1 John 5:4 (KJV)

For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.

Faith is the greatest thing in all the world and in the word of God. Without faith, you cannot please God. In fact, the Bible says it is impossible to please God without it. Faith is the lifestyle of the rich and famous in Christ, for we live by faith. It is through faith that we confront and conquer what the natural realm presents as impossible. It is by faith that we access and take possession of all the benefits that were purchased by Christ's death on the cross.

As we delve into this new year, the Year of Heaven On Earth, make the development and use of your faith a priority, for that is where your victory lies. Faith

can only come by hearing, and that faculty of hearing comes only by the word of God. So, take advantage of every occasion to saturate your spirit with the word of God. Read the Word. Listen to teachings. Tune into every broadcast, and read books that will aid in building, strengthening, and increasing your faith. Right now, as you are reading this GoodNews Daily, your faith is increasing. Hallelujah! The Deeper Life Phase is your opportunity to be the Christian you were meant to be, a Christian who lives a heaven on earth kind of life!!

PROPHETIC DECLARATION

I live a life of HEAVEN ON EARTH! My faith is ever-increasing. Every problem in my life is in danger as I exercise my faith. I am in no way helpless because my faith makes me a champion, praise God!!

**1 Timothy 4:15 (KJV)**

Meditate upon these things; give thyself wholly to them; that thy profiting may appear to all.

Most of us have been taught that it is wrong to boast because boasting is the result of arrogance and conceit. Whilst that may be true if one's character is flawed by pride, there are instances in the word of God where boasting is permissible. In Psalm 34:2 (KJV), King David declared, "My soul shall make its boast in the LORD; the humble shall hear thereof, and be glad." That lets us know that there is a boasting that people need to hear about.

God gives you permission to boast. In fact, according to our scripture for today, it is your right and your responsibility

to make sure others know about God's goodness in your life. But for that to happen, you must make a commitment to meditate always.

During meditation, God is plotting with you, and He wants you to show off the results. Your profiting is the only thing God is interested in showing. Your social media should be filled with your profiting, not your flesh. Your profiting should be everywhere! Prove to the world your life in Christ is Heaven On Earth and that the word works every time. Through meditation, you can cause things to happen. And as you decide to meditate, heavenly realms will open to you, and you will gain access to dimensions. Meditate, and your profiting will appear to all!

PROPHETIC DECLARATION

Things are shifting in my life this year! Everyone will look at me in wonder as I prove the existence of God in my life. My way is prosperous, and I have great success now in Jesus Name!

Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms.

Recently, I had a vision where I was told to give attention to my health. I started exercising immediately. See, deeper life is a rebellion against sin. It is loving what God loves and hating what God hates, and one of the things He hates is sickness. He hates it so much that He came in the flesh and died to remove sickness from you.

The Bible says that bodily exercise profits little (1 Timothy 4:8 KJV). It also tells us that we should let our profiting appear to all. That means if there is any profit, it should be seen. There should be a noticeable improvement in your health.

Listen, your body is the only thing that allows you to function on Earth. That is why Jesus had to put on a flesh suit, so the care of your physical body is vital in this new year.

When it comes to exercise, make it spiritual by understanding God needs your body for what He wants to accomplish on Earth. That does not mean it's a must to run out and buy a gym membership, but even something as simple as walking is a start. Do what you can do. Remember, God is wearing your body, so make it a point to take good care of it in this year of Heaven on Earth, and Heaven on Earth is what it shall be hallelujah!

PROPHETIC DECLARATION

I am the Lord's battle axe, and my body is the Lord's weapon against sickness and disease. Through my body, He heals the sick, raises the dead, casts out Devils, and destroys the works of darkness.

**1 Timothy 2:8 (KJV)**

I will therefore that men pray every where, lifting up holy hands, without wrath and doubting.

Our hands are amazingly multifaceted terminal devices located at the ends of our arms. With our hands, we touch, grasp, feel, hold, manipulate, caress, and so much more. Even when we are talking, our hands are a key part of who we are and what we say. Hands are one of the areas of the body the brain is most concerned with. In fact, a large portion of our brain's grey matter is devoted to functions pertaining to our hands. Except for your face, you are more likely to show the world your hands than any other part of yourself. Hands are a vitally important part of who we are.

It is not a coincidence that God chose to emphasize this particular part of the body in use for prayer. You are altogether holy. He could have chosen any part, but He selected your hands specifically and called them holy. Your hands are not just separated from the world but separated unto God for special use. Although our scripture refers to 'men' as in male, it is also used generically for both men and women, so this scripture is for everyone. Through your hands, His power and love are being released. He wants to use your hands to reach the lost, heal the sick, impart His grace, and express His embrace to others. What a privilege it is to raise up holy hands in prayer!

This year, through your hands, you shall experience Heaven On Earth. Everything you touch with your holy hands shall flourish in Jesus Name!!

PROPHETIC DECLARATION

My hands are an extension of God, releasing His love and power into the world. My hands are blessed for signs, wonders, and miracles. Everything I touch shall flourish hallelujah!!

**Genesis 13:14-15 (ESV)**

The LORD said to Abram after Lot had separated from him, "Lift up your eyes and look from the place where you are, northward and southward and eastward and westward, for all the land that you see I will give to you and to your offspring forever.

There was a time when I wanted a brand-new car, but my desire did not match my budget. So, I found a verse for it. In Luke 19:30 (CEV), Jesus said, "... you will find a young donkey that no one has ever ridden." A donkey was the Rolls-Royce of Jesus' day, and it was never ridden which meant it was brand new. Now I had a verse.

The Bible says in Hebrews 11:1 (KJV), "faith is the substance of things hoped

for..." Faith is the sub-stance; it stands under. When you want to exercise your faith, find a verse that you can stand under, and don't move from that spot until the thing you desire is manifested. The Bible says when you ask for anything that is according to the will of God – which is His Word – He hears you, and your request is granted. Therefore, if you see what you desire in the Word, God sees that you have seen it, and you have it. So, I tell you, as God told Abram in Genesis 13:14 (ESV), "lift up your eyes and look..." Whatever you need, there is a verse for it. Find it and work the daylights out of it! Look up and see the best has in store for you. Look up and see your healing. Look up and see that the money is coming, look up and see HEAVEN ON EARTH!!

PROPHETIC DECLARATION

My eyes are open to all that belongs to me. I decree and declare I have the grace to collect my collections and to possess my possessions in Jesus Name!

For this cause I Paul, the prisoner of Jesus Christ for you Gentiles...

In the late '70s, the fast-food giant Burger King started a massive marketing campaign using the slogan, "Have it your way." Then, in the summer of 1996, Coca-Cola, the manufacturer of Sprite sparkling soda, released a campaign to reach the younger generation. They hired an advertising agency known for its ability to appeal to the younger masses and came up with the slogan, "obey your thirst." It was such a tremendous success that they updated the campaign twenty-five years later to broaden its appeal.

The idea of doing what makes you feel good is the branding of this world.

However, the deeper life has its own emblem. It's called the crucified life. Paul called himself an apostle, then a servant of God, but when he understood the crucified life, he identified himself as the prisoner of Christ. A crucified life does not have the foolish luxury of refusing what God wants, nor is it distracted with fulfilling the desires of the flesh. It is a life completely sold out to the Lord, which is the supreme expression of a life marked by abundance, power, and all that God intends for you.

You've obeyed your thirst and got nothing but trouble. You tried it your way and are now looking for the way out. But God's way is the best way, and everything you could ever desire is found in the crucified life.

PROPHETIC DECLARATION

I am the walking, talking expression of Christ in me. I am a superior spirit who lives beyond the fleshly hooks of carnality. I am a willing participant in the crucified life in this YEAR OF HEAVEN ON EARTH HALLELUJAH!!

Philippians 2:5-6 (NKJV)

Let this mind be in you, which was also in Christ Jesus, who being in the form of God, did not consider it robbery to be equal with God,

Social media has set the stage for the desire of the masses to be influencers. Pastors and entrepreneurs alike spend thousands and thousands of dollars to make themselves known. Both celebrities and the "ordinary" folks are all trying to increase the "know, like, trust" factor. It's all about their reputation, but with God, integrity is what counts.

The Lord Jesus never printed a flyer, made an Instagram reel, or ran a Facebook or YouTube ad. He never did anything to build His own reputation. In fact, the Bible in Philippians 2:7 (NKJV)

declares that He "made Himself of no reputation..." This was His secret to becoming famous both on Earth and in the realm of the immortals. He remained focused on His calling and commitment to God. He went about doing good and healing all oppressed by the Devil to the extent that the Holy Ghost became His PR Person. Is it wrong then to feed your social media pages? No. Rather use your socials as an altar call – let people see you as a sign-post to Christ.

When God is with you, that is all you need. It is what you do when no one is looking that God is most interested in. By getting into the Word and discovering your purpose in life, you'll discover who you are and what you're capable of. The only "like" you need is God's like. So do not seek to impress men. Make yourself of no reputation, and watch God make you famous!

PROPHETIC DECLARATION

I am set on the course I must follow. God is my life, and my life is for God! I am famous for soul winning, famous for working the word, famous for the rhinoceros kind of faith – I am the rich and famous in Christ hallelujah!

FURTHER STUDY : Acts 10:38

Acts 6:8 (NKJV)

And Stephen, full of faith and power, did great wonders and signs among the people.

Isaiah 40:31 is a verse that has been grossly misapplied. It says, "they that wait upon the Lord shall renew their strength." Many have used that verse to delay action and "wait" until something happens or, worse yet, to "wait" for God to do something. But understand that God has done everything He is ever going to do, and waiting on God is never a passive stance. This is an important lesson especially as we are delving into a brand new year, The Year of Heaven on Earth! I know a number of you have been 'waiting' for one thing or the other to take place, but it's the wrong kind of waiting. Let me show

you.

When the early church was growing, the apostles decided to select men full of the Holy Ghost to "wait" on tables. Stephen was one of them. His waiting did not involve sitting around waiting for God to do something. In fact, as he was waiting on tables, he was working miracles, dispensing wisdom, and doing wonders! He was so full of the Holy Ghost that he would hand you a plate of food, and cancer would leave. He would wipe down a chair, and the next person who sat in it would be delivered. Hallelujah!

So, the next time you think about waiting on God, get busy! Be filled with the Holy Ghost and go out there and do great wonders and miracles among the people. That is the kind of waiting God approves of and what HE is waiting for.

PROPHETIC DECLARATION

I am God's waiter. I exist to serve Him and in my waiting, I perform signs, wonders, and miracles in the mighty name of Jesus!

FURTHER STUDY: Acts 6:1-10

Job 23:12 (KJV)

Neither have I gone back from the commandment of his lips; I have esteemed the words of his mouth more than my necessary food.

An average adult's stomach can hold just under a litre when empty and between two to four litres when full. Once you are an adult, your stomach remains the same size – unless you have surgery to make it smaller. While the stomach is expandable, it is possible to eat so much that the stomach bursts or ruptures.

Your spirit also has an appetite. It desires to feed on the Word all the time. It also expands to enlarge its capacity to receive what you put in it, but the advantage is that it has unlimited capacity.

No matter how much of the Word you feed your spirit, it always wants more and can expand without rupturing and once it expands, it never goes back to its previous size.

Why keep your spirit on a two-litre diet when it has unlimited capacity? Right now, your spirit is growling with a hunger for the Word. Do not make the mistake of looking in the spiritual mirror and thinking you are already fat. To do so would be a sign of spiritual anorexia. The Bible says the liberal soul shall be made fat. Be liberal with your intake of the Word, understanding that your spirit can never overeat. So, go deeper into the Word this new year, not just in quantity but in quality also.

PROPHETIC DECLARATION

My appetite for the Word is increasing daily. I am growing in grace, and the Word is increasing mightily in every area of my life!

Proverbs 11:25

**Psalm 45:1 (KJV)**

My heart is inditing a good matter: I speak of the things which I have made touching the king: My tongue is the pen of a ready writer.

There are many writers of the books of the Bible but only one author. The Bible says that holy men were moved to write inspired by the Holy Ghost. The Holy Spirit is always intentional and selective with His words. Therefore, it is to your benefit to study the scriptures and discover what He is saying beyond the printed words on your Bible's pages.

Today's scripture relates the tongue or speaking to a pen or writing. That means, when you speak, something is being written, but notice, it's not just anybody's pen. It is the pen of a "ready

writer." A ready writer is one who is both skilled and diligent. A ready writer does not write only once and put the pen down, no. A ready writer is never without their implement.

Your words chart the course of your life. Therefore, speak words that are worth rehearsing, repeating, and remembering. If you are unsure what you should be saying, get into the books of the Bible written by Paul and find words worth repeating. They are inspired words and infused with grace. Just as holy men were moved by the Spirit of God, as you rehearse His Word, your life will move forward and upward in this new year!!

PROPHETIC DECLARATION

I am the scribe of my life. I only speak inspired words that move my life forward. I am rich. I am prosperous. I am abundantly supplied, in Jesus' mighty name!

Genesis 3:19 (KJV)

In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return.

Did you know that, as a child of God, you were never meant to struggle in life? It is an error for you to sweat to get a job, gain abundance, or have the good things in life. I hear you. You are saying well, what about the scripture we just read? I am so glad you asked.

That scripture was given to a fallen man, Adam. It was a curse, but you are not under any curse, for the Word of God tells us that Christ has redeemed us from the curse. The Bible tells us that in the sufferings of Christ, His sweat poured out even as drops of blood. He

sweat so you would not have to. He came to give you a life of abundance so that you would not need to struggle or toil to have it.

You are a grace collector, not a grace labourer. You have the grace to prosper, not to pour out your sweat. This year has been given to us by God as the Year of Heaven On Earth – you shall not suffer this year. You are ordained by God to spend your days in prosperity and your years in pleasantness and joy. Receive it by faith, and speak it, and your businesses will flourish.

PROPHETIC DECLARATION

Sweat from struggle is not allowed in my life. The blessings of God are mine, and I refuse to struggle. I call clients, customers, and contracts into my business now! I command my businesses to flourish in Jesus' mighty name!

Galatians 3:13

**Galatians 2:20 (KJV)**

I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.

Faith is a subject that can never be exhausted while you are here on Earth. Faith is your lifestyle. That means everything you do or have that pertains to life is done, obtained, and maintained through faith. Even your physical body is maintained through faith.

Today's scripture tells you that the faith of the Son of God maintains the life of your physical body. Before Christ came, died, and was resurrected, the only way you could physically live or maintain life was through physical

blood, but now, you are no longer subject to the vulnerabilities of blood types A, AB, and B. You live by faith!

Here is the beautiful part: you do not need to manufacture this faith on your own. No physical bone marrow or stem cells are necessary because now you are flesh of His flesh and bone of His bones. God gave you His own faith. Why? Because He loves you! So, speak to that sickness in your body. Tell it that you now live a life of Heaven On Earth, by the faith of God, and there is no way any sickness, virus, or bacteria can remain.

PROPHETIC DECLARATION

My body is not subject to sickness and diseases. I refuse sickness and any symptoms of death to remain in my body. I am flesh of His flesh and bone of His bones. Therefore, my body is perfectly whole, in Jesus' mighty name!

Ephesians 5:30

**Colossians 2:15 (KJV)**

And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

When Jesus was on the cross, the sins of the whole world were on Him. So when He died, He went to Hell, and the Devil and his cohorts grabbed hold of Him. They thought, "we've got Him now!" but they were in for the shock of their lives when He shook them off like bothersome gnats!

Jesus flicked the Devil off like the bug-like specimen the Devil is, but understand that He did that as a man. He was not yet born again because He had not yet been resurrected nor His blood sprinkled on the mercy seat. Now, if the man, Jesus, could defeat

the Devil and his cohorts on the Devil's territory, how much more are you capable of?

There are times when you feel like you are going through Hell. That is an exaggerated way of saying you are going through a lot. But know this: you do not need to defeat the Devil. He is already defeated! If you think the Devil is troubling you, that means one thing: he is trespassing, and you have the authority to kick him out! You have the one who shook the Devil off inside you. He is the Word, so when He shook the Devil off, it was the Word doing it. You can do the same.

PROPHETIC DECLARATION

The word of God in me and in my mouth is a deadly insecticide for the Devil. I fear no evil, for God is with me!

Then Hannah prayed and said: "My heart rejoices in the LORD; in the LORD my horn is lifted high. My mouth boasts over my enemies, for I delight in your deliverance.

There are creatures you find only in the deep. For example, the blue whale is the largest animal known to have lived on Earth, bigger than any dinosaur. It weighs up to 400,000 pounds – about the weight of thirty-three adult elephants – and is nearly 30 meters long. It is so large that its new-born weighs as much as an adult Asian elephant. You will not find such a creature in shallow places.

As you can imagine, a creature this size does not make a slight sound.

Blue whales are, in fact, one of the loudest animals on Earth. They can communicate over thousands of kilometres. Humans cannot hear their sounds because they are off the human hearing spectrum. That lets us know that certain sounds are reserved for the deep.

In this year of Heaven On Earth, in the deeper life, your sound must change, for it would be an error for you to go deeper, and your sound remains the same. Speak bigger things. You are not an echo. You are a voice, and that voice shall be amplified and heard. In the name of Jesus, I speak by the authority of the Spirit that your mouth is enlarged over every enemy, and your words are given weight!

PROPHETIC DECLARATION

My words are weighted with the glory of God. Therefore, when I speak, everything around me must respond. So, I speak restoration into my life. The money is coming, and my destiny is changing for good in Jesus' name!

Mark 16:15 (NIV)

He said to them, “Go into all the world and preach the gospel to all creation”.

We are in the end of the end times, and it is the most exciting time when the church will harvest souls like never before. The Gospel shall be preached with greater fervour, accuracy, and effectiveness as we prepare for the Lord's soon return.

We must go into all the world and preach the Gospel, and the Gospel is news that is too good to be true. The 'world' consists of the planet and all of its inhabitants, and those inhabitants are not limited to human beings only. The verse tells us to declare good news to 'every creature,' and a creature is anything that is created.

You are authorized to preach to every created thing, which means inanimate things can actually hear you. Jesus spoke of rocks crying out if people remained quiet (Luke 19:40 KJV). That implies rocks are listening and on one occasion, He answered a tree, which means the tree could speak or communicate and hear. Scientists have discovered that trees communicate with each other. If trees can hear, your money can hear. If rocks can hear, that tumour or growth can hear. Anything you thought was not moving in your business can hear; the very walls can hear. Begin to speak like never before, and preach good news to everything around you!

PROPHETIC DECLARATION

My life is marked by progressive and consistent victory. It is pure Heaven On Earth! I do not fail, for I am born of God, and God does not fail. I am capable and efficient in all of my endeavours. All things in my life are being beautified.

Romans 8:19

**Luke 5:4 (KJV)**

Now when he had left speaking, he said unto Simon, Launch out into the deep, and let down your nets for a draught.

God gave us the technology of sound so that we can create pathways and highways for angels to travel. As you speak, your sound waves become a transportation system for spirits to deliver what you have said. So, whenever you speak, you empower spirits. What kind of spirits are activated is determined by what you are saying.

If you speak fear, sickness, and death, you will energise demons to travel towards you with the things you have spoken. Idle statements such as "my feet are killing me," and "I am starving," set demons in motion to see to

it that those words produce what you said. That is how powerful your words are and why you must be intentional about aligning what you say with the Word of God.

When you are committed to doing whatever God tells you to do, your depth in the Spirit increases, and your words change. Your prayer life ceases to be a marathon of requests. Instead, it becomes a time to converse with the Lord or decree and declare how you want things to be. Just as sound travels faster in water, the deeper you go, the deeper you go in God, the level of your command increases, and the faster you will see results when you speak.

PROPHETIC DECLARATION

My mouth is a slave to the word of God. I speak only those things that are designated for my blessing. I condemn any evil word spoken against my progress, and no curse shall be able to touch me.

Psalm 103:20

**2 Samuel 22:12 (KJV)**

And he made darkness pavilions round about him, dark waters, and thick clouds of the skies.

Have you ever walked into a dark room and immediately switched on the light? Without seeing or hearing anything, you started imagining something evil was lurking in the dark, but once the light was turned on, you realized there was absolutely nothing to be afraid of. It's a comical scenario in retrospect, but it depicts the way many Christians approach God. They say they want to go deeper in their relationship with God, yet they are afraid of what they cannot see.

For this reason, many people call themselves God chasers, but not many have

the privilege of becoming God catchers. Moses was one who did. While everyone around Him was running away from God, Moses marched straight into the deep darkness where God was. To God, darkness and light are the same. He surrounds Himself with darkness, speaks in darkness, moves with thick darkness under His feet, and calls light out of darkness.

The deeper life is for God catchers who understand how to capture and carry the glory of God. This requires the light of the Word, so there is no need to fear the darkness. Just as you would turn on the light in a dark room, switch on the light by getting into God's Word, for the entrance of His Word gives you light. You shall experience Heaven on Earth this year!

PROPHETIC DECLARATION

I am a luminary in prosperity, in money, in real estate, in business, and in the things of the Spirit. I operate in the truth of God's Word; therefore, I do not fear darkness.

2 Timothy 1:7 (KJV)

For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

During the pandemic, or rather 'plan-demic', insurance and funeral home industries boomed. Through well-planned reporting, people were convinced that their lives were in danger. They were constantly reminded of how fragile their lives were, and they believed it.

We live in a fear-driven society where we are bombarded with the message that trouble is just around the corner. Indeed, with every allotment of time, there is an assortment of possibilities and a conglomeration of opportunities, and not all of them are good. Demons

also attempt to take advantage of people's fear and introduce their own plans as part of those possibilities, but God is greater than your fear.

Death has already been utterly defeated by the Lord Jesus Christ, and the Devil has no power to kill you! What kills people is the fear of death. Fear causes people to speak words that energise and empower the activities of demons. But we do not operate in fear but in faith. When we travel, we move under the protection of the Word of God. So, book that vacation, fly to that conference, and drive with complete peace of mind knowing that the one who defeated death is with you and keeps you safe and sound.

PROPHETIC DECLARATION

I travel safely, I'll neither tire nor trip. I'll take afternoon naps without a worry and enjoy a good night's sleep. I will not panic over alarms or surprises or predictions that doomsday is just around the corner, because God is right here with me; He'll keep me safe and sound.

But when you enter a town and are not welcomed, go into its streets and say, 'Even the dust of your town we wipe from our feet as a warning to you. Yet be sure of this: The kingdom of God has come near.'

This year of Heaven on Earth, winning souls is not optional, and neglecting this mandate carries serious consequences. Someone's eternal destiny depends on your participation in the harvest of souls. However, there are also dire consequences for the ones who reject your evangelistic efforts.

You see, God has made you a custodian of His peace. In John 14:27, He said, "My peace I give unto you." You have been given the authority to distribute

peace to others and the power to remove it also. The Word of God says that when you enter a place, you can declare peace to that place, and God's peace will rest upon it (Mathew 10:12-13 KJV). It also says that when you go out in the streets to evangelize, if the person you are ministering to rejects the Gospel, shake the dust off your feet against them (Mathew 10:14 KJV). Why? Because they are not rejecting you but the Lord Jesus Himself and to reject Christ is to bring condemnation to oneself.

Live in the awareness that you carry the peace of God and as you go out to win souls, walk in the authority God has given you, knowing that you have the power to release peace to others and also the power to take it.

PROPHETIC DECLARATION

I am a custodian of God's heavenly peace. Therefore, I carry an atmosphere of peace wherever I go.

And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him.

Now that we know the Lord is coming very soon, marriage is on many Christian's minds. Those who are already married are starting to realise that they need to make the best of it with what time is remaining. Many of those who are single are sensing an urgency to get married before the rapture takes place.

The Bible tells us that Adam became alone. It does not say he became lonely. There is a difference between being lonely and being alone. You can be lonely whilst you are among people, but you can only be alone at some-

thing. When Adam married Eve, it was because he needed a suitable helper to help him carry out his Kingdom assignment.

It is paramount that we all understand the purpose of marriage so that in the short time we have remaining on Earth, we can maximize our marriages. Marriage is for ministry. It is not about procreation. It is not about looks, complexion, or financial status, though these things are of consideration. Ministry is the priority and you can do more for God and the Kingdom together than you can when unmarried, then the most important criterion has been met. Do not get distracted by the world's ideals about marriage. Instead, focus on your Kingdom assignment, and you will enjoy Heaven on Earth in your marriage.

PROPHETIC DECLARATION

Jesus is my priority; therefore, I give Him all of me for ministry.

That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish.

When members of the royal family of England travel, they are joined by an entourage. The higher in the royal family you go, the more people you travel with. When Queen Elizabeth II was alive, she travelled with around thirty-four people. Depending on the occasion, she could have up to fifty people in her entourage. An entourage is a group of attendants, servants, or associates that accompany and surround the monarch.

Some members of the entourage will go ahead of the monarch to ensure everything is in order for the monarch's arrival, thus creating an environment for the monarch to enter. The King of Kings is about to arrive, and you are part of His royal entourage! You are preparing the way for His coming.

The Bible says He is coming back for a church with no spot or wrinkle. You have the wonderful privilege of ensuring that the church is presentable and ready for His arrival, beginning with yourself. So, whether you are rehearsing a song or preparing that sermon or welcoming visitors into the church, you are carrying out your royal duties as a valued member of the King's entourage. Whatever you do in the House of the Lord, do it heartily as unto God, knowing you are preparing the environment for His arrival.

PROPHETIC DECLARATION

I am a part of God's entourage. I create an environment for His soon return. I am an official representative of the richest country in the universe and beyond!

So Delilah said to Samson, "Please tell me where your great strength lies, and with what you may be bound to afflict you."

Have you ever seen a movie or read an illustrated book about the life of Samson? He is usually depicted as a giant hulking character, like Schwarzenegger in his prime. Samson was known for his superhuman strength, it would be a reasonable assumption that he looked that way, but he did not. Samson's physical prowess was undetectable in his appearance, and that is why the Philistines did everything they could to discover the secret to his strength.

As Christians, we face a similar dilemma. We are beyond human, yet we live in a world where we are judged on our outward appearance. To the average human eye, we look like mere mortals, and we may appear weak, but we are not. The Bible says we have a treasure in our earthen vessels, meaning our bodies. We carry God, the omnipotent creator of the universe, and there is nothing weak about us.

The governments of this world include us in their census counts. They number us among the billions of human beings on this planet, but we are not from here. So, do not get perturbed when people look down on you and think you are just like them or even lesser. They did the same thing to Jesus. Hold your head up today and walk tall because God is in you.

I am energised from within, for the Spirit of God is at work in me. I operate on the same frequency as God. His power in me is undeniable.

2 Corinthians 4:7

**Deuteronomy 30:19 (KJV)**

I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:

Christians were never supposed to die. That is our reality. It may sound shocking because we have been conditioned by the world's system to believe death is ultimately inevitable, but we are not of this world. In today's scripture, the Bible tells us that death is a choice, and life is a choice. So he says, "choose life!" That means if you can choose life, you can decide not to die.

Physical death has become accepted in the church's culture; it has become normal to expect to die. Many preachers have quoted Hebrews 9:27 to justify death – "it is appointed unto men once to die." But that is not telling you that you must die. It simply gives us the number of times Christians should die: once. The Bible tells us Jesus died once for all men, and when He died, you died with Him. So, you already died once!

What is ordinary for the rest of the church is not ordinary for us who have chosen the deeper life. We do not normalise death and dying. In this year of Heaven On Earth, we choose not to die. Refuse death in Jesus Name!

PROPHETIC DECLARATION

I refuse death! I do not grow weak and sickly. My mind remains clear and alert. My body is vitalised by the Spirit of God, and it shall not fail. I will not die but live to see the rapture and the glorious coming of the Lord!

Romans 6:3-9

**John 1:14 (NIV)**

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

The Bible tells us that the Word became flesh. That means the Word in His original positioning was not flesh. He was a Spirit that possessed flesh, manifested on the Earth, and dwelled among us. When Jesus was in the realm of the Spirit, He was Spirit, who looked for a vessel, which we call the flesh or a body. Your words can also exist in spirit without flesh, for the Bible says, "the words I speak are spirit" (John 6:63 KJV)

God brought you into this Earth through the words of His mouth, and he has also given us that creative ability. That means you have the ability to cause spirit – the words you speak – to become flesh. You can say that the money is coming, and it becomes flesh in your account. Likewise, if you are arguing with someone, what you speak is spirit. If you call your spouse or child a fool, the spiritual substance of a fool is what comes out.

The spirit inside the Word cannot be killed because it has the life of God. So if you have spoken carelessly, you need to bury that Word with other words. Your words are working for you, so take care to speak words that produce Heaven on Earth!

PROPHETIC DECLARATION

I have the Spirit of wisdom and self-control. Therefore, when I speak, my words are measured. I create the life I desire, for my words are governed by the Spirit of God.

Ecclesiastes 5:2

**Genesis 1:2 (NIV)**

Now the Earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

Vision is a fundamental requirement for all world changers. Vision is what helps you to know the right words to say. When God created the Earth, he started with a vision. He decided where the trees would be, where the water should flow and where it should stop. He envisioned where the lion should live and what man should eat. After He had raptured (fluttered in constant imagination of a thing), then and only then did He release the words, "Let there be!"

When you have a vision, then you can talk. You load your vision by reading the

word of God and muttering to yourself exactly how you want things to be. When you are inundated with the Spirit of God, speak words that benefit you.

The Bible says to encourage yourself in the Lord. So, from today, be braggadocious! Envision yourself, not as you are today but as you will be. See Heaven on Earth! Tell yourself, "I'm big!" See yourself that way because that is how God sees you. Then continually mutter that vision of greatness to yourself. As a culture, we greet each other with "good news to you," but as you declare good news to others, remember to speak good news to yourself.

PROPHETIC DECLARATION

I am big! No one is better at what I do than I am. I'm the best thing to happen to my family and community. I am God's answer to the problems around me! Hallelujah!

Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses.

In the sport of boxing, it's usually not a good thing to be backed up against the ropes. When that happens, the fighter has only one option if he has any chance of winning: that is to fight his way out. You are also in a fight. The Bible calls it the good fight of faith. It is good because God has provided you with every resource to ensure your position of victory.

Sometimes, you may be tempted to become complacent in your fight of faith. That can easily happen if you depend primarily on the faith of your man

or woman of God to get what you want in life. The faith God has given you should be exercised daily. Everyday you wake up, load your spirit with the Word, then look around and see what you can use as your faith target for that day.

Faith always rises when you have no options. Sometimes you need to back yourself into a corner and fight your way out with faith. Challenge yourself to hit a bigger faith target than you did yesterday. As you continue to exercise your faith this way, it won't be long before you wear the winner's belt for the heavyweight champion of faith!

PROPHETIC DECLARATION

I am a winner! I do not back down from any challenge, for my faith is sufficient and effective. I have the backing of the Word, and I never lose, in Jesus' Name!

Romans 1:17

**Romans 12:1 (KJV)**

I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

One of the worst scenarios in lifeguard rescue is trying to save a drowning person who is panicking and dragging the lifeguard down with them. It is the instinct of the human brain to go into survival mode and do whatever it can to stay alive. In desperation to stay alive, it can put the rescuer in the most danger. If a lifeguard is in such a situation, they must submerge themselves. This will force the drowning person to let go and create distance between the lifeguard and them.

The Bible says we should present our bodies as living sacrifices to God. This is our reasonable service (Romans 12:1 KJV). That means you are being unreasonable, irrational, and illogical if you do not do it.

This world is drowning and trying to drag you down with it, but the deeper life is as easy or as difficult as your level of resistance. The more you fight against it, the more this world will try to drag you down with it. Submerge yourself in the deep. If your devotion to God was surface, go deeper. This is the sensible or reasonable thing to do. Go deeper in the Word this year. Go deeper in prayer and intimacy with God. When you go deeper, the world has no choice but to relinquish its hold on you.

The life of Christ in me is evident, and my devotion to God is unquestionable. I am the Word in motion, and I am dedicated to the Lord 24/7!

The Deeper Life is not an advert, catchphrase, or slogan. It is a lifestyle. It goes beyond the corridors and ever-expanding borders of the GoodNews world. It is a clarion call to the church at large to live the crucified life, a life of surrender.

The church has been infiltrated by mediocrity, but we are answering the call to rebel against sin and be dedicated to the Lord.

When we say, "no more average," we mean it, and what was average for us is extraordinary for many churches, but we are going deeper. In the year

of Wonder without Number, we testified of remarkable occurrences. We witnessed physical healings that were astounding. Mind-boggling miracles took place. Even nature responded. Now the bar has been raised in this Year of Heaven on Earth! We shall experience even greater hallelujah!!

If you have not yet committed to this Deeper Life Phase, this is your personal invitation. God has granted grace for you to do so even in this year. The Lord is coming soon, and He wants to be gracious to you, so expect to see the glory of God like never before. When we say 'phase,' let me be clear that this is not ending. We are continuing, and we will go deeper and deeper.

PROPHETIC DECLARATION

I accept the call to the Deeper Life and commit to doing what God says. I am dedicated to living the crucified life; therefore, I no longer entertain sin. By God's grace, I am going deep and staying deep, in the mighty name of Jesus!

For though ye have ten thousand instructors in Christ, yet have ye not many fathers: for in Christ Jesus I have begotten you through the Gospel.

If you live in a hot country, you may have longed for the snow-capped mountains and pristine white snow you've seen in pictures or movies. If you live in a cold climate, you may daydream of sitting on the beach or sailing in the sunshine under a beautiful cerulean sky. People who live in mid-dling climates are usually content to remain there.

Your desire can be shaped by your climate, and we are provoked by what we are not. That is what makes mentorship relevant. A mentor is not there to

agree with you but to accentuate the difference between your life and his. There is something even greater than a mentor: a spiritual father.

I am often asked, how do I become a spiritual son? Or how do I become a spiritual daughter? My answer is always the same. A spiritual father is the one whose revelation you live by. So, you do not need any special pronouncement. If you believe I am your father, act like a son or a daughter. I tell you this: it is paramount that you eliminate every distraction and tune into one voice in this last dispensation. Do not vacillate. Choose your extremity and stay hot! Remain loyal to the one God has sent to you. You will grow and begin to witness the glory of God in your life this year!

Let not your heart be troubled: ye believe in God, believe also in me.

God is good. That is one of the most profound revelations you could ever receive. Oral Roberts of blessed memory said it this way: "God is a good God, and the Devil is a bad Devil." It is so important that you understand that and never confuse the two.

When bad things happen, or when things do not happen the way, or in the time you expected, you might blame God without realizing it. People die, and we're told, "God took them," when God did not take anybody, sickness attacks your body or a loved one, and you suppose God has allowed it. Or perhaps you have been suffering because of lack or poverty, believing it is God's will. It is not

so!

God came in the person of Jesus Christ to give you life, not take it. He died to give you divine health, not make you sick. He came to give you a life of abundance and prosperity where you lack no good thing. So, let not your heart be troubled. God is a good God! Believe in His goodness. When you face difficult situations, doubt your doubts, and refuse anything that makes you question the goodness of God.

PROPHETIC DECLARATION

The Lord loads me with benefits daily. His love for me is unquestionable. Therefore, I do not fear in the day of trouble, for God is with me, and His Word is my strong tower. I shall experience the BEST in the Year of Heaven on Earth!

**John 10:10 (KJV)**

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

Your right to divine health was secured on the cross. The Bible says that the Lord Jesus took upon Himself every infirmity and carried away every disease. That covers every manner of sickness, disability, weakness, or disease of the body and the soul. When He was on the cross, every demon in existence came upon Him, and He defeated them all. That means no affliction of any kind is permitted in your life.

Sickness in any form is illegal in the life of a Christian. It is not a part of your spiritual DNA. Any symptom of sickness is a

sign that the Devil is trespassing. So when you hear what sounds like a little cough, do not shrug it off as something insignificant. Refuse it! The Devil has only one modus operandi: to steal, kill, and destroy.

Reject ownership of the Devil's belongings. This Year of Heaven on Earth, never lay claim to sickness in any form. It is not your cancer; it is not your diabetes; it is not your high blood pressure. It belongs to the Devil. The Bible said we should cast out Devils (Mark 16:17 KJV). That includes the entities and their belongings. Divine health is your right. If you are going to take ownership of anything, take ownership of that.

PROPHETIC DECLARATION

I reject ownership of any disease, sickness, or symptom that goes against God's declaration of life, health, and prosperity for me. I take my prosperity. Devil, you take your sickness in JESUS MIGHTY NAME!!

But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God.

Apostle Paul was the forerunner who delivered to us the revelation of the Gospel of grace, the message we preach today. The reality that we are given in this last dispensation to run with this GoodNews is evidence that we are the fastest. In a relay race, the last runner is the fastest to take the team to the finishing line.

We continue to run with this message, compelled to finish this race bequeathed to us by God's generals. We are not distracted because we understand that a runner must be focused on the finish line

and the prize set before him. In the grandstand, we have God's generals who went before us before our dispensation, such as Archbishop Benson Idahosa, Maria Woodworth-Etter, Kathryn Kuhlman.

All these generals ran the race so powerfully, yet they handed the baton to us to get over the finish line. Running this race is indeed a benefit beyond what was available to others. You are part of an elite group empowered by God to finish this race. So don't give up. For you will surely end in victory and exuberant joy! Hallelujah!

So He drove the man out; and at the east side of the Garden of Eden He stationed the cherubim and the flaming sword which turned every direction to guard the way to the tree of life.

Before the throne of God, you find coals of fire that seraphim walk on. The Bible says our enemy, the devil, is a cherub but was able to walk on the coals of fire like the seraph. The devil's DNA and genetic makeup are fire. Every element used against the enemy will repel and demolish except one thing, which is fire. When John the Baptist introduced Jesus emphatically that he would baptize you with water and fire.

Whatever the enemy throws at you, the response is fire. It's time to fight fire

with fire. The fire of the Holy Ghost is the ultimate weapon against the fiery missiles of the enemy. That fire of the Holy Ghost is part of your DNA. You have it, and it's time to manifest your true identity. He that is in you is more powerful than he that is in the world. Being enfired is simply being on fire for Christ. You are a fireball, ready to confront the enemy. You have an advantage, so be bold and be strong. Your victory is guaranteed in the name of Jesus!

Years ago, we were hiring a place for our Sunday service. It was in an area called the Gay Village, centered in Manchester in the United Kingdom. The 'Gay Village' is an actual LGBT+ community. In the place we were hiring at that time, the manager was openly gay. In one of our services, he called time off while we were in the middle of the service. I ignored him, but he signalled me to meet him at the door.

His presumptuousness in interrupting the things of God provoked my spirit, so I stepped down from the pulpit, suspended my preaching duties, and went outside the entrance, where I drew an invisible line. I decreed and declared that if the manager attempted to cross that line, he would encounter the power of God at another energy level.

The manager then called two huge bodyguards to expel us from the building. When the manager tried to cross that invisible line, he instantly dropped to the ground under the power of God. The two bodyguards also fled the scene. Raise your energy level and see the devil flee before you in the name of Jesus!

PROPHETIC DECLARATION

I raise my energy level at this very moment. It shall never be diminished. I shall apply pressure constantly on the enemy. The tables have turned in my favour, and the enemy's camp is now in total turmoil and confusion. I have put the enemy to flight in the mighty name of Jesus!

In Salem also is his tabernacle, and his dwelling place in Zion.

When we say we speak Spirit, it's because of the city that we belong to, which is Zion. The Bible says that Abraham was looking for a city whose foundation, builder, and maker are God. Abraham believed in God to the point of knowing that there is a city beyond the ordinary architecture of mortals, the city that represents God's presence. Abraham craved to be an inhabitant of that city to the extent that he lived in tents, moving from place to place in search of that metropolis.

I have met people in Zion, and when I meet them in a church gathering, I can instantly recall our meeting in that

heavenly metropolis called Zion. The prior meeting in Zion gives me insight to declare things in someone's life, and the person confirms, usually with disbelief!

In Zion, ideas that change destinies are downloaded. There is no supply shortage in this city, and scarcity is unheard of. Once you have that consciousness that though you are in this world but not of this world, you will begin to decree and declare things into existence and experience Heaven on Earth in this year and beyond. In Zion, there is no sickness, disease, or poverty. Let this be your reality today, and you will experience power from on high in the name of Jesus!

This generation has gone too far to the point where it has degenerated, where moral corruption is applauded and paraded in the public square. There is too much noise out there cheering the wrong things. This implies that to stand for God, and you need to be louder than the wrong noises.

The outcry for the things of God and godly righteousness must be loudest. The noises out there have even crept into the church unawares and caused preachers and pastors to be muted.

Most of what we hear today in churches are nothing more than vain philosophies and enticing words of human knowledge that lack the demonstration of power!

Ours is to demonstrate the power of God to the point that the agnostic and atheist will change their view on God. In this year of Heaven on Earth, your voice for God will be the loudest. You cannot be muted. In this Deeper Life Phase, you will not be vulnerable to the tentacles of the evil one. You are secure in Christ. There is a distinction between Moses and the prophets. This distinction is not placed in God's Word by error, no, not by any long shot or figment of imagination. God places Moses in a category by himself, far removed from the other Prophets.

When I prophesy about nations, presidents, prime ministers, royals, and even sports, and they come to pass, it is because God chooses to reveal to me

God is not a respecter of persons, and He could choose to use you at any time. Some have been willing and obedient, and God uses them mightily to accomplish His purposes on earth. God's word tells us such people need to be feared because they speak the counsel of God, and it comes to pass. Amen.

For example, when moving house, I was entitled to a certain amount of money to assist with the furnishings of my new home. As a child of God, you have rights and privileges which you are entitled to simply by being born into the Kingdom of our Lord, Jesus Christ.

There is a difference between knowing your rights and benefits and actually claiming them. Some Christians know or pretend to know they have benefits,

Even though there may be naysayers around you who make a career out of making a mockery of your current mess, there is a divine calling upon your life that cannot be denied. He said, “Who told you that you were naked? Have you eaten of the tree of which I commanded you not to eat?”

When God came down in the cool of the evening and communed with Adam and Eve, He was their sole Father and Friend. God's fatherly bond with Adam was so unique that God created animals and told Adam to name them. In that divine atmosphere, the voice of God as a Father gives purpose and meaning to Adam's very existence.

Adam made a point to listen to one voice, so he enjoyed the ultimate peace of mind of being nurtured by the Father. The conversation between the Devil and Eve, who later convincingly brought Adam into the picture,

made a mess of their divine destiny and purpose and tugged humanity into it by default.

God's anger towards Adam and Eve was wrapped up in a question: “WHO TOLD YOU?” (Genesis 3:11). The same question echoes to this day. Who told you that you could not bear a child? Who told you that you would endure poverty for the rest of your life? Notice, it's very important who is feeding you with information. God's voice over your life is coded with prosperity to make you a transgenerational blessing. This year, stop listening to several voices that will derail you from your God-giving destiny and listen to one voice.

PROPHETIC DECLARATION

I now incline my ears to one prophetic voice that speaks over me. I am not distracted by voices speaking contrary to my destiny. I shall focus on my calling with the guidance of the prophetic daily, in the name of Jesus!

What an incredible journey for a man whose life history is replete with struggling to make ends meet.

Age should never be your limitation. Until you start to harness the potential within you, you will continue to struggle and detest those who have discovered

themselves. Adam was lonely, yet Eve was locked up in him. The problem with most people is that they have counted themselves out of the success ladder because of age, background, social stratification, educational knowledge, etc.

If KFC's Founder, at the age of 65, could turn things around to form a multi-million business in his lifetime and leave generational wealth for his descendants worth USD billions, how much more you? You are filled with the Holy Ghost and with power, and when you speak, creation listens! This year of Heaven on Earth is the year for your story and status to change permanently.

PROPHETIC DECLARATION

I am rich, I am wealthy, and my money is coming! I live a life of Heaven on Earth. I shall not lack any good thing. My life is full of joy, and I shall forever praise the Lord, my maker. Wherever I go, I shall become a blessing. This is my portion in the mighty name of Jesus. Hallelujah!

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

One of the attributes of God is LOVE, which by definition encompasses affection, friendship, fondness, adoration, passion, amity, feeling, tenderness, and devotion. God, in His mercy and grace, identifies with every word mentioned here, plus more. I wonder if you can really capture the essence of what God's love truly is to you. The power of love has been demonstrated in God's ability to freely give Jesus to us to redeem us back to Himself.

The Christian experience for some in this day and age is casually speaking of love. And in reality, there is little or no apparent show of love in character and deeds. The most contentious setting sometimes is found in the church. Congregations and church members sometimes are factional and tend to relate to each other on certain affinities.

There can be ethnic, social, racial, or economic closeness within the church; others become outsiders through members of the same congregation. Yet when we are cut, we all bleed red blood despite the colour of our skin. In a similar fashion, God's love is poured out to mankind regardless of where we live, our pigmentation, social status, or racial divide; think about it! Hallelujah!

PROPHETIC DECLARATION

I am the embodiment of God's love. God's love is seen through me as I relate to and care for others. I cannot afford to live a life void of love. The Word of God is at work in me; therefore, I will always show the true nature of God through Love!

Speed is required when you need to make progress, and urgency demands swiftness, not slowness. In an emergency, the ambulance doesn't run at normal speed. When there is a life-and-death situation, all traffic rules and regulations are discarded for an ambulance.

To restore normality to the person on life support, unconscious, or in a coma, they are rushed to the hospital at breakneck speed. Slowness is the direct opposite of speed; in this kingdom, slowness is a deficiency of progress.

One of the tactics employed by the enemy is to keep the Christian in one spot. When God is involved in your business, marriage, finances, career, and family, you will make strides both in the spiritual and in the natural.

Some of us have been too kind to the enemy and treated every punch thrown at them as normal, but there is nothing normal about stagnation. If stagnation is your issue, you need to push your case very fast with the Word of God in prayer. It pays to be on the offense when it comes to confrontation with the enemy. This is war, and the time for divine rescue is now.

I cannot slow down my pace. I am running my race with vigor and alertness. I am the head and not the tail, and I shall run and recover everything the enemy has stolen from me in the name of Jesus! Amen.

While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.

Life is more spiritual than physical. The scripture for today speaks of things that are invincible and are more permanent versus things that are seen and temporal. How can you grasp Apostle Paul's bold statement in his statement of heavenly materiality? When I speak of a visitation by the Holy Spirit in my living room and face-to-face conversation with Him, I talk about facts in my book Hello Holy Spirit.

These supernatural encounters that I have been graced to see are God's way of showing us the reality of His glory. When God showed up in our services, conferences, or stadium gatherings of more than one hundred thousand people, we see God's power demonstrated in miracles, signs, and wonders.

The supernatural materializes into the natural, and the power of God is manifested. When such miracles happen, there is little debate as the evidence is irrefutable. In biblical times, the glory of God used to descend and fill the tabernacle that it was virtually impossible even to enter. That glory of God is still alive today in Spirit Embassy. Hallelujah!

PROPHETIC DECLARATION

I see and feel the glory of God all over me. I am a distributor of God's glory. Wherever I step, I affect the environment with God's glory. My atmosphere is charged with signs, miracles, and wonders as I move in the name of Jesus!

For we cannot but speak the things which we have seen and heard.

Someone may ask, what is a burden, and how can I offload it? These are legitimate questions. Let me start by saying Prophet Jeremiah in his day felt a kind of unusual burden, which was declaring the Word of God. Prophet Jeremiah lamented that he couldn't speak in the name of the Lord anymore. Still, at the end, he said, "...I will not make mention of him, nor speak any more in his name. But His word was in mine heart as a burning fire shut up in my bones, and I was weary with forbearing, and I could not stay" (Jeremiah 20:9 KJV)! Wow!

A burden is a huge weight; it is a problem that you feel the responsibility to provide a solution for. It becomes a burden when an urgent need must be met in the church or on the mission field. A burden pulls you out of your comfort zone and gives you sleepless nights whilst it is unresolved.

When you find yourself feeling uncomfortable after seeing a need in ministry, it becomes a personal weight to you, and it is your burden that you are called to handle. Once you have acted promptly, there will be a degree of calmness and peace.

PROPHETIC DECLARATION

I am ready to act on my calling. I do not entertain complacency in the house of the Lord. I know I am moving from glory to glory. I know there is more in Christ, so I am prepared to go higher and deeper in the name of Jesus!

As the boy came forward, the demon knocked him to the ground and threw him into a violent convulsion. But Jesus rebuked the evil spirit and healed the boy. Then he gave him back to his father.

In the presence of God, God's power is undeniable and cannot be concealed. I have not yet seen where we have service, even at the start of the ministry, that I have not witnessed the power of God in motion. Every time we meet as a congregation, I see myself walking in the demonstration of the power of God. There are moments when I go to the service thinking to myself and even announcing to the congregants that I will not prophesy, but I find myself prophesying again and again.

In this last dispensation, the world needs to see and experience God in his fullness, as Paul says, not only in words but in the demonstration of power (1 Corinthians 2:4 KJV). People tend to be critical and debate about the potency of God's power when they see no demonstration of power.

In this year of Heaven on Earth, let the evidence in the miraculous, signs, and wonders overpower the wisdom of men. This perverse generation will begin to recognize that God, the highest authority, rules in the affairs of men when they see the demonstration of power and manifestation of Heaven on Earth in your life!

PROPHETIC DECLARATION

As a child of God, I live a life of Heaven on Earth. I am endowed with the power to heal the sick. I am not powerless but powerful. I shall live a life of exploits, and my life will always portray the power of God that is resident in my being.

Is not my word like a fire? saith the LORD; and like a hammer that breaketh the rock in pieces?

Some Christians get it twisted when it comes to emphatically declaring and decreeing things in their life. For example, they complain instead of authoritatively speaking against a situation that has become a torment in their family. Some Christians have adopted self-counselling either in silence, internalizing their problems, or simply singing Amazing Grace whilst their boat is sinking! I pray that you are not that kind of Christian.

A Christian means Christ-like or imitator of Christ. Jesus was never quiet when faced with opposition from the Pharisees or Sadducees; whether in natural confrontation wherein He rebukes the wind, whether facing demons or Satan himself, Jesus spoke with authority that made an impact.

We are ambassadors of Christ in this world. We can boldly say that "for the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds" (2 Corinthians 10:4 KJV). You are an ambassador clothed in military camouflage. Speak against the enemy with words that will change the course of your destiny. Refuse to be quiet. Speak with the authority Christ has given you in His word. Enforce your authority now in the name of Jesus! Amen.

Oh, how great are God's riches and wisdom and knowledge! How impossible it is for us to understand his decisions and his ways!

There is a place in God where you might think you have arrived, but let me tell you, this is not the case. The angels call God holy (Revelation 4:8 KJV) because whenever He turns or moves, they see a different facet of God that they have not seen before. Imagine that from eternity past, from age to age, God shows himself differently, to the angels' amazement.

There are dimensions in God that are unfathomable and limitless. Every prophet of old that walked the earth saw a dimension of God never seen

before. For example, Abraham was called a friend of God. God liked Abraham so much that the Father, Son, and Holy Spirit appeared to him and had supper with him physically!

When we pioneered miracle money years ago, there was fierce opposition. People felt as though God's benevolence could not shift finances in such a fashion like the provision of miracle money. However, with time, people began to realize this is a dimension of God that cannot be denied. The more you walk with God, the more you realize there are dimensions you haven't tapped into. The more you go deeper into the things of God, the more you realize that His riches are unsearchable and how exciting that is!

When my beautiful wife, Prophetess BeBe Angel, wrote the book *Grace Driven Life*, it was a milestone that captured the core doctrinal interpretation of the grace message we preach. When we speak of the grace message, it does not mean giving people a license to sin. Romans 2:4 NKJV says, "Or do you despise the riches of His goodness, forbearance, and longsuffering, not knowing that the goodness of God leads you to repentance?" Grace is an overflow of goodies to the extent that despite your current inadequacies, God continues to heap blessings upon

your life.

Grace is a free gift from God with no strings attached. It is delivered to you even before you face that predicament. Grace is what happens to you when you seem far removed from the sphere of God's mercy, yet you find yourself as the principal beneficiary of His goodness that overcomes you. It's not your own human effort that makes you think that you are deserving. No, it's God's way of giving out of His abundance of love, a gift that will defy logic to demonstrate to you. He cares!

Your view of things can limit you. When God was ready to bless Abraham, the father of faith, He told Abraham that if he could count the stars, he could number his descendants! Counting the stars is as impossible as counting the grains of sand on the seashores. God was stretching the vision of Abraham to see beyond the now. His eyes were fixed on himself, his age, and the physical reality of his and Sarah's bodies. These realities limited him, yet God, who promised that Abraham would be a father of nations, was using a different lens.

God was introducing Abraham to another realm of reality that confuses human understanding. From eternity past to eternity future, God never lies, so whatever He says is reality. God says let the poor say I am rich because He sees you as prosperous despite your current financial position. When you can also see it, you can possess it!

Jesus' disciples were astonished to be told by the Master that He eats food they were unaware of. The scripture is clear on this: Jesus considers the Word of God and doing the work of God a buffet. Jesus is telling us that you can feed on God's word and hunger will go.

God's word gives strength, vitality to the soul, and revitalizes the spirit. Ezekiel puts it this way: "And he said to me, Son of man, feed your belly with this scroll that I give you and fill your stomach with it. Then I ate it, and it was in my mouth as sweet as honey." Ezekiel 3:3

When you start feeding on the Word of God, your spirit is more vigilant and active. Suddenly, your mind is renewed, and your expectations are realized. The Word of God is not empty literature and fables, as some may suggest. No! All the ingredients you need to grow spiritually are in God's Word. The opposite is also true. When you fail to feed on the Word of God, your spirit is starved and malnourished. You need fresh manna which is the Word of God. Feed on it daily!

Yes, it's through the name Jesus that the blind see, the deaf hear, the barren bear children, cancer is healed, and the broke become multi-millionaires. Miracles, signs, and wonders are bound to happen when you call that

No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier.

A Christian needs to cultivate the attitude of a soldier. Being a soldier implies that at any point in time, you are prepared to be called to duty when the need arises. A soldier is always on guard and stands ready. There is no point where the soldier is relaxing, especially when assigned to the battlefield.

The Bible tells us that we are soldiers in the Lord's army, on duty for our Lord with no time to entangle ourselves with other affairs. We must personify the stance of a warrior, a fighter, a soldier

armed with the Word of God to do battle. When a Christian's mentality is absorbed with this sense of duty and call to service, there will be little concern over trivial matters.

When the Christian realizes that he stands on the battlefield in the midst of enemies aiming at him to take his life, he will recalibrate and focus on the essentials: praying always without ceasing, studying and knowing the word of God, not forsaking the gathering of the brethren, and taking service in the house of the Lord very seriously. You are a soldier, a warrior on the battlefield with no time to spare. So keep your focus on the gallantry it requires.

No student of the Bible will discuss wisdom and exclude Solomon. During his reign, Solomon was the wisest, wealthiest, and smartest. In fact, Solomon's fame was sought after by other royal-ties from afar. Solomon had a special appeal with women to the extent that he had 300 women as concubines and 700 wives at home (1 Kings 11:3 KJV). The splendour and elegance of Solomon's palace and servants are still talked about today.

To put it bluntly, Solomon had it all, and I mean all that life could offer a human being. Notice that despite having all that pertains to life and the majesty of his kingdom, Solomon was eager to draw our attention to what he concluded was the most important in life.

Solomon's experiences in life should make one realize that he was an authority in this area. If Solomon were alive today, he would be Number 1 on Forbes magazine's richest man, year in and year out, with no one coming close. Solomon's conclusion on life's essential elements, as captured in today's scripture, should become our standard. Take it to heart and see your life change for the better. Hallelujah!

That at the Name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth.

I vividly recall when our ministry was still in its infancy. Even though there were just a few members, I was preaching and teaching with the same passion as I do today! Back then, I remember delivering a message which my spiritual father, Pastor Chris Oyakhilome, ministered entitled Partakers of His Divine Nature.

The following Sunday, one of the congregants rolled a wheelchair of an elderly woman in our midst. She was eighty-two years old and wanted to be healed. It was a challenge without

precedence. I had a vision before that encounter where I saw arrows flowing out of my extremities as I prayed for people. As I began to pray for this old lady, I was expecting arrows to flow out of me, but nothing happened.

God, in His mercy, revealed to me at that exact moment that it wasn't the arrows that were flowing from me in my vision, but rather He alone, Jesus! I put this to practice, and the eighty-two-year-old lady stood up from her wheelchair and began moving around. When you value and take the word of God seriously and apply it in your life, it will certainly work for you.

PROPHETIC DECLARATION

Just as the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many.

Christ exemplified the true nature and attitude of what it means to serve. Imagine the King of glory from ages past, the one who holds time in his hands, at one point decided to step into time for the sake of reconciling man back to himself. Jesus did not consider His status; He was determined to win back mankind and took it upon Himself to do it as a servant.

When you live a life of servitude, you show Christ's nature. In Christ, we are called to serve. That is why He said if you want to be the greatest in the kingdom, you must learn how to serve.

The very act of emptying oneself should be your mindset today. A true leader always leads by example, which is the form of servitude we are called to illustrate.

The scripture for today is very powerful in that Jesus Christ, the Maker of Heaven and Earth, the Creator Himself steps into creation to serve the very thing He has made. That is so humbling. When we grasp the impact of Jesus taking on the form of a servant, then we are ready for ministry.

PROPHETIC DECLARATION

For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin.

Some Christians hold the conviction that Jesus is far removed from them. Do not think that God is far from what you are overwhelmed with. Remember, you are the headquarters of the godhead. When Paul says, "you are the body of Christ" (1 Corinthians 12:27 KJV), it means that when you move, God is moving, when you sit, God is sitting, when you declare, God is declaring. You represent God here on earth; this representation is not theoretical; it's a reality.

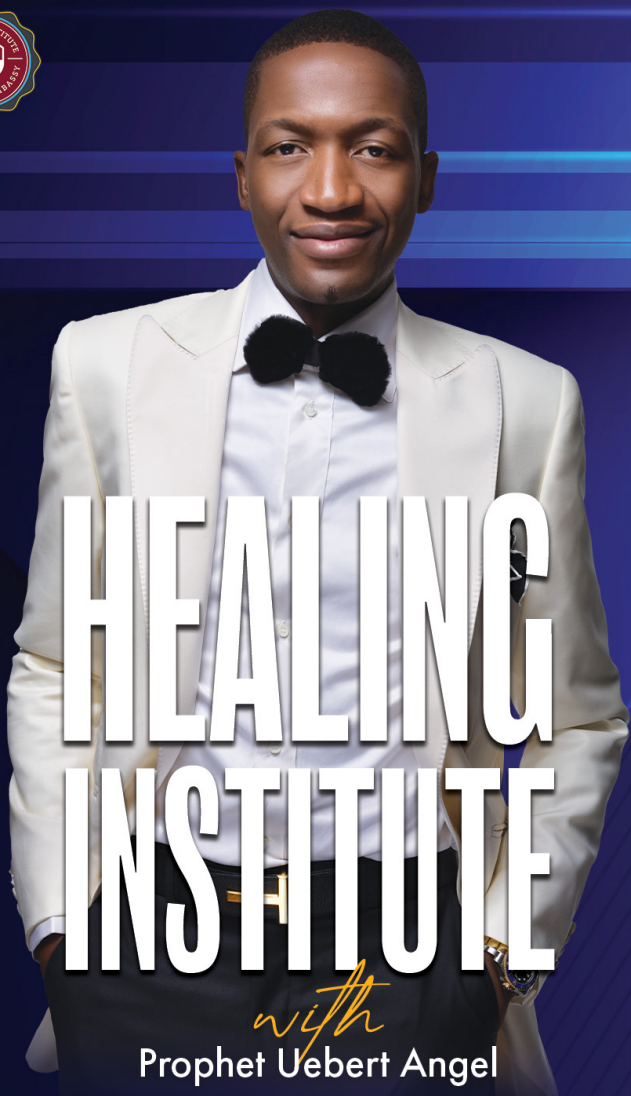

The problem is that most Christians have not come to the realization that they are God carriers. If you are born again, the Spirit of God takes residence in you. The Bible says, "Now the Lord is the Spirit; and where the Spirit of the Lord is, there is liberty" (2 Corinthians 3:17 NKJV). The reality of your life today is that Jesus dwells in you and is touched with what troubles you. That sickness worrying you doesn't give comfort to Jesus. He wants to heal you! Jesus is not gratified when you are poverty-stricken, as some would suggest. No, that's not Jesus' doing. He's ready to intervene when you allow him to. Hallelujah!

PROPHETIC DECLARATION

Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.

It's fascinating how many Christians still feel attached to and trapped in the past. Some Christians are still wrestling with what happened to them three, four, or five decades ago. When you become a Christian, your life is now hidden in Christ. The old you was taken out, and a new spirit was supplanted in you. The Bible says old things pass away, and behold all things have become new (2 Corinthians 5:17 KJV).

That same thing that you have wrestled with for decades is the very thing that continues to drag you down. You are

God gave them a tailor-made climate and environment to protect them from harsh desert conditions. The desert is very harsh, it's cold at night and extremely hot during the day.

With such knowledge, God chose to give them a tailor-made climate and environment. What the Israelites were experiencing was different from what other races were experiencing. Our

Romans 12:2

Leviticus 25:49 (KJV)

Either his uncle, or his uncle's son, may redeem him, or any that is nigh of kin unto him of his family may redeem him; or if he be able, he may redeem himself.

When we say Jesus Christ redeemed us from all manner of curses, it seems like there is a contention of tension in what the Bible says according to the above scripture. According to the above scripture, it seems impossible for someone who is not your relative to redeem you. This is something we call tension in the text in Theology because how can Jesus redeem us if He is not our relative?

Follow me here, in the branch of science there is something called autosomal DNA; it is a term used in genetic genealogy to describe DNA obtained from autosomal chromosomes. Stay with me; the question in your mind now is how can Jesus Christ have redeemed us when he was not our relative? The book of Ephesians 4:6 reveals that He is our "father" and in the book of Galatians reveals that He is our "mother".

Scriptures reveal that He is seated far above the Heavens which means He is on the top, not forgetting that He is also our foundation which means He is at the bottom! Proverbs reveals He is our "sister", and Hebrews reveals that He is our "brother". In the book of Leviticus, He is also our "uncle" and our "cousin". Jesus Christ therefore fulfils everything in everything! Square up your shoulders and walk out today knowing that you are not a stranger in Mount Zion, Jesus is your relative!

PROPHETIC DECLARATION

I am a pure relative of Jesus Christ, and therefore I am unstoppable in all my endeavour's in the name of Jesus!

2 Corinthians 3:18 (KJV)

But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord.

The time we spend on average as an adult gazing in a mirror can be hours upon hours within a year. People look in the mirror to check if their physical appearance is on point. Some go beyond the extent of being late for work, missing flights or classes perfecting their outer look in the mirror. Looking in a physical mirror doesn't do much other than showing you blemishes around your face.

The bible however talks of the Word of God as a mirror; you become more like

God the more you read the Word of God! The mirror, your bible says you are blessed with all spiritual blessings (Ephesians 1:3 KJV), and Christ became poor so that you become rich (2 Corinthians 8:9 KJV). The more you read this, the more you become what the Word of the Lord says.

In this year of Heaven on Earth, mediate upon the Word of God, day and night, and you shall have good success. Go for the Word and you shall come back with a testimony in your health, business, education, marriage, in the name of Jesus! Make a deliberate decision today and take time to read the Word of God and pray.

PROPHETIC DECLARATION

I go for the Word and I shall surely come back with a testimony. My life is a life of Heaven on Earth and the glory of the Lord is evident all the days of my life.

And he spake a parable unto them to this end, that men ought always to pray, and not to faint;

The Bible says God never sleeps nor slumbers. What an ability or technology that causes God to never sleep or slumber. This means God has no yesterday or tomorrow because He never slept. He is more awake and more active, and He lives in one eternal now! He is more up-to-date than tomorrow's newspaper, and He knows every detail of your life to the extent of knowing the number of hair strands on your head!

Our scripture above shows us how we can tap into the technology of God, the ability not to faint, slumber, or get weary. He said to pray and not faint,

which means the moment you stop praying, you get into a season of fainting. Your functionality is compromised by a lack of prayer. Get back your grip today and start praying like never before. It might be a few minutes of communing with God, but no prayer is in vain.

Let your spirit be attuned to the spiritual by dedicating yourself to prayer. Your spirit is transformed, and your prayers shall prevail over all circumstances. No more life of fainting, slumbering, or being downtrodden. The position of your prayer is the position of your victory in the name of Jesus!

PROPHETIC DECLARATION

The position of my prayer is the position of my victory. I get back my grip in prayer and I shall live a life of victory and abundance in the name of Jesus!

For in him we live, and move, and have our being; as certain also of your own poets have said, for we are also his offspring.

If you take the Bible as one of those history books, you will surely find wars and everything that confirms that idea. For those who take it as a book of love you will surely find something to do with love in there but there is something beyond that in the Word of God. The Bible says, "in Him we live, move and have our being." Note that the Bible says "in Him" not "with Him", which means you are in Christ as your location.

It's a higher dimension of revelation to know Christ as your location. When you are inside a bulldozer, there is nothing

that can stop you; you are inside a force that cannot be resisted or restricted! When you are in Christ, you are inside the strongest force or power! There is no mountain that cannot be levelled or any valley that cannot be filled.

Go and conquer for there is nothing impossible when you are in Jesus Christ. That business or project that seems impossible, it's easy when you are in Jesus Christ! Today is a brand-new day for you. Begin to know Christ as your own location and go through every wall that resisted you! The power is available, and the grace is more than sufficient!

PROPHETIC DECLARATION

Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.

Information is dynamic from time to time and what was relevant in the past season might not be that relevant in this modern day and age. The cars or brands that were mouth-watering in the past might not be that attractive today. The same principle governs the spiritual world. Revelation is not stagnant but highly dynamic and diversified.

When you come to God or the things of God, just empty yourself and allow God to fill you with relevant information for this time. Our scripture above ends

by commending us to be established in the present truth. Note, for there to be a present truth; it means there is past and future truth. Some revelations are barely old truths that the Church is still riding on. To know God as the one who performs miracles is an old revelation.

As of now, we know that in Him we move, live and have our being, which means we are the ones performing the miracles. We are the miracle workers! As we go for the Word and commune with God through prayer and supplication, we get fresh manna from Heaven! God will begin to release present truth, relevant information for your destiny and you shall be more up-to-date than tomorrow's newspaper!

PROPHETIC DECLARATION

Every problem that befalls you is trying to undermine the power of God. There is no situation that is greater than God. God existed before time began, and there is nothing new, either negative or positive, before the sight of the Lord. No matter how complicated or how high your situation is, God remains in the supreme office.

Daniel called him the “Ancient of days..”, when God is referred to as the ancient of days, it means even the

days respect Him as the old one. He existed before time began; the days call Him old. When you worship Him, remember you do not worship an idol that was sculptured yesterday but the One who existed before time began. He knows you in and out, and your situation is nothing new to Him. That sickness in your body, that situation at your work place or school, is nothing compared to the power of God!

You worship a great God, the One who can't be voted in or out. He, who sits in the circumference of Himself. Go out and see a turnaround in every facet of your life because the Lord's hand is upon your life!

And Jacob was left alone; and there wrestled a man with him until the breaking of the day.

Jacob's encounter with destiny came at a time when he was alone. We know Jacob had children, and servants, friends, and an entire household, but he chose to be alone at this time to reflect deeply on his next level. When God wants to use you, there will be moments when you will find yourself alone!

Every divine encounter will require seclusion from the rest. The true definition of holy is "set apart" or "separated". What God is about to do in your life will demand being alone and inaccessible to others. Places you used to go, you will go no more! When you are left

alone to be used by God, your vocabulary and dress code will be altered.

When for no apparent reason, you were fired, when people you considered friends abandoned you despite your unreserved love for them, you realize that you are now a perfect candidate to be used by the Master. The Bible says in James 1:2, "Count it all joy when you fall into divers temptations;". Some situations that suddenly erect in your life should call for celebration; don't worry, God is still on the throne; your next higher level is imminent, and you will have the last laugh in Jesus' name.

And the angel of the LORD appeared unto him, and said unto him, The LORD is with thee, thou mighty man of valour.

Gideon replied in disbelief when the angel of the Lord called him a “mighty man of valour” in the following verse of the same text. In fact, most people asked: If God calls me good, then why do my finances keep drying up? If God is actually there, why am I being fired from my work? If God is so powerful, why is my situation of the fruit of the womb still hanging in the balance?

The Angel of the Lord met Gideon on a threshing floor and told him his true identity when the whole nation of Israel was going through troubled times without a military general. In His infinite

wisdom, God sees you differently. His reality of who you are sometimes contrasts with natural life’s reality.

Think of all the galaxies, the planetary systems known to men, and the unknown. The vastness of the universe and all it contains alone will prompt you to understand that He’s beyond human comprehension. Whatever you are going through right now, take a deep breath because God is ready to show up and show off in your situation, He is ready with a Heaven on Earth experience for you and you will sing a new song in the mighty name of Jesus!

And it came to pass, when all that knew him before time saw that, behold, he prophesied among the prophets, then the people said one to another, what is this that is come unto the son of Kish? Is Saul also among the prophets?

Saul was known to his friends, family and relations as an ordinary guy. Before his prophetic utterance, Saul never imagined being someone that would prophesy. Many will ask what happened to Saul; where did he learn to prophesy? Who taught him, or if the gift of prophecy was imparted upon him? Notice that Saul was among the Prophets; he was in their midst and connected to the prophetic.

Sometimes you become intertwined with the prophetic; you marinate yourself in the revelation associated with the prophetic, like that of Spirit Embassy, the GoodNews Church, and transformation begins from the inside. The Word of God has the power to change your life completely and give you a Heaven on Earth experience; take a daily dose by constantly reading and meditating upon the Word.

You need this to be part of your being. When you are connected with God through His Word, you are in for a miracle. Network with fellow Christians to study the Word, and as it takes root in your heart and mind, you will begin to see the world differently.

Wherefore comfort yourselves together, and edify one another, even as also ye do.

Many times, in the public glare and camera lights, accolades, trophies, awards, and titles are won with the winner cheerfully lifting the trophy. The scenery can be glamorous and exciting, and the atmosphere electric! The winner, despite the fun fare and admiration, is constantly reminded of one thing or one person; that's the encourager.

That single person in your life whose persistence and determination drove you to go the extra mile; building yourself to reach your God-given potential. The encourager doesn't receive the

awards and trophies, but the winner knows that success will be impossible without him. Paul was emphatic in his letter to the Thessalonians about what he expected them to do.

You may say I am not a Preacher, not an Apostle, not a Prophet, but you are a Christian! You are the first to be seen by a non-Christian. You may not be in a position as such, but your words of consolation and encouragement will make a difference in someone's life. Deeper life entails showing love to one another, loving the unlovable, and encouraging each other to attain greater heights.

And, behold, the angel of the Lord came upon him, and a light shined in the prison: and he smote Peter on the side, and raised him up, saying, Arise up quickly. And his chains fell off from his hands.

I tell people that the Devil is afraid of your light, not your anointing! This will take a lot of Christians time to comprehend. The power in you, is because of the amount of light in you, and having this light elevates your ranking in the realm of the spirit. The angel that came to liberate Peter came with light and this light had the ability to break the chain that was holding Peter down in prison.

You should understand that to produce light will require having light in you. If there is no light in you, there will be nothing to emit. Psalm 119:130 "The entrance of thy words giveth light; it giveth understanding unto the simple". From this scripture, we now know that light is obtain from the Word of God, hallelujah!

The more of the Word of God in you, the more light you exude. Since light ultimately disperses darkness and is able to break the chains of poverty, sickness, bareness, and imprisonment, the solution then is to absorb more light by having more of the Word of God in you.

I am a walking, living, and breathing species with God's Word in me. I am a generator of light; therefore, the Devil has nothing on me. I move with light that terminates the enemy's control over me. Amen!

Now when he had left speaking, he said unto Simon, Launch out into the deep, and let down your nets for a draught.

It's been seven months since we as a Church by God's grace entered the Deeper Life Phase. Seven normally speaks of perfection when it comes to the things of the spirit. Deeper life launched encompasses deeper life in prayer, deeper life in our commitment concerning the things of God.

Deeper life requires going deeper into the Word of God. Deeper life is designed to prepare us to be men and women, that God wants to be perfect as the father is perfect. Deeper life takes the Bible as the only manual to

equip you better to be who God wants you to be. One of the benefits of going deeper with God is we will bear more fruits.

When you understand that deeper life is rewarding, your outlook on the spiritual will take a different trajectory. We are fishers of men not catchers of men, hence, we need to launch out deeper and deeper into the things of God if we want to win more souls for Jesus. Going into deeper life is avoiding surface Christianity and being firmly rooted in the Word of God and the things of the spirit.

But Moses' hands were heavy; and they took a stone, and put it under him, and he sat thereon; and Aaron and Hur stayed up his hands, the one on the one side, and the other on the other side; and his hands were steady until the going down of the sun.

Moses was lifting his hands of his own accord, and the battle fought between the Israelites and their enemies was now in their favour. The moment Moses' hands went down, the enemies got the upper hand.

This is significant to understand that something profound was happening; there was a definite correlation between Moses' risen hands, a physical act, and the victory of the Israelites

on the battlefield. This simple act of raising hands and bringing victory shows that our participation is required to see a manifestation of a miracle at another level.

I always tell people not to take prayer likely or for granted because when you pray, angels on assignment for you are sustained. Your prayer is like Moses raising his hands to give victory to the Israelites on the battlefield. As you pray, the angels warring on your behalf gain the upper hand over demonic forces and principalities.

I will never relent, my life shall serve as a battle axe of the Lord, I will sustain angels on assignment for me in prayer, and will not be complacent in the mighty name of Jesus. Amen!

He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.

Most countries in the developed world have emergency numbers. These are numbers someone in those countries will call when in danger. The moment these numbers are called, a dispatcher will alert the rescue team of danger, and a rescue team will be sent immediately. What's noticeable is even when these emergency numbers are accidentally dialed, rescuers will still be dispatched to that address to ensure that there is no apparent danger to the caller.

In like manner, God has given us emergency numbers to dial immediately

when faced with danger. Our scripture for today is one of those numbers. Moreover, Jeremiah 33:3 says: "Call to Me, and I will answer you, and show you great and mighty things, which you do not know." (NKJV).

In that situation where an eviction letter is served to you like a bombshell, a situation where a crippling and delapidating disease has suddenly been diagnosed, a situation where redundancy is looming at your workplace, then that's the perfect time to scream in tongues and dial these emergency numbers. Our dependable God will dispatch Angels to rescue you from the impending danger once you dial Psalm 91 or Jeremiah 33. As you stand on God's Word, call now and see help arrive instantly in the name of Jesus!

Whither the forerunner is for us entered, even Jesus, made an high priest for ever after the order of Melchizedek.

“Mel” as in Melchizedek means to reign or rule and “Zedek” signifies to be made right (Priest) or righteousness. Melchizedek, mentioned in the Old Testament is a king and a priest (Genesis 14:18-20), meaning he holds two offices. Strangely, Melchizedek has no ancestry lineage to speak about as he appears out of nowhere.

What I love about my Jesus from the text is that he has already gone in for us, he has become our high priest. Not only that, Jesus is also our king. As Christians, we should grasp the dual role of Jesus as Priest and king after the order

of Melchizedek. Your position in Christ carries a dual function; as a priest, pleading like an advocate in a courtroom, and a judge because of your kingship in Jesus.

When it comes to prayer, you start by pleading, standing on the Word of God, and as you end your prayer, begin to decree and declare things because the king inside you is authoritative and rules over circumstances, not under the circumstances. Throughout this year, decree and declare Heaven on Earth as your life's norm. The name of Jesus is your weapon of war, and the Word of God is your ultimate artillery to dislodge every attack of the enemy.

PROPHETIC DECLARATION

His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence.

Poverty is not the absence of resources or money. It is the absence of imagination. People often ask me, "how do I become rich when I don't have the money to start a business?" My answer is, if you want money to start a business, you are not a business person. What you need is intellectual capital – an idea. Every successful business person started with an idea.

What's more, you have an even greater advantage than the average person because the favour of God differentiates a Christian from every other would-be entrepreneur. There is another critical resource that is often overlooked when it comes to prosperity, and that is the presence of a Prophet. A Prophet carries an atmosphere of prosperity. In fact, God has entrusted His Prophets with the resource of prosperity.

Some Christians do not have or have not yet identified the Prophet sent to them. Others have recognized their Prophet, but they refuse to believe them, not realizing that believing God's Prophet is the requirement for their prosperity. Time is short, so use the resources God has given you to prosper now. Believe the words of His Prophet and move on with that business idea today!

It is the glory of God to conceal a thing; but the honour of kings is to search out a matter.

God takes pleasure in hiding things. His intention is not to keep them from you but for you to experience the joy of discovering all He has provided for you. He has made it easy because He has hidden everything in His Word. The Bible contains esoteric knowledge: mysteries of God that are kept hidden from unbelievers but are freely given to His children. All that you need is wrapped up in the Word. All you have to do is find the Word you need!

It is not just truth but the truth you know that makes you free in your health, finances, relationships, spirit, and every

other area that requires salvation or deliverance. Spoon-fed Christians are limited to the knowledge that is given to them via other people who teach and preach the Word but the mature Christian understands that God's design is for you to supplement what you are taught by "searching out a matter" for yourself.

That's what kings do. So, when you need truth on a particular subject, circumstance, or issue that you want changed, search for it in the Word. The Holy Spirit will see to it that you find what you need, and you will never be disappointed. So, cheer up! The Word works!

Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God.

It is important to know who you are. The Bible says you are an ambassador for Christ, and an ambassador is a lifetime rank. As an ambassador, you are the resident representative of the government of God, appointed by the Sovereign of the Universe for a special diplomatic assignment. You are a minister of reconciliation sent to represent the peace, prosperity, protection, and power of your homeland, Zion. Essentially, you are sent to showcase Heaven on Earth.

As an ambassador, you are not subject to the economy of this world. You are richly supplied from your home country. Here is another interesting fact about being an ambassador. The house where the ambassador lives is not an embassy; it is a chancery. It is only an embassy when the ambassador is there. That means your body, and even this world, is your embassy.

You can't be found living anyhow because you represent the One who reigns supreme, the Lord Jesus Christ! The only lifestyle that befits you is a Heaven on Earth lifestyle. As an ambassador, you are allowed to raise your country's flag while in foreign territory. You are an embodiment of all your nation stands for. As long as you are here, you influence the culture of everything around you.

PROPHETIC DECLARATION

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

For too long, the Church has been influenced by this worldly system. Divorce rates are now higher among Christians than unbelievers. Preachers have abandoned the truth in favour of sensitivity. The world is headed for Hell in a handbasket, and some preachers have helped to weave the basket, but we who have subscribed to the Deeper Life have cancelled the worldly culture.

In these final days leading up to the rapture, the dividing line between the true Church and the world is becoming

crystal clear. It's time for real Christians to stand in our righteousness and refuse to compromise. The world's prescribed order is sin and lawlessness, where anything goes in the name of "inclusion." The world's prescribed order is to accept sickness and disease as a normal part of everyday life.

The world's prescribed order is minimum wage and living hand to mouth. We must deviate from that prescribed order and incline our ears to the Word of God. Take your position firmly on God's side, and never surrender! In this year of Heaven on Earth, make the Word of God the standard for your health, finances, relationships, and life.

And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do exploits.

I am not a believer. I left believing way back. I know God! You see, a Christian is not a believer. The Bible tells us that there is a certain power given to believers – not to Christians. It is the power to become the sons of God. That means a believer is one who has not yet become a son of God. The scripture tells us that it is those who know their God that will be strong and do exploits.

There is an experiential knowledge that you must have of God and He of you. Abraham realised this when he moved in faith to sacrifice his son. It was then

that God said now I know that you fear me! The only way you can know God is through His Word. The Bible says that which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life (1 John 1:1).

Your knowledge of the Word is demonstrated by what you do: the steps of faith you take based on the Word, so refuse to be a believer. You are bigger than that! You can actually know Him. Cultivate your own experiences with God by exercising faith in His Word, and you will do exploits!

And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: and if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him.

Faith is technical, and you can grow in it once you understand how it works. There is grace to possess your possessions and to collect your collections, but there is an equation you must follow to use your faith and get what you desire. God has given you a warranty in His Word, a way for you to get whatever you ask for, and this is the principle: if you can see what you want in His Word, and God sees that you see it, you have the assurance that you have what you ask for.

The Bible says that God works all things according to the counsel of His will. That does not mean that God goes looking for a scripture. He is the Word! It simply means God uses His Word to get what He wants. Therefore, He expects you to do the same and here is the beautiful thing about it: once you see what you want in the Word, you're not praying to get that thing; you're praying because you already have it! How do you know you have it? You saw it in the Word! All that is left is for you to tell Him what you saw!

PROPHETIC DECLARATION

God hears me when I pray and my faith in His Word produces results one hundred percent of the time, every time!

Ephesians 1:11

2 Corinthians 2:14 (AMPC)

But thanks be to God, Who in Christ always leads us in triumph [as trophies of Christ's victory] and through us spreads and makes evident the fragrance of the knowledge of God everywhere.

I write books because I am commanded by the Lord to write them. Every book I write carries an impartation of the grace I carry. However, the revelation, spiritual principles, and practical application contained within the pages of each book will never be known unless I can get the person to look inside. For that reason, whenever I write a book, I carefully select a title that tells you the problem the book solves.

The title on the outside communicates the value of what's inside. That's a basic marketing principle and why my books sell. You are the title God is wearing. He has entered you so that He can transfer His value to you. All that He is, and all His abilities are resident inside you. So, when someone who does not know the Lord looks at you, they should see the problem you solve.

If they are in darkness, they should see light when they look at you. If they have more "month than money", they ought to see financial prosperity showing on you. If they are sick and in need of healing, your countenance should reflect His health and healing power. You are God's best marketing tactic. Show the world what you carry inside!

PROPHETIC DECLARATION

I am a person of value. I am the solution to the problems that gravitate towards me. Everywhere I go, I spread the sweet fragrance of the knowledge of God. I show off for God!

Matthew 5:14-16

**1 Corinthians 14:10 (KJV)**

There are, it may be, so many kinds of voices in the world, and none of them is without signification.

Our verse for today tells us that every sound has meaning. Every word you speak produces results, and God is expecting you, His child, to take this technology of sound He has given you and use it to your full advantage. Your sound waves were designed by God to be used to draw the blessings of God into your life. As you speak, you create highways and roadways for angels to travel.

The more you decree and declare the blessings of God over your life, the more you empower angels to move towards you and deliver the benefits of

salvation. That is why you should never produce a sound of poverty. When you make sounds that do not line up with God's Word, instead of empowering angels, you empower demons who will see to it that poverty is delivered to you.

Words like "I'm broke", "I can't afford it," and "I don't have enough" should never be part of your language. It's better for people to say you are prideful than to enable demonic spirits that will hear those words. Your words have power! Therefore, use them to produce the fruit of abundance that is rightfully yours.

PROPHETIC DECLARATION

I am not subject to financial decline or economic depression. I decree and declare that I am prospered mightily! I live in an environment of prosperity, and my family's financial legacy is secured in Jesus' mighty name!

Proverbs 13:2

1 Corinthians 14:4 (KJV)

He that speaketh in an unknown tongue edifieth himself; but he that prophesieth edifieth the Church.

It is possible for a person to be dehydrated and not even know it. Similarly, your phone battery can be drained, and you only realise it once the phone shuts off. In the same way, your spiritual energy can be low without you knowing it. If you wait until you are thirsty to drink water, you are already dehydrated. So, rather than wait until you reach the point of thirst, the best thing to do is drink water throughout the day.

Likewise, it is better to monitor your battery levels throughout the day and keep it charged up as much as possible. The same is true of your spiritual

energy. When you speak or pray in tongues, you are loading spiritual energy. You charge yourself like a battery with the dunamis power of God. When Jesus would minister to the sick, power would go out of Him.

He recognised when His energy level was going down, so He would load Himself up in prayer. Some resort to sports drinks or medication to boost their energy, but we have our own spiritual boosters. Five minutes of speaking in tongues can load enough energy to deal with twenty years of problems! Don't wait until your spiritual energy is low. Instead, take time throughout your day to load energy in prayer.

PROPHETIC DECLARATION

The dunamis power of God is working in me! When I pray, I confuse the Devil and explode on my problems! My problems are ending, and things are working in my life, in the name of Jesus!

Ephesians 3:20

2 Corinthians 5:17 (KJV)

Therefore, if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

Money has been known to fail because it is a part of this world's system, and that system is corrupt, but when you become a new creation in Christ, the Bible says all things are become new, and all things are of God. That includes your money. What makes it new is the value you place on it, and that value is determined by how you use it. You can push your finances into the spiritual realm by consecrating the money for God's use.

If God can get it through you, He will get it to you. The money is coming! Your money is coming! And God's people will be rich! But understand that money is not the be-all and end-all. Money is simply a tool to get the things that really matter – things of eternal value. That is why we speak of having money with a mission.

We understand that when we work, we do not work for a living; we work for a giving. It is God's will for you to prosper financially so that you can choose the life you want rather than having those choices made for you. And most importantly, it is through your money that the Gospel and God's Kingdom agenda will be spread abroad!

PROPHETIC DECLARATION

My businesses shall never fail, and my finances shall never run dry. I am unctioned for good success; my money is coming and keeps coming!

Genesis 47:15

**Psalm 105:37 (KJV)**

He brought them forth also with silver and gold: and there was not one feeble person among their tribes.

When the Children of Israel made their exodus out of Egypt, there was not one weak or sick person among them. They were all healthy and strong. Now, the Church is soon to embark on the greatest exodus of all – the rapture! The Lord is soon to come, and the saints of God will be caught up to meet him in the air. Glory be to God!

The Bible says He is coming for a glorious Church that is without spot or blemish. When we exit this world, we will be clothed with a glorious body that will never get sick or die.

Sickness in your body means the knowledge of sickness is more than the knowledge of the Word which says you are healed. Healing has been provided and is available for you right now!

You do not need to wait until the rapture to be in a body that is healthy and strong. Simply believe what God says concerning your healing and begin to speak words that line up with His Word. Don't Google your symptoms; get in the Word! As you declare the Word over your body concerning your healing, you create a pathway for sickness to come out, and healing will be your present reality.

PROPHETIC DECLARATION

The life of God is imparted to my body. The healing virtue of Christ is flowing through me, and I am revitalized at a cellular and molecular level. Jesus is my healer, and I receive His grace for healing now!
