How Prodentim Supplement Works

Prodentim attacks the root causes of dental problems, helping to promote long-term oral health and hygiene. Our natural ingredients work synergistically to:

Reduce Plaque & Tartar

Green tea extract and xylitol help reduce the bacteria in the mouth responsible for the formation of plaque and tartar.

Strengthen Gums & Teeth

Calcium lactate helps strengthen the gums and teeth, reducing the risk of fractures and decay.

Freshen Breath

Peppermint oil provides a refreshing taste and helps freshen breath naturally, without the use of chemicals or additives.
