ONE ISLINGTON PLAZA

Construction Update
April 2018

One Islington Plaza

Devon Street, Liverpool, L3 8HA

Whats New?

Construction is progressing well at One Islington Plaza on Devon Street with no adversities according to the latest construction update by the developer. The contractor has increased onsite labour in cladding subcontractors to help achieve watertight status sooner. This will then allow for internal fit out works to commence earlier.

Maintenance and engineering works have been carried out on floors 5 through to 10.

The internal partitions are in the process of being installed on floors 4 to 10.

Secondary steel framing systems are now being installed.

Internal cladding is now being installed.

Roof will continue to be installed.

Maintenance and engineering works will continue to be carried out across other floors.
