My Theme: Impeachment Ends

2) [@KarluskaP](#) was Q'd for this tweet & video.

Trump haters would love to prolong the impeachment trial in the Senate.

Lindsey Graham explained why it is about to come to an abrupt end and an investigation of Joe and Hunter Biden is about to begin.

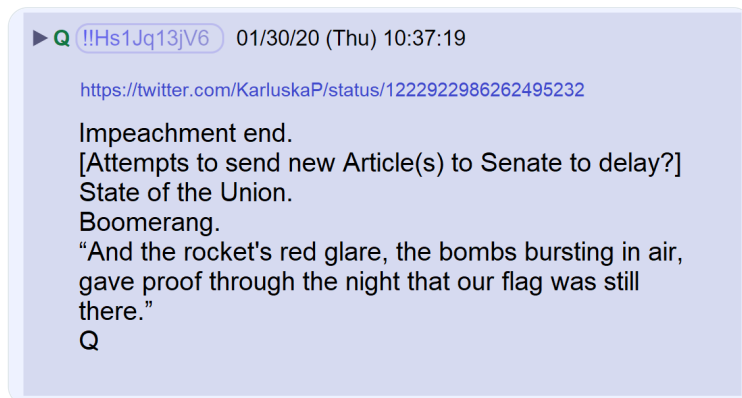

3) House managers have attempted to add charges to the articles of impeachment to

prolong the process.

But the impeachment hoax is nearly over.

POTUS is slated to give the State of the Union Address on Feb 4.

4) Corrupt people have fought to keep the world in bondage.
POTUS has withstood their attacks and he will be victorious.

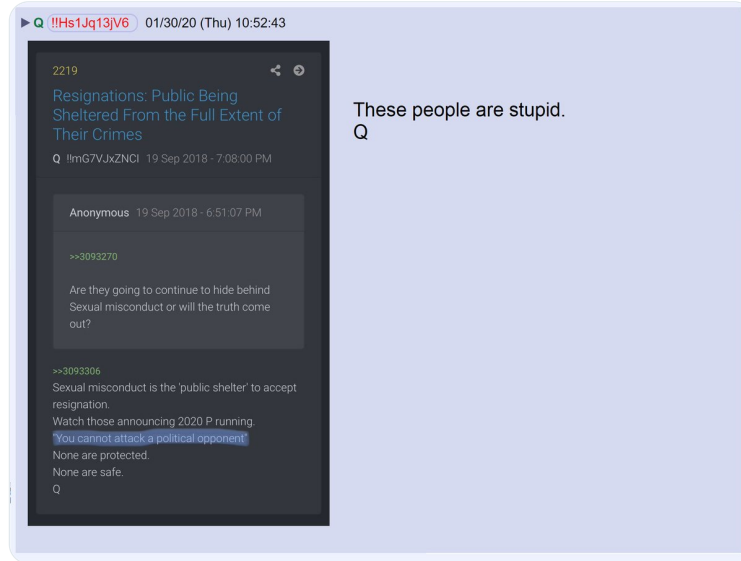

The Union (and the world) are being freed from the grip of tyrannical despots.

5) In September of 2018, Q predicted politicians would run for President just to avoid prosecution.

They would claim POTUS was attacking them as a political opponent.

That is exactly what the media are saying about attempts to expose corruption in the Biden family.

6) In 2017, AG Jeff Sessions announced that he had created a special team to investigate intelligence leaks. On November 15th of that year, the DOJ confirmed 27 open investigations.

7) Q suggested that the whistleblower and his companions in the National Security Council may be on the DOJ's radar.

11) Q said Eric Ciaramella, Michael Carpenter & Liz Zentos are names worth remembering.

(I'm guessing they may be in the news soon.)

12) Supreme Court Justice Roberts would not read a question from Rand Paul during yesterday's impeachment trial because it contained the name of the person who is believed to be the whistleblower.

He tried again today with the same result.

13) The Senator explained that he's only trying to find out if Obama holdovers plotted with Adam Schiff long ago to remove POTUS.

 **Senator Rand Paul** 
@RandPaul 

My question today is about whether or not individuals who were holdovers from the Obama National Security Council and Democrat partisans conspired with Schiff staffers to plot impeaching the President before there were formal House impeachment proceedings.

POTUS will not be acquitted.
Because there wasn't a real trial.

19) In her weekly address, Pelosi accused POTUS of violating the constitution.

Define testimony.
