2) Some people are obviously on the side of the President. Some are obviously against him. There's a third group whose intentions are harder to gauge. We all have opinions. Few have facts. My own opinions changed in the last few days because of a few things I uncovered.

[#Qanon](#)

3) We've come to a point where past crumbs from [#Qanon](#) need to be examined carefully to determine who is working on the side of the President and who is not.

https://pbs.twimg.com/media/Dc28y3CU0AAE6_c.jpg

4) While I don't doubt that there is a plot to remove President Trump from office, I don't believe there are as many people supporting that effort as is commonly believed.

[#Qanon](#)

5) My discussion about who is supporting the President and who is not is going to be a long one. First, I'd like to cover a few items from [#Qanon](#) that were posted during the last few days.

6) [#Qanon](#) had been posting on his new board /Patriots Fight/ When he went to post the research board, he had a few issues.

Rosatom head to visit Iran

A chief executive officer (CEO) of Rosatom State Atomic Energy Corporation Alexey Likhachev is slated for an upcoming visit to Iran to follow up on power plant projects in Bushehr.

An Iranian delegation headed by Spokesperson for the Atomic Energy Organization of Iran (AEOI) Behrouz Kamalvandi met with Alexey Likhachev, the CEO of Rosatom State Atomic Energy Corporation and the corporation's top officials in Moscow on Tuesday, MNA reported.

During the meeting, the two sides conferred on various issues related to bilateral nuclear cooperation.

Likhachev is slated to visit Bushehr one day before Russian President Vladimir Putin's trip to Iran which is scheduled for November 1, aimed at taking part in a trilateral Russia-Iran-Azerbaijan meeting.

Likhachev will negotiate with Iran's nuclear chief, Ali Akbar Salehi, and participate in the operationalization ceremony of new power plants in Bushehr.

On Tuesday, delegations from Iran and Russia met in Moscow to hail 25 years of bilateral cooperation in the area of peaceful uses of nuclear energy and the new prospects under the Iran nuclear deal.

14) A number of people have asked about apparent inconsistencies in [#Qanon](#)'s statements.

He said 70% of elected officials could be arrested but also said there are more good people in government than bad.

He said there were no deals. But then said some people would get deals

The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail

Elected politicians pass laws and are highly susceptible to bribery & blackmail.
Q said 70% could be jailed.
But... elected politicians make up less than 1% of federal government employees.
Thus...

There are more good people than bad.
Because unelected government workers are not as susceptible to corruption and they comprise 99% of government employees.

deals must be cut

But I thought there were no deals?

Offenders like Hillary Clinton require no corroborating testimony to convict. They will not get a deal.

Other offenders (Peter Strzok, Lisa Page, Bill Priestap) are cooperating with investigators to provide evidence that will help convict others. Cooperating witnesses get a deal that amounts to a lighter sentence.

<https://pbs.twimg.com/media/Dc3pBliUwAAyijI.jpg>

15) Only a small fraction of government employees are elected officials. Because they're more prone to bribery, 70% of them could be corrupt but it would still leave most of the government uncorrupted.

[#Qanon](#)

16) The statement "No deals" isn't applicable to everyone. If you know anything about prosecuting large criminal enterprise, lower level players are given sentencing leniency in exchange for information about people above them.

BREAKING: Five 'most wanted' ISIS leaders CAPTURED in Iraq

ISLAMIC State's (ISIS) five "most wanted" commanders have been captured, President Donald Trump has said.

By HARVEY GAVIN

PUBLISHED: 16:36, Thu, May 10, 2018 | UPDATED: 16:39, Thu, May 10, 2018

The ISIS leaders are said to have featured in a series of sick execution videos, filmed when the extremist group controlled large swathes of Iraq.

In a tweet this afternoon, the US leader said: "Five Most Wanted leaders of ISIS just captured!"

Iraqi officials have described the ISIS commanders as "some of the most wanted" leaders of the terrorist group.

They were named as Saddam al-Jammel, Mohammed al-Qadeer, Ismail al-Eithawi, Omar al-Karbouli and Essam al-Zawbai.

As Attorney General, Eric Schneiderman had the ability to influence the case until he resigned amid scandal.

Why Is the Clinton Foundation Investigation Being Run from Brooklyn? | National Review

The choice of the Eastern District of New York to oversee the investigation of the Clinton Foundation suggests that Obama wanted to help the Clintons.

<https://www.nationalreview.com/2016/11/clinton-foundation-investigation-district/>

<https://www.nationalreview.com/2016/11/clinton-foundation-investigation-district/>

The Justice Department is conducting its probe in a very Clinton-friendly district.

On Tuesday, the *Wall Street Journal's* Devlin Barrett published another eye-opening **report about the FBI's Clinton Foundation investigation**. It elaborates on the pitched battle between FBI agents who believe they are building a strong case and Justice Department prosecutors who have thrown cold water on it, **erecting roadblocks** that have made the agents' work much more difficult.

For reasons worth pausing over, the locus of that battle is the United States Attorney's Office for the Eastern District of New York, which is headquartered in Brooklyn.

As I explained earlier this week, that is the office that Attorney General Loretta Lynch ran for several years after being appointed by President Obama during his first term — up until Obama appointed her U.S. attorney general. That was Ms. Lynch's second tenure running the EDNY. She was launched into national prominence when President Bill Clinton made her the EDNY's U.S. attorney in 1999. So the Clinton Foundation investigation is being overseen by the prosecutors' office to which Lynch is closest — filled with prosecutors she hired, trained, and supervised.

Is it any wonder, then, that the EDNY seems to have broadened its territorial reach?

38) FBI anon said even the Director of the Bureau, James Comey was afraid of getting on the wrong side

of the Clinton Machine.

Apparently, Comey knew he could end up in a body bag. Was that the real reason he declined to recommend prosecution?

There already is enough to indict. Comey has been trying to stall because he does not want to face the Clinton Machine, as well as the rest of Washington D.C. But this case would explode into a million other cases if fully brought to light, and then we would be one agency competing against the entire government and a hoard of other interests. It is a very tense and uncomfortable position.

What is the "Clinton machine?"

Why would the FBI Director be afraid of it?

<https://pbs.twimg.com/media/Dc4G07hVAAAAtKE.jpg>

39) Let's reframe the discussion:

If Comey knew he could be killed by the Clintons, how do you think [@TGowdySC](#) felt about recommending prosecution over Benghazi?

How do you think Robert Mueller would have viewed standing in the way of her Uranium One deal?

[#Qanon](#)

<https://pbs.twimg.com/media/Dc417H6UwAA0uS9.jpg>

40) Rod Rosenstein was US attorney for Maryland that had jurisdiction over the prosecution of the [#UraniumOne](#) scandal.

Do you think he would have sacrificed himself and his family to put Hillary in jail?

41) Last October, [#Qanon](#) asked who was FBI director was during the Haiti crisis. (Robert Mueller was Director.)

Q said, "good people" were forced to go along with the Clintons and their evil because their lives and the lives of their families were being threatened.

Why did Comey drop this?

How much money sent to CF under disguise of H relief went to H?

42) If your response is:
"They should have done the right thing and put the Clintons in jail,"

My response is: The FBI only investigates. They don't prosecute.

If Mueller recommended prosecution, but Eric Holder dropped the case, Mueller risked his life for nothing.

[#Qanon](#)

43) I believe Gowdy, Rosenstein, Mueller and a few others were the ones [#Qanon](#) referred to when he said:

"Could you live with yourself helping to cover up such evil despicable acts if given a safe way out?"

44) What is the "safe way out?"

I believe the generals who recruited Trump offered protection for Rosenstein, Mueller, Gowdy and anyone else who agreed to help them take down the Clinton crime family.

[#Qanon](#)

<https://pbs.twimg.com/media/Dc4PtLiVAAIpbOh.jpg>

45) [#Qanon](#) said Gowdy is one of the few people who can be trusted & that he was stepping down to assume a special role.

Gowdy said he's returning to his work as a prosecutor.

I believe he'll join John Huber & other attorneys (Giuliani?) who will prosecute the deep state.

49) If Trump is protected by generals, then this is a military operation.

If it's a military operation, then military strategies and tactics are being employed.

That necessarily includes diversion, deception and subterfuge.

[#Qanon](#)

50) And that means that not only can you not trust the mainstream media to tell you what's going on, you can't trust Trump's team to openly communicate what they're doing. You don't know their goals. You don't even know who's on their team.

[#Qanon](#)

51) Does that explain why there are so many conflicting opinions about the roles Rosenstein and Mueller are playing?

[#Qanon](#)

52) Does it also explain the mission of [#Qanon](#)?

How would Trump's team convey needed information to allies if the entire operation were cloaked in deception and the media couldn't be trusted?

53) Trump's team would need a publicly available backchannel that used coded messages which could confirm (at the right time) that the President was safe and that everything was going according to (the undisclosed) plan.

That is precisely [#Qanon](#)'s mission.

54) [#Qanon](#) warned us from the beginning that General Flynn played a big part in this mission. His expertise in military intelligence is unsurpassed.
