LAGOON 46

DESCRIPTION

The wide spaces, the sense of freedom, the search for innovation and "la dolce vita": here's the DNA of our Lagoon 46. The renovation of the balance among the living areas has let this Lagoon 46 get the most from space onboard, for guests who enjoy a relaxed navigation in complete freedom. The large flybridge with double access and two sundecks allow a 360° view of the surrounding landscape. The helm is central-located, to ensure protection and visibility, but also a great ease of maneuver. The life outside is concentrated on the flybridge and in the large and comfortable stern area, while inside the large cabins give a peace of mind that will make your holiday simply unforgettable.
