Velocity Global

GLOBAL COMPENSATION

OFFER COMPLIANT EQUITY AWARDS WORLDWIDE

Boost attraction and retention with competitive equity packages.

Global Equity Program

The world's best talent expects equity awards. Now you can easily and compliantly give them what they want. Velocity Global partners with leading legal advisory firms to help you offer competitive equity awards to your global talent no matter where they work.

Why Partner With Us for Equity Awards?

Find out why employers rely on us to help boost their global compensation policy.

- **Comprehensive Service**
  We do everything from high-level consultancy to assisting with withholding rates, payroll processing, supplemental reporting, and more.
- **Compliance Expertise**
  Our internal experts partner with the world's top legal firms to ensure your offerings are compliant across the globe.
- **Versatile Awards**
  Offer a variety of award types, including stock options, stock appreciation rights, restricted stock units, and phantom awards.
- **Industry-Leading Support**
  Get fast, expert answers to your questions about equity using our Help Center and dedicated equity compensation team.

Want to find out more about offering compliant equity awards?

Reach Out Today

Three Easy Steps to Issue Equity Awards

01 Tell your Velocity Global representative you want to provide equity awards to your supported employees.

02 Our team of dedicated international equity experts will reach out to review your award types and design a locally compliant solution.

03 You issue your supported employees an equity grant notice, and we handle any necessary payroll processing, supplemental reporting, and more.
