3) In this post from December 14, 2017, Q said because they never thought Hillary would lose, they never thought their crimes would be investigated therefore, they were sloppy.

Everyone is connected.  
The map is critical.

Shall we play a game?  
Find the spider(s) and build the web (the 'map').  
Remember, they consider you to be the fly (specifically, the 'feeder').  
**Remember, they never thought she was going to lose.**  
Therefore, they never thought investigations and/or public interest into their criminal acts would be exposed/investigated.  
Therefore, they never thought they had anything to fear.  
Therefore, they openly showcase their symbolism.  
Therefore, they were sloppy.  
.....  
Everyone is connected.  
How about a nice game of chess?

Ask yourself a simple question, should a woman who travels to Syria to support and encourage 'JIHAD' against the 'West' deserve to live.....?

Ask yourself a simpler question, if brainwashed by ISIS terrorists (her husband and other close-proximity fighters), could this same woman be 'tasked' & 'trained' to carry out a TERRORIST ACT upon return?

Why did ISIS launch a social media campaign designed to 'attract' US/UK (and other foreign nationals) to join their cause?

Logical thinking.
