# FABRIC DISTRICT RESIDENCE

Construction Update  
October 2018

# Fabric District Residence 33 Devon Street, L3 8HA

The key construction works taking place during this period involve works to the building foundations, with holding down bolts and ground beams being installed followed by a full concrete pour to prepare the base of the site. Impending tasks will then involve underground drainage and the arrival of steel on site.

## Works Progressed

Currently completing the last of the holding down bolts and ground beams on the final section of the building foundations.

Concrete pour to fully complete the foundations for the project.

## Works Scheduled

Basic underground drainage for the internal of the building.

Commencement of external drainage construction to connect the mains drainage system.

Steel will be placed on site next month for further construction.
