It Pays to Pay It Forward

We're committed to connecting businesses and people everywhere—and grateful when you send us referrals that help further our mission. As a show of thanks, we're offering you up to $1,000 in gift cards for every new referral you send us. Here's how the program works.

01 **Spread the word**
Refer a business by filling out the form on **this page** or talking to your Commercial Relationship Manager.

02 **Sit back**
We'll set up a meeting with your referral—you don't need to do anything else.

03 **Get paid**
We'll send you one gift card after we've qualified your referral and another if they sign up.

Answers to Your Most Frequently Asked Questions

Who is eligible to participate in the program?

Our referral program is open to current Velocity Global customers.

Can I get paid for referrals that have already signed up?

Unfortunately, referral bonus payments cannot be applied retroactively.

How does Velocity Global qualify my referrals?

First, we meet with your referral to get a sense of their needs and interest level in Velocity Global. If we determine that your referral is a serious candidate for our solutions, we qualify them and send you a $300 gift card.

What is the maximum I can earn?

We send you $300 for every referral that qualifies and an additional $700 for every referral that signs up for one of our solutions. You can send us as many referrals as you want—there is no limit on the number of referrals for which we'll compensate you.

How do I receive my gift cards, and how long does it take?

We'll send you a $300 gift card within five business days of qualifying a referral, and another $700 gift card within five business days of them signing up.
