1) This is my [#Qanon](#) thread for June 30th, 2018.

Q posts can be found here: qanon.pub

My theme: "Conspiracy No More"

<https://pbs.twimg.com/media/Dg87d9GX4AEkdVJ.jpg>

2) An anon posted a link to an article about [#Qanon](#) noting that he detected a hefty amount of BS in the story.

The author of the article is Brock Dorsey.

The article, like most written about Q, mentions Jerome Corsi.

[CORSI]

huh?

Bullshit meter off the charts with this one

<https://pbs.twimg.com/media/Dg88ea5WkAAatzmk.jpg>

3) Here's a link to the article.

It's worth reading.

[#Qanon](#)

<http://www.amerika.org/politics/qanon-the-path-to-dictatorship/>

4) Dorsey's article, unlike most anti - [#QAnon](#) pieces, doesn't attempt to delegitimize Q directly. Such attempts haven't worked in the past so Dorsey takes a different path.

https://obs.twimg.com/media/Dg9ls3jX4AMDAe_.jpg

5) Dorsey weaves a compelling story, acknowledging the corruption of the intelligence community and its need for reform. He correctly surmises that Trump is under attack from the intelligence community which necessitates the support of the military.

[#Qanon](#)

<https://pbs.twimg.com/media/Dg9FTozWsAEal5b.jpg>

6) Dorsey tacitly acknowledges that [#QAnon](#) may, in fact, be working alongside President Trump. He suggests that the goal of Q and Trump is to strip the intelligence community and judiciary of their power, ushering in an authoritarian rule backed by the military.

<https://pbs.twimg.com/media/Dg9BZpOWsAInW3z.jpg>

7) Dorsey conveniently omits an important part of Trump and Q's mission—the reformation of the intelligence community. His thesis is that they will be cast aside and crushed under the all-powerful military administration of Trump.

[#Qanon](#)

<https://pbs.twimg.com/media/Dg9EueFXUAocWE.jpg>

8) If Dorsey had any real knowledge of [#Qanon](#)'s mission, he would know that the wheels of reformation are already transforming the intelligence community under the guidance of people like Mike Rogers, Paul Nakasone, Jeff Sessions, Mike Pompeo and Gina Haspel.

<https://pbs.twimg.com/media/Dg9EjLrXUAETWl8.jpg>

9) Trump's backing by the military serves two main purposes. It's a safety measure necessary to keep him from being killed. And it's a means of gathering & assessing intelligence outside of a corrupt civilian intelligence community while it's being reformed.

[#Qanon](#)

10) Before deciding whether to take Brock Dorsey seriously, you might read this article by him.

11) In response, [#Qanon](#) dropped this bombshell.

They've been waiting for someone to ask POTUS to verify or deny the legitimacy of Q, directly.

Since no reporters have been willing to ask, they're considering forcing the question.

We are waiting for a reporter to ask the ultimate question.

What are they waiting for?

They can end this at any time simply by asking POTUS, right?

We may have to 'force' this one.

12) We've arrived at a critical juncture in the story of [#QAnon](#).

What happens (in general and to the movement) if someone asks the question and POTUS confirms Q is working with him?

Trump was chosen because he is a GREAT actor.
The only way to get the entire public to pay attention

What we are seeing is a very necessary blending of

Pay attention patriot anons.

"Divide they try. Fail they will. TOGETHER."

TOGETHER.

Stop the division.

The true Paytriots have been exposed (jones and corsi).

There are many moving pieces in this chess game. Those spreading the word on social media (twitter, youtube, etc.) play a very important role in this. Obviously not quite as important as the work done here by anons, but they are an essential part of this fight just as we on here are.

They spread the word to normies that don't mesh well with the chans. Specifically they are bringing massive amounts of boomers (huge part of population, with many smart folks with networks/connections of their own to spread the word) into the fight. They are garnering massive exposure to the movement to those who would otherwise not have come into contact. This is essential.

Having mass support of public for Q is absolutely completely a necessity.

You don't have to love them, but fight alongside them and show them respect. They are our brother and sister Patriots and they are doing everything in their power to fight this fight in their own way.

God Bless you Q and POTUS and team and all anon-frens <3

Thank you Potus

Thank you Q

Thank you W&W

For all that you've done for our great country, for the world. We will never forget.

We are united for love of country.

We are united for love of fellow American.

We are united for love of those Patriots who risk life and limb for our liberties.

We are united to end the evil that controlled our country/the world.

The tide has turned. We are winning. We continue to

Justice awaits them.

(1) No.1972546 >>1972549 >>1972561 >>1972562 >>1972565

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be

changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."
"Be on your guard; stand firm in the faith; be courageous; be strong."
