1) This is my Q thread for September 27, 2018.

Q posts can be found here: qntmpkts.keybase.pub

My theme: Welcome Aboard, JUSTICE K.

2) Q had been quiet for a few days (which gave me time to work on my novel and to take care of some other matters—Thank Q!)

After the Senate hearing for Judge Kavanaugh tonight, Q began posting.

Judge Kavanaugh showed America exactly why I nominated him. His testimony was powerful, honest, and riveting. Democrats' search and destroy strategy is disgraceful and this process has been a total sham and effort to delay, obstruct, and resist. The Senate must vote!

3) Judge Kavanaugh's accusers did not make a convincing case against him today. It's reasonable to believe he will be confirmed for the Supreme Court this weekend.

36) Why did POTUS pick a retired Marine Corps general for his Chief of Staff?

John F. Kelly

John Francis Kelly (born May 11, 1950) is a retired [United States Marine Corps general](#) who is the current [White House Chief of Staff](#) for President Donald Trump, since July 31, 2017. He had previously served as [Secretary of Homeland Security](#) in the Trump administration.

Before entering the Trump administration, Kelly had been the commander of [United States Southern Command](#), the [unified combatant command](#) responsible for American military operations in Central America, South America, and the Caribbean. 37) Rosenstein was easily confirmed by the swampy Senate because they trust him. But if Rosenstein is protecting the interests of the swamp, he's working against the President.

38) Q has in the past hinted at the possibility that Rosenstein was flipped and is working with POTUS.

39) What is clear is that Rosenstein is in trouble once the Carter page FISA application is declassified and made public. His involvement in the surveillance of Trump and his conflict of interest will be publicly exposed.

Rosenstein must eventually recuse/resign or be fired.

40) That leads us to the question of who will replace Rosenstein.

Knowing this is a military operation and knowing Rosenstein would eventually be leaving, POTUS and Jeff Sessions made sure Rosenstein's successor would be someone they could trust.

41) They didn't trust Rachel Brand, the next in line Associate Attorney General, so she was removed from the chain of command.

Rachel Brand, the associate attorney general in the Department of Justice, is stepping down from her position, Fox News has confirmed. Brand will be leaving following a nine-month tenure in the role.

TEST [Thursday] by DoD to confirm 'free-flow' of
direct comms.
POTUS SPEC AUTH REQ [think 'the football'].
NSA monitoring for any attempts to disrupt and/or
term access.
CENTRAL Command.

56) What kind of information might the President need to communicate to us directly?

57) I've received prophetic information from friends that indicate the arrests may happen soon. Possibly before the midterms. One person had a dream where POTUS was announcing the arrests of politicians over the Emergency Broadcast System because the media refused to report them.

58) Discussions about the arrest of US politicians and civil unrest bring us full circle to Q's posts from last year about the National Guard (NG) being deployed.

Who controls the NG?
Why was the NG recently activated in select cities within the US?
Can the NG work in coordination w/ the marines?
Do conditions need to be satisfied to authorize?
What former President used the military to save the republic and what occurred exactly?
Biggest drop to ever be provided on Pol. Study and prepare. The masses tend to panic in such situations. No war. No civil unrest. Clean and swift.

59) What would happen if politicians were arrested the first week of this November (as opposed to last November)?

(11-6 is election day.)

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted

11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. They never thought they were going to lose control of the Presidency (not just D's) and thought they had control since making past mistakes (JFK, Reagan).

Good speed, Patriots.

PS, Soros is targeted.

60) In a dream I had this morning, the wealthy and powerful were claiming to be the victims of the process Q is currently involved in.

[Hunters become the hunted?]

61) Q says a Red [October] wave coming. I suspect that will be due partly to arrests between now and November.

Still, the red wave won't happen if patriots don't vote.

(If the Kavanaugh hearing didn't motivate you to vote in November, nothing will.)
