## Does Prime Greens with Collagen Really Work?

Yes! It works really well. Prime Greens is fabricated with a 'streak freeze-dry' innovation. The company streak freezes products of the soil to save their dietary benefit, then condenses those fruits and veggies into an extracted powder. These extracts are combined to form the Prime Greens powder.

You take one serving of Prime Greens every day to help against maturing benefits. Each serving contains a solid portion of nutrients, supplements, cancer prevention agents, and against inflammatories. The manufacturer claims that Prime Greens only contains natural ingredients that are backed by real biological science.

## Prime Greens with Collagen Dosage

It comes in powder form. Mix the powder in water and take 2 times daily. A good collagen supplement contains 1,000 to 4,000mg of collagen protein per serving.
