pantheon seems to be a building dedicated to "all the gods", the gods being, of course, illuminated high level Freemasons. No doubt, they had the same values of benevolence as well seeming good and fair, keeping the duality constructs of controlled opposition running.

The Titans are no different to the next generation of illumined Freemasons coming through to rule over all their "oneness slaves" under their One World Government System. Examples, William Spencer, Sasha Stone, etc, there are thousands of these exclusive privileged chosen ones popping up all across Earth. Nothing has changed. The Titans have reaped the fruit of their forebears (founding Fathers).

a hard, metallic, grayish white element, used chiefly as a semiconductor. Symbol: Ge; at. wt.: 72.59; at. no.: 32; sp. gr.: 5.36 at 20°C.

[1885–90; German (y) + -ium2]

These families are called blue bloods, strong like metal. Notice how the language is all tied into the bloodlines, showing the connections and the ages of those connections that form the framework, the web, of "The System". They all connect to the greek civilisation, the Roman civilisation and so on. And all of this just from the word sausage! LOL

THE WINDSOR-BUSH BLOODLINE

The Windsor bloodline is Germanium that is Merovingiun going back to Charlemagne and back to Alexander the Great

THE ELITE BLOODLINES

American Presidential Bloodlines

Copied from this link: <http://www.atlanteanconspiracy.com/2008/06/presidential-bloodlines.html>

Did you know all 44 U.S. presidents have carried European royal bloodlines into office? 34 have been genetic descendants from just one person, Charlemagne, the brutal eighth century King of the Franks. 19 of them directly descended from King Edward III of England. In fact, the presidential candidate with the most royal genes has won every single American election.

"This information comes from Burke's Peerage, which is the Bible of aristocratic genealogy, based in London. Every presidential election in America, since and including George Washington in 1789 to Bill Clinton, has been won by the candidate with the most British and French royal genes. Of the 42 presidents to Clinton, 33 have been related to two people: Alfred the Great, King of England, and Charlemagne, the most famous monarch of France. So it goes on: 19 of them are related to England's Edward III, who has 2000 blood connections to Prince Charles.

The same goes with the banking families in America. George Bush and Barbara Bush are from the same bloodline - the Pierce bloodline, which changed its name from Percy, when it crossed the Atlantic. Percy is one of the aristocratic families of Britain, to this day. They were involved in the Gunpowder Plot to blow up Parliament at the time of Guy Fawkes" -Researcher/Author David Icke, "Alice in Wonderland and the World Trade Centre"

If America declared its Independence from the European monarchies in 1776, how is it possible that every single president has descended from European monarchs? If presidents are democratically elected as we are told, what are the odds that we would always choose members of British and French royal bloodlines to lead us?

"The Americas have always been owned and governed by the same royal families of Britain and Europe that conventional history states as being among those defeated during the wars of so-called 'Independence.'" -Michael Tsarion, "Astrotheology and Sidereal Mythology"

"If it really is the Land of the Free and if, as is claimed, anyone really can become the president, you would fairly expect that the 43 presidents from George Washington to George W. Bush would express that genetic diversity. You're having a laugh. The presidents of the United States are as much a royal dynasty as anything in Europe, from whence their bloodlines came." -David Icke, "Tales from the Time Loop"

Researchers like David Icke, Michael Tsarion, and Fritz Springmeier, along with foundations like the New England Historical Genealogy Society, Burkes Peerage, the Roman Piso Homepage, and other reliable genealogical sources have documented these royal presidential bloodlines. Actually, by branching out far enough on the presidential family tree, the dedicated researcher will find that all 44 presidents share kinship, belonging to the same general ancestry, often called the 13th Illuminati bloodline, the Merovingian line, and/or the Windsor-Bush bloodline.

"If you go deeply enough into the genealogical research you will find that ALL the presidents are from this line ...A spokesman for Burkes Peerage, the bible of royal and aristocratic genealogy based in London, has said that every presidential election since and including George Washington in 1789 has been won by the candidate with the most royal genes. Now we can see how and why. United States presidents are not chosen by ballot, they are chosen by blood!" -David Icke, "The Windsor-Bush Bloodline"

Granted the relationships are sometimes distant 10th or 15th cousins, but in a country with hundreds of millions to choose from, this simply cannot be chance or coincidence. Gary Boyd Roberts, a genealogist at the New England Historic Genealogical Society thoroughly traced these connections in his book "Ancestors of American Presidents." George W. Bush himself is directly related to 16 former U.S. presidents including George Washington, Millard Fillmore, Franklin Pierce, Abraham Lincoln, Ulysses Grant, Rutherford B. Hayes, James Garfield, Grover Cleveland, Teddy Roosevelt, William H. Taft, Calvin Coolidge, Herbert Hoover, Franklin D. Roosevelt, Richard Nixon, and Gerald Ford.

Bush is closely related to the king of Albania and has kinship with every member of the British royal family and the House of Windsor. He is related to 20 British Dukes, the 13th cousin of Britain's Queen Mother, and of her daughter Queen Elizabeth. He is 13th cousin once removed from Prince Charles and has direct descent from King Henry III, Charles II, and Edward I of England. Through the House of Windsor and King Henry III, the Bush's and Bill Clinton are genetically related as well.

"According to Burke's Peerage, even according to the official genealogy, Bill Clinton is genetically related to the House of Windsor, the present royal family in Britain; to every Scottish monarch; to King Henry III of England; and to Robert I of France." -David Icke, "Alice in Wonderland and the World Trade Center"

In 2004 George W. Bush ran as a "Republican" against "Democrat" John Forbes Kerry – his 16th cousin. These cousins, related to the same British and French monarchs, are also secret society brothers in the infamous Skull and Bones fraternity. John Kerry descends from King Henry II of England and Richard the Lionheart, leader of the third Christian crusade in 1189. He also has links to royalty in Albania, Sweden, Norway, Denmark, Russia, Persia, and France, but still not enough royal genes to top George Bush. Earlier in 2000 we see the same story - George W. Bush ran neck and neck with Al Gore; another supposed democrat and cousin of the Bush family.

"Al Gore is a descendant of Edward I, Roman Emperors Louis I, II, and Charles II and is direct descendant of Charlemagne which makes him a distant cousin of Richard Nixon and George W. Bush. So the top "democratic" candidates against Bush in 2000 and 2004 were actually his cousins!" -Michael Tsarion, "Where History Ends DVD"

"Never in the history of the United States have two presidential candidates been as well endowed with royal alliances. There has always been a significant "royal factor," in those who aspired to the White House, with Presidents George Washington, Thomas Jefferson, Theodore Roosevelt, Franklin Roosevelt and Ronald Reagan, among others, all boasting blue blood links. Al Gore...a descendant of Edward I, he is also a cousin of former U.S. President Richard Nixon, who resigned from the White House in 1974 for his part in the Watergate scandal. However, Al Gore does have direct links to the Holy Roman Empire. He is descendant of Roman Emperors Louis II, Charles II, and Louis I and is therefore also a direct descendant of Charlemagne, the eighth-century Emperor. The problem is that Gore's Charlemagne links also make him a cousin of George W. Bush." -Harold Brooks-Baker, Burkes Peerage Publishing Director from p. 7, NEXUS magazine, Vol. 8, No 1, January-February edition

By placing bloodline members on both sides of America's faux political dichotomy, the old monarchs have guaranteed their right to throne under the guise of democratic elections. Back in 1996 we see the same tactic as "Democrat" Bill Clinton defeated "Republican" Bob Dole, his cousin.

"Even Bill Clinton and Bob Dole, who 'opposed' each other at the 1996 election, are distant cousins. They can trace their ancestry to England's King Henry III, who reigned from 1227 to 1273, and US Presidents William Henry and Benjamin Harrison ...Clinton has far more royal blood than Dole and is directly descended from the same bloodline as the House of Windsor, every Scottish monarch, and King Robert I of France. This is why he was the Brotherhood's choice." -David Icke, "The Biggest Secret" (191-192)

The Windsor-Bush bloodline reaches from the American presidents, back to British/European royalty, and it doesn't stop there. It continues back through Roman emperors, all the way to Babylonian Kings and Egyptian Pharaohs near the beginning of recorded history.

From Marie Antoinette and King Louis XVI, the French line continues back through Louis XV-I, Charles XI-I, Henry IV-I, Philip V-I, Robert II and many other French monarchs. It passes the de Medici family, specifically Queen Catherine de Medici of France, who supported Columbus' expedition to the "New World" along with bloodline Queen Isabella of Castile, King Ferdinand of Spain, and the House of Lorraine. It was also Queen Isabella and King Ferdinand who started the 350 year Spanish Inquisition, which ordered the murder of millions who refused to convert to Christianity. And from the House of Lorraine, Duke Godfroi de Bouillon became the first Crusader King of Jerusalem.

"Father George and wife Barbara [Bush] are both descendants of Godfroi de Bouillon who, in 1099, led European noblemen in the successful Crusade to recapture Jerusalem from the Islamic faith and moved into the King's palace at Temple Mount ... Godfroi de Bouillon was the first king of Jerusalem and the Duke of Lower Lorraine, a major region for the Illuminati bloodline ...So when George W. Bush, a descendant of the de Bouillon through his mother and father, talked of a "Crusade" against "Islamic" terrorism...this was no slip of the tongue...as was reported" - David Icke "Alice In Wonderland and the World Trade Center Disaster"

The British line goes back from Prince William and Harry, through Prince Charles and Princess Diana, to Queen Elizabeth II, King George VI and V, King Edward VII, Queen Victoria, King Edward III, II, I, and King George III, II, I. Then it passes through King James I who ordered and financed the now most-widely read version of the Bible. Before James came Mary Stuart, King Henry III, II, I, King John (signer of the Magna Carta) and back to the Plantagenet and Habsburg dynasties under the Roman Empire. Other branches carried the bloodline to Scotland, Austria, Germany, Spain, Sweden and even Mexico:

"This same bloodline also includes key Scottish families like the Lords of Galloway and the Comyns; Marie-Louise of Austria, who married Napoleon Bonaparte; Kaiser Wilhelm II, the king of Germany at the time of the First World War; and Maximilian, the Habsburg emperor of Mexico, who died in 1867. On and on it goes into country after country. This bloodline connects into every surviving royal family in Europe, including King Juan Carlos of Spain and the Dutch, Swedish, and Danish royal lines." -David Icke, "The Windsor-Bush Bloodline"

Before the Habsburgs, the House of Lorraine and Charlemagne were the Merovingians (Meroveus/Merovee) who originally brought the bloodline to France and Northwest Europe. Back in 4th century Rome the bloodline passed through Emperor Constantine, the first professed Christian emperor who initiated the Roman Empire's transition into a Christian State and presided over the first Council of Nicaea. He was preceded by the Roman Piso family whom will be discussed at length later. Before them came Herod the Great of Biblical fame and Ptolemy XIV, son of the most well-known Roman emperor Julius Caesar. Caesar actually married into the bloodline through Cleopatra, the most well-known Egyptian Queen. A little further down this very same bloodline brings us to Alexander the Great:

"One common link in this bloodline is Philip of Macedonia (382-336BC), who married Olympias, and their son was Alexander the Great (356-323BC), a tyrant who plundered that key region of Greece, Persia, Syria, Phoenicia, Egypt, Babylon, the former lands of Sumer, and across into India before dying in Babylon at the age of 33. During his rule of Egypt he founded the city of Alexandria, one the greatest centers for esoteric knowledge in the ancient world. Alexander was taught by the Greek philosopher, Aristotle, who in turn was taught by Plato and he by Socrates. The bloodline and the hidden advanced knowledge have always gone together." -David Icke, "The Windsor-Bush Bloodline"

Back the bloodline goes past Alexander, past Nebuchadnezzar IV, III and other Kings of Babylon, all the way to ancient African Kings and Pharaohs of Egypt - Ramesis II, I, Tutmosis IV, III, II, I, Amenhotep III, II, I and many more. For millennia these Kings, Queens, Pharaohs, and Emperors have obsessively interbred with themselves to preserve and spread their bloodline. They have ruled over us since the beginning of recorded history, claiming they were given divine right to the throne by God or gods.

"This 'Divine right' is simply the right to rule by DNA. We have a head of state in Britain to this day who is only there because of her DNA and the whole freeloading hierarchy of the royal family is structured according to a person's DNA relationship to the king or queen ...what is royal rule by DNA if not outrageous racial and genetic elitism? This 'Divine' right to rule has nothing to do with the 'Divine' and everything to do with the real origin of these bloodlines. They

claim to descend from the 'gods' of the ancient world and who or what these 'gods' were and are, I will explain in detail later. The 'royal' families have interbred incessantly with each other since ancient times because they are seeking to retain the DNA corruption that can apparently be quickly diluted by breeding outside of itself. How interesting that the families of the Illuminati and the power elite do the same to this day. Why? They are the same bloodlines.

The royal 'Divine' bloodlines of ancient Sumer and Babylon (now Iraq), Egypt, the Indus Valley and elsewhere expanded into Europe to become the royal and aristocratic families that ruled that continent and most of the world through the British Empire and those of France, Belgium, the Netherlands, Germany and so on. As the people began to challenge and reject the open dictatorship of royal rule the bloodlines began to move 'underground' by operating among the population in all the areas that control modern society ...You will find a similar story all over the world. Credo Mutwa, the official historian of the Zulu nation, told me how so many black African leaders that were placed in power after the colonial masters gave the continent 'independence', came from the bloodlines of African kings and queens who claimed to descend from the same 'gods' as their white counterparts." -David Icke, "Tales from the Time Loop"

Boiling Point

It is well known that there has always been rampant sexual abuse of children throughout religions and the aristocracy, all across Earth. We have heard many, many, many stories from people who have been abused or whose children have been abused, or whose families are involved in the abuse. The same names often come up again and again and they are often names that are well known. We also know that there are many children imported into the country to be ritually sacrificed as well as there being many women who are producers, having children off the record who are then used for rituals. We estimate that there would be around 500,000 Australians who have been sexually abused at some point in their lives up and down the East Coast of Australia. And this is from a population of around 20,000,000.

Obviously not all of those sexually abused are abused in ritual circumstances or by the high level bloodlines but the residues of the rituals spread out into the general population through the generations as a ripple effect. Inside the Freemasonic world, we have heard from a few who have talked to us about this subject. There are movies out there that tell us what is going on. For Example, Eyes Wide Shut, directed by Stanley Kubrick who also directed A Clockwork Orange. Rosemary's Baby is another one. Added to this are movies that tell us about the secrecy of the Freemasonic world. Because this stuff is peddled by Hollywood, our first reaction is to dismiss it all as fantasy, "Oh, that only happens in Hollywood." and our doubt and uncertainty has us push it aside, just as we doubt that we have the power to stop all this horrific abuse, which is what the Freemasons want.

One of the reasons the sexual rituals happen in the Freemasonic world is to keep them all bound together. They make their rituals so horrific with hearts being taken out body parts being eaten and horrific sexual abuse, so that they are compromised so much that they can never break away. They know that there are no limits to the terror of what this world does to their own, and to the families of their own. This is how they are locked in forevermore. Added to this are orgies, both sexual and sensual decadence, fraud, embezzlements and all sorts of other tricks to keep them in fear of going against their orders.

Refer to "**Time of Trauma That Destroys Us**" <http://loveforlife.com.au/node/8547> as this article covers the rituals and how and why they are done, which is to put trauma into the water of MAN'S breath and keeps the trauma going so that we always feel powerless.

We do not want to be like them. Their world is a rolling stone completely out of control and they are all under this wrath, with any of them turning against each other at any time. They need sanctuary, somewhere that they can escape to for protection and healing, for purging and then to work with the rest of us to repair the damage that they have been involved in doing. We do not want to round up a posse and go in with guns blazing or get out the guillotine and repeat the French Revolution. To do so makes us no different from them. We need to start creating Kindoms where they can come and repent. What they are doing is terrible but they were all babies too and they were abused and got at to become like they are.

To get rid of "The System", we have to break this problem down. We have to create a path where these man and women can start to open up and flee Rome and Babylon. This is true love and compassion, forgiveness, empathy, all the virtues of love that we need to live for. If we do not do this, we will probably end up with civil war, judging by the millions of very angry men and women, many of whom are armed, who have been harmed and are aware of what goes on. Vigilantes going into homes and killing people is on the cards and may have already started.

When Martin Bryant was falsely convicted for the **Port Arthur Massacre**, see here: <http://loveforlife.com.au/node/91> we were told by people directly involved with importing guns and the networks connected that over seven million guns came into Australia during the gun amnesty. People got better guns. We know that there are communities all across Australia that are armed to the teeth. In the early days of the Love For Life website we were contacted by people in the gun/vigilante networks who wanted us involved, which we won't do because we are non-violent. Many of them are realising what is really going on and the Freemasonic world knows this.

Since the 1950s, Australia has lost well over half a million farming families at the hands of the Freemasonic bankers so there are many, many very angry people who's lives have been destroyed. And this is just the farmers. There is also a huge body of parents whose children have been snatched by Government Child Protection Agencies leaving whole families torn apart and destroyed, as well as many others whose lives have been destroyed by corrupt Police Officers and Judiciary. The names of those working against their brothers and sisters are known and many possible vigilantes across Australia have them in their sights.

There are those in prominent places who call themselves Australian but their loyalty lies with their International Freemasonic orders and brotherhoods. At some point the apple cart will tip, but in whose favour the outcome will be remains to be seen. This is a very dangerous game, with those on both sides having families and loved ones who are in the line up to be harmed. We have also heard from many ex-military and those who deal in these networks who are very, very angry about what has happened to Australian armed forces members and their families and communities. The internet makes it very easy for these people to connect and compare notes. And, of course, thousands of them are trained to kill!

Even though we do what we can to expose Freemasonry, we do it with the intention to free everyone on all sides. We are all caught up in it, all hurting, and we can only fix this madness by coming together from all sides to stop it. We have worked hard to create and maintain credibility. We are not compromised by any agendas and have not sold out to anyone or anything. This credibility has earned us trust on both sides with many average men and women telling us their stories, as well as some severely compromised Freemasons sharing their stories. We keep their secrets.

Arthur & Fiona Cristian
Love For Life

Out To Get Us

Taking on the Love For Life work has brought with it an intense responsibility to use the influence that we have gained to prevent civil war and vigilante reprisals because this is not a remedy to us. Even though they come after us and are currently coming after both of us for a defamation claim. From what we have heard, Fiona has been issued with a \$10,000 fine without having received any notification of the tribunal and Arthur has been issued with one too but as he has not been in "The System" for many years, he has nothing for them to come after him commercially for. Fiona still gets Centrelink parenting payments so where they think she is going to get \$10,000 from, we don't know. LOL

Fiona received no notification via mail or email. Arthur doesn't open mail addressed to the "name" Arthur if it is to do with system contracts, third party representatives, etc, because he is not in "The System" so they may have tried to send him paperwork but it does not get opened and is immediately returned to sender. Mail addressed to both of us gets opened by Fiona and any matters involving Fiona are dealt with. When it comes to emails from government departments, etc, they are bounced back, unless addressed to Fiona. We only found out about the tribunal and fines because of two recent phone calls from people who have also been targeted. One of these people,

Teresa van Lieshout, posted a video about the tribunal <https://www.youtube.com/watch?v=u6L3jx4KbM0> on December 3rd, which we only watched today, 26th December 2014.

This situation arose because Michael Borusiewicz from Luke's Army <http://www.lukesarmy.com> and <https://www.facebook.com/groups/LukesArmy/> posted a comment on the Love For Life website on the 24th March, 2014, mentioning the name of Sanitised. As we stand for freedom of speech, we left it up. Sanitised called us on the home phone, which is a private number, and spoke to Arthur, and then contacted us by email on the 17th May 2014 about taking the post down. On the 19th May 2014, he sent us another email. We asked Michael and someone who was helping him with legal matters, if they had any first party evidence to back their claims, as we wanted to sight it. We gave them 21 days. When none was forthcoming, we took the comment down. It was up for three weeks from when Sanitised first contacted Love For Life via email. Once the comment was taken down, an email was sent to Sanitised by Fiona on the 3rd June, 2014 informing him that the comment had been taken down. We received no reply.

Fiona has Sanitised's email address from when he first complained so Fiona is going to write to him and to the magistrate saying that she never received any information about the tribunal and including this article. We have no problem dealing with Sanitised in first party which is why we corresponded with him when he wrote to us, and everything was completed with him in first party three weeks later, because we are dealing with the MAN and not third party corporate fictions animating commercial advertisements as offers. They are all strangers to Arthur as he is not of their world. We take dealing with a MAN seriously.

We support freedom of speech and realise that it is important for those who are suffering to have a place where they can express what is going on and how it is affecting them. Over the years, since December 2006, there have been thousands of thousands of comments on the website where people name names. If people post anonymously we remove the posts if they are making claims about people, or we sanitise the names of those being accused. Michael from Luke's Army is not afraid to put his name to his comments so we left it up because he can be easily tracked down. He posted in first party, as Sanitised corresponded in first party and we are first parties so we communicated as first parties, not in commercial of third parties.

The last time the Freemasonic world came after us via the NSW Jewish Board of Deputies and tried to shut down the website, thousands of supporters of freedom of speech rose up against their attack and it failed spectacularly. Supporters from all across Earth bombarded them with emails and phone calls within hours of us having received a phone call threatening us. The situation was very similar as it was to do with a post that we had not written but had left up on the Love For Life website because we stand for freedom of speech. See these links for the full story: Part One: <http://loveforlife.com.au/node/6616> Part Two: THE STEVE JOHNSON REPORT AND VIDEO: <http://loveforlife.com.au/node/6665>

The NSW Jewish Board of Deputies backed off rapidly.

A World Of Impersonators

Everything about the Freemasonic world is always in third party. It is all about everybody explaining everything to others. It is never in first party. First party is when we experience something directly from the sensory-living life-form source of information and nobody has to tell us anything about the experience. When we teach a child a,b,c and they start repeating it back to us, we have now possessed the child because we have got the child to think in our image power as we carry out the original intention of the MAN who started "The System" which is to pull MAN out of his/her natural, unique, original life and bring MAN under the image power of "The System". This process is "The System".

As we grow up in "The System", we learn more and more system constructs and with them all the rules and regulations of "The System" that we are expected to obey. If we seem to fall aside from expected behaviour, we are met with paperwork from Police, government departments, Magistrates and Judges impersonating us as they make claims about us and what they say we have or have not done. They are imposing on us what we can and can't do but the law was put onto us, imposed upon us when we were babies and knew nothing of law. When we have to conform to the law of others around us, including family, we are hijacked from who we really are because we are not allowed to form our unique, original lives as the men and women we are.*

*It is important to realise that we are not talking about people being able to do whatever they want with no consequences. Obviously, if we are harming others, stealing and not giving others the same respect and freedom that we want, our communities have to come together to work the problem out. We are talking about being able to create our lives uniquely so long as we do no harm. We are talking about situations where no one has been harmed, no crime has been committed and the peace has not been broken.

When these "authorities" come to take us to task for not obeying their laws, they are coming for what was put into us through their education and then claiming it as us. Because the education lives in us, it is their education and it is their law that they are enforcing on us through their education of us. They are stealing who we are and filling us with their stories that make us fit in with their intentions. Otherwise, why are they in our lives? What impels them to impose their will on us when we have never asked them to?

If we do not have their education and their laws in us, then what do they have to take an interest in? Any approach towards us is because they are just looking after their interests. Their interest in you is why they are re-presenting you and they have the right to do that because you have a "name" that is registered to "The System", telling them that you are their ward of state. They act on behalf of that "name", which is why you receive letters from them in that "name". That's why they ask you for ID. They are acting as impostors of you because they come in through the "name" but the "name" is not you. It is the "name" of the birth certificate that others were forced into making for you that you are forced to perform for.

When the Policeman comes to you and starts imposing system law on you and you fall under that system law, what we have is a fairytale unfolding with all the actors portraying the roles they have been trained for. The Policeman is a MAN who has been educated into the role of Police Officer and you are a MAN playing the role of civilian-under-the-power-of-Police-Officer-and-statutes that you have been educated into. The "name" is a third party, Police Officer is a third party and the statutes are a third party. There are no first parties here, nothing living. Both of you are acting out your system commercial.

Staging "The System"

Without the animation of the education, the commercial of these performances cannot occur. The whole of "The System", of the life of the "name"/"names" that we, MAN, re-present, is as Shakespeare (Francis Bacon, Freemason) said, "All the world's a stage, and all the men and women merely players: they have their exits and their entrances; and one man in his time plays many parts, his acts being seven ages." The world is "The System" and we stage it. Earth/nature/MAN is not the world. The world and the stage are third parties.

Where can innocent children not exposed to the education of "The System" or anyone exposed to the education of "The System" go anywhere in nature to learn about "The System" without another man or woman already educated having to explain it to them? Shakespeare's stage is make-believe and the roles we play are make-believe, all entered into through the education of "The System".

If we read an innocent child the Freemasonic practise and craft of story-telling that is Alice in Wonderland and that child is seduced into playing being Alice in Wonderland, there is never an instant that we can sense (touch, taste, feel, hear, smell, see) Alice. All the time the child is playing her game of Alice, the only one present with the presence of life is the child. Alice is always a fantasy and never present with the presence of life. No matter how convincingly she dresses up and plays her role as Alice and any other characters that she plays, the story of Alice in Wonderland is still not true. Alice is a "name" that the child is performing. The child is a first party, Alice is a third party.

In her performance as Alice, the child can transform the room where she is playing and its contents into all the props and staging she needs for her game of Alice, just as we have transformed MAN and Earth to fit the system roles that we are playing. This is why we have skyscrapers, cities, cars, roads, etc, everything that makes up the life of the MAN acting as the citizen in "The System", a third party. "The System" is a "name" of many, many, many "names" and children have to be kidnapped from nature so that they can perform the story of these "names" just as the child performs the "name" Alice in Wonderland, which contains many, many, many "names". Without the Freemasonic practised craft of education, none of the story-telling of "The System" can be performed. Under the spell of the story-telling, we are destroying literally the whole of who we really are and everything of nature/Earth that we are really part of to stage "The System".

No matter how convincingly a MAN acts the "name" of Obama, or Pope, or Queen of England, or CEO of a multi-national corporation, it is all fake and has no real power. The men and women, first parties, who have been initiated into the practise and craft of Freemasonry hiding behind the curtains of system roles STAGE everything of significance going on in "The System". They stage all the wars, they staged 9/11, 7/7 London Bombings, high school massacres, hijacking/hostage situations that get played out across world media, destruction to the great Barrier Reef and many, many other "disasters", both ones that seem to be natural and obviously man-made ones. They have to if they want to keep everyone trapped in "The System" through trauma. They can never let us be at peace. They will never admit to their orchestration of the staging of "The System" because the moment they do, it all collapses. This shows you how deeply compromised they are, how deeply they have been initiated into these secrets and why they are under oaths of death and destruction to them and their families, careers, assets, standing, credibility, etc. If it is ever admitted, the people will flee Babylon, Rome, Egypt ("The System") again.

Just as it is very easy to kidnap a child to play Alice, it is very easy to create patsies. There is more than enough evidence of a vast variety of brainwashing techniques that make people be the patsies, the gangs and individuals that cause fear, rape and murder, break and enter and other crimes, both local and international and there is also blackmail, threats to the stooge's family if orders are not carried out, etc, etc. This is all designed to keep our doubt and uncertainty so strong that we never leave "The System" of their story-telling. From the Police Officer, the statutes, the politicians, etc, it is all fake and all staged by third parties, echoed in our entertainment via Hollywood, the music industry, TV, etc. They have even given us "time" to stage our performances, calendars, dates and 'special' days such as Christmas and Easter that each have sets of rules that we perform to.

If we were still fully conscious MAN, we wouldn't have a "name" because we would never be part of any man-made system because we wouldn't feel that we needed it. We would have no doubt about who we are and so we would not need a "name" of doubt.

They can't come into your life unless you have the "name" of doubt which means that you don't know who you are. They have given us a "name" as a mark because "The System" is a world of explanation that comes from doubt and we are given a "name" because we are doubted. Through the "name" you are marked as someone to be doubted. This is why you are under their care and why you are a ward of the state. This is the benevolence of the Freemasons as they tend their flock. If your family knew who they were, they wouldn't give you a "name" and register it because they would have no need to.

The "name" is their conduit to your life force energy that they are stealing when they impersonate you. They have given you the "name", education, laws, etc, so they come to steal you in exchange, as everyone around you steals you when they want your life force energy too. This is why, if you want to give up their world, you have to stop using the "name".

The storytelling of their illumination of their law is in your "name"; their education, their money and all their goods and services, but none of that is you and none of it is true. You might go to their supermarkets, other shops, the schools, the petrol station, etc, but no matter how convincing your performance, it is not true, not real. No matter how many bills you receive in the mail, it is just a story. No matter how much you deal with Police Officers, Courts

and legal paperwork, none of it is true. No matter how many taxes you pay, none of it is true. You have been hijacked.

We are still in the body of MAN that was stolen from nature and most of us sense that things aren't right, even though we can't work out how and why. We sense the falsity of "The System", that it is all non-sense, all the while the echoes of our education and all those lost to the commercial tell us that it is true and right.

The "illumination" of the New World Order will also be staged and we are being prepared for our roles in it now.

Doubters, Doubters Everywhere

So why don't we let each other form the lives we dream of? Because we doubt each other and doubt was why we fell away from Paradise. One of us began to doubt the perfection of the dream of life embodied in MAN and so started pushing his ideas and explanations of how things should be on others. When you have doubt, you have a void and you feel the need to fill it, so you start explaining things to others because you need and expect something from them to fill the void.

This same doubt continues amongst us today and is the reason for laws, locks on the doors, insurance, governments, religions, education, distrust, fear, etc. It is also why we hide from each other behind pen and ink, behind false Facebook profiles and why we do not get to know our neighbours.

As doubt spread through Paradise, so began the uncertainty and the need to impose thoughts and ideas over others. Thus "The System", the illumined Freemasonic world, was born and the doubters working for "The System" began sailing the seas to conquer the tribes because they doubted the tribes and doubted that they could live peacefully with the tribes. They started advertising doubt and recruiting doubters. With the rise of doubt came the fall of peace. When we overcome doubt, we will have peace again.

It is doubt that forms our unrest, our e-motional states, our bickering and gossiping and our wars and poverty. We doubt our relationships, doubt our social networks, doubt our work colleagues, doubt our families, doubt our authorities and we doubt our children. Most of our relationships and system distractions are about filling the void of our doubt and uncertainty.

This is what has become of MAN and the Freemasons are not wrong when they regard us as being weak and in need of their benevolence and guidance. Their doubt in us has created our doubt in us and, in our state of doubt, we are weak and vulnerable and we do seek the guidance they offer, accepting their impersonation of who we are and allowing our magnificence to be trampled under the hooves of system thought.

This impersonating of others is something we learn from a young age in "The System" because it is the basis of "The System". As soon as a first party teaches us about a third party, they are also teaching us to impersonate others. As soon as a parent sees their child looking at a flower and gives them an explanation of it, they are acting as an impostor of the flower, telling the child how to think and feel about the flower and teaching their child how to be an impostor too.

As we doubt our child's ability to connect with the flower and receive all the information the flower has to offer, without any interference from us, we are teaching the child to doubt their ability to do this too. This is the making of hell. What we tell them to think and feel becomes the embodiment of who they are, a fake life, and we give them a "name" to perform what we have explained to them.

Fast forward and soon the child is an adult voting for a Political party that re-presents him/her, despite the fact that they know nothing about him/her, his/her life, dreams and inspirations. Just by re-presenting you, the politician is making claims about you, your life and your intentions. "My constituents want this, they think this, they feel this....." Yet a politician meets only a very small percentage of his/her constituents and only very superficially, so how can he/she re-present any of us?

A politician claims to re-present you but is not you, and then you are forced under the will of the mob that the politician is part of, forced under the laws that are made and enforced by those who re-present you. All a politician can do is re-present ideas of people that have been explained to him/her and a politician does this because he/she doubts that we can take full responsibility for our lives. This is also why we have police, armies, etc. And we prove again and again that we need politicians, police, armies, etc, because we consistently refuse to take full responsibility for our lives, for everything that we think, feel and do so we need them to take on that responsibility.

The System Is The Explanation That Fills The Void Of Doubt

When explanations are imposed upon us when we are young, we become a stolen child. Not only have we been hijacked from creating our true purpose in the dream of life, everyone of "The System" needs and uses our life force energy. We have become vampires because, as we try to fill the void of doubt by taking the energy we need to fill the void from others. This is why "The System" is all about greed and selfishness, about take, take, take, because we are always trying to fill the void.

Because MAN started to doubt, MAN had to take from another MAN. And this is what we all do in "The System", even when we think we love each other. This is the misguided love we wrote about recently. Real love is about creating and sharing abundance in all areas of life, not about taking.

If we look at the story of Adam and Eve, we can see that the temptation that Eve fell for was doubt. She doubted her magnificence which is why she took the apple. The apple from the tree of knowledge that is illumined explanation reinforced that doubt and uncertainty about who she really was and so she fell, taking Adam with her. Was doubt the first lie, the lie that destroyed Paradise? Or was it explanation? MAN in Paradise didn't comprehend lies as lies do not exist in Paradise, and so did not sense lies. But from the lie of doubt unfolded the world of lies that is "The System", based on persuading MAN to give up full responsibility for his/her life, instead allowing others to dictate to him/her how to live his/her lives.

Until we say no to the "authorities" and, behind them, the Freemasons, they think they have the right to rule us, just as Police Officers are taught that they have the right to kidnap you, beat you and even kill you based on what third parties have told them about you. How terrifying is that? We can look forward to a future where people are denied access to shops and services, even housing, because "authorities" have decided we might steal or be a threat. The "authorities" are the "authors" of you in "The System" and, under the laws of "The System", their performance of you is true and your intentions are not. A Police officer in court is not re-presenting you; he/she is performing you and you have accepted that.

If you say or write something about someone in the public domain that they claim is not true, they can take you to court for slander, but this is what we do to each other day in, day out, gossiping about people behind their backs and placing our assumptions over their words and actions. We think that it is harmless, "letting off steam", but the words we say affect others and how they think about whoever we are talking about. We are imposing our will over others when we do this because we are trying to influence our audience to think the same way we do about the subject of our gossip.

Over the years of exchanging views with strangers on the website and Facebook, there have been many, many situations where people have taken what we say and placed a whole lot of assumptions on top of it so that they are no longer able to feel our true intentions. "You're angry, in fear, you think you know it all, you don't comprehend what I am saying.....", etc, etc, etc. And then they ban us from posting in their group or on their wall, forcing their will upon us, even when we point out their assumptions and even though many of them claim to support freedom of speech.

They do not know us, were not in the room with us at the time of writing to experience our anger, fear, arrogance, etc, but they are convinced that what they are assuming is correct. If we are not angry or fearful or arrogant, where are these assumptions coming from?

Freemasonry created the education system, laws, politics, rules and contracts. Freemasonry invaded the lands, setting itself up as a re-representative of the tribes, subjugating the tribes under their authority. Freemasonry is all about stealing who we are. We are generations of stolen MAN subjugated by others acting as impostors of us, imposing their will on us.

Attacking each other's characters and telling each other how to think, feel and behave has never brought peace. There never will be perfect law or politics or religion because they all require people to be under image power that has been forced upon them. If we do not comprehend this, we will not comprehend how to break the power of the spells that are keeping us trapped in "The System". We will remain in third party non-sense in a state of trauma.

When we are in a state of trauma, we are at the effect of someone who has stolen us, impersonated us, and we are reacting to it, to someone who wants you to be under their performance of you, as they dictate. Freemasons introducing laws, rules and regulations is this. All religions, esoterics and occults is this. Freemasonry will never work because it is all about stolen men, women and children performing and you cannot be a Freemason unless you are already destroyed because to be a Freemason in "The System" is to seek to destroy others.

Imposing your will on someone is a curse, which is why we suffer, feel drained, e-motional, etc. Until we stop this, nothing changes. Nature does not teach us this, only those who are already infected by this behaviour because they were taught by others infected by this behaviour, and so on, right back to the invaders who came and imposed their will on the tribes.

Many of us are waking up to the nightmare of "The System" and looking for a way out but we are squabbling about how to fix the problems and still trying to force each other into certain viewpoints. We are not coming from consciousness and connecting with another's consciousness. We are coming from the head, making assumptions and claims and often sensing very little, if any, of the intentions of others. We are UN-conscious of those we are communicating with. This is why there is so much conflict between us. When we come from the heart and sense someone's intentions, there is no conflict, even if we do not agree with each other.

When we do not connect through the senses, it is easy to go to war and kill each other. It is easy to eat a dead animal because we are not sensing the suffering of the animal and the harm its meat is doing to our body.

The Daily Performance

When you get a bill in the mail, an invoice, or when you pay tax, what is actually happening?

Your life force energy is being sucked out of you as you focus on the bill, on how much it is and how you are going to budget to pay it or, if you haven't got the money, how you are going to get it. All of this is taking energy away from the unique, original creation of your life in the dream of life. Multiply this by all the demands of "The System", whether monetary, meaning that we have to have a job to pay the bills, or whether simply in the distractions of "The System" which we may enjoy as a release from the stress of the bills, etc, but which still lead to our spiritual suicide because we are still putting our life-force energy into dead ideas that we have to animate.

We burn in the hell of all the e-motion, the worry, the stress, the fear that we face daily in "The System". This is the constant backdrop to "The System".

We fall away from creating the dream of who we really are because others around us doubt our ability to do it so that we start to doubt our ability too. If parents hadn't learnt to doubt their children, they wouldn't interfere with them. All this doubt and uncertainty comes from living in "The System". If the parents weren't traumatised by system life and aware of many dangers in "The System", they wouldn't feel that they have to protect their children and curb their natural curiosity, truthfulness and lack of doubt about what they can do.

If we did not learn to doubt, we would not have fear and trauma and we would not look to others to guide us. The more we learn to be intellectuals, to focus on animating ideas, the more we lose connection with our hearts and with consciousness.

The seed that falls from the tree grows in response to the rain, wind and soil, blossoming into exactly what it was intended to be. In a pristine environment, there is no doubt about this. The magnificence of that perfection is maintained and glorified without reflection. It already is what it is and doesn't need a name to explain it, thus corrupting it because we now need a third party to explain it, creating doubt.

Left in nature, we are the same, blossoming out of the consciousness all around us and creating exactly who we are uniquely, so long as no one puts anything in our heads about our experiences and sensations of nature. It is these experiences and sensations of nature evoking responses that form the child's life. The seed cannot germinate without soil and water and we cannot germinate into who we really are without the soil and the moisture that is the consciousness of living creator; without this, there is nothing there and we are only shells, vessels and conduits for other ideas that we never created being animated. We are being asked to participate in these commercials, to be part of their animation.

It is the creator's consciousness that comes through us when we create our unique original lives from the inspiration of life all around that consciousness already existing because without it we could not be, our bodies would not be and there would be no life. Consciousness is not about using bio-degradable washing up liquid and solar power. Consciousness is being aware of all of the dream of life always.

The NWO will be everyone thinking that they are conscious but they will actually be animating an idea of consciousness that has been given to them.

Sequential Order

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Name", Contract To "Name", "The System" Of "Names", "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, 1st Party vs 3rd Party, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, ignorance, being fed many many lies and being traumatised. The issue is not overpopulation - there is more than enough land available for every family to have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

Coming Shortly

We live for NO SYSTEM. We do not lose anything by not having a man-made system and, in fact, we gain. We gain our freedom and we gain abundance. Let go of the fear.

A Collection Of Various Love For Life Posts Providing The Big Picture We See Sequential Order

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

Peaceful Transition Through Sacrifice And Service

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

Once we fix these issues, we or our children or our descendants to come, can start focusing on the even bigger picture of getting back to where our ancestors were, as breatharyan's, before they fell into non-sense images to be enslaved by them.

The Cristian Family Declaration

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.
- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.

- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

Update Regarding The Love For Life Home Page And Quick User Guide

We are turning the Love for Life Quick User Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

Love For Life Videos

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

Love For Life Music

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

About Us - Love For Life & The Cristian Family

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is

in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

ADDITIONAL DISCLAIMER

THE CRISTIAN FAMILY SUPPORTS FREEDOM OF SPEECH - FREEDOM OF THOUGHT

Posted Wednesday 17th June 2009

Updated September 2011

**NSW Jewish Board Of Deputies
Has Threatened To Shut Down
The Love For Life Website**

**No Freedom Of Speech - No Freedom Of
Thought**

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the

above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: "**NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of Bank Fraud Condoned By Judges**" <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles**: <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see here: <http://loveforlife.com.au/node/6511> and here: <http://loveforlife.com.au/node/3385> - We also highly recommend that everyone read the brilliant Russian books called **The Ringing Cedars**: <http://loveforlife.com.au/node/1125> - The **Love For Life Website Homepage** also provides lots of inspiring remedy based information: <http://loveforlife.com.au> - If you want to be kept up to date with our work please register to the **Love For Life Mailing List** here: <http://loveforlife.com.au/content/09/05/14/mailling-list>. We usually send two postings per month. Presently (September 2011) there are over 7000 registrations reaching over 500,000 readers across Earth. The website now (September 2011) receives up to 12 million hits per month. Since December 2006, over 100 million people have visited the Love For Life website.

Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
