- 2) The above graphic was created from a screenshot of Sara Carter during her interview last night with Sean Hannity.

[@LisaMei62](#) posted a clip of the interview and the first thing that struck me was...

She can't stop laughing.

Why?

3) What's so funny [@SaraCarterDC](#)?

4) John Solomon is a little better at keeping his game face on but now and then the mask slips.

Pay close attention and you'll notice how much he enjoys this part of the story.

And as you know, we are watching a carefully scripted story.

5) A movie.

Q

6) How many times have Sara Carter and John Solomon been Q'd on Twitter?

Have you ever heard them discuss Q publicly?

Imagine receiving thousands of Q memes and "Q sent me" messages on the tweets posted by Q and having to pretend you didn't notice them.

7) Imagine going on a show (like Sara did today) with Sebastian Gorka, one of the most outspoken Q critics.

What would their discussions be like?

Do you think Q ever comes up?

Do you think Sara feels a little awkward?

8) Q's operation, above all else, is a communications one.

Q's primary function is to communicate to a select group of people a string of messages regarding plans by the White House to remove bad actors on a global scale.

9) The White House has selected a trusted group of reporters who work within the mainstream media to disseminate the President's message and plan.

The fact that Solomon, Carter and Hannity are helping POTUS makes them targets of the deep state.

Q

10) As Spygate unrolls, and as corrupt people are prosecuted, the Fox 3 amigos will be the ones getting the real scoops because they're patriots and they want to help the President.

11) I'm not suggesting that Sean Hannity, Sara Carter or John Solomon can verify Q's identity (we know that number is less than 10 and only 3 are non-military) but I suspect they may follow Q more closely than they're able to admit, publicly.

12) I also suspect that if anyone in the mainstream media is going to report favorably on Q's operation, they're the most likely ones to do it. (If that were to happen, it would have to come at a strategic point in time.)

13) Q previously gave us an order of operations in the exposure and prosecution of bad actors 

MUELLER > DECLAS > OIG > TRUTH > JUSTICE

The Mueller report came out today.
That part of the operation is in the past.
Declass is next.

14) Last September, POTUS authorized the declassification of certain documents related to the Russia investigation. This article explains which ones we can expect to see declassified.

Trump orders declassification of surveillance application, release of C...

The move also includes an effort to reveal the details of Bruce Ohr's interviews connected to the Russia investigation.

<https://www.politico.com/story/2018/09/17/trump-declassification-fisa-documents-come...>

15) POTUS previously put the timing of declassification in the hands of Inspector General Michael Horowitz.

Q has suggested William Barr assumed that responsibility shortly after becoming Attorney General.

16) It's impossible to know with certainty when the declassification will happen.

But if Q is correct, it should happen before the OIG report comes out.

AG Barr said he expects the OIG report in May or June.

Logically then, we ought to see declass sometime in the next month.

17) Back to today's Mueller report, which can be found here:

<https://www.justice.gov/storage/report.pdf>

18) Although the President's enemies are whining like petulant children who didn't get their way and threatening to investigate POTUS until they find a crime worthy of impeachment, Q wants us to know their tantrums won't DELAY what is coming.

MUELLER BLOCKADE END.

not delay what is about to be unleashed.

Q

19) Delay is a timing issue.

Q seems to be telling us that not only is Declass coming but it's going happen ON TIME.

Again, we don't know the timing of Declass but AG Barr does (and I suspect Q does, as well.)

20) I'm not making a prediction but we should consider the fact that Q posted 2 watch pictures which were the setup for another Q watch proof.

Marker 1 is a watch that shows the time of 4:49

The date on the watch the 19th

21) Tomorrow is the 19th of April but we don't yet know if that is the day Q is pointing us to. (It could refer to May or June 19th)

However, tomorrow is the anniversary of the battles of Lexington and Concord.

23) Will the watch proof be fulfilled tomorrow?

Only TIME will tell.

Tomorrow is a holiday (in some states) known as Patriot's Day.

The scope memo [highlighted w/in Mueller report] confirms the 'dossier' was the 'tool' used by [RR] to justify SC and was the primary 'vehicle' to which [RR] tasked MUELLER.
If the dossier was known to be unverified and fake, how then was an investigation started to begin with?
At what point did MUELLER determine there was no collusion?
[18-months ago?]
Was the investigation kept ongoing as a 'talking point' to rig the midterm elections?
Was the investigation kept ongoing to retain the 'BLOCKADE' to essentially restrict POTUS from unmasking and informing the public as to the TRUTH about what really happened?
Was the investigation kept ongoing to PROTECT THOSE WHO 'KNOWINGLY' COMMITTED TREASON/SEDITION?
NO BLOCKADE = GAME OVER
Q

40) The August 2 memo by Rosenstein confirmed that the Mueller investigation was predicated on information (obtained from the Steele dossier) that Carter Page and others were possible Russian spies and that they were connected to Trump's campaign.

"Sections 600.4 through 600.10 of Title 28 of the Code of Federal Regulations." *Id.* ¶ (d).

The Acting Attorney General further clarified the scope of the Special Counsel's investigatory authority in two subsequent memoranda. A memorandum dated August 2, 2017, explained that the Appointment Order had been "worded categorically in order to permit its public release without confirming specific investigations involving specific individuals." It then confirmed that the Special Counsel had been authorized since his appointment to investigate allegations that three Trump campaign officials—Carter Page, Paul Manafort, and George Papadopoulos—"committed a crime or crimes by colluding with Russian government officials with respect to the Russian government's efforts to interfere with the 2016 presidential election." The memorandum also confirmed the Special Counsel's authority to investigate certain other matters, including two additional sets of allegations involving Manafort (crimes arising from payments he received from the Ukrainian government and crimes arising from his receipt of loans

42) If there was no evidence (probable cause) of Russia collusion with the Trump campaign at the start of the investigation, why did it continue?

Was it an attempt to prevent POTUS from succeeding while providing a plausible basis for attacks on his character by the MSM?
