UEBERT & BEBE ANGEL

The founders of Spirit Embassy (The Good News Church) Worldwide, Prophets' Uebert and BeBe Angel are excited to bring you The Good News Daily Kids Devotional.

Each day makes the word of God so much fun! We've made sure every lesson is easy to read and understand.

Children will be encouraged as they read and speak prophetic declarations into their lives every day. The devotional also inspires little ones to have their own quiet times through further studies and notes sections where their thoughts can be journaled. The roots of the Christian faith will be driven deeper in their tender hearts as they grow spiritually and understand the Good News of God's grace in their early years.

Isaiah 43:18 ICB

“The Lord says, “Forget what happened before. Do not think about the past.”

Happy New Year!! Starting a new year is so exciting. It's a fresh start to create plans and set yourself some goals for the year. But Some of you kids might still be thinking about last year. There may be things you didn't achieve or things you couldn't do.

But the verse above tells us to forget the past, that's all behind you. You should be looking towards the future. Start inviting the Holy Spirit in your life to guide you, talk to him about the new year and make plans with Him. Don't forget to write them down and thank God for everything. Remember who you are in Christ

PROPHETIC DECLARATION

This year I shall be successful with everything I do in Jesus Name

**Jeremiah 1:5-6**

Before I made you in your mother's womb, I chose you. Before you were born, I set you apart for a special work. I appointed you as a prophet to the nations...

I'm sure you have been told stories or seen pictures of yourself as a newborn baby. In today's verse, God is telling a Prophet called Jeremiah that he knew him before he was born, God had already planned exactly what Jeremiah would be and that's a great prophet. This is the same for you, even before you were born God set out a plan for your life. He knew you very well while you were still in your mother's belly. What you were going to do as a child, where were you going to stay, who your parents were going to be and what you'll be when you grow up!

What's so amazing about God planning our life is that we know that it's going to be perfect. As long as you let God lead the way we will be able to do everything that God created us for.

PROPHETIC DECLARATION

I am so blessed because God created a perfect plan for my life. I can never fail in Jesus' name!

“Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospers.”

I’m sure you kids have heard people saying that to have a cold when it’s winter or raining is okay. Or it’s normal to be sick from time to time. But what if I told you that as a Christian you don’t have to experience that?

God’s plan for your life is to be well. To have perfect health. If you get sick, God is not happy about it all, it’s not what he

wants for his children.

So anytime you have even the slightest headache, you should tell that sickness to go because that’s not the way God made you. So never allow any sickness to stay in your body. Tell it to leave and it shall listen! You have the power, don’t look at you age – God is in you so you can do it hallelujah!

PROPHETIC DECLARATION

I have the life of God inside me, so sickness can never stay in my body. Divine health is mine in Jesus name

3 John 1:2 KJV

“Beloved, I wish above all things that thou mayest prosper...”

Prosperity comes from the Lord the moment you become born again, prosperity (not lacking anything) is yours.

When you receive money, what would you like to do with it? I’m sure there are a lot of things you can think of!

The verse above is saying God wants you to prosper and be healthy. That’s God’s plan for you

and your family. It is important to understand that when you have money, you have to think of the work of God first. Can you imagine having a lot of money and being able to help hundreds of children who are in need? That’s cool right?

Prosperity is not just about having enough for you but also having enough to help and bless other people. This is God’s desire, for his children to be prosperous. So not having enough is not good and it shall never be the story of your life!

PROPHETIC DECLARATION

Prosperity is God’s plan for my life, I will never lack because God has given me prosperity in Jesus’ name.

Ephesians 2:6

And he raised us up with Christ and gave us a seat with him in the heavens. He did this for those of us who are in Christ Jesus

If I were to ask you guys what Kings or Queens in a country do. You might say they rule the country, they have power over it or they are the ones in charge and make all the decisions.

God created everything that exists and when he created the earth he created it so that we would rule and have dominion over the earth. What that means is that we are in charge and have control of everything on earth. I mean EVERYTHING!

Can you see how much power you carry as a Good News world Kid? God created you to rule. Anything you want to change, you can! Anything you want to happen; you can make it happen. You are a young King and a Queen sitting with Christ because of Jesus in you. Never think you are not important.

"God has made us what we are. In Christ Jesus, God made us new people so that we would do good works. God had planned in advance those good works for us. He had planned for us to live our lives doing them."

So this week we've been talking about God's plan for your life. But some of you may ask, how can I follow God's plan for my life and how do I know what he wants me to do?

The answer is by reading your bible and by praying to God. The more of the word you read, the more you know about Jesus and the more you know about Jesus the more you know who you are and what he wants to do in your life. That's how you figure out his plan for you. Then when you pray, it's your way to communicate with God and to ask him for guidance. And the Holy Spirit will help you with exactly that. Having the Holy Spirit is your advantage. You can simply ask him to help you in whatever you know what God has planned for your life and he surely will.

PROPHETIC DECLARATION

I am following God's plan for my life, I shall see wonders without number, I have divine health and I am prosperous.

Jesus said to the followers, Go everywhere in the world. Tell the Good News to everyone.

Do you know what our main job as Christians is? It's to tell everybody about Jesus. There are some kids in this world who don't know about Him. The best thing you can do as a Christian is to tell them about Jesus.

Think about it this way. If you know that there is a room filled with the best toys, delicious food and amazing games and you are playing in there on your own

while your best friend is in another empty room and has no idea your cool room exists, how might your friend feel and how would you feel about that? What you would do to help your friend is to let him know there is a room filled with amazing things because you love him, and you want your best friend to be happy too. That's exactly how you should see it when you tell your friends or people you meet about Jesus. Being a Christian and knowing Christ is the most exciting thing ever, tell your friends about Him.

PROPHETIC DECLARATION

I am a soul winner and winning many to Christ. My life is a sign that God exists!

Galatians 1:16

Genesis 1:27

So God created human beings in His image. In the image of God He created...

When God created Adam the bible tells us that he made him in God's image and likeness. What that means is that God made him so that he would look like him and also act like him.

God made us so that we could be exactly like him. Not just similar but just like God. He then gave us Jesus so everything about us would be like him. We have the same power as God does too. We

can create with our words just like he did, he gave us power to call things into existence. So when you look at yourself, don't just see yourself as a kid but see yourself as someone who carries the creator of the universe. You have power to do wonders today!

PROPHETIC DECLARATION

Who are you?

Right so you'll probably say your names. Your name is not the only thing that defines you, sometimes you can be called brother, sister, friend, energetic girl or loud boy. Those are the names that the world uses but that's not who you are.

The verse today is telling us it is possible to live your life without hearing what others think or say about you. What really matters is what God says about you. God says you are His masterpiece, you are beautiful, created in his own image that means you are perfect in his eyes.

That's exactly who you are, not what the world says you are.

Now knowing what God says about you matters. You can read your Bible and learn exactly what God says about you and declare it to yourself every day.

I praise you because you made me in an amazing and wonderful way. What you have done is wonderful. I know this very well.

Have you heard someone say something mean about somebody or someone saying something mean about you, it can make you sad. When people say mean things about

you, some of you kids might believe what they say about you, but you shouldn't. Because in the bible verse above it tells you that you were made in an amazing and wonderful way.

You are beautifully made by God. When making you, God thought about how you would look, what you would do, even how many hairs you would have on your head. How amazing. You were perfectly made by him. As a good news world kid, you should always know that and say it to yourself every single day.

Have you ever been selected or chosen to be the best in something in your class or school? How did you feel?

The verse above is telling us we have a special place in God. We don’t need the world to choose

us, but we are chosen by God himself. You were specially selected to be on this planet by God and that makes you very important. There’s nothing more that you have to do to please him, you are perfect in his eyes!

"For we are members of his body, of his flesh, and of his bones."

I'm sure some of you have heard of that song that says; "head, shoulders, knees and toes"... which is just a song that tells you all the parts of your body.

The bible verse for today tells us that we are Christ's members. It doesn't mean like a member of a football club or library member. But the word members there means body parts and limbs. Which are your arms, eyes, legs,

fingers and all the rest.

So this scripture tells us when we sing that song it's not your hand you're looking at but Jesus' hand. It's not your leg but Jesus' leg. Your body is the exact same body Jesus is using right now, isn't that so cool?

This is because Christ is now living, breathing and moving on the inside of us. That's who you are!

The verse for today is saying you are His house, it is very important to look after your house, right? So that means watching what you eat to keep your house clean and healthy. Being careful of what you say or do can also help take care of God' temple. It is import-

ant to behave well as a child of God.

As a temple of God you can't be sick you just have to be bold and tell the sickness to go. You can't be worried about anything you have Jesus inside you. You can perform miracles too because of God living in you. He makes you powerful even if you're only little.

You're blessed to be God's house!

However, the bible verse tells us we can do all things, but this is because God is the one that is

giving us strength. Not yourself!

So whenever you are doing anything, whether it be a test, competition, reading whatever it is. When you know that you're not using your abilities but Gods. Things become so much easier.

"But some people did accept him. They believed in him. To them he gave the right to become children of God. They did not become his children in the human way. They were not born because of the desire or wish of some man. They were born of God."

The verse above tells us the moment you believe in God you become born again, you are automatically made God's child. Now being God's child, you are no longer the same as those in the world and everything in it. Your identity is with Christ.

A lot of people say that things of this world make them who they are. Their likes or dislikes make up their identity. But sometimes things might go wrong and they won't have that anymore. However, being a child of God, you have Jesus inside of you. No matter what comes your way, you will always have your identity with Christ.

Experiment: What you need:

2 empty glasses,
a jar with a lid,
water in a jug
Labels.

This experiment will show who we are in Christ as children of God.

Label each glass. One can be an artist. The other glass can be labelled as sports. The jar is labelled as God's Child. Finally the jug of water represents who we are. Now kids, some might say being an artist is who they are. So pour the water in the glass. Others might say being a football or an atheist is who they are, pour the water into that glass too. Finally, some might say being a child of God is who they are. (That's us!)

Okay kids this is the fun part. Be sure to be careful with the water, try not to make too much of a mess.

Let's say, something happens to the artist which stops them being able to draw anymore. Get the glass and shake it. What happened? The water spilt everywhere right?

Now let's say something also happened to the athlete that stops them from playing

sports. Shake the glass kids! Again, did the water spill?

Being a child of God there are so many benefits. For example, God protects us and loves us so much. He gave us the Holy Spirit to help and guide us in all things. Knowing this, put the lid on the jar. Now shake the jar. What happened kids? The water didn't fall out, why? This is because as children of God no matter what happens to us, we will always be God's children. Our identity is from God's kingdom, not of this world

So kids, what did we learn from the experiment? That saying your identity is in something of this world will not work because you have Christ in you and you are a child of God. That's who you are.

PROPHETIC DECLARATION

I am God's child, that's who I am. My identity is with Christ always!

"I can do all things through Christ who strengthens me."

How often do you find yourself telling yourself that you can't do something? This used to be a common conversation that I would have with myself, until I realized that this was simply not true!

Today's verse makes it so clear why you and I can do anything that we need to do. It is Christ that makes the difference. In other words, "I can do all things

through the One who enables /empowers me to do it."

Last week we learned about who we are in Christ. Therefore, you now know that you are a new creature in Christ, a new breed. That means that there is nothing that you cannot do in this year of wonders without number!

PROPHETIC DECLARATION

I am a new creature in Christ. The word "can't" is no longer in my vocabulary. There is nothing that I cannot do because Christ is the One who gives me strength.

“Do not be shaped by this world. Instead, be changed within by a new way of thinking.”

“I am going to get him back”. “She took my pencil, so I am going to take hers”. “He ignored me so I am going to ignore him next time” Sound familiar? Perhaps you have heard one of your friends say something similar, or perhaps you’re the one who has said such things.

All of these comments are shaped by the world’s way of thinking. In other words, they are a normal way of thinking to those who are not walking as children of God. Even if you have thought or said such things, it is possible to live a different type of life to those around you. How? By changing the way you think with the Word of God. It is possible to be joyful all the time. It is possible to forgive someone who has hurt you. Say yes to the Word today by using it to change the way you think. You will surely come back with a testimony!

"We fight with weapons that are different from those the world uses. Our weapons have power from God. These weapons can destroy the enemy's strong places."

Yesterday we learned about changing the way we think with the Word of God, so that we can as children of God. In today's scripture, we are looking a little more closely at what to do with "wrong thinking".

When you hear thinking like, "No you can't do that, you have never done it before. What if things go wrong and everyone laughs at you?", it

is important to know immediately that such a statement is **NOT FROM GOD**. Weeds grow when plants are just left alone. If not looked after, weeds begin to grow and spread, to the point where they can destroy the plant altogether.

Your way of thinking determines the way you live, it is just that simple. Like weeds, if left alone, "wrong thinking" will lead to "wrong living". When a wrong thought comes, get rid of it by saying, I cast you down in Jesus Name.

PROPHETIC DECLARATION

The weapons I have to fight have power from God. It is impossible for me to lose. Starting right now, I destroy every wrong thinking in Jesus Name.

"Faith means being sure of the things we hope for. And faith means knowing that something is real even if we do not see it."

Ask yourself this question: Is the wind real? We all know that the answer is of course, yes. How do you know the wind is real? Can you see it? Think about it for a moment, we cannot see the wind, but we can see its effects (for example the leaves on a tree blowing back and forth).

As children of God, we walk by faith, and it is important for us to understand that faith is not a feeling. You may feel like giving up on trying to get onto the school football team, but tell yourself, "I will never give up", "I can do all things through Christ who gives me strength". Do not trust how you feel, because it is not reliable. Only trust the Word of God.

Jesus said to him, "If you can believe, all things are possible to him who believes."

This week we are learning about "You are able". Pause for a moment. Ask yourself, "Do I really believe that I am able, to even do things that seem so difficult?" Believing is a powerful tool, because in today's verse, Jesus said that IF you can believe, then ALL things are possible to him who believes.

In other words, the greatness of God that you experience in your

life depends on you! How much do you believe? That will produce what you see in your life.

So start today by telling yourself over and over again, that In Christ, I am able!

What if I were to tell you that there is an even greater superhero than Captain America or the Incredible Hulk? Can you guess who it is? It's you!

In Christ, it is impossible for you to lose. In Christ, you cannot fail. In Christ, you are always winning, because Jesus has declared us winners already! Isn't that amazing?! You are able because of the One who is living on the inside of you. Celebrate this truth today!

So Jesus answered and said to them, "Have faith in God"

Have you ever asked your mum or dad for an expensive toy or shoes or maybe even a phone? The answer is probably yes. Why did you ask them, because you believe that they can afford what you are asking them for. Would you ask your baby brother or sister to buy you a new scooter? Of course not! Why? Because you know that they are not able to buy it for you.

In the above verse, "Have faith in God" actually means "Have the

God-Kind of faith." In other words, do not take no for an answer. No matter how difficult a situation looks, you are to stand firm and tell yourself "I can and I will!"

Maybe your friends do not think that you are cool enough to be on the school dance team. Do not agree with them, but rather take the Word of God that says, "I can do all things through Christ who gives me strength." A bulldozer can destroy any wall that gets in its way. In Christ, you are in a bulldozer, so have the God-Kind of faith that does not stop until it wins!

In today’s verse, the Bible is saying that we should not allow people to change our mind when it comes to living a life for God and serving Him. That we should stand strong in what we believe. This week we are learning about dedication and commitment. This means sticking to something even if it becomes difficult later on. Now remember children that we are not talking about sticking to bad things or not listening to your parents, we’re talking about sticking to the word! Stick to what you have decided to do for the LORD, knowing that it is never a waste of time!

“..looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame..”

It is so easy to look at those around you, to figure out what you should be doing. If everyone in your class is talking in the corridor, then unless you take a stand, you'll probably talk as well. If your friends get their hands on a video that they are not allowed to watch, but go ahead and watch it anyway, without standing strong in God's Word, you can

In today's verse, we are told that if we are going to look at anyone, then we should look at Christ Jesus as our example. We should fix our eyes on Him! Not our friends, not our family, but only Christ Jesus.

In today's verse, we are told that Jesus was determined to experience the joy that was ahead of Him. That was His prize. That is why He went through the pain of the cross, because of the prize that would come afterwards. We're in the year of wonders without number. We shall experience amazing things only because our eyes are fixed on God.

When your mum or dad set a timer for the oven or the microwave, it will make a clear sound at the time that it is set for. In other words, It is programmed to ring at that time, and not a minute earlier.

In today's verse we are told to set our mind on things above, not on things on the earth. What does this mean? It means that we are to programme our mind on spiritual things, not on earthly

things. As a child of God, you are a new creature in Christ. What is important to your friends is no longer important to you. It is your responsibility, every day, to train your mind to think the way God thinks, and to not be moved by the opinions of others.

Be determined as you reprogramme your mind each day with the Word of God and become more like God in your thinking.

Did you know that you are in an army? Yes you are, in the Army of God! As a child of God, you have been taken into this army, and your goal is be committed to this army for the rest of your life.

The way of doing things in this army are quite different to what you may be used to seeing in the lives of those around you, but the

Commander (King Jesus) makes it clear in His Word (The Bible) what is expected.

Being committed to a football team or a school choir means that sometimes it may be difficult to keep up with the rehearsals or training. However, you knew this when you signed up to join. God’s Army is no different. It may not always be easy to say no to those around you, but with the determination of Christ in you, this is a fight that you will continue to win!

“God is faithful, by whom you were called into the fellowship of His Son, Jesus Christ our Lord”

What does “faithful” mean? Our Man of God of God, Prophet Ue-berth Angel has taught us that being faithful means to stick to the right way of doing things. In other words, to be like a sticker, that sticks to a piece of paper, that no-one can peel off.

Do you easily change your mind when a friend suggests doing things another way? Are you

easily led by those around you? In our verse today, we are told that God is faithful. In other words, what He says is exactly what He does. He does not change His mind because someone does not like it!

Be a child of God who “sticks” to what God’s Word says. Be committed to doing the Word, reflecting the Nature of Your Father.

PROPHETIC DECLARATION

I stick to the Word, and I do not move. I am just like My Father! The Word is my final authority.

James 1:17

Hebrews 13:8
"Jesus Christ is the same yesterday, today, and forever."

Have you met a classmate at school who is always the same? You know exactly how they will respond to a negative situation. You know what they are likely to say when asked a particular question. His / her personality is pretty much the same each day. In today's verse we are told that Jesus Christ is the same yesterday, today and forever. There are no surprises when it comes to knowing how God will be tomorrow, because He will be exactly

as He was today and yesterday.

Because we are born of God, we have the ability to be consistent in our ways. Jesus lived a life of total commitment to the Word. He was the Word. We too, can live a life of being fully committed to the Word of God. Today, grab the grace of God to perform wonders without number.

PROPHETIC DECLARATION

I grab the grace of God with both hands to be committed to God's Word and to be consistent in all of my ways, in Jesus Name.
