PEMBROKE STUDIOS

Construction Update

November 2017

Pembroke Studios 4-10 Pembroke Place

What's New?

Following its completion, Pembroke Studios has now welcomed its first residents.

The six-storey building comprises 94 studio apartments. According to developer YPG, all apartments were sold off-plan within six weeks of construction starting with heavy interest from overseas investors.

Ming Yeung, Managing Director of YPG, said 'Liverpool is fast developing a world-class clinical academic campus, and students from around the world will continue to be drawn to it.'

The Future...

The 40,000 sq ft development, on the site of the former Salters Building, additionally features three ground-floor commercial units across 2,700 sq ft, on one of which YPG is in discussions to introduce a bubble tea café.
