UEBERT & BEBE ANGEL

The founders of Spirit Embassy (The Good News Church) Worldwide, Prophets' Uebert and BeBe Angel are excited to bring you The GoodNews Daily Kids Devotional.

Each day makes the word of God so much fun! We've made sure every lesson is easy to read and understand.

Children will be encouraged as they read and speak prophetic declarations into their lives every day. The devotional also inspires little ones to have their own quiet times through further studies and notes sections where their thoughts can be journaled. The roots of the Christian faith will be driven deeper in their tender hearts as they grow spiritually and understand the Good News of God's grace in their early years.

Matthew 21:13 (ICB)
“...My Temple will be a house where people will pray.”

Do you like talking or chatting? Well, God loves to talk. The word pray is a fancy word that means to talk or to chat. In 1 Corinthians 6:19, God calls you His temple. Now our verse for today tells us what that temple does. It's a place to pray. In other words, to God, you are the temple for prayer! Imagine that! The God who created this world could not find anywhere else to sit down and talk and chose you! Hallelujah! Prayer is not a ritual like brushing your teeth. You talk to God constantly because He is always

there waiting to hear about your day, how you slept, who your friends are and what made you happy or what made you sad.

Start to pray consistently today!

PROPHETIC DECLARATION

I am a house of prayer and I pray always. As I pray, God hears me always and enjoys my conversation.

1 Thessalonians 5:16

Luke 6:12 (ICB)

"At that time Jesus went off to a mountain to pray. He stayed there all night, praying to God."

How did Jesus talk to God all night? Imagine you went to school and met your best friend but they didn't say hello to you but greeted everyone else. How would you feel? Pretty upset right? Now that is exactly how God feels when you ignore Him.

You see, you call your friend your BEST friend because you talk to them consistently. You spend time getting to know each other, what you like and dislike and you have more to talk about. It is the same with God.

He wants you to spend time praying so that He can talk to you and become BEST friends. The more you get into the word and the more time you spend in prayer, your friendship with God will be stronger.

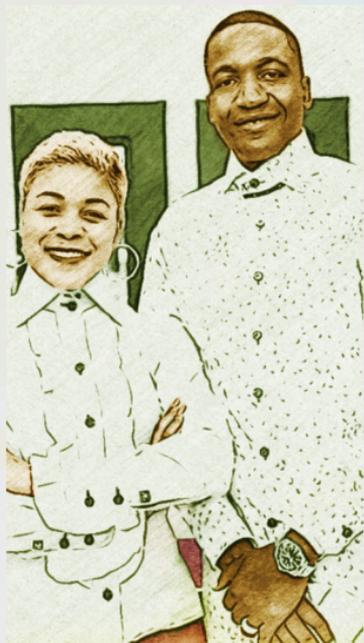

Let God be your BEST friend by praying consistently.

PROPHETIC DECLARATION

I am a friend of God and talk to Him always. I will start speaking to God more than anyone else because He is my best friend.

1 Thessalonians 5:16

James 5:16 (ICB)

“...When a good man prays, great things happen.”

Imagine another person you don't know asking your best friend for their favourite toy. Your friend will most likely say no because they don't know that person and don't trust them to take care of their favourite toy. But when you ask your friend, they will simply give it to you. Why? Because they know you and trust you since you spend a lot of time together.

That is your relationship with God! You see other people who don't know God may ask Him for something and

He won't answer. But when you talk to Him consistently every day, He will answer and do great things because you spend more time with Him in prayer. You can pray for your family, neighbourhood, or even your country and God will answer you!

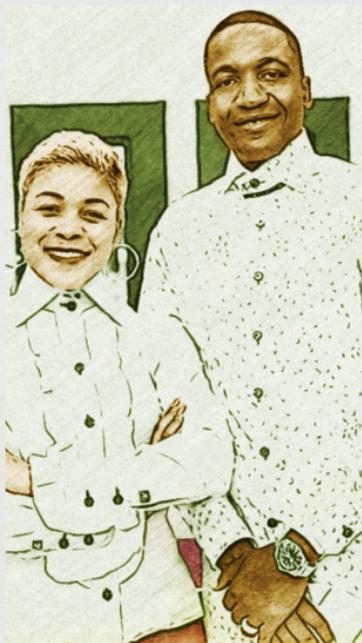

Spend time in the word and prayer to get to know God more!

PROPHETIC DECLARATION

Even as I have prayed, I know God has heard me. I know I have caused changes in my life, family, and country through prayer in Jesus' name.

Ecclesiastes 11:3 (ICB)

“If the clouds be full of rain, they will pour water on the earth”

Prayer is like filling up clouds with rain. You see, for the clouds to let rain fall they have to be full of water. Imagine if the clouds were full of monkeys, then when it rains, it will be raining monkeys! No, the clouds must have water. When the clouds get full and can't hold it, it starts to rain.

Likewise, when you pray, you are filling up a spiritual cloud with prayers. But it cannot be just any prayer, it must be prayers full of the word. Only when you pray the word do your

clouds get full and then when you are in need, the clouds will release answers instantly for you.

Spend time in the word and in the GoodNews Daily and pray that word of your life so that you fill up your clouds. Declare what God says about you today!

PROPHETIC DECLARATION

Greater is He that is in me than he who is in the world. I am as bold as a lion in Jesus' name!

“...You have come to thousands of angels gathered together with joy.”

What do you call a security guard in bed? Undercover! Have you seen how a king or queen has so many bodyguards surrounding them to protect them? They are always on the lookout making sure there is no danger.

Now you are a child of the Most High King and listen to how many angels God has commanded to surround you. Our verse for today says thousands of angels! Hallelujah! Right now, whether you are in your room or your house or outside, thousands of angels are around you every minute.

On the roof of your house, by your window, they are everywhere for you. You might not see them but they are there!

So, use your imagination to see them and keep declaring. Remember we walk by faith and not by sight.

PROPHETIC DECLARATION

I am surrounded by thousands of angels every moment. My family and I are heavily guarded and protected in Jesus' name.

Hebrews 12:22 (ICB)

“...You have come to thousands of angels gathered together with joy.”

Imagine going to a country for the very first time and you don't know the language. It would be very difficult to talk to people and make friends, wouldn't it? Well, now that you are in Mt. Zion, for you to see and speak to angels you must speak their language. You can talk to angels when you speak in tongues. Angels don't understand your language and so you must speak theirs. Thank God the Holy Spirit has given you the ability to speak a brand-new language, the tongues of angels!

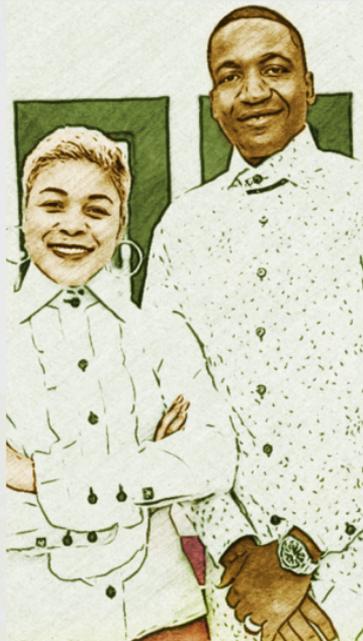

When you read more bible verses like the one for today talking about angels and you keep declaring them, you will start speaking to them and seeing them more. You will start greeting them when you come home or talk to them on your way to school.

PROPHETIC DECLARATION

As I speak in other tongues, I am sending my angels to every area of my life. I am heavily defended in Jesus' name.

FURTHER STUDY

1 Corinthians 13:1

Hebrews 1:14 (ICB)

“All the angels are spirits who serve God and are sent to help those who will receive salvation.”

Angels are not just there to protect you. Angels are there to serve you just like they served Jesus. When you are in trouble or stuck with your homework, you can tell the angels to help you. In any situation, you can tell the angels what to do and they will do it for you because you are a child of God. Many children of God do not know they have these incredible, powerful angels that can help them every day. Angels are waiting for you to speak the word of God to them.

As you go about your day today, be aware of the angels around you and when you face certain situations, command them to help you using the word of God.

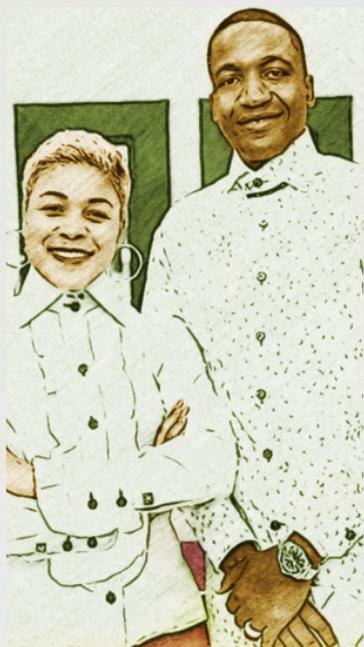

You are backed up by heaven!

PROPHETIC DECLARATION

Angels are my servants and as I go about my day, angels are helping me every step of the way.

FURTHER STUDY

Matthew 4:11

2 Kings 6:17-20 (ICB)

“Then Elisha prayed, ‘Lord, open my servant’s eyes. Let him see,’ ...The Lord opened the eyes of the young man. And he saw that the mountain was full of horses and chariots of fire all around Elisha.”

Our verse today is talking of a time when Elisha and his servant were surrounded by a great and frightening army ready to kill them. Whilst Elisha’s servant was frightened and saw how big the army was, Elisha didn’t see the same thing. He asked the Lord to open his servant’s eyes to see the real army backing Elisha in the spirit. The servant saw in the spirit that they were surrounded by

a much larger army of angels full of chariots and horses of fire!

You see, as a child of God, you must always see with the eyes of your spirit and not your normal eyes. Even if you cannot physically see the angels, you can see them with your imagination surrounding you everywhere you go. Keep declaring that I see angels everywhere, in the shops, on the road, in your room and you will not be afraid like Elisha’s servant.

PROPHETIC DECLARATION

I see angels in my view. Everywhere I go, I see angels. My eyes are open to see angels Hallelujah!

FURTHER STUDY

2 Kings 6: 8-22

Hebrews 13:2 (ICB)

“..Some people have done this and have welcomed angels without knowing it.”

How did one angel greet another angel? He said Halo! Angels love to be in disguise. Not all angels wear white and have big wings or fly. Did you know many angels look just like people and yet they are not people? Yes, they can even walk and talk with you like a person or even get on a bus or car like any other person but they are angels.

This is why, as a child of God you must be friendly to everyone you meet because you may be speaking

with angels without knowing it.

Today as you go about your day, be kind and friendly to everyone you meet. Continue to declare that you can see angels everywhere.

PROPHETIC DECLARATION

I see and speak to angels every day. I am blessed beyond measure! Hallelujah!

Matthew 6:22 (ICB)

“The eye is a light for the body. If your eyes are good, then your whole body will be full of light.”

Imagine you are in a dark room, and you were looking for your toy. You can't see anything. Now you take out a torch and light it. You can then see your toy, why? The moment you switch on your torch, the light in the torch entered your eye and made your eye see your toy.

Now angels are not hiding from you, they are right there with you always. But the spirit realm is a very dark place like the room I mentioned and you need light to enter your eyes to

see them. Where can we get this light? The word of God gives us light (Psalm 119:130). But not just any word, if you want to see angels you must read the word talking about angels.

Today find your favourite stories of angels in the bible and keep imagining that story. Soon you will see angels in your room.

PROPHETIC DECLARATION

I decree and declare my eyes are open in the spiritual realm to see. The light of God's word is in me.

“And I will show wonders in heaven above, and signs in the earth beneath...”

This is the year of “Wonders without Number” and that means this is the best time to communicate with angels and to see and hear them. Hallelujah! As a child of God, you must always be ready because any wonder could happen at any time. Any angel could appear at any time, so you must be expectant every day. When you are walking, keep an eye out, when you are in the car keep looking even at the sky to see the wonders.

Experiencing the supernatural is not just for special people. You are the Wonder without Number but you must keep talking about it, keep saying it always.

Today keep telling yourself that your eyes are open in Jesus’ name.

PROPHETIC DECLARATION

Wonders are happening in my life this year. This is my time to testify in Jesus’s name!

Hebrews 2:4, Acts 2:43

Romans 8:1 (ICB)

“So now, those who are in Christ Jesus are not judged guilty.”

Why did the Judge send the turtle to jail? Because he was known as a hard case!

For now, look at our verse for today. Feeling guilty means feeling like you have done something wrong. When you feel like this, it stops you from talking to God because you are scared that He is not happy with you. Listen, you have the same life as God in you and God never feels guilty about anything. He gave you His life when you received Jesus and that means if Jesus is free you are also

free. Never be afraid to approach God because you feel bad. Just declare that in Jesus' name, I am free from guilt because of Christ in me.

PROPHETIC DECLARATION

In Christ, I am not judged guilty, I am free in Jesus' name.

"God did not give us a spirit that makes us afraid. He gave us a spirit of power and love and self-control."

Have you ever seen a lion walking amongst cars full of tourists? Sometimes they just sit in front of the road blocking the way and no one dares to disturb them. They are not afraid of anyone or anything.

Well, the spirit in you has that same character. That means you can go anywhere and not be afraid of anyone or anything because you have the spirit of boldness. Remember how Apostle Peter was scared and denied he knew God but then after the Holy

Spirit came, he was speaking boldly to the rulers of the land. Wow! You have that same spirit in you so you should never be timid or afraid.

Walk with confidence knowing that Christ is in you.

PROPHETIC DECLARATION

“A thief comes to steal and kill and destroy. But I came to give life—life in all its fullness.”

The word life in our verse for today is not just any life. It is the God kind of life that Jesus gave you. Hallelujah!

Think of what the life of God is like. His life is full of health and never gets sick because He does not depend on blood and muscle as humans do. When God wants something to happen, He speaks and it comes to pass. Your life is not like your other friends, it is not ordinary. It is a god-kind of life because the moment you received Jesus, you stopped being a

human being and became like God.

Therefore, you should copy everything that God does because you have His life. Start copying God today!

PROPHETIC DECLARATION

I have the same life as God. I move, talk and think like Him. I copy everything God does in Jesus' name.

“I said, ‘You are gods. You are all sons of the Most High God.’”

What do cats give birth to? Kittens. What do monkeys give birth to? Baby monkeys. What do humans give birth to? Baby humans. Now, what do gods give birth to? You guessed it right, gods!

If God is your father and you are His child, what does that make you? Yes, a god. Our verse above says so. You are not a human being like other people. You don't think or talk the same way. You are very different. You see right now as you read the GoodNews Daily, you are receiving light and that light is what makes you a

god because others cannot understand the GoodNews.

Today, keep telling yourself that you are not human, you are not like everyone else. Light has entered you right now Hallelujah!

PROPHETIC DECLARATION

I am not human. I am a god in Jesus's name!

2 Peter 1:3 (ICB)

“Jesus has the power of God. His power has given us everything we need to live and to serve God. We have these things because we know him. Jesus called us by his glory and goodness.”

The moment you are born-again, God gave you everything you will need for this life. You are blessed beyond measure and the bible says you are blessed so that you can bless others. That means you lack nothing in your life. This is true because we walk by faith and not by sight.

If you are blessed with all things then it means the only thing you can

do is give. You are a natural giver like God. Remember how Abraham gave Lot the best land and Abraham was not upset or felt like He was missing out? This was because God had given Abraham way more than Lot and he believed it.

You can be a giver by giving a smile or sharing what you have with others. You are a warehouse of seeds ready to give and you will never lack.

PROPHETIC DECLARATION

I love to give. I am blessed beyond measure, and I give with joy always in Jesus's name.

“The one who speaks in a different language is helping only himself...”

Have you had those days where you feel discouraged? Feels like a bad day and you are just upset? When many people feel this way, they go and talk to friends who will try to cheer them up. But what happens when your friend does not understand how you feel or is not there to cheer you up? What do you do?

Well, now that you have the life of God, you do not need to wait for someone to come and encourage you on those bad days. Our verse above says when you speak in tongues you

help yourself in other words you encourage yourself and you feel better. When King David was having a bad day, the bible says he encouraged himself by spending time with the Lord.

Spend a few moments speaking in tongues to embolden and encourage you for the day ahead.

PROPHETIC DECLARATION

As I speak in tongues today, I am emboldened and encouraged in my spirit. Nothing shall bring me down today in Jesus' name!

“First, I tell you to pray for all people. Ask God for the things people need, and be thankful to him. You should pray for kings and for all who have authority. Pray for the leaders so that we can have quiet and peaceful lives—lives full of worship and respect for God.”

Apostle Paul tells us in our verse above that when you pray, the very first thing to pray for is other people especially, leaders. Yes, did you know that kings, headmasters and rulers need your prayers? It's true. It does not matter how old you are, what matters is that Christ is inside you.

You see, the reason why some countries are having a bad time is that the rulers don't know Jesus. In some countries, they are not allowed to read the GoodNews Daily or touch a bible! So those people don't have a chance to know about Jesus. Imagine not being able to have a GoodNews Daily or not being able to go to church? You have the power to pray for the leaders, prime ministers, and presidents so that laws can change and the GoodNews can reach their people.

Pray for your country and its leaders today!

PROPHETIC DECLARATION

As I pray for my country, my school, and my neighborhood, great things are changing in Jesus' name!

“...The words I told you are spirit, and so they give life.”

Today, we want to talk about the secret to hearing the voice of God. When you hear a dog make a sound, to you it is barking, but to another dog hearing the same thing, that dog is not barking but speaking!

In our verse today, Jesus says His words are spirit which means you have to be in the spirit to hear what He is saying. If you are outside the spirit, then it will sound like He is silent or speaking another language.

As a born-again child of God, you are already in the spirit. You just have to be aware of it every day and walk in it. Then you will hear God clearly.

"But the Spirit gives love, joy, peace, patience, kindness, goodness, faithfulness.."

Yesterday, we spoke about being in the Spirit to hear the voice of God. So, if you are in the Spirit then you should also walk in the Spirit. But how exactly do you walk in the Spirit? Does it mean I have to walk in a funny way? No! Our verse above gives us the answer. The spirit gives Love.

Walking in the Spirit means to walk in love. When you do this, you will find that you can hear God more clearly because He is love and always

walks in love.

Love everyone around you. Treat everyone with kindness and patience.

PROPHETIC DECLARATION

I walk in the spirit daily because love is my nature. Hallelujah!

"And this hope will never disappoint us, because God has poured out His love to fill our hearts. God gave us His love through the Holy Spirit, whom God has given to us."

What did one raspberry say to the other on Valentine's Day? I love you berry much! Yesterday we spoke about the importance of walking in love. But how do I love everyone? Not everyone is nice or kind so how can I love them all?

Love is a decision. Our verse today tells us that God gave us His supernatural ability to love everyone. You have the power to love and you can

decide to love a person even if they are not nice. You can love because God poured His own love into you so that you could love others.

Today, pray for those people who are not nice to you and show them, love. By doing this regularly, you will hear the voice of God clearly.

PROPHETIC DECLARATION

I have decided to walk in Love. There is no one that I hate. I love everyone in Jesus' name!

Matthew 5:44, 1 John 4:16

John 8:43 (ICB)

"You don't understand what I say because you cannot accept my teaching."

What do you do to become friends with someone? First, you talk to them and find out what they like, what they don't like, their favourite food or their favourite toy. You find out most things that the person likes and you talk about those things. That's how you became friends.

It is the same with God. God wants you to know more about Him through His word. When you read the bible, the GoodNews Daily or listen to the teachings at church, you are finding out more about Him. When God now

speaks to you, you will recognise and understand His voice because you know Him now. You know how He talks and what He likes or doesn't like.

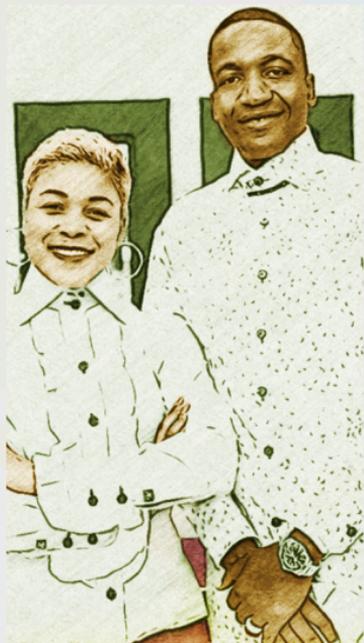

Spend more time reading the word today.

PROPHETIC DECLARATION

As I read the bible, listen to teachings, and read my GoodNews Daily, I can recognize God's voice day by day in Jesus' name.

John 10:27

John 15:15 (ICB)

“I don't call you servants now. A servant does not know what his master is doing. But now I call you friends because I have made known to you everything I heard from my Father.”

Oh, how wonderful it is to know that God has called you, His friend. Why? Our verse tells us that it is because He tells you everything. He hides nothing from you.

Think about it. When your friend comes to you and tells you about their holiday, you get to laugh and share that experience because your friend will not hide anything from

you. When you read in the bible about Jesus's experiences when He was on earth, you get to share with one another and enjoy together. As you read you will start to understand Him; how He thinks and talks, and what His plans are for the future.

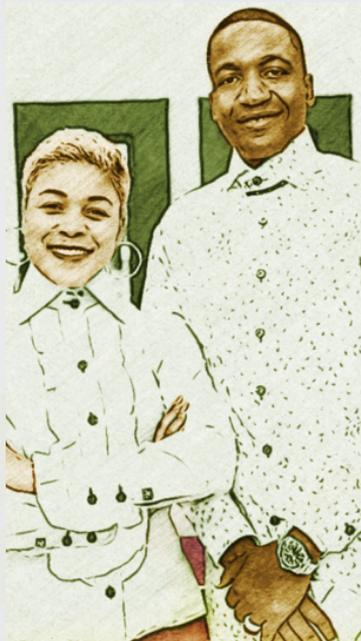

As you read about Jesus today, take your time and imagine yourself there with Him in the story.

PROPHETIC DECLARATION

I am God's best friend. I tell Him everything about me and He tells me everything about Him. Nothing is hidden in our friendship in Jesus' name.

Did you know that as you spend time in the word the Holy Spirit is there with you, teaching you and helping you to understand? People who do not know God cannot understand the word of God the way you do because you have the Holy Spirit. Praise God! But the Spirit does more than that, He speaks to you. You see the more you read the Word, the more you start thinking about the Word. When you are stuck and don't know what to do, the Holy Spirit speaks to you

and reminds you of bible verses He taught you just like our verse above says.

Ask the Holy Spirit to teach you as you read or listen to the word and you will remember everything you were taught supernaturally.

“So faith comes from hearing the Good News. And people hear the Good News when someone tells them about Christ.”

What do you call a monkey with a banana in each ear? Anything you want. He can't hear you!

Now that you are in the spirit, I am sure you have heard us talking about “seeing with the eyes of the spirit”. This means you have different eyes in the spirit from your natural ones. You also have different ears in the spirit for you to hear in the spirit too. Like your natural ears, your spiritual ears need to practice hearing in order to

hear more clearly. How do you do this?

Our verse above tells us by hearing about Christ. The more you read and listen to the different teachings about Jesus, the more your spiritual ears develop on certain topics. Verses will start connecting in your head and you start having a greater understanding of the word. Practice hearing in the spirit this week by listening to bible teachings more often during the week.

"If you go the wrong way—to the right or to the left—you will hear a voice behind you. It will say, "This is the right way. You should go this way."

There was a young boy travelling with his father for the first time. When they arrived at the airport, the border control people let the boy go through to the other side whilst the father was told to wait a little longer. Whilst the workers were checking the father's passport, the father was getting worried because he couldn't see where his son was. He thought his boy was probably scared and all alone. The father started getting angry with the workers until finally,

they let him through to join his son. When the father saw his son, he found him playing happily with not a care in the world. He asked his son why he was not afraid. The boy told him, "Even though I couldn't see you, I could still hear your voice. And so I was not afraid or lost because I knew you were there, I just couldn't see you."

No matter what, as long as you can hear the voice of God you will never be lost or afraid.

Then the Lord called Samuel. Samuel answered, "I am here!" He ran to Eli and said, "I am here. You called me." But Eli said, "I didn't call you. Go back to bed." So Samuel went back to bed.

Have you seen penguins gathered together in their millions making noise? Did you know a baby penguin never gets lost because it recognises its mother and father's voice among the million voices?

You see there are so many voices in the world of people trying to tell you what to do. But when it comes to hearing God, you must listen to one voice only like Samuel in our verse

above. When God called Samuel, he heard the voice of his teacher Eli. Samuel had grown up in the temple and the only voice that taught him about God was Eli's. So, when God spoke, He sounded like Eli because He knew just like the penguins, Samuel will recognise the voice.

So as for you, make sure to listen to one voice who teaches you about God who is Prophet Uebert Angel. Listen to the teachings of one man or woman of God so that when God speaks you recognise the voice.

PROPHETIC DECLARATION

I listen to one voice only. I am set and focused on the course I must follow in Jesus' name.

“Early the next morning, Jesus woke and left the house while it was still dark. He went to be alone and pray.”

When you are praying, you don't have to do all the talking. When you ask God a question He wants to answer it for you so that you have a conversation. Having quiet time helps you to do this. Look at what Jesus did in our verse. He went somewhere very quiet with no distractions to listen to God and talk to Him.

Find a time during your day that will be your quiet time and pray. You can think deeply about a verse quietly and then speak to God about it. Also, speak in tongues. Remember to have

a little book and write down what the Spirit says to you.

PROPHETIC DECLARATION

As I have my quiet time today, God is giving me answers and speaking to me. I can never be confused in my life in Jesus's name.

1 John 4:7-8 (ICB)

“Dear friends, we should love each other, because love comes from God. The person who loves has become God’s child and knows God. 8 Whoever does not love does not know God, because God is love.”

Child of God, God is made up of love. If you understand love then you understand God. God continuously walks in love and doesn’t get angry quickly. See how Jesus walked when He was on earth. He walked with kindness and patience to everyone.

God knew that it would be hard for people to love one another because not everyone treats others fairly.

When Jesus gave you His life, He gave you the power to love as He loves. Love is not a fuzzy feeling but a power you have that others do not have. Nobody can love if they do not have Jesus because Jesus is love. The world is hurting and needs love.

Now that you have Jesus, you are the world’s only hope to love others because you have the God inside you.

“But you should truly want to have the greater gifts. And now I will show you the best way of all... Love”

When Jesus went back to heaven, He left you gifts that you can use here on earth. There are many different gifts such as prophecy, healing, or miracles. Now in our verse above, Apostle Paul tells you that you should really want these gifts. Many people want these gifts for the wrong reasons. They want to show off and show people that they are closer to God than others. So, you will find people praying so hard to prophesy, heal or do miracles. But Apostle Paul gives us

a secret on how to really move in these supernatural gifts. It is love. When you desire these gifts because you care about people and want to make them come to Jesus then you are walking in love. When you walk in love, God can trust you with the secrets of others because He knows you love them and will pray for them.

PROPHETIC DECLARATION

I desire the gifts of the Spirit because I love everyone in Jesus' name.
