My Theme: B2 Bomber Revealed

2) On November 7, 2018, the day after the 2018, election, Donald Trump accepted Jeff Sessions' resignation as Attorney General and announced that he would nominate Willam Barr as his successor.

3) On February 9th, 2019, Q hinted that there were people in the Department of Justice who acted as "stealth bombers."

They operated quietly, behind the scenes and accomplished important objectives. Matt Whitaker was one such person.

Q

4) At that time, Q suggested that Robert Mueller's investigation was about to come to an end and it was because William Barr was taking over as Attorney General.

5) Did Barr's appointment as AG force Mueller to end his investigation of POTUS?

I believe so.

And it happened in the most intriguing way.

6) The story is long but I'll provide a brief summary of it here.

In June of 2018, Barr, then in private practice at Kirkland & Ellis, wrote a detailed legal memorandum to then-Deputy AG Rod Rosenstein discussing his interpretation of 18 U.S.C. § 1512(c)(2).

7) 18 U.S.C. § 1512(c)(2) is a subsection of the obstruction of justice statute.

Barr claimed that Robert Mueller was using a skewed interpretation of the obstruction of justice statute against POTUS.

People were puzzled at how Barr would know about Mueller's legal theory.

8) When Mueller issued his final report, sure enough, the last 20 pages of volume II included his interpretation of the obstruction of justice statute.

Barr and Mueller's discussions read like opposing legal briefs on the obstruction of justice statute.

9) Apparently, Mueller planned to use his interpretation of the obstruction of justice statute to prosecute POTUS. When Barr took over as Attorney General, because he was not recused like Jeff Sessions, he assumed oversight of Mueller's investigation.

10) It appears as if Barr then imposed on Mueller's investigation his own interpretation of the obstruction of justice statute, which effectively ended the investigation.

11) [@willchamberlain](#) wrote an article explaining this series of events in more detail.

12) In July, Q dropped hints that another stealth bomber (B2) was operational and this one had to do with Robert Mueller.

Bill Barr's initials are BB... or B(2).

13) Q suggested that the stealth bomber was in flight. I interpreted that to mean that Bill Barr was actively pursuing corrupt people.

[wheels up] is an aviation term that describes an aircraft in flight since landing gear (wheels) are retracted during flight.

14) Not long after this, we learned that Bill Barr and U.S. Attorney John Durham (another stealth bomber) were visiting the UK, Italy, and Australia to interview members of foreign intelligence agencies about their activities related to Spygate.

Barr, Durham Take 'Spygate' Investigation Overseas

The Department of Justice (DOJ) investigation into spying on the campaign of President Donald Trump is going global, ...

<https://www.theepochtimes.com/inquiry-into-spying-on-trumps-campaign-expands-to-it...>

15) Today, someone posted images on /qresearch/ and a message claiming that a big data dump was coming. The appearance of the images made it seem to some as if Q was involved.

16) Q said the images were fake.

His recent silence was necessary due to the release of the IG report.

He asked about statements from Barr & Durham

On February 22, 2018, John H. Durham was sworn in as the presidentially appointed United States Attorney for the District of Connecticut.

Mr. Durham had served as the interim U.S. Attorney since October 28, 2017, after U.S. Attorney General Jeff Sessions signed an order appointing him to the position. President Donald Trump nominated Mr. Durham to serve as U.S. Attorney on November 1, 2017, and the U.S. Senate confirmed his nomination on February 16, 2018.

Prior to his appointment as U.S. Attorney, Mr. Durham served as an Assistant U.S. Attorney in various positions in the District of Connecticut for 35 years, prosecuting complex organized crime, violent crime, public corruption and financial fraud matters.

From 2008 to 2017, Mr. Durham served as Counsel to the U.S. Attorney; from 1994 to 2008, he served as the Deputy U.S. Attorney, and served as the U.S. Attorney in an acting and interim capacity in 1997 and 1998; from 1989 to 1994, he served as Chief of the Office's Criminal Division, and from 1982 to 1989, he served as an attorney and then supervisor in the New Haven Field Office of the Boston Strike Force in the

20) AG William Barr disagreed with some of the findings of the IG report.

His response was posted by the Justice Department at 1:29 Eastern on December 9th.

21) Barr's statement.

Statement by Attorney General William P. Barr on the Inspector General's Report of the Review of Four FISA Applications and Other Aspects of the FBI's Crossfire Hurricane Investigation

Attorney General William P. Barr issued the following statement:

"Nothing is more important than the credibility and integrity of the FBI and the Department of Justice. That is why we must hold our investigators and prosecutors to the highest ethical and professional standards. The Inspector General's investigation has provided critical transparency and accountability, and his work is a credit to the Department of Justice. I would like to thank the Inspector General and his team.

The Inspector General's report now makes clear that the FBI launched an intrusive investigation of a U.S. presidential campaign on the thinnest of suspicions that, in my view, were insufficient to justify the steps taken. It is also clear that, from its inception, the evidence produced by the investigation was consistently exculpatory. Nevertheless, the investigation and surveillance was pushed forward for the duration of the campaign and deep into President Trump's administration. In the rush to obtain and maintain FISA surveillance of Trump campaign associates, FBI officials misled the FISA court, omitted critical exculpatory facts from their filings, and suppressed or ignored information negating the reliability of their principal source. The Inspector General found the explanations given for these actions unsatisfactory. While most of the misconduct identified by the Inspector General was committed in 2016 and 2017 by a small group of now-former FBI officials, the malfeasance and misfeasance detailed in the Inspector General's report reflects a clear abuse of the FISA process.

FISA is an essential tool for the protection of the safety of the American people. The Department of Justice and the FBI are committed to taking whatever steps are necessary to rectify the abuses that occurred and to ensure the integrity of the FISA process going forward.

No one is more dismayed about the handling of these FISA applications than Director Wray. I have full confidence in Director Wray and his team at the FBI, as well as the thousands of dedicated line agents who work tirelessly to protect our country. I thank the Director for the comprehensive set of proposed reforms he is announcing today, and I look forward to working with him to implement these and any other appropriate measures.

With respect to DOJ personnel discussed in the report, the Department will follow all appropriate processes and procedures, including as to any potential disciplinary action."

FOR IMMEDIATE RELEASE
December 9, 2019

DOJ OIG Releases Review of Four FISA Applications and Other Aspects of the
FBI's Crossfire Hurricane Investigation

Department of Justice (DOJ) Inspector General Michael E. Horowitz announced today the release of a Review of Four FISA Applications and Other Aspects of the FBI's Crossfire Hurricane Investigation. The DOJ Office of the Inspector General's (OIG) findings are summarized in the report's Executive Summary, available at the links below.

During this review, the OIG examined more than one million documents that were in the DOJ's and FBI's possession and conducted over 170 interviews involving more than 100 witnesses. The scope of the OIG's review included:

- The decision to open an FBI investigation on July 31, 2016 known as "Crossfire Hurricane" and four individual cases on current and former members of the Trump campaign, George Papadopoulos, Carter Page, Paul Manafort, and Michael Flynn; the early investigative steps taken; and whether the openings and early steps complied with DOJ and FBI policies (**Chapter 3**);
- The FBI's relationship with Christopher Steele, whom the FBI considered to be a confidential human source (CHS); its receipt, use, and evaluation of electronic reports from Steele; and its decision to close Steele as an FBI CHS (**Chapters 4-6**);
- Four FBI applications filed with the Foreign Intelligence Surveillance Court (FISC) in 2016 and 2017 to conduct Foreign Intelligence Surveillance Act (FISA) surveillance targeting Carter Page; and whether these applications complied with DOJ and FBI policies and satisfied the government's obligations to the FISC (**Chapter 5-8**);
- The interactions of DOJ attorney Bruce Ohr with Steele, the FBI, Glenn Simpson of Fusion GPS, and the State Department; whether work Ohr's spouse performed for Fusion GPS implicated ethical rules applicable to Ohr; and Ohr's interactions with DOJ attorneys regarding the Manafort criminal case (**Chapter 9**); and
- The FBI's use of Undercover Employees (UCEs) and CHSs other than Steele in the Crossfire Hurricane investigation; whether the FBI placed any CHSs within the Trump campaign or tasked any CHSs to report on the Trump campaign; whether the use of

Q

56) The Gang of 8 intelligence briefing will be declassified by AG Barr.

It will prove that Adam Schiff "knowingly" disseminated false information.

Q

57) I'm often asked about the claims made by Q in late October, and early November of 2017 that Hillary Clinton and John Podesta would be arrested.

Don't these claims prove that Q is an unreliable source of information?

58) To make an accurate assessment, we need to examine other posts and analyze the information Q provided.

In this post, Q informed us that the world's politicians are controlled by 3 families.

There are more good people than bad. The wizards and warlocks (inside term) will not allow another Satanic Evil POS control our country. Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).

11.3 - Podesta indicted

11.6 - Huma indicted

Manafort was placed into Trump's camp (as well as others). The corruption that will come out is so serious that deals must be cut for people to walk away otherwise 70% of elected politicians would be in jail (you are seeing it already begin). A deep cleaning is occurring and the prevention and defense of pure evil is occurring on a daily basis. They never thought they were going to lose control of the Presidency (not just D's) and thought they had control since making past mistakes (JFK, Reagan).

Good speed, Patriots.
PS, Soros is targeted.

ANSWERS

59) On November 11th, Q said the three families that controlled the world's politicians (the puppet masters) were the Saudi royal family, the Rothschilds and George Soros.

Hard to swallow.

Important to progress.

Who are the puppet masters?
House of Saud (6++) - \$4 Trillion+
Rothschild (6++) - \$2 Trillion+
Soros (6+) - \$1 Trillion+

Focus on above (3).

Public wealth disclosures - False.

Many governments of the world feed the 'Eye'.

Think slush funds (feeder).

Think war (feeder).

Think environmental pacts (feeder).

Triangle has (3) sides.

Eye of Providence.

60) On November 3rd, Q asked about Jared Kushner's trip to Saudi Arabia and what that country is known for. He asked where the biggest political donations come from —another hint that at the time, Saudi Arabia controlled U.S. politicians.

Where is John Podesta?
Where is Tony Podesta?
Did one or both escape the country and was let out?
WHERE IS BO?
WHERE WAS BO YESTERDAY?

Who was authorized to depart? ONLY 1 PLANE was authorized during this 'mandatory forced grounding'.
Who SPECIFICALLY authorized this?
What airport did the departure take place at?
Why is this relevant?
How does it tie together?
Podesta's plane has military escort (i.e. tag) and is being diverted (forced down).
Short delay.

Q

ANSWERS

61) If, as Q suggested, the Saudis controlled Hillary Clinton and John Podesta, they may have been concerned about Q's warnings that these two political figures were about to be arrested.

62) Imagine their surprise when Saudi princes were arrested the following day, November 4th.

63) Anons remembered that Q had warned them about the Saudi royal family. The arrests on the 4th indicated foreknowledge.

Q's warnings that Clinton and Podesta would be arrested were a distraction to keep the focus on the U.S while arrests were being planned in Saudi Arabia.

Graham's role is to make the public aware of corruption through public hearings held in the Senate Judiciary Committee.

86) John Durham's response to the IG report was also published at 1:29 on December 9th.

87) Durham's appointment by Jeff Sessions and Q's public operation began on the same day—October 28, 2017.

Durham released a statement saying he disagreed with the IG findings at the exact time indicated on Q's watch.

Having fun yet?

88) Logic leads us to conclude that the three posts at 1:29 were not a coincidence. Therefore, some degree of coordination with the DOJ and Q or Q+ would be required.

89) Timing is important.

The use of time (timestamps and watches) is an important part of Q's mission. The use of carefully timed events provides validation of the operation though improbable coincidences and maintains adherence to national security laws.

FISA is the START.

90) The information given to the intelligence gang of 8 is going to be declassified by AG Barr. Schiff lied because he never thought that information would be made public.

91) Yesterday, Q asked: "When does the B2 drop the first bomb?"

I suspect this is a reference to declass and not to arrests.

Barr could declassify and release documents at any time.

92) In the above post, Adam Schiff [[[AS]]] is in three sets of brackets.

Q explained the use of brackets in this post.

Kill box.
Q

93) Kill box.

In weaponry, a **Kill Box** is a three-dimensional target area, defined to facilitate the integration of coordinated joint weapons fire. It is a joint forces coordination measure enabling air assets to engage surface targets without needing further coordination with commanders and without terminal attack control.
