1) This is my Q thread for July 30, 2020

My Theme:

America is Witnessing a Brazen Power Grab.

2) Tucker Carlson's monologue from tonight.

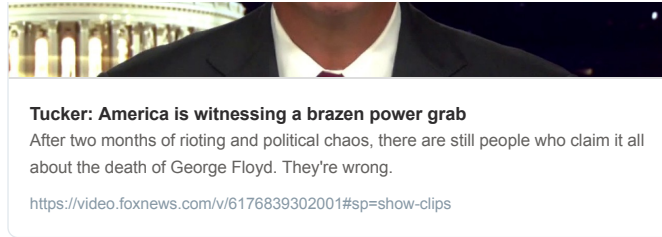

(It's hosted on a Fox website so it shouldn't be taken down.)

3) Tucker explains that those who have been accustomed to running the country were removed from power.

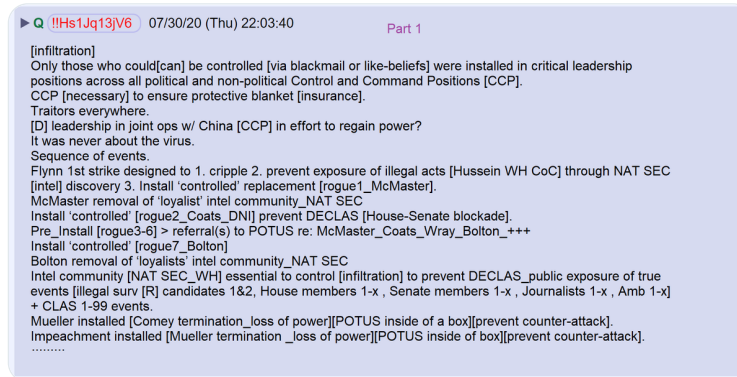

What we're currently witnessing is their last-ditch effort to regain control.

4) This post by Q will be broken up into 4 parts and I'll decode each section.

Only those who could be controlled were placed in key positions.

5) Q used the acronym CCP to indicate Control and Command Positions, which also stands for the Chinese Communist Party. The double entre hints at who really controls U.S. politicians.

6) Full command and control over key positions (CCP) are essential if you hope to run an illegal operation and not have it exposed to the public or investigated by law enforcement.

Traitors went along with the plan.

7) Democrat leaders collaborated with the Chinese government to take back control of the U.S. government from President Trump.

8) President Trump's National Security Adviser General Flynn would have exposed the plot so he was targeted for removal and replaced with a deep state sympathizer, H.R. McMaster.

9) McMaster worked to remove patriots in the intelligence community like Ezra Cohen Watnick.

10) Dan Coats who was loyal to the deep state was brought in as DNI to prevent the release of documents that would expose corruption.

11) John Bolton, Chris Wray & other deep state sympathizers were installed in positions to prevent the release of information about illegal activities including the surveillance of presidential campaigns (POTUS + Cruz), journalists, members of congress, ambassadors & key events.

12) Bolton also helped facilitate the removal of people in the intelligence community who were loyal to POTUS.

13) Robert Mueller's investigation was concocted to keep POTUS under the suspicion of criminal activity and prevent him from operationalizing his plan to drain the swamp. The end of Mueller's investigation allowed him to go on offense.

14) The covid-19 pandemic was developed as a backup plan if the above steps failed.

Think about the main events on the covid timeline and you'll see that at every step, the narrative and actions taken were carefully controlled, though mistakes and miscalculations were made.

C19 insurance plan _above fail

C19 _stage 1: Inform POTUS [intel + CDC + WHO + S_advisor(s)] _nothing to fear _do not close travel
_do nothing [the political 'set up']
C19 _stage 2: Inform POTUS of Dooms Day 'inaccurate' scenarios [models] predicting death count
1mm+ [the political 'force'] _lock down [wipe economic and unemployment gains]
C19 _stage 3: Activate 'controlled' [D] GOVS to 'spike' death count + project statewide fear by presenting
'alarmed' on-ground conditions [hospital [care-supplies] projections].
C19 _stage 4: Push testing, testing, testing to spike 'infected' rate incline due to daily testing inc [the
political 'set up'] _controlled MSDNC failure to report death count [rates] proportional to 'infected' rate

15) Stage 1 of the covid (C 19) plan was to convince POTUS there was nothing to worry about. Discourage him from closing borders to foreign travel and take no action. This would set him up for failure.

16) Stage 2 would go in exactly the opposite direction. Health experts would predict catastrophic death rates, which would be used to justify halting business activities. This would destroy the economic gains the Trump administration had fought for over the last 3 years.

17) Stage 3 would have select Democrat governors force covid patients into nursing homes to increase death rates. The media would run fake (staged) stories exaggerating the impact of the pandemic on health care systems.

18) In Stage 4 the media would insist everyone be tested, knowing that at a certain point (due to herd immunity) nearly everyone would test positive.

Increased positive tests would fuel hysterical news reports of a worsening crisis while decreasing death rates would be ignored,

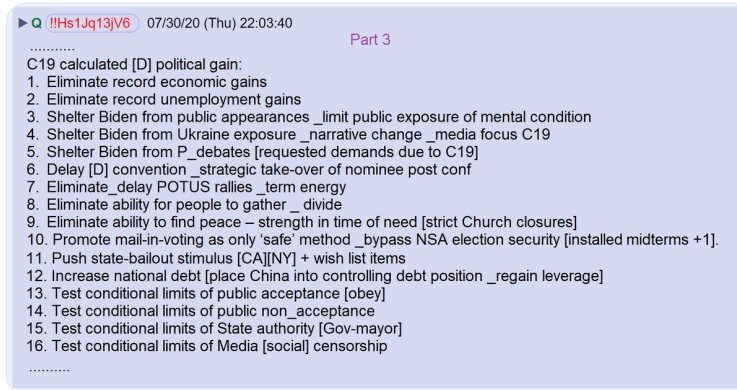

19) To further increase the hysteria, negative tests would be ignored or reported as positive. The deaths of people "with" covid would be wrongly attributed as deaths "from" covid, despite the actual cause of death.

20) Anyone who disputed the official findings of the World Health Organization or other "authorities" would be silenced on social media.

21) Every 4 years, Black Lives Matter is operationalized to create the illusion of racial injustice and raise money for Dem politicians. In 2020, BLM would be combined with covid to draw attention away from real news events and justify the lockdown of society until the election.

22) This section outlines the political advantages of the covid scheme.

Items 1 & need no explanation.

23) Items 3, 4, & 5 outline the benefits to Joe Biden.

Covid lockdowns would allow him to dodge debates, avoid public events and attention would be diverted from his crimes related to Ukraine to the pandemic and violent protests.

24) Item 6 explains that the lockdowns would allow the Democrat convention to be delayed.

After Biden is confirmed as the nominee, he can be tossed aside for the candidate George Soros always intended to run against POTUS.

Get ready. Here she comes... 🕒

25) Items 7, 8, & 9 explain the disadvantages to POTUS and his base. No rallies would demoralize the base. No social gathering causes isolation & division. No church attendance limits spiritual renewal.

26) Item 10 - Lockdowns would be used to justify vote-by-mail, increasing the likelihood of election fraud and overcoming electronic election security measures implemented by the NSA after the 2018 midterms.

27) The plandemic would be used as cover for requests by corrupt and bankrupt state governments like New York and California to be bailed out by U.S. taxpayers.

The crisis would increase federal debt, putting the U.S. at a disadvantage relative to China.

Items 13 - 16 - The plandemic would provide an opportunity to test the citizenry's compliance with excessive and unreasonable demands by state and local officials, the media, and NGOs.

29) Dem politicians and China benefit the most from the plandemic.

For years, the media, the CIA, and politicians have portrayed Russia as the bad guy, while China (CCP) has robbed us blind.

Look here [Russia]  
Do not look here [China].

30) Who benefits the most from the pandemic?

Coincidence?

Coordinated?

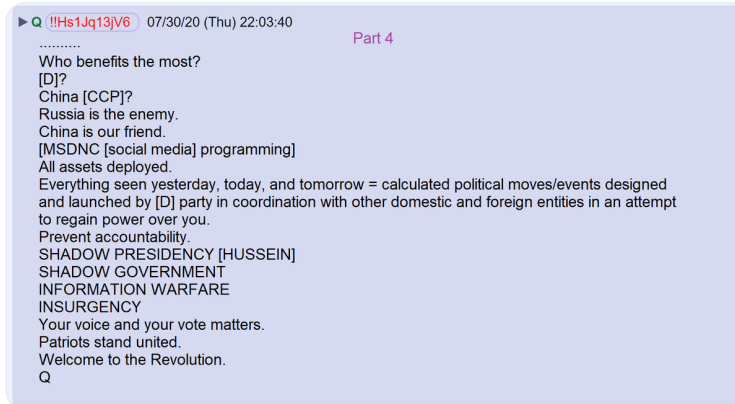

Does the CCP control corrupt U.S. politicians?

Regaining power is all that matters to [them.]

All assets deployed.

Your voice and your vote matter.

Welcome to the revolution.
