{{invitee\_first\_name}}, You're in the right place at the right time!

Hi {{invitee\_first\_name}},

Most people are NEVER in the right place at the right time, **well you are with doTERRA!** Let me tell you WHY, **the Essential Oils Industry is BOOMING**, in just the last 7 years in Europe alone doTERRA has grown from **16 million USD per year to over 400 million!!!**

#### WHY... HOW?

•**There is a GLOBAL Movement of people seeking 'Natural' Health Solutions'** people don't want to keep using over-the-counter meds laden with chemicals for the potential risks of side effects dependencies – addictions – long term ill-effects of continuous use!

•doTERRA provides an amazing range of all-natural 100% pure products, **we are supplying to the HUGE Market Demand!** People want what we are offering, which also creates a very exciting business opportunity, a WIN WIN situation!

•Because **doTERRA is a company of INTEGRITY**, you can always rely on doTERRA to be uncompromising in their exacting standards, we put people before profits, we serve and don't sell, it's just a different way of doing business, it's clearly working well!

**GLOBAL EXPANSION**, even during the pandemic, we launched into Thailand, we launched into India and Chile in June 2022, Egypt and Dubai we think will be next! It's the RIGHT TIME {{invitee\_first\_name}}.

**You could get involved in our AMAZING business if you wanted to?** We have an alignment of many elements which is why this is an '**Opportunity of a Lifetime**' where you can help make a difference in the lives of other people all around the world, whilst developing a hugely rewarding career with us! **This can also be done all ONLINE if you wanted to, this is how I have done it!**

**Watch this 2-minute video, it's called; IS THIS YOU?** If you watch it and you can answer honestly answer this question with a MAYBE or a YES, then **you need to take a serious look at our doTERRA opportunity!**

You can have upto 50 'work flows' so get creative in your emails.... After the first 22 days maybe you could then have 1 email a week, or at least 1 per month. Don't over think it, it's a bit of automation that helps to keep the communication going and hopefully it will help you to have a more effective pipeline!

Having this series of emails will help you to be more efficient with the leads you receive maximising your advertising budget.

Ps, there is NO unsubscribe button if someone asks you to do so, you have to simply ask them to mark as spam!
