Was 'Nazism' ever truly destroyed?

Was it merely a sub-division within a larger organization?

Did ANTIFA organically form?

Flag design coincidence?

Socialist push in US/WW coincidence?

Global power struggle.

<https://americandigitalnews.com/2018/01/07/who-valerie-jarrett-obama-dc-roommate/#.W4mJh-gzqU1>

Michigan Law School in '81. After graduating from the University of Michigan Law School, she went to work for Chicago's first black mayor, Harold Washington. His election had many 60's radicals attributed to it. After Washington's death in 1987, she stayed on under his successor, Richard Daley.

She and her pal Susan Sher recruited Michelle Robinson, then engaged to Barack Obama, and quickly melded her into their lives.

Before Obama's Administration, Jarrett served as a Director of corporate/not for profit boards, including Chairman of the University of Chicago Med Center Board of Trustees. She was Director of the Local Initiative Support Corporation, The Joyce Foundation, and a Trustee of the Museum of Science and Industry. A former Deputy Corporate Counsel for Finance/Development under Harold Washington, Jarrett also continued to work in the mayor's office into the 90's. In 1991, while Deputy Chief of Staff for Mayor Richard Daley, Jarrett hired Michelle Robinson, then engaged to Barack Obama and she was assigned to finance department.

Valerie Jarrett ran the finances for Barack Obama's 2004 Senate bid and served as treasurer of Obama's HOPEFUND. Marilyn Katz worked with Students for a Democratic Society. She is a personal friend of Jarrett's. Remember her for later. Valerie Jarrett was also the daughter-in-law of another powerful Chicago politician and socialite, Vernon Jarrett, a full-blown communist.

Part 3: Importance of \$100M Mark

This is a general limit of funding and appropriation that does not need congressional approval.

I don't have a hard link to the specific parts of US Code, but two specific House resolutions point to this limit - both suspiciously worked on in 2015 as a way to bring more accountability.

HR 427 (<https://www.congress.gov/bill/114th-congress/house-bill/427>)

Why this is highly suspicious and probably illegal. \$100M is a limit that needs congressional approval, but splitting the larger transaction into smaller ones that escape scrutiny is an illegal act for a private company under Sarbanes-Oxley and other Generally Accepted Accounting Principles. Unsure if it's illegal for the gov't, however it's very suspicious and unethical.

<https://pbs.twimg.com/media/DI83nleVAAA7SRS.jpg>

17) The anon said the money was taken from an obscure Treasury account and he posted links to transaction logs.

18) [#Qanon](#) asked:

How were the cash withdrawals in EU categorized/labeled?

Where did the cash originate from?

What time of day did the withdrawals occur?

Who provided SECURITY?

Why wasn't Congress notified?

Why was the U.S. Gov't kept in the DARK?

US law broken?

19) I don't have specific answers to the questions above but it seems [#Qanon](#) is suggesting that precautions were taken by Obama to conceal certain aspects of the payments because laws were broken. (If everything was above board, there would be no need for secrecy.)

20) [#Qanon](#) asked:

Did ALL planes land in the same location (airport)?

No

Why did [1] particular plane land outside of Iran?
To take money to European leaders.

Why was a helicopter involved?
Location of transfer did not have an airport.
(Island?)

21) #Qanon asked: [WHO] did the money go to?

When the President withdrew from the Iran deal, Q suggested there were payments made to European leaders then and that the payments were ongoing. They include fines for violating environmental laws.

So Snowden came from C_A, went to work at the NSA as a contractor to get inside information. Used his position to expose the NSA's data collection program so that MSM could push the narrative to restrict the power of the NSA so that the Clowns could fly under the radar. The NSA's data collection was their worst enemy.

This all went down just before the Iran deal was put in place so that they could execute the deal without NSA oversight. But they didn't realize Rouhani kept his own secret comms as insurance.

That's now coming to light.

26) Inside of Camp Peary, there's a C_IA training facility called "The Farm."

#Qanon suggested that Snowden worked there.

(In a later post, he suggested Nellie Ohr also worked there.)

Camp Peary

Camp Peary is an approximately 9,000 acre U.S. military reservation in York County near Williamsburg, Virginia. Officially referred to as an **Armed Forces Experimental Training Activity (AFETA)** under the authority of the Department of Defense, Camp Peary hosts a covert CIA training facility known as "The Farm", which is used to train officers of the CIA's Directorate of Operations, as well as those of the DIA's Defense Clandestine Service,^[1] among other intelligence entities. Camp Peary has a sister facility, "The Point", located in Hertford, North Carolina.

Porto Bello, the historic hunting lodge of Lord Dunmore, last royal governor of Virginia, is listed on the National Register of Historic Places and is located on the grounds of Camp Peary.

U.S.-HOLY SEE RELATIONS

The Holy See is the universal government of the Catholic Church and operates from Vatican City State, a sovereign, independent territory. The Pope is the ruler of both Vatican City State and the Holy See. The Holy See, as the supreme body of government of the Catholic Church, is a sovereign juridical entity under international law. The United States and the Holy See consult and cooperate on international issues of mutual interest, including human rights, peace and conflict prevention, poverty eradication and development, environmental protection, and inter-religious understanding. Since his inauguration, Pope Francis has acted as a global advocate for human dignity and justice, placing particular emphasis on the moral imperative of caring for the poor and marginalized and taking action to end social ills such as trafficking in persons. The United States and the Holy See enjoy a positive relationship that serves to amplify a global message of peace, freedom, and justice.

The United States maintained consular relations with the Papal States from 1797 to 1870 and diplomatic relations with the Pope, in his capacity as head of the Papal States, from 1848 to 1868, though not at the ambassadorial level. These relations lapsed in 1870 with the loss of all papal territories during the unification of Italy. The Vatican City State's territorial independence was reestablished in the Lateran Treaty signed by Italy and the Holy See in 1929. From 1870 to 1984, the United States did not have diplomatic relations with the Holy See. Several U.S. presidents, however, designated personal envoys to visit the Holy See periodically for discussions of international humanitarian and political issues. The United States and the Holy See announced the establishment of diplomatic relations in 1984.

At least 18 C.I.A. sources were killed or imprisoned in China between 2010 and 2012, one of the worst intelligence breaches in decades. Investigators still disagree about how it happened.

Wang Wenliang, a Chinese billionaire and donor to the Clinton Foundation was expelled from China's top legislature after being caught up in a widespread cash-for-votes scheme.

69) Since it's illegal for the Chinese government to make donations to U.S. politicians, I suspect they used Wenliang to make the donations. It would be illegal for him as well, but his attorney says he has a green card, which could qualify him as a legal donor.

80) Moving down the post, [#Qanon](#) said Saudi Arabia (SA) exerts control over the energy sector, the tech sector, the global trade in children as sex slaves, and they control certain US and UK politicians.

<https://pbs.twimg.com/media/DmBzIAU4AE-CTa.jpg>

81) How does Saudi Arabia control the tech sector?

Here's one example:

Alwaleed bin Tal is a major shareholder of Twitter stock.

[#Qanon](#)

Saudi Prince Alwaleed Doubles His Stake in Twitter

82) Alwaleed is also the major shareholder of Citigroup, who emailed John Podesta a month before the 2008 presidential election with a list of names that Barack Obama would be expected to appoint after the election. Alwaleed got his appointments.

[#Qanon](#)

83) US and UK politicians are controlled the way its been done for centuries. Money sex, power and secrets. Saudi money funds political campaigns. The Saudis also provide protection for politicians (think organized crime).

[#Qanon](#)

84) Control of politicians is also done by enticing them to engage in sex with minors. The encounters are secretly videotaped and used as blackmail. This type of setup is called "Operation Brownstone."
(Think Jeffrey Epstein)

85) George Soros funds organizations that push agendas into the mainstream to brainwash people:

His money never decreases because the DOJ has a settlement slush fund that replenishes his assets.

86) [#Qanon](#) used a three-sided diagram /_ \ to illustrate the relationship between the Saudis, the Rothschilds, and George Soros. (Each is one side of the diagram.)

The three-sided diagram described the situation before the round-up of corrupt Saudi Princes last November.

/_ \ - Rock (past)(auth over followers)

88) [#Qanon](#) said the diagram would contain no sides after Soros and the Rothschilds have been removed from power

The order of removing these powerbrokers is critical if they're going to be successful

World stalemate.

We all have the goods on everyone else.

That's part of the reason why some things that tie back to foreign heads of state will remain classified (not all).

We are in one of the most critical times of our country. Trump and others are working to balance the we're doing well for America (for the common person to endorse) while at the same time purify our govt and remove the bad actors who are entrenched. There is so much string pulling and blackmail that we need to cut these off to truly gain the power granted to us by the Patriots and hard working people of this great country.

If the FAKE Steele Dossier constituted the 'bulk' of the 'facts submitted' to FISC to obtain FISA warrant(s) against POTUS... Dossier dismissed as FAKE/BASELESS.
 If Mueller was appointed as SC based on the Dossier - and the Dossier was proven to be FAKE/DISINFORMATION - and the Dossier was proven to be the 'bulk' of the information submitted to FISC in order to obtain the warrants (+FISA signers 'pre-mediated' neglect to disclose the actual FACTS (lied to)) - then how is Mueller still SC?
 BO never called to testify re: Mueller?
 Mueller investigating 'Russian Collusion'?
 Why would Mueller not contact BO?
 BO was the 'BACKCHANNEL' between FBI/DOJ & STEELE.
 Why wouldn't Mueller seek testimony?

23. Did Mr. Ohr ever seek ethics advice from DOJ about his participation in this investigation in light of his wife's employment with Fusion? 25. Why did the FBI and the Justice Department fail to disclose Steele's personal bias to the FISC? Specifically, Mr. Ohr informed the FBI that Steele himself was "desperate" to prevent Trump from being elected president. Why was this information withheld from the FISC? Should it have been disclosed in the renewal applications to correct any previous assessments or characterizations about Steele's motivations, as distinct from his client's (Fusion) and funders' (DNC/Clinton campaign)?

Dear Chairmen Grassley, Goodlatte, and Gowdy:

I write in response to recent letters requesting the appointment of a Special Counsel to review certain prosecutorial and investigative determinations made by the Department of Justice in 2016 and 2017. I take the concerns you raise seriously.

Since I took this office, it has been my goal to establish the highest standards for our work and to maintain integrity and discipline throughout the Department of Justice. I know this Department, I respect it and its mission, and I love it and its people. I am deeply proud of the important work that the hardworking men and women of the Department do every day to fight violent crime, reduce opioid addictions and deaths, keep Americans safe from threats both foreign and domestic, and uphold the rule of law. We are determined to be worthy of the responsibility we have been given and to earn the trust of Congress and the American people. I appreciate your support for the Department and our law enforcement community.

Special Prosecutor Tapped by Sessions to Investigate FISA Abuses HAS NOT Interviewed Bruce Ohr

In March, Attorney General Jeff Sessions announced he would not be appointing a second special counsel to investigate crimes committed by Obama's FBI and DOJ.

Rather, AG Sessions revealed U.S. Attorney John Huber will be the 'top federal prosecutor' who will be investigating FISA abuses.

U.S. Attorney John Huber was first appointed to his position by Barack Obama in 2015.

Five months into John Huber's FISA abuse investigation and he still has not interviewed twice-demoted DOJ official Bruce Ohr.

Ohr is a key player in the FISA abuse scandal, so why hasn't he been interviewed by Huber or Mueller??

Bruce Ohr was acting as a backchannel for dossier author Christopher Steele after the FBI terminated him in November of 2016 for breaking protocol by leaking to the media.

"More of a reason to wonder how effective a US Attorney [John Huber] can be cleaning up corruption in Washington when he's based in Salt Lake City," investigative reporter, Paul Sperry said.

Investigative reporter John Solomon also revealed Tuesday that Robert Mueller hasn't interviewed Bruce Ohr either.

Bruce Ohr arrived at Capitol Hill Tuesday morning for a closed-door grilling from House Oversight and House Judiciary members over his contacts with dossier author Christopher Steele.

GOP lawmakers said Tuesday afternoon that Bruce Ohr was being cooperative and answering questions at the closed-door deposition.

Bruce Ohr, former FBI lawyer Lisa Page and Fusion GPS co-founder Glenn Simpson may be called back to testify together to iron out the discrepancies in their testimonies.

What exactly is Mueller and Huber doing if they are not questioning key players like Bruce Ohr??

Mueller's investigation into Russian "collusion" appears to be designed not to protect the country but to protect his former FBI/DOJ regime and their political espionage crimes, says Sperry.

UNITED STATES FOREIGN
INTELLIGENCE SURVEILLANCE COURT
Washington, D.C.

Honorable Rosemary M. Collyer
Presiding Judge

February 15, 2018

Honorable Devin Nunes
Chairman
Permanent Select Committee on Intelligence
United States House of Representatives
Washington, D.C. 20515

Dear Chairman Nunes:

I write in response to your letter of February 7, 2018, in which you request that the Foreign Intelligence Surveillance Court confirm whether “transcripts of relevant FISC hearings associated with” matters described in the letter exist and, if so, provide copies to the Committee. As you know, any such transcripts would be classified. It may also be helpful for me to observe that, in a typical process of considering an application, we make no systematic record of questions we ask or responses the government gives.

The Court appreciates the interest of the House Intelligence Committee in its operations and public confidence therein. Before 2018, the Court had never received a request from Congress for documents related to any specific FISA application. Thus, your requests – and others I have recently received from Congress – present novel and significant questions. The considerations involve not only prerogatives of the Legislative Branch, but also interests of the Executive Branch, including its responsibility for national security and its need to maintain the integrity of any ongoing law enforcement investigations.

While this analysis is underway, you may note that the Department of Justice possesses (or can easily obtain) the same responsive information the Court might possess, and because of separation of powers considerations, is better positioned than the Court to respond quickly. (We have previously made clear to the Department, both formally and informally, that we do not object to any decision by the Executive Branch to convey to Congress any such information.)

<https://pbs.twimg.com/media/DmG646SVAAAUFCk.jpg>

175) Devin Nunes has pondered whether it would be helpful (and appropriate) to ask Chief Justice John Roberts to testify before Congress about the FISA process.

176) For perspective, Andrew McCarthy had this to say about the fact that no hearing was held regarding the Carter Page FISA request.

[#Qanon](#)

Andrew C. McCarthy @AndrewCMcCarthy · Sep 1

Folks, there generally are no hearings on warrants, and you don't want there to be because the four corners of the warrant application must state the probable cause. If they don't, the judge should reject the application, not hold a hearing.

441 1.5K 5.7K

Andrew C. McCarthy @AndrewCMcCarthy · Sep 1

In nearly 20 yrs as a prosecutor, and hundreds of warrants, I never had a hearing to get a warrant. I had judges tell me 'no,' or tell me I needed to beef up this or that allegation with more solid evidence. But never a hearing.

327 1.2K 4.1K

Andrew C. McCarthy @AndrewCMcCarthy · Sep 1

The argument should be that DOJ & FISA judges have higher duty to follow rules and scrutinize applications because, unlike criminal proceeding where there's eventual discovery and hearings, that's all the due process warrant target will ever get.

117 790 1.8K

Andrew C. McCarthy @AndrewCMcCarthy · Sep 1

Should add, fwiw, I do not like FISA, & have always thought judges should not be involved in foreign intel collection. Exec w/ cong'l oversight would be more accountable, and it's not a judicial process so harms judiciary to be seen as rubber stamp.

YOU MUST TARGET, REMOVE, AND SILENCE ALL THOSE ILLEGALLY TARGETED FOR FISA SURV + UK ASSIST.

183) Note that there are 2 mechanisms for surveillance:

- 1) FISA
- 2) UK Assist = The British intelligence apparatus = QCHQ/MI6/Five Eyes.

[#Qanon](#)

184) How do you remove / silence those who were illegally targeted and spied on?

Force them to plead guilty to crimes they didn't commit under the threat of life in prison for espionage.

185) If you apply enough pressure to a person caught up in a foreign espionage case, you can get them to remain quiet about what really happened.

187) FISA Title I surveillance (the kind used on Carter Page) is limited.

It only allows for ELECTRONIC surveillance. [Signals Intelligence]

It is only to be used domestically.

It does not allow for human surveillance [HUMINT]. More on that in a minute.

FISA Surveillance – Title I & III and Section 702

There are two primary types of electronic surveillance - Title III and FISA. Title III of The Omnibus Crime Control and Safe Streets Act of 1968 (Wiretap Act) is directed towards U.S. Citizens. Title...

<https://themarketwork.com/2018/04/01/fisa-surveillance-title-i-iii-and-section-702/>

FISA Title I and III provisions relate to the conduct of electronic surveillance and physical searches for foreign intelligence purposes of persons, facilities, or property **inside** the United States.

- FISA Title I provides for **electronic surveillance** of persons within the United States.
- FISA Title III provides for **physical searches** of premises or property within the United States.

FISA Title I and Title III surveillance require there be probable cause to believe **the proposed target is a foreign power or an agent of a foreign power** and that the facility (can be a phone number) or place is – or is about to be – used by that target.

FISA Title I and III surveillance require formal approval from the Foreign Intelligence Surveillance Court (FISC) – also known as the FISA Court.

Carter Page, a U.S. citizen, was surveilled under FISA Title I. The FBI used the Steel Dossier to portray Page as “an agent of a foreign power” – specifically Russia – to the FISA Court.

The FBI obtained one initial FISA warrant on Carter Page and three subsequent renewals from the FISA Court.

The **House Memo** specifically noted that Page’s FISA order was not under Title VII of the **Foreign Intelligence Surveillance Act** – which is how we first knew Page had been surveilled under FISA Title I.

188) Add to the target of the surveillance anyone they come in contact with incidentally (a tangent) and you have a wider net.

Anyone Carter Page came in contact with in the Trump campaign could also be spied on. (That's the first "hop".)

[#Qanon](#)

189) Add to that, the surveillance capability provided by the Five Eyes agreement with the UK.

UK intelligence doesn't obey US spying laws. Since Americans are foreigners, they're not protected by UK surveillance laws. They can be targeted as foreign nationals.

[#Qanon](#)

Combine the FISA surveillance of the target + any tangents who are in contact with the target + UK surveillance of a foreign national and you have [Umbrella Surveillance.]

192) Translation: By designating someone a foreign operative (spy) the circle of people who are connected to that target can be spied on as long as they're connected by a couple of degrees of separation (hops) in domestic [non-foreign] communications.

193) Example:

P talks to X

X talks to Y

Y talks to Z

P, X, Y, Z = Can all have their communications swept up via BULK DATA COLLECTION [UMBRELLA]

(US FISA laws can be bypassed by getting the UK to assist in the effort.)

196) [#Qanon](#) wrote:

By inserting a human spy [HUMINT] into the system, you can bypass normal FISA laws which only allow for electronic surveillance.

197) [#Qanon](#) wrote:

WARRANT_SPEC_OPS CLASSIFIED PUBLIC

198) If I'm interpreting this correctly, a special kind of operation exists where FISA laws can be bypassed and human spies can be used and this operation is classified.

What does "CLASSIFIED PUBLIC" mean?

Is it classified and not known to the public?

[#Qanon](#)

199) Since we don't have security clearances or a need to know and [#Qanon](#) is not a leaker of classified info, I'll assume the above reference means it's classified for public knowledge.

200) I'll end this [#Qanon](#) thread with this.
