Gaiaguys.net shut down by VCAT for contempt.

Posted January 26th, 2008 by Anonymous  
From Sydney Indymedia

Two founders of an internet whistleblowing site have been sentenced to nine months gaol for contempt of court by the Victorian Civil Administrative Tribunal. (VCAT) Dyson Devine and Vivienne Legg were well known in the online community and their website " GaiaGuys.net " covered various topics such as:

- \* FIGU material and the Disclosure project.
- \* Alternate energy sources and environmental issues.
- \* Crop circles and chemtrails.
- \* Corruption in the media and government by various guilds and groups.

It was the latter that landed them in hot water when they accused a group in being involved with a Satanic ritual abuse ring in Victoria. The group was classed as a registered religion and bought religious vilification charges against Devine and Legg at

VCAT in July 07. Gaiaguys was ordered then to remove the offending material which they failed to comply with. In December 07 the orders were made to arrest both parties for contempt of court.

This is the first time religious vilification has been used in Australia to this extent. There was a case before of Catch the fire ministries vs. The Australian Islamic council. But both sides settled matters in mediation after spending one million plus dollars each. This is a heinous blow to freedom of speech in this country and both Dyson Devine and Vivienne Legg are political prisoners.

A Gaiaguys skeleton site is up and running again and can be found at:

<http://groups.yahoo.com/group/GiordanoBrunoinEEUU/message/69>

The links and graphics don't work, but one can get an idea of what type of topics gaiaguys.net covered.

Dyson Devine and Vivienne Legg are currently sentence serving prisoners in Victoria. Both can be individually contacted via the Victorian Dept of Corrective services at:

Dept of Victorian Corrections  
GPO Box 123  
Melbourne, VIC, 3000

This matter affects all those who value our right to freedom of speech and the confidence of whistle-blowers in Australia to speak out. Please voice your support and put vocal pressure on the politicians to free Dyson and Vivienne from imprisonment. It starts here but we have to ask ourselves... Where does it end?

The group who brought this action are (sanitised) worshippers.  
They base their beliefs around Alistair Crowley's book. So much for freedom of speech. I know these two people and they are very good people, very concerned about the planet. I was working on an article about this but you beat me to it. I will write to you, guys.

In the same circumstances, we could easily be shut down. I have seen a lot of posts here that would be found to be defamatory of various politicians, etc, if they were to take the matter to court. This is wrong: we should be allowed to say what we think regarding organizations or persons of high profile. But we need to be very aware of this shocking case. Freedom of speech is one thing. Outright lies set up to cause hatred against a group of people is another thing altogether. Free speech is the ability to express your opinions without fear of persecution and its importance is absolute. But when the freedom of speech is used to spread some pretty nasty lies disguised as researched news, then that's a real abuse of freedom.

There is a massive gulf between speaking your opinion about an issue, and reporting a lie as if it was fact. The OTO guys have every right to fight against this blatant abuse. And I suspect most people out there would also do the same if someone created a site accusing them of those heinous crimes.

Inciting heinous crimes

On January 28th, 2008 Pyewacket says:

It could be that no members of the OTO have committed heinous crimes. But Aleister Crowley, whose books you promote on your website, does incite people to commit heinous crimes. In his books he advocates animal 'sacrifice' and sexual abuse. On one occasion Crowley went to Nepal where he beat one of his servants to death. On another occasion a visitor to his house died after drinking cats' blood. So do you people, like Crowley, advocate the 'sacrificing' of cats and other animals? And if not, why are you promoting Crowley's books on your website? What are you going to do, take legal action against every website that mentions the link between the OTO and Aleister Crowley?

We find in the next quotes, the 'doctrine' of Aleister Crowley from MAGICK in Theory and Practice, by The Master Therion (Aleister Crowley):

But the bloody sacrifice, though more dangerous, is more efficacious; and for nearly all purposes human sacrifice is the best.

The animal should therefore be killed within the Circle, or the Triangle, as the case may be, so that its energy cannot escape. An animal should be selected whose nature accords with that of the ceremony—thus, by sacrificing a female lamb one would not obtain any appreciate quantity of the fierce energy useful to a Magician who was

invoking Mars. In such a case a ram would be more suitable. And this ram should be virgin—the whole potential of its original total energy should not have been diminished in any way. For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. A male child of perfect innocence and high intelligence is the most satisfactory and suitable victim.

OCCULT ORDER vs THE CHILD RIGHTS CAMPAIGNER (Victorian Civil & Administrative Tribunal)

The case in question, according to the respondents www-site situated at: <http://www.gaiaguys.net/oto.actjudgement.htm> is decribed as follows:

"MAKING INTERNET LEGAL HISTORY :

Australian Court finds [www.gaiaguys.net](http://www.gaiaguys.net) guilty of defaming (sanitised)!

July 8th 2005 - by gaiaguys

On the 28th June 2005, the Australian Capital Territory Magistrate's Court judged authors of [www.gaiaguys.net](http://www.gaiaguys.net), a web site hosted in the United States, guilty of defaming the Ordo Templi Orientis (sanitised).

The gaiaguys.net authors Vivienne Legg and Dyson Devine live in the Australian State of New South Wales.

Magistrate Burns of the ACT Small Claims Court obviously judged that gaiaguys' exposé of this dangerous network is not in the public interest! He ordered that we pay OTO members (sanitised) (National Treasurer), Stephen Joaquim King (Chief Executive Officer) and the Ordo Templi Orientis Incorporated each \$9998.00 for our imputations that these applicants actually involve themselves in the (sanitised) "...bringing the applicant into hatred, ridicule and contempt ..." ( notably three primary values which are clearly expressed in the philosophy of the Ordo Templi Orientis).

According to it's own statements and documents Ordo Templi Orientis members practice and swear to defend these "principles of Thelema" as spelled out in The Book of the Law. A legal document sent to the Equal Opportunity Commission of Victoria from a Melbourne OTO member, Brent Gray, states that, "The Book of the Law is the primary religious text of Thelema." "The OTO is an international body of men and women dedicated to the promotion of Thelema. These principles are taught through a graded series of degrees, or initiations, and understood through practical engagement with these mysteries in the initiate's own life."

The following are excerpts from the Book of the Law. "I will give you their flesh to eat" "Sacrifice cattle, little and big: after a child.", "damn them who pity!", "Kill and torture", "Compassion is the vice of kings".

Having been advised by an officer of the Equal Opportunity Commission of Victoria that him dealing with this matter as a member of any of the groups affiliated with the OTO, (being the Freemasons, Order of the Eastern Star [a.k.a. "Lucifer"], Knights Templar, etc.) would constitute a conflict of interest, gaiaguys wrote the ACT Magistrate's court twice seeking statements confirming that no conflict of interest would be present in this case. Those requests were completely ignored. Do we assume that Magistrate Burns is also a Freemason?

Gaiaguys has just sent a letter to the Federal Treasurer asking about the legal, not-for-profit status of the Ordo Templi Orientis and asking how long it will be before this "we have a right to kill those who would thwart us", organisation has it's legal, religious, tax exempt status removed!

We have still had no response to our May 24th registered letters to the ACT Chief Minister and the ACT Human Rights Commissioner calling for

action against this criminal group who enjoy legal immunity in Australia. Similarly we have still had no response to our May 24th registered letters to the Victorian Attorney General and head of the Equal Opportunity Commission of Victoria in relation to the OTO's use of Victoria's ludicrous Religious Vilification laws against us, (although the Premier responded saying that we should get legal advice.) Nor have we heard from the Victorian Police Minister, Police Commissioner or Assistant Commissioner in relation to a report we drew up concerning (sanitised) which were scheduled to be performed by the OTO in Victoria on the Queen's Birthday weekend. And of course, we did not receive any acknowledgement of our many critical points in the original February 19th 2005 response we made to the Equal Opportunity Commission of Victoria in response to its enquiries prompted by the religious vilification charges made against us by the OTO.

Rather than serving to protect the community from this network, Magistrate Burns' decision has demonstrated once again just how stunningly widespread and complete is the high-level protection enjoyed by the (sanitised)Freemasons in Australia."

The views within this article, do not represent my own.

(Please scroll down for documents.)

(On a technical note, according to the applications to the court the applicants relied on the number of hits on our website since 15th March 2004 and upon its readership since 15th March 2004. How did they determine these figures given that our own hit counter is very erratic and unfortunately has "quirks", to use the words of one of our ISP technicians on the 12th of March 2005?)

93 All,

Before addressing a couple points in this, I need to make one statement.

OTO (Ordo Templi Orientis) is not a freemasonic organization. Although OTO is to an extent modeled along masonic lines, as are a

majority of membership organizations formed in the early 20th century, both religions and secular, it does not claim to make or raise fmasons. Its rituals are not masonic rituals. It has no ties of any kind to masonic organizations. Some of the individual members of OTO are also masons, but that is a minority of the membership. There is no active relationship between OTO and Freemasonry.

Ergo, it is rather odd to see this topic posted to alt.freemasonry, in addition to the other newsgroups.

These passages are quoted out of context, producing the appearance of a meaning which they do not possess. Rather than direct to a copy of Liber AL, the Book of the Law, I'll leave it to the reader to use Google to find one -- thereby avoiding any assertion that a "clean" version is indicated in this post. Crowley, the "scribe" of Liber AL, enlarges on the notion of sacrifice in a footnote to his book Magick in Theory and Practice. He, in a mundane sense the author of Liber AL, interpreted this passage to refer to diversion of the sexual act to prevent conception of a physical child, an act of "birth control," taking the diversion of the sexual experience as a means of mystical effect.

None of those groups or categories of groups are affiliated with OTO in any way. It's like trying to recuse all persons having a religion based on sacred scripture of any sort, on grounds that being a reader

of holy writ would prohibit a Moslem from sitting in judgment on a Christian alleged to have been attacked by an illiterate person.

The inquiry is appropriate. I personally consider the allegation to be outrageously abusive, underscoring the necessity of OTO defending its right to practice its religion. OTO does not kill or assault anyone. The majority of the rest of this post continues to demonstrate the same necessity of defense in the courts of law by OTO, of it's reputation.

Clearly, this very action of defense in the courts puts a lie to the slander of recourse to more violent means.

>Rather than serving to protect the community from this violent and  
>cruel network, Magistrate Burns' decision has demonstrated once again  
>just how stunningly widespread and complete is the high-level

An attack for acquisition of undisclosed benefits, often considered financial or fringe-political, has been mounted against minority religions and non-religious service organizations like freemasonry at various times over the last several decades, in various countries. Perhaps it started in the USA with the "ritual abuse" hysteria, but it spread to the UK and Canada, appeared in Scandinavia and Eastern Europe, and now has finally reached "Down Under". Nothing has ever come of this that indicates any truth in the abuse assertions, with the possible exception of some psychiatric "recovered memory" fraud cases and some "copy-cat" cases involving teens or "fallen Christians"..

Such attacks would not have such impetus if they did not attract believers with money and time to spend. I do not characterize the present parties as either abusers or misled believers. That matter is proper to the venue of the courts of law.

For an example of how far this can go, as well as a perhaps disconcerting expression of a Thelemic religious point of view, see:

<http://www.billheidrick.com/works/bloodlib.htm>

Thelema, as a religion and philosophy, does not accept the usual Christian views of certain historic personages, including those developed out of the New Testament by latter-day Christianity. I apologize in advance if some readers find the text on my web site to be in any way sacrilegious by the tenets of their faith. I have a different standard, based on a different belief. I respect the right of any person to harmlessly and tolerantly seek union with the divine in any manner that works to affect or approach that union. I also respect the right of any person to disbelieve, who finds religious dogma or even belief in a deity to be of no value or meaning for themselves.

This works for me.

Thank-you for your response Bill, yes it is true that OTO are not a freemasonic organisation, that in 1918 CE they decided to remain separate.

And neither am I a freemason--how when individuals are mis-representing both OTO who I expressed as a Gnostic and Hermetic Group and maligning Freemasonry, then I feel it appropriate within the bounds of Brotherhood, to provide a statement in defence.

There is only one Tree of Life, and my Intellectual property is not inferior to that claimed by Freemasons--I'm surprised at your lack of respect.

Thank-you for your response Jim Ennie, I don't recall suggesting that

OTO are associated with freemasonic organisations. Your objections and those of Bill Heidrick's appears to be with the characterisations made by others as an article I quoted beginning with: "The case in question, according to the respondents www-site situated at: <http://www.gaiaguys.net/oto.ac/tjudgement.htm> is described as follows:" and concluding with, "THE VIEWS WITHIN THIS ARTICLE, DO NOT REPRESENT MY OWN."

Bill Heidrick and Jim Bennie are both capable of subscribing an inappropriate quote to myself, rather than seeking the opportunity address their remarks to the erroneous article.

Evidently you both have no qualms with the comments made in my first post... to which

I did address it. The OTO is not connected to Freemasonry, ergo, the rest of the article viz-a-viz Freemasonry is irrelevant.

Bill seems to have addressed a number of remarks about the article as being incorrect.

Thank-you for your response Jim Bennie and your continued assertions that OTO and Freemasonry are not connected.

Bill's comments on the article relates only to the Respondent's reactions to "the 28th June 2005, the Australian Capital Territory Magistrate's Court judged authors of [www.gaiaguys.net](http://www.gaiaguys.net), a web site hosted in the United States, guilty of defaming the Ordo Templi Orientis Freemasons" [cf: quote from <http://www.gaiaguys.net/oto.actjudgement.htm> ] in which the Applicant's claim Dr Michaelson has vilified and misrepresented OTO through an Internet article linking the society to paedophilia, satanic rituals, and animal and child sacrifices, all of which are [claimed] promoted in the OTO text 'The Book of the Law'.

The Applicants claimed that, 'what is contained on the website could incite hatred and lead to violence against members of the OTO.' Dr Michaelson meanwhile contends that OTO's text, The Book of the Law, contains "talk of blood rituals using children, eating flesh, the sacrifice of a child, the killing and torture of others and uninhibited 'love' without restraint", and as such, promotes illegal activity and violence against children.

The summation of the Respondent's problem appears to be:

- a) An inappropriate association between 'Ordo Templi Orientis' and Freemasonry
- b) An unsubstantiated claim that the Judeo-Christian belief in the Demiurge as HRUMACHIS (#330) being 'The Holy Spirit of Truth and Justice' as being the associated in the historical personage of Jesus of Nazareth which is antithetical to 'Ordo Templi Orientis' Gnostic and Hermetic view.
- c) The resorting to ad hominem as invective characterisations.

thank-you for your participation within this discussion.

The OTO has nothing to do with Freemasonry. Check your facts, please.

Jim Bennie

Nos. 44 & 100, Vancouver

I have been doing a bit of research and tend this.....

Worship of Abaddon, the Evil One

Revelations 9:11 And they had a king over them, [which is] the angel of the bottomless pit, whose name in the Hebrew tongue [is] Abaddon, but in the Greek tongue hath [his] name Apollyon.

There is no shortage of references to worship and adoration of figures historically associated with evil in the O.T.O material. This following one should be of particular interest to Freemasons who still think the brotherhood is compatible with their understanding of Christianity and to any who aren't aware of their ignorant usefulness to the controlling group. Higher ranking Freemasons who are not OTO members also use the word Abaddon. "I cover it with my left hand, and you look over your right shoulder and say Abaddon, which refers to the Evil One." (18th degree initiation rite of the Knight of the Pelican and Eagle Sovereign Prince Rose Croix of Heredom.) (Please study our Masonic degrees page here..)

In an Ordo Templi Orientis song, Song of the Perfect Initiate, (from The Secret Rituals of the OTO, Part Two, The Rituals Themselves, Council of Princes of Jerusalem) the meaning is less ambiguous. This song expresses scorn for the Simple Mason "...Princes of Jerusalem, How we mock and scoff at them!" and praise to Abaddon, ie. praise to annihilation. Take note Freemason dupes!

There is, " ...a danger inherent in all secretive societies for their cellular form devised by the founders for the security of the movement, can as readily be used to 'hoodwink' the leadership, who thus become unwitting 'front men ' for activities they would never countenance." (from Steven Knight's The Brotherhood.)

## FROM THE DAVID ICKE FORUM

### GaiaGuys.net Forced To Close Down

Australian-based whistle-blower website gaiaguys.net (Vivienne Legg and Dyson Devine) worked tirelessly, dedicating years of their life to exposing police corruption and protected paedophilia rings operating within Australia. Sadly, their website was finally forced off the net this month, and it was a real blow for what's left of our freedom of speech here in Australia. However, what happened to gaiaguys is probably not surprising to those who have followed their ongoing legal battles against the (sanitised) "Ordo Templi Orientis", and VCAT.

The webmasters, Dyson Devine and Vivienne Legg knew full well that the (sanitised) had massive influence over our Australian legal/justice system, government departments, and the police force, and they went well beyond the call of duty to try and expose this corruption.

For further information on this case, the arrest of Vivienne Legg and Dyson Devine, and information as to how to obtain access to gaiaguys master files on this case and a lot more (yes, many files are still available thanks to Adam Dodson), please use this link.

<http://adamdodson.org/node/131>

A search for "gaiaguys" may prove fruitful for other bits and pieces also.

Sorry to hear about that. Couldn't the site still be mirrored for viewing in other parts of the world?

I'm not sure kasalt.....maybe something is being organised on that score?

I'm surprised something wasn't already put in place prior to their arrests, but I'm sure its not the last we'll hear of gaiabuys as they are truly dedicated freedom fighters. I just hope they get a suspended jail term.

Posts: 1 Gaiaguys Update

---

Just a little update - Pasted from comments here  
(<http://adamdodson.org/node/131#comment-219>)

\* VIVIENNE HAS BEEN INCARCERATED \*

As of this morning, Monday, January 14th 2008, it was officially confirmed that Vivienne is on the Victorian Corrective services registrar. It is not departmental policy to disclose what facility they are both in. But the un-official indication is that Dyson is in the Melbourne Assessment Prison and Vivienne is being held in the Dame Phyllis Frost Centre.

Amnesty International, ( as it's namesake suggests...DOH ), doesn't deal with domestic cases. They refered me however to Justice Action. There I spoke to a truly kindred spirit, Gregory Kable. He was aware of Gaiaguys and knew of the players involved. Justice Action is not a legal representative, but more a watchdog for inmates in the Australian judicial system, it is now formally notified of Dyson and Vivienne and will be keeping a close eye on them. As Gregory mentioned, they shine a light on the the situation and just let the authorities know they are being scrutinised.

Still waiting on the response from Defence concerning the D-notice. When rung today, they said the Public Relations guy in charge of mail was away on holiday. I was told that they will look into it and to expect a phone call back sometime soon. I suppose they would have dropped a gag-bomb on this site if such a notice existed. So it's business as usual here, till I hear otherwise.

The Corrective Services dept is being contacted via the postal service so both Vivienne and Dyson can establish communication with myself. Then they can be referred to legal representation and we can start the ball rolling. Anyone wanting to send support for Gaiaguys can address it to:

Vivienne Legg or Dyson Devine. ( One or the other, as they are separated now...By location that is )  
Dept of Victoria Corrections  
GPO Box 123  
Melbourne, VIC, 3000

Please keep in mind your letters will be inspected before being passed on and it is totally up to the authorities discretion what gets censored or not. So keep the language as polite and non-political as possible. ( My tongues half sawn off from biting it so much ). That will increase the chance of your correspondence making it through to them. As it stands, an anonymous comrade is making the enquiries for me concerning both of them. This is done so not to mar due process with any prejudice from the establishment. Could I please ask that all well wishers just hold off for a week in sending mail. We are trying to get contact made so as to begin appeals and don't need to be thrown in a big " to-do " pile on some desk, lost in a stack of fan mail.

It's time to roll up the sleeves and get on with the task at hand now. ( Freeing Gaiaguys) As soon as I get in touch with them and verify their location. Hopefully by the end of this week. We will be heading to Victoria to see about getting them out of the hell-hole they have been thrown in. I am not sure what the policy of cameras or voice recorders are upon visitation. I will attempt to get a statement ( preferably on digital video so it can be posted ), from both Dyson and Vivienne. My hands are bound though to adhere to Corrective services regulations and I can't do anything to jeopardize communication at this stage. So we'll see how that pans out.

Contacted all State offices of the Australian Green Party with this story. It will be interesting to see if we can get some support from them considering Gaiaguys commitment to the environment. Awaiting their reply eagerly.

Keep you all updated as contact is made.

They have been charged under a law that in effect is religious discrimination because they exposed the OTO's web site and in particular one of Alistair Crowley's saying "Do as Thy will" relating to the abuse of children they were charged and taken to court/tribunal (though they did not appear) from a different state from where they reside.

Australia is full of Freemasons in high level positions  
Judges, Politicians, Police, Councilors, child care workers and prominent Entertainers.

Footnote: The previous Prime Minister John Winston Howard was a Freemason as exposed by photo with a handshake to the previous opposition leader Mark Latham who by the way was not a Freemason who then came down with a mysterious disease forcing him to give up his position, just before an election.

**POST SCRIPT: GAIAGUYS.NET**

Moments after I originally uploaded the above Personal Note, et al, to the Castle, I checked my e-mail and discovered this message below dated May 23, 2008:

"David Bersson seems to be going about the internet and masquerading as you, writing typically grammatically non-sensical garbage in your name in order to defame you."

I replied to the gentleman who sent this information to me and he quickly responded with the posting along with information about a certain problem in Australia of which I was not until this time aware of, to wit:

"A man named Dyson Devine and his partner, Vivienne Legg, believed they were exposing a conspiracy by some O.T.O.-like group calling themselves 'the' O.T.O. involving (sanitised) ..."

It is unclear as yet if there is any validity to these claims or if the supposed group in question is in fact a branch of the Caliphate pseudo-o.t.o. or, as this gentleman indicated as a possibility, the S.O.T.O. For all I know this matter may be entirely fictional. As I have said, this is the first I have heard of it. Contrary to popular belief, promoted especially by members of the Caliphate and David Bersson, whose egos are flattered to believe it so, I do not spend an inordinate amount of time thinking or writing about them. Especially these days, only a small portion of my time and energy is spent on their lies and absurd nonsense ... only so much time and energy as is necessary for the sake of Thelema and the memory of Aleister Crowley and no more. Therefore it is not unusual for me to not be aware of such matters as this affair down under. To me it is simply more of the same and a possible validation of things I have been saying for a long time now.

Be that as it may, I visited the web site printed in the message following the copy of the posting the gentleman believed David Bersson is responsible for, i.e. <http://loveforlife.com.au/node/3488>. At the head of the page this was posted:

GaiaGuys.net Website Has Been Shut Down Sometime Between November 2007 and January 2008

Below are links to many webpages/Websites providing news and articles about GaiaGuys Vivienne Legg and Dyson Devine

Among the postings is the following. While it is worth noting that the individual who posted it is listed as "Anonymous" in the beginning, it is still and obviously intentionally misleading, falsely signed "G.M. Kelly". Perhaps GaiaGuys.net deserved to be shut down for a number of reasons. For one they never contacted me to verify if indeed I had posted the following message, and one wonders how often sites such as this promote the lies and slanders posted under false names.

Dyson Devine and Vivienne Legg

Dear Misguided Dyson Devine and Vivienne Legg

Well, now you're in prison after all your lies. If you happen to get out of prison; you should come to my website where the reading thereof will educate you on the truth on who we are. I am the greatest genius; and leading authority in these matters and no one but myself is qualified to discern between such

items. <http://www.oocities.com/Athens/Parthenon/7069/> I am the true head of the O.T.O.; being the Inner Head of the Order; and I was very happy to see you two in prison. Now, let that be a lesson to you and if you are caught lying again; you return to prison with an even longer sentence. Bill Morgan has been slandering us of late, as well, and it might very well take another court case with he as the next to go to prison. I have been told by my assistant Mr. William Breeze that Bill Morgan is another dangerous liar. He should be publicly warned that we are a harmless religious group; and his slander will only result in lawyers and court rooms. Since we are NOT Satanists; nor in any way break any laws in any country; I see more slanderers need to be shown the error of their ways. Stand warned; and I, G.M. Kelly will not tolerate you, this imbecile Bill Morgan or anyone else lying about the O.T.O.; and as its Leader will find you and sue you again and again until justice is done in the courts.

Yours Truly,

G.M. Kelly

Head of the O.T.O. world wide

By the dozens of indicators in the above message it should be obvious to anyone that I did not write and post this nonsense. I do not even know who Bill Morgan is. If I have ever heard the name I have forgotten it. And of course Bill Breeze is hardly an associate of any kind. Furthermore, I have never been interested in becoming a member of any group calling itself the O.T.O. I would only be interested in the Ordo Templi Orientis if Aleister Crowley were still alive and O.H.O. Such mad nonsense as "Head of the O.T.O. world wide" and the rest, along with the illiterate nature of the above message falsely posted in my name does indeed seem like the work of David Bersson, who has been desperate for attention lately, i.e., even more desperate than usual. Click on his name above for the latest nonsense in The Sword of Horus, an extension of the last Personal Note before this one.

Generally I stay away from message boards, blogs, e-groups and the like. I have never liked the fact that the individuals who own them and supposedly monitor them do not thoroughly authenticate the sources of their postings, and because of this impersonating another individual is all too easy and common on these web sites. One looks for accurate information, and all too often finds in these chatrooms and such a great deal of misleading misinformation and intentional dysinformation.

For the record, I have only one web site, the Castle of the Silver Star, this web site, and it can be found at:

<http://www.oocities.com/Athens/Parthenon/7069>

or by way of the simpler and easier to remember Domain Name:

<http://www.gmkelly.com>

And the only e-mail address that I possess that I would ever send a message from is [gmkelly93@verizon.net](mailto:gmkelly93@verizon.net). If a message or posting of any kind comes from any other e-mail address, I did not send it.

Such insane and unethical behavior as this false posting to be found at <http://loveforlife.com.au/node/3488> only prove everything I have been saying for years about the individuals who would do such things and those who would eagerly promote their childish nonsense. I thank them for proving the validity of my statements.

Love is the law, love under will.

Unfortunately, soon after writing this Personal Note, I received sad news regarding the wife of the late Ken Ward, Frater O.v.N. I direct you to the end of Ken Ward's Memorial for a few words about the passing of this charming lady.

## **PERSONAL NOTE**

May 2008 E.V.  
by G.M.Kelly

Do what thou wilt shall be the whole of the Law.

Careful! Yellowjackets sting! G.M.Kelly aka Frater Keallach 93/676

It has been quite a while since more than a little work has been done on the Castle, and I am very happy not to include in this Personal Note the announcement of a death. As for the work that has been done, mostly I have been "stealing" idle moments at my bread-and-butter job to revamp the older files (articles) on this web site. When the Castle of the Silver Star was first created I knew absolutely nothing about HTML code. A charming lady, disgusted with abuses she witnessed first hand within the Caliphate pseudo-o.t.o., left the group and provided me with a "craptop" computer onto which I typed all of the material that had been published in The Newaeon Newsletter and its supplemental Encyclical Letters. My lady friend then created the initial web site using a WYSIWYG (What You See Is What You Get) program. I had no computer at the time and absolutely no computer knowledge. This created a small problem for me right at the beginning since the WYSIWYG program, as is (was?) too often the case, did not do the best job possible, the HTML code something less than perfect. However, I was able to walk to the main branch of the Carnegie Library in the college community in which I then lived and not only work on the Castle, but also learn how to use these infernal machines. In studying the code problems, with a bit of trial and error, I taught myself

basic HTML. One of the reasons I have long wanted to revamp the older files on this site is that at that time I did not know how to make the raggedy right hand margins as neat as the left hand margins. I have since discovered the "Justify" code, which I have applied to these older files.

In regards to equipment, my first three computers were given to me by an adventurous gentleman who had also once been a member of the Caliphate pseudo-o.t.o. and who had left the gang, fed up with the petty personal politics and such that defined the less than fraternal "fraternity". I started with Windows 3.11, then there was Windows '95 and 98, I believe, 2000, I was, we were all, tortured by Windows ME, the so-called Millennium Edition, and finally I ripped ME out of my fourth computer, installed a larger hard drive, and then Windows XP, which I am still using on the desktop at my disposal. (Of course, technically, I own nothing.) I'm writing this on my computer at work, which has another version of Windows XP on it, and I am also working with a laptop that came with Vista as its Operating System. I have no real opinion of Vista as yet. Despite all of the implied progress in these two boring paragraphs, I am still a knuckle-dragging technological Neanderthal. I keep the Castle in basic HTML because (a) it is what I know best and easiest to maintain and correct when necessary, and (b) I have never felt the need for all of the flashy bells and whistles in an attempt to appear to be more professional and together than I really am. Too many individuals and groups using the Internet to disseminate their material to lure followers and customers try too hard to impress with appearance because they lack actual substance ... and fail badly. I am not looking for followers and I have nothing to sell. I'm merely expressing a necessary point of view that runs contrary to party lines in an effort to be of some slight assistance to students of Aleister Crowley, Thelema and Magick and the Great Work of To Mega Therion.

Well, that was boring! Onto more amusing matters!

As I have said, I have been working on early Castle files from a jump drive at odd hours at my bread-and-butter job. I work with the chronically unemployed and have found many of them to be unconscious psychic vampires, taking as much as they can from society while giving little or nothing in return. The job is often aggravating, frustrating and always an enervating consumption of quality time. I haven't much left by the time I return home in the evening, so I have been using spare time in the office to work on the Castle files. I've spruced up the HTML code some, found and corrected a handful of typos, improved slightly some sentence structure, and here and there added an update note. The largest update just uploaded with this Personal Note was to the review of F. Gwynplaine MacIntyre's *The Enigma of the Warwickshire Vortex*, adding an interesting e-mail message from Fergus in regards to this and *The Woman Between the Worlds*. In this message from the author one Henry Bibby is mentioned and I thought it necessary to give some information about this man for those who had not heard his story. A brief explanation led to a brief commentary on the source of the information, which led to a brief explanation of at least one source of the misinformation disseminated by fundamentalist. Since this put a stressful burden on the original addition to the review I made the man's name a link to a small file dealing with him, et al. It is worthwhile to

revisit the review of The Enigma of the Warwickshire Vortex to read Fergus' message as well as the linked information about Bibby and company. Also you will find a "new" Solomon King story, copyright 1988 E.V., For Lola.

I did promise to get to more amusing matters, didn't I? Far be it for me to break a promise!

LASHTAL.COM

Involved in some research on the Net, and, well, just goofing off at work, I ran across a line of discussion on lashtal.com that began with the following:

Post subject: G M Kelly Posted: Jan 06, 2007 - 11:47 AM

93 lashtalians,

I v'e (sic) just finished over veiwing the important articles in G M Kelly's Sword of Horus website. Is it just me, or is Kelly the most negative and hateful man on the planet? He absolutely rips apart all of A.C.s best and most prominent students, including, Grant, Achad, and Mc Murtry. I Know these men aren't the creme (sic) of the occult crop, but Thelema, and the O.T.O. in particular, owe a great debt to the original members and the California Agape lodge. He then proceeds to try to absolutely rip apart Hymenaeus Alpha , and Hymenaeus Beta. Without Grady's diligent work, in resurrecting, and calling back to the fold the surviving members of Agape, I have no doubt in my mind that the O.T.O. would have petered out and died. Next, he moves his vitriol to Hymenaeus Beta, who has worked tirelessly, and diligently, to bring Thelema into the new Millenium, (sic) and with his publishing ventures, Hymenaeus Beta has opened the Thelemic door so to speak, for thousands of next generation seekers worldwide (10 years ago you couldn't get a book by Crowley, Moonchild, and Book Of Thoth, used, if you were lucky). Now through H.Beta's tireless efforts and dedication, almost everything has been released. Before i (sic) sign off, Kelly, if you are reading this, i (sic) have just 1 question for you: What do you think would have happened to the masters (sic) teachings without the diligent efforts of Hymenaeus A and B to reform the O.T.O. and publish the masters (sic) works for posterity. Answer, they probably would have been sold on the black market, and never saw the light of day again. just (sic) some food for thought.

Ameth 441

Ameth 441? William Heidrick, toadie to both Hymenaeus Alpha (Grady Louis McMurtry) and Hymenaeus Beta (Bill Breeze)? We have here and elsewhere in many places on the Net a Caliphate cronie spreading lies and rumours about yours truly behind my back as it were because so far no one in the Caliphate has been able to reasonably and rationally respond to my quite legitimate criticisms of the gang and its key central core members. It is nice to know, however, that this fellow considers the articles about the Caliphate in the Sword of Horus section as "important", for indeed they are that. It is

important to know how Thelema and Crowley are being misrepresented, perverted, used and abused for personal gain and aggrandizement.

Note that one of the things he wants everyone to believe about me is that I am "the most negative and hateful man on the planet". I have to smile at this because, like Crowley who was labelled by the yellow journalists of his day "the wickedest man on earth", I have a tremendous sense of humour that it seems most people reading the articles on this site, and everyone who meets me in person, has absolutely no trouble recognizing. He claims that I rip apart all of A.C.'s best and most prominent students ... Kenneth Grant, Charles Stansfeld Jones and Grady McMurtry, and yet what I have done was to simply comment upon them, criticize them, and point out that Crowley himself was not at all happy with these fellows in the long run. Grant has completely perverted Thelema with his warped fixation on the qiphothic shells and Lovecraftian fiction which he promotes as reality. Jones (Frater Achad) turned the Tree of Life virtually upside down and proceeded to pervert centuries of carefully constructed qabalistic philosophy as well as Thelema. McMurtry, well, he claims Grady saved the O.T.O. by "resurrecting" it and he says that he has "no doubt...that the O.T.O. would have petered out and died" had it not been for McMurtry's efforts. By the mere fact that he states that Grady "resurrected" the order Ameth says that it had indeed already "petered out and died". (Wait a minute: "resurrecting, and calling back to the fold the surviving members of Agape"...is he saying that McMurtry raised these individuals from the dead? Nahhh. It's simply his characteristic butchering of the English language.) What McMurtry did, mostly by way of those around him such as the eternally careless William Heidrick, was to raise the corpse of the fraternity that Crowley and Germer had allowed to die because it was becoming an embarrassment to them and to Thelema. Grady and cohorts performed a metaphorical act of necromancy to create a zombie order to serve their own petty personal agenda, in Grady's case to keep him supplied in followers, companionship in his old age (note that he did not do this as a younger man), drugs and alcohol. Amusingly Heidrick, hardly the cream of the crop himself, states that he knows that these men "aren't the creme (sic) of the occult crop". Nice to see him admit it!

Ameth (a curious choice of "magical name" for a person who has no trouble whatsoever habitually presenting obvious lies as the absolute truth) represents Hymenaeus Beta, Bill Breeze, as a saint who has worked diligently for others, when in fact he has been trying for years, first through Grant and the late Marcelo Motta, to legally get his hands on Crowley's works for his own personal profit. When Grady died he finally found what he was looking for, well, sort of. We are told that ten years ago books by Crowley were impossible to find, but what he fails to say is that the works of Crowley were very much available via Israel Regardie, John Symonds and Kenneth Grant (despite their shortcomings) and through publishers like Llewellyn, Weiser and smaller publishers until Breeze and the Caliphate started persecuting those who would publish and sell or give away Crowley's works to everyone and anyone who wanted them. Breeze and his toadies like Heidrick went after anyone who made Crowley's works available and threatened law suits, had web sites pulled by threatening the sites' hosts, and did everything they could to corner the Crowley market until soon there were very few

books by Crowley available and material on the Internet started disappearing ... but for the less than perfectly accurate and professional versions of Crowley's works put out as lures and for profit by the Caliphate pseudo-o.t.o.

At one time there was much more material by Aleister Crowley available for reasonable prices as well as freely, but because of Bill Breeze's and the Caliphate's greed and need to be the sole distributors of Crowley's works, parasiting off of those works, there is less available now then ever. Furthermore, the cost of some of the books made available through the Caliphate is outrageous, and it is sometimes difficult to find any of Crowley's works available even in the large bookstore chains. Prior to those ten years that Ameth mentions, the drought caused by Breeze and the Caliphate, I was able to vastly increase my Crowley library by way of all the usual channels. That and not the nonsense that Ameth is dishing out is the truth of the matter, and it is not difficult to see that this is indeed true by studying the times Crowley's books were more readily available compared to the height of the Caliphate theats and persecutions that caused that ten year lack of available Crowleyana.

Ameth, probably figuring I would not be reading what he'd written, which I would have never discovered if not for an accident ... over a year later ... seems to then challenge me. "What do you think would have happened to the masters (sic) teachings without the diligent efforts of Hymenaeus A and B to reform the O.T.O. and publish the masters (sic) works for posterity." [Can you believe they put this guy in charge of editing the now defunct O.T.O. Newsletter?]

My answer is not, however, the answer he presents. What would have happened to the Master's teachings if not for the efforts of Grady McMurtry and Bill Breeze? Well, the books would have continued to appear, interest would have increased, more works would have been published, and Thelema might be firmly established in society by now, one hundred and four years after the passing of the Master To Mega Therion. However, because of Grady's and especially Breeze's efforts to be the sole distributors of Crowley's works, because of their threatened law suits and having free Crowleyana pulled off the Internet unless it comes from them, the many publication efforts by others has been discouraged and even halted, and there was that ten year period that they caused in the first place. And what is "Thelema" in today's society as a result of their ego-directed actions? It is (for now) a relatively small cult of no importance with no voice whatsoever in society lacking any strength to create change, but of course that's the way Breeze, Scriven, Heidrick and the central core of the gang want it because this serves their personal interests best. What is good, what is necessary for Thelema and society has never been a high priority matter for these people. A relatively small cult, however, is more easily controlled and profited from.

The next posting in the thread was from one "kidneyhawk", a.k.a. Kyle:

Post subject: Posted: Jan 06, 2007 - 04:16 PM

LOL-I'm hoping this thread doesn't take off into a million AMENs, only because there are more important (and FUN) things to discuss than what an idiot Kelly is. For the vast amount of time and effort this man has spent on his site (including all the letter writing, book reading etc), it is amazing that he comes out of it without displaying a single nugget of wisdom and ends his collection of rants with one more little tirade...against the LIES pertaining to his receding hairline! I almost have to wonder if he is (sic) REAL! Could this be a huge JOKE? If so, it's lacking....I rather thought the site with the OHO celebrity deathmatch (with Kenneth Grant as ref!) was MUCH funnier!

My first "meeting" of Michael Bertiaux, outside of Cults of the Shadow, was on Kelly's site...and this prompted my starting up of the now fairly well viewed Bertiaux Thread. Here's where the vast readership and participation of Lashtal Members gives you things the Web can't. Bazelek and Tau M jumped in and this prompted a HUGE re-examination of Bertiaux on my part (thank you, both!). And now Bertiaux is part of my daily studies! LOL! (er...should I thank Kelly for getting the ball rolling? Um...maybe not).

Quite simply, his crazy agenda makes anything he has to say questionable at best. I would bet that he pokes around on Lashtal. And rather than tell him to kiss off, I think he should take to heart that the only honorable thing to do is take down his site and replace it with something which celebrates Thelema.

He should also take to heart that it's ok to lose one's hair. It happens. Ask Crowley!  
LOL!

I have a feeling though that we might only see a continuance of the site and a hairpiece in the future.

Sigh...

93, just the same-!

Kyle

I wonder. If indeed there are more important and fun things to discuss than yours truly, why do these people, primarily Caliphate, occasionally David Bersson under an alias, seem to have nothing better to do than to go on the Internet and "rant", as they would put it, about me? Hmmm. And how does Kyle know if I spend a "vast amount of time and effort" on the Castle, writing letters and reading books? In point of fact for those of you who have been visiting this site you know I haven't been able to spend much time at all working on it for about eight years now, since I started my current bread-and-butter job. And I have hardly had any time to write letters in all these years and I am very slow to respond to most e-mails these days. As for reading ... I am frustrated, having a library with approximately 300 books that I haven't yet read in it and so very little time these past several years to read. So once more you have someone, probably a member of the Caliphate, inventing "facts" without any knowledge whatsoever in an attempt to discredit and belittle me. And I'm supposed to be the mean, petty little dispenser of lies!

And I simply love the way these people twist something, anything, everything completely out of shape to ridicule me, lacking anything substantially and truthfully "evil" about me, to wit: "one more little tirade...against the LIES pertaining to his receding hairline!" I can only imagine that this is a reference to the lies Kevin Bold of the Pittsburgh Caliphate group (which seems to have been closed) was spreading. He was running about telling everyone that I am completely bald, as if this was the most horrendous thing imaginable (has he seen photos of Aleister Crowley?) and that I go about wearing a cape. The truth is, I am not completely bald, had more hair at the time than I do now, and the last time I wore a cape I believe I was about ten years old, playing Superman. The point being that there are no limits to the silly petty lies members of the Caliphate and other pseudo-thelemites will tell in an attempt to discredit and ridicule me in a vain effort to control the minds of others, attempting to make others see things as they wish them to be seen, and if at all possible discourage others from even seeking me out to see what I am really all about. My hairline is irrelevant to me, that was never the point, and if Kyle sincerely missed the point I was making it explains a great deal about his inability to reason things out and make good choices in life ... and if he's making Michael Bertiaux part of his daily studies it's obvious that he's incapable of making intelligent and worthwhile choices.

And there they go again. Once more trying to get me to take the Castle of the Silver Star down, not for the reasons they state, but because there is no way they can really refute what is written and that which is written often spoils their games. As for creating a site that "celebrates Thelema", that is what the Castle does ... while also defending it against those who would pervert Thelema to serve their own petty ego, contrary to what Thelema is all about and needs to be in society. That's what Kyle called my "crazy agenda".

There was then one brief message from a "wolf354" stating that "There is much worse than the sword of Horus here ...! Kelly doesn't win the trophy" and then one from a fellow who identifies himself only as "enki\_carbone". How "brave" these people are who hide behind anonymous screen names and so-called magical names. Another nice thing about this practice is one doesn't usually know, then, that the very person commenting upon the awful thing someone else did is actually one of the individuals really responsible for that awful thing.

Post subject: Posted: Jan 06, 2007 - 11:34 PM

I remember several years ago, belonging to a Thelemic Yahoo group of sorts (it was a Lodge group iirc). It was good reading, with a pretty large base of active participants. Somehow, a letter posted by GM Kelly ended up there, an open attack against Bill Breeze, and a long dramatic tirade soon followed. What was once 5 - 6 posts a day from the group ended up being 40ish, all embedded in a huge flame war. I unsubscribed shortly afterwards. Kelly got what he wanted. I respect an individual's will to differ with others (didn't know he had a site lol), but taking all of this within a grain of salt: it's his prerogative to write slanderous hateful material, just as it's my prerogative (sic) not to read it. It's become pretty evident he has taken a single incident and turned it into an

active crusade against the O.T.O. and anyone (sic) that stands for its' (sic) further development. It's my choice, my will, not to read the psychotic ravings of a loudmouth attention-whore.

Warm Regards,

Enki

"Enki", for lack of a real name, seems to hold me responsible for the posting of an article on this e-group or chat room of which he was a member supposedly written by me. Fact is, that sort of thing happens a lot and I have nothing to do with it. Sometimes they are articles taken from the Castle without my knowledge, and occasionally they are completely fraudulent, not penned by my hand. He presumes to know what I want, saying that I got what I wanted, which shows you how these people think, or don't think as the case may be. They assume something to be true because that's what they want to believe and this kind of "thinking" completely ruins their ability to reason out anything and everything. In this case their evaluation of me, creating a complete inability to actually understand what I've written, however simply I have worded it.

You will notice, however, that my words, the very mention of my name, seems to set off a firestorm. This does not "please" or gratify me in any way. I have never been interested in personal glory, recognition or anything of that nature, but I do find it amusing, for there seems to be nothing like the invocation of the name "G.M.Kelly" to force most of the crackpots and charlatans to not only reveal themselves, but to also prove my words in regards to them. And it's almost always the very individuals who say that I should be ignored, that I have nothing to say worth paying any attention to, who simply cannot ignore me and must go on and on about how awful, how terrible, I am.

At any rate, I am certainly not responsible for how these people act on an e-group, in a chat room or elsewhere. They are responsible for their own actions. Neither the Devil nor the devilish G.M.Kelly made them do it.

A friendly associate once invited me, again and again, to join his e-group and eventually I gave in and joined. Everything was fine for a while then suddenly the e-group was invaded by individuals whose only intention seemed to be to disrupt and destroy. Some of these people haunt all such Internet groups. Several of these people in particular were really David Bersson writing under various male and female pseudonyms, each possessing the same characteristic linguistic and clerical errors. These people completely destroyed the e-group ... and blamed it on me, no less. True, it was "the power of that barbaric name of evocation", G.M.Kelly, that initiated the problems, but through no fault of mine. Other individuals stood up for me, fought back, but that only seemed to make matters worse because the real "flamers" just became more and more unreasonable and disruptive. They got what they apparently wanted. I and some of the other rational members of the e-group left. I never wanted to be a member anyway. I have always done my best to avoid e-groups and chat rooms that all too often lead to time-consuming, time-wasting chatter ... and with my penchant for verbosity (have you

noticed?) I do not need anything that encourages it. (This is where one of my detractors is supposed to step in and once again demand I take down this web site!) This fact, by the way, shows you how well these people don't know me. Example, Kyle who said he has no doubt that I poke around in lashtal.com ... which I did not even know about and come across until over a year after these postings.

Well, it went on and on, "Ameth 441" apparently getting what he wanted by starting the thread and invoking the name G.M.Kelly, and it took a couple of reminders and a redirection from the webmaster to end the flaming nonsense before it got any further out of control. For instance:

...that's two ridiculous posts from you on one thread, including one after I reminded you of the impartial - or at least evidence based - stance that this site encourages.

Your posts on this thread wouldn't seem quite so absurd if they contained anything more than insults and statements of opinion.

If you insist on making further abusive remarks then your authority to post to the Forums will be removed.

All of the above are merely a handful of examples of this kind of thing. Falsely accused of the wrongs that the accusers themselves often prove themselves to be guilty of as they make their false accusations--I report news, I express reasonable criticisms, I pose rational questions, and the subjects in question and their loyal all too often non-thinking following and others who feel threatened, knowing that their own words, actions and motives are something less altruistic than they claim, go completely off the deep end. Their personal motivations and subservience to ego are revealed, and they resort to complete perversion of the facts and pointless ridicule to attack me, their words anything but reasonable criticism and editorial commentary. But don't misunderstand me. I'm not giving a poor me pity party here. I find it all very amusing, especially because while they are always saying I am completely inconsequential they cannot stop talking about me, all the while exposing their true selves and proving my criticisms valid. And, of course, I am not the only individual impotently victimized by these people. However, because I have never been interested in popularity contests, because my primary focus is the defense and establishment of Thelema in society, I tend to be one of the most prolific and better known critics, thus a target more often than most.

A few, a very few pseudo-thelemites absolutely pissed off over my criticism have learned to keep their mouths shut, at least in public forums, although some of these have still found it impossible not to put in their two cents, using pseudonyms and pretending to be someone else. What taught these very few to hold their tongues? The answer lies in this last sentence from one of the people who posted on lashtal.com, magispiegel, a.k.a. Charles:

Who the hell is Kelly? Ive (sic) never heard of him...

And therein lies the problem all of these people must face. They have this burning need to speak ill of me, this compulsion to ridicule, misrepresent and slander me, often falsely claiming that I "slander" others, and in so doing they create and increase interest in who I am and what I've written, often inadvertently advertising this web site to those who might have otherwise never heard of it. Many of these people, once they've investigated the matter for themselves then e-mail me to tell me about the things being said about me on this or that e-group and commend me on my work in behalf of Thelema.

Here you might feel it necessary to point out that, then, wouldn't it be also true that my articles about the Caliphate and other pseudo-thelemic groups and individuals might act as advertisement of their existence? And the answer is: yes. Here's the funny thing about that. These individuals with their senseless, ego-motivated, baseless insults and those who are more reserved and just a tad bit more clever, do their damnest to discourage anyone from reading the articles on this site, the Castle of the Silver Star. Some try never to broach the subject, hoping that their dues and fee-paying followers never even learn of the existence of yours truly. While, on the other hand, I have always encouraged everyone to study their web sites, communicate with them, weigh matters and then decide for themselves what and is true and what is false. I have no desire whatsoever to control the thoughts of others. I am not in a business competition with any of these groups or individuals. I do not demand fees and dues for worthless, meaningless degrees and grades, nor do I ask for anything of anyone but this one thing: **THINK AND DECIDE FOR YOURSELF!**

In that brief thread on lashtal.com there was so much more that was said that could be commented upon for several beneficial reasons, but it grows tiresome after a while, they grow tiresome after a while. So, let's end this here and be done with it. Well, after one more remark...

In reference to one of Ameth's initial statements, within that thread, one adonia444 posted:

And Who IS the "creme of the occult crop", if I might inquire.

Just Curious.

Agape,

Kym

And Charles remarked, in part, perhaps including me with the rest, which is his prerogative:

I'm wondering that too...I mean, what have these people achieved in life?, other than 'ranting' and having 'no-brainers' as followers to feel good about themselves? Its beyond me...

...and funny! because, me knows, its all about the 'self stroking of the ego syndrome'...

Kym, I was also curious about that, noting the few literary efforts to come out of the Caliphate and Typhonian pseudo-o.t.o.s, for instance, to be something less than wonderful, with no other real "success" to show as their "proof." And I note that you never received an answer, my guess being because among these people who crave attention and find it disturbing that another should get it there is no cream of the crop ... only sour milk.

Can't find it at the local bookshop? Tired of some so-called "Thelemic fraternity"

Aleister Crowley inaccessible? Then I highly recommend this no nonsense, no strings attached site for downloadable Crowleyana

The Often Out Of Sight Site! <http://yohonza.cjb.net>

If the above site has been pulled from the Internet (again!) it is the work of the Caliphate pseudo-o.t.o. which preaches that "The word of Sin is Restriction", but which constantly restricts your access to Crowleyana, to material which you may need to discover and accomplish your True Will, thus in every way proving themselves liars and hypocrites. Their attempts to "corner the Crowley market" are dictated by greed. Their tactics, threatening publishers and claiming copyrights to material that is in the public domain, to Crowley's work which he would want to see freely distributed for the benefit of all, for the benefit of Thelema and society as a whole, is the very antithesis of Thelema.

I encourage you to read The Rape of Thelema <http://www.gmkelly.com/breeze.html> in the Sword of Horus section.

Dyson Devine and Vivienne Legg

Dear Misguided Dyson Devine and Vivienne Legg

Well, now you're in prison after all your lies. If you happen to get out of prison; you should come to my website where the reading thereof will educate you on the truth on who we are. I am the greatest genius; and leading authority in these matters and no one but myself is qualified to discern between such items.

<http://www.geocities.com/Athens/Parthenon/7069/>

I am the true head of the O.T.O.; being the Inner Head of the Order;  
and I was very happy to see you two in prison. Now, let that be a lesson to you  
and if you are caught lying again; you return to prison with an even longer sentence.

Bill Morgan has been slandering us of late, as well, and it might very well take another court case with he as the next to go to prison. I have been told by my assistant Mr. William

Breeze that Bill Morgan is another dangerous liar. He should be publicly warned that we are  
a harmless religious group; and his slander will only result in lawyers and court rooms.

Since we are NOT Satanists; nor in any way break any laws in any country; I see more slanderers need to be shown the error of their ways.

Stand warned; and I, G.M. Kelly will not tolerate you, this imbecile Bill Morgan or anyone  
else lying about the O.T.O.; and as its Leader will find you and sue you again and again until  
justice is done in the courts.

Yours Truly,  
G.M. Kelly  
Head of the O.T.O. world wide

I was in Castlemaine

I was near Castlemaine, still am, looking for someone to talk to about the odd going on around here, the funny rituals and stuff and the impinging on my space. At the time I didn't know of any of this case but I spoke to my doctor. Soon he sent me to shrink, well had the psych nurse come to the clinic as I refused to go otherwise and was forced onto mental health drugs. I then found a jumper from WA mental health left at the scene of some ritual concerning a huge pentagram and what sounded like murder. Despite any words from the doctor or nurse about the WICCANS I found out my appointments were being made at th time the court cases were actually on in town. Last mistake I made as

I was on the mental health drugs and felling good was point out the 3 painting of my docs college, asking what they had in common. My friend and doctor said that it was the doctors colleges and I said beside the obvious I can see 3 OTO halls. The paintings came down and I now addicted to mental health pills and even found the same doctor prescribed them to my housemate in my name this week to slip me. I suffered a collapsed lung and despite 6 months of weekly visits it went undiagnosed till my housemate yelled where I was in hospital CCU within minutes and now have 2 year recovery. I feel it was attempted murder and will do something about it if I can tomorrow, trouble is the top end lawyers went to the same colleges

#### Vilification of the OTO

Mr Cristian - can you honestly declare that you or any associate of yours has NEVER, deliberately or inavertantly, in their entire lives, EVER caused harm to any other living creature, or the Universe in general? - A quite famous guy once said "Let He Who Has Not sinned cast the first stone..." If you intend to be considered an intelligent, responsible organisation, I would suggest more extensive research and less idiotic demands!

BTW there's very good reasons why certain practices are kept secret from the less informed - not because sacrafice or sexual abuse is occurring, but because some things require extensive learning and developed thinking processes. Without background Gnowledge, it is quite impossible to comprehend practices and thusly, misunderstanding occurs... Do you truly believe witches really use Dragon's Blood, or Eye of Newt? And just because someone tells you something, even if they appear sincere, doesn't make it fact... Do you believe in Santa Clause?

The fact that this has occured is shameful for both your organisations - Is it any wonder I keep my beliefs to myself!

Arthur Cristian's Reply: Vilification of the OTO - To Mr Kelly

Dear Mr Kelly

And to the revered learned elders of the secret religion O.T.O.

Thank you for replying.

As your MAN-Made CRAFTED, out-of-thin-air religion, with its ritualised PRACTICES officially kept in secret, its secrets available only for those with privilege and honour, bestowed upon by the all knowing and all seeing O.T.O. High-Priest-Hood from on high, Fiona and I are left with only shadows to ascertain the who, what, where, when, how and why the "Illumined Minds" of the O.T.O prefer the "organised shadows of darkness" to fester their rituals and agenda, than being right out into the open amongst the glorious radiant sun-light of truth, freedom and MAN, where all doubts and secrets are quashed.

Is it true that the priests of the O.T.O. are Shepherds with illumined lanterns raised high, to guide their initiated sheeple across the dangerous abyss of imagined shadows, forming the fiction of darkness that is the glorious path of the O.T.O initiate????

No matter what angle, location, or time one chooses to look at the sun, no shadow is being cast by the sun. When one looks at the sun, only the brilliant, infinite, creative loving light of truth and freedom is being cast by the sun at all times. But one can arrogantly ignore the sun-light of truth by turning away from the brilliant light to gaze upon the maddening illumined shadows of ones delusional making. The illumined shadows exist as long as one con-tinues worshiping the illumined shadows they believe, value and worship in while always facing away from the glorious sunlight of truth.

Have real flesh and blood men and women ever been cannibals or drunk human blood or have been sacrificed or have been sexually abused or acted as witches and warlocks using human body parts??? The answer is an incontrovertible yes to all points raised.

Could these evil acts still be happening today or tomorrow???

We would show up to be terribly naive and stupid to assume that it couldn't still be happening amongst the hu-man race just as many hu-mans still believe in Jesus, Santa

Clause, The Tooth Fairy and the The Easter Bunny. And yes Vaccinations are harmless, Fluoride is very good for your teeth, Aspartame, MSG, Genetically Modified Foods and Animal Hormones are safe for hu-man con-sumption, Arabs/Muslims did 9/11, part-time Indonesian peasant farmers pulled of The Bali Bombings and Martin Bryant is the greatest marksmen that ever lived. Ohhh, that's right.... and before I forget.... politicians never lie and all judges have never sold out anyone.

I will rephrase the question I asked you ...Are you or any members of the O.T.O INTENTIONALLY SEEKING to Do Harm to real flesh and blood Men, Women or Children, now or in the future, in any way whatsoever, on any level of life, be it emotionally, intellectually, psychologically, psychically, spiritually, physically etc???

There are many readers still most interested in your reply.

I also suggest reading this unedited document here: <http://loveforlife.com.au/node/4345> as it is very relevant to you and the O.T.O. and keep an eye out for our latest edited document "The True Steps Of Freedom" which will be posted to this website within a few weeks time. After you read this document you will be wondering when (and not if) all the walls will come crashing down exposing everyone completely naked for all to see, those involved in the crime syndicate/terrorist organisation as already mentioned in many of my unedited documents posted here: [http://www.loveforlife.com.au/arthur\\_cristian](http://www.loveforlife.com.au/arthur_cristian) - While you are at it have a look at this very rushed unedited document here: <http://loveforlife.com.au/node/1383> - this document will also give you a glimpse of what is coming down upon the corrupt shortly. I have intentionally withheld all the most important jewels but many of our supporters around the globe have copies just in case.

If you or other real flesh and blood men, women and children (if any children - we don't know as yet as its all kept in secret) of the O.T.O. are doing no harm to other innocent men, women and children, then you all have nothing to worry about.

All the best to you, your family and other loved ones Mr Kelly

The Liar Posing here as G.M.Kelly

Mr. Arthur Cristian,

Do what thou wilt shall be the whole of the Law.

Just a brief comment here in passing. I've been busy and just noted this page again that I haven't had time to read through. Times are trying. Please know that the individual you have been exchanging messages with was NOT me, G.M.Kelly, but was almost certainly David Bersson, an insane individual who delights in misrepresenting others and himself, interfering with e-groups, blogs and the like. He is a liar, a charlatan, and a lunatic. And he most certainly never had the right to speak in my behalf. An individual (I can hardly call him a "man") who acts with so much dishonesty cannot be trusted in anything and is best ignored. Any help offered to him needs to begin with professional psychiatric help.

As for myself and Thelema in general, we do not operate in any way to intentionally harm others. It is possible that moving through life one may accidentally step upon another's toes or bump into them, but this is the nature of life on a crowded planet and the reaction should always be to apologize, help the person up if you have accidentally knocked him down, and try never to do it again. But deliberately harming another, well, let's put it this way, David Bersson has committed countless rude offenses against myself and others throughout his pathetic little life of crazy fantasy and dishonesty, and so far I have allowed the Universe to act in the best interests of all, feeling certain that he will come to no good end if he does not learn to become a true and an honest man.

And just as a side note here: Thelema is NOT a religion, new or otherwise, and any group claiming it is does so solely to cheat sincere students and defraud the government by claiming religious exemptions, and DOES NOT truly represent either Thelema or Aleister Crowley. Thelema is a means of Self Realization, a method of understanding ones nature and ones place in the scheme of things, of mastering the false self, ego, and becoming one with the True Self. Thelema is a philosophy and a method of coming to an understanding as to the true nature of all religions too often submerged in a bog of ego-centric and elitist dogma so that humankind may free itself of dogma and the only real "devil" there is, ego, and rise up through clear understanding to realize that every man and every woman is a Star in the Body of Nuit, that we may be different in many unique ways, but that we are all equally important in the Universe of Being, each with his and her own part to do in the scheme of things where there is no elite who are closer to God than any other. By their fruits you shall know the spiritual beggars as well as the kings and queens of the earth. And those who serve their petty, often perverse ego and lead others away from understanding and realization it is our duty to expose to the Light and if we can, lead them into that Light so that we may all come together, breaking the chains of dogma and elitism that enslave humankind and keep us apart so that we may work together towards that One Goal, taking the Next Step towards Understanding and eventually that Crown above all else wherein we learn

that between any one thing and any other thing, between true Thelemite, Christian, Jew, Muslim, Pagan, Deist, Atheist, etc., etc., There Is No Difference. It is all God made manifest.

Love is the law, love under will.

### We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, ignorance, being fed many many lies and being traumatised. The issue is not overpopulation - there is more than enough land available for every family to have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

### **NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES**

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public

Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

## **A Collection Of Various Love For Life Posts**

### **Providing The Big Picture We See Sequential Order**

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

## **Peaceful Transition Through Sacrifice And Service**

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

Once we fix these issues, we or our children or our descendants to come, can start focusing on the even bigger picture of getting back to where our ancestors were, as breatharian's, before they fell into non-sense images to be enslaved by them.

## **The Cristian Family Declaration**

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

### THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.
- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.
- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

## **Update Regarding The Love For Life Home Page And Quick User Guide**

We are turning the Love for Life Quick User

Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

## **Love For Life Videos**

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

## **Love For Life Music**

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

### **About Us - Love For Life & The Cristian Family**

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

## **ADDITIONAL DISCLAIMER**

### **THE CRISTIAN FAMILY SUPPORTS FREEDOM OF SPEECH - FREEDOM OF THOUGHT**

**Posted Wednesday 17th June 2009**

**Updated September 2011**

**NSW Jewish Board Of Deputies  
Has Threatened To Shut Down  
The Love For Life Website**

**No Freedom Of Speech - No Freedom Of  
Thought**

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: **"NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of**

**Bank Fraud Condoned By Judges"** <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles:** <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the

leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see here: <http://loveforlife.com.au/node/6511> and here: <http://loveforlife.com.au/node/3385> - We also highly recommend that everyone read the brilliant Russian books called **The Ringing Cedars**: <http://loveforlife.com.au/node/1125> - The **Love For Life Website Homepage** also provides lots of inspiring remedy based information: <http://loveforlife.com.au> - If you want to be kept up to date with our work please register to the **Love For Life Mailing List** here: <http://loveforlife.com.au/content/09/05/14/mailling-list>. ## Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank

account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
